## **AL CAPONE - The Biography of a Self-Made Man** - Fred D. Pasley 2020-04-26

The biography of Alphonse Gabriel Capone (born January 17, 1899 - died January 25, 1947), known by the nickname "Scarface". The most famous American gangster, as well as businessman

## Ethics in Ancient Greek Literature - Maria Liatsi 2020-08-24

Interpretation of ancient Greek literature is often enough distorted by the preconceptions of modern times, especially on ancient morality. This is often equivalent to begging the question. If we think e.g. of aretê, which has different meanings in different contexts, we shall think in English (or in Modern Greek or in French or in German) and shall falsify the phenomena. If we are to understand the Greek concept e.g. of aretê we must study the nature of the situations in which it is applied. For it is an important fact in the study of Greek society that the Greeks used the one word (e.g. aretê) where we use different words. If we are to understand properly the texts, we have to view them in their historical and social context. Ancient Greek thought needs to be studied together with politics, ethics, and economic behaviour. Moreover, the best insights can be found in those who confine themselves to the terms of each ancient author's analysis. From this principle each of the contributions of the volume begins.

## The Deviant Security Practices of Cyber Crime - Erik H.A. van de Sandt 2021-08-09

This is the first book to present a full, socio-technical-legal picture on the security practices of cyber criminals, based on confidential police sources related to some of the world's most serious and organized criminals.

## Colson - Jessica Gadziala 2020-11-13

The club had known peace for so long. Too long, it seemed. And now the president was missing, the supply chain was drying up, and there were threats from within and out. Colson should have had nothing else on his mind. But then there she was. The new neighbor. A woman with her hands full of her own problems should have sent him running, but he just couldn't seem to stay away. As pressure mounted for the club, Colson found himself facing choices he hoped to never make and a woman he hoped to never let go of.

## **Lazarus** - Jessica Gadziala 2017-03-06

The war was over. The dust had settled. The numbers were increasing. Everything had finally started to calm down. Until one night on a walk, I came across her...

## The Works of Saint Augustine - Saint Augustine (of Hippo) 1990

In the context of what begins as a lengthy critique of classic Roman religion and a defense of Christianity, Augustine touches upon numerous topics, including the role of grace, the original state of humanity, the possibility of waging a just war, the ideal form of government, and the nature of heaven and hell.

## **Into the Green** - Jessica Gadziala 2015-04-13

-Cece- There are a few things I learned recently: The love of my life, well, wasn't. My new

roommate is a kook. Nothing is the way I had believed my whole life. -Jasper- Some things are abundantly clear: My sister is missing. I have her new roommate tagging along into a dangerous realm she knows nothing about. And Cece, well, she is nothing like what she appears.

**Double Dead** - Chuck Wendig 2011-11-15

In the Zombie apocalypse the last Vampire on Earth has a hell of a time keeping his food alive. Coburn's been dead now for close to a century, but seeing as how he's a vampire and all, it doesn't much bother him. Or at least it didn't, not until he awoke from a forced five-year slumber to discover that most of human civilization was now dead—but not dead like him, oh no. See, Coburn likes blood. The rest of the walking dead, they like brains. He's smart. Them, not so much. But they outnumber him by about a million to one. And the clotted blood of the walking dead cannot sustain him. Now he's starving. And nocturnal. And more pissed-off than a bee-stung rattlesnake. The vampire not only has to find human survivors (with their sweet, sweet blood), but now he has to transition from predator to protector—after all, a man has to look after his food supply.

*When Doctors Kill* - Joshua A. Perper 2010-06-14

It would come as no surprise that many readers may be shocked and intrigued by the title of our book. Some (especially our medical colleagues) may wonder why it is even worthwhile to raise the issue of killing by doctors. Killing is clearly unethical to the Art and Science of Medicine, which is geared toward easing pain and suffering and to saving lives rather than smothering them. Doctors should be a source of comfort rather than a cause for alarm.

Nevertheless, although they often don't want to admit it, doctors are people too. Physicians have the same genetic library of both endearing qualities and character defects as the rest of us but their vocation places them in a position to intimately interject themselves into the lives of other people. In most cases, fortunately, the positive traits are dominant and doctors do more good than harm. While physicists and mathematicians paved the road to the stars and deciphered the mysteries of the atom, they simultaneously unleashed destructive powers that may one day bring about the annihilation of our planet. Concurrently, doctors and allied

scientists have delved into the deep secrets of the body and mind, mastering the anatomy and physiology of the human body, even mapping the very molecules that make us who we are. But make no mistake, a person is not simply an elegant biological machine to be marveled at then dissected.

**Sugar** - Jessica Gadziala 2018-12-08

Sugar had known a lot of women in his life. But he'd never met anyone quite like this mermaid-haired, tattooed, pierced, smartass woman named Peyton who made it clear she didn't want anything from him except as many orgasms as he could give her. So what was he supposed to do when he realized he did want more? How was he supposed to get this woman who was so committed to non-commitment to take a chance on him? Or convince the loansharks and ex-armed robbers that loved her that he was worthy? All the while trying to figure out how a dead man from his past had somehow come back to life... and why he was coming for him...

*Cyrus* - Jessica Gadziala 2018-12-08

*Cyrus* - Family. Brotherhood. Music. Women. That was pretty much my life. And it was one I was happy with too. Until I came across her- the one woman I knew I had no right to put my hands on, the woman who I still felt such a connection with that, even though I knew I had to keep my hands - and other body parts - to myself, I wanted to be in her life. So I became her friend. Except, this sweet, shy, bookworm was making being honorable a hell of a lot harder than I expected. Reese Family. Books. To be perfectly honest, that was pretty much all my life was about. And I was happy with that. I lived a thousand lives. I saw and felt things in stories I never could have otherwise. Besides, real life was never as good as books. Until I came across him. He was leading man material if I ever saw it. You know, just not for me. He made that perfectly clear. We were going to be friends. Friends. That was it. Except, maybe that simply wasn't enough...

**The Fall of V** - Jessica Gadziala 2019-05-02

They knew she was going to strike back for taking down her empire, for imprisoning her for years. All those years stuck in a cell gave her a lot of time to think, to plot, to plan her revenge. But they couldn't have anticipated this.\* This can not be read as a standalone.\*\* This is

also not a romance. This is a dramatic suspense story told from many POVs including old favorites and some new faces, all dealing with the events before, during, and after V's eventual demise.

**Unexpected Circumstances** - Shay Savage  
2017-07-31

Seven book series with added bonus material! In a bold political move, Sir Branford claims a handmaid as his bride instead of the expected princess in an attempt to spark a war. Poor Alexandra knows little of how to behave as the wife of a future king and knows nothing of the man who is suddenly her husband. Alexandra knows she is being used as a pawn and must do her best to avoid scheming noblewomen and the scorned princess, accept her position as her husband ascends to the throne, and overcome her fears of the man with whom she now shares a bed. Sir Branford is determined to have it all - the kingdom, a wife of his choosing, and the revenge he seeks for the death of his father. He doesn't expect the naive handmaid to become more important than he ever could have foreseen.

*Stitch* - Sue Brown 2014-04

When a certain kind of man is needed, why not make him to order? Much can go wrong--but much can go wonderfully right.

*Duke* - Jessica Gadziala 2016-10-05

It meant war. DUKE The relative peace we have known for years was gone in one violent act. Then, among the ever-present and increasingly bloody unknown threat, I met her. But when passions ignite, complicating an already impossible situation, I am left to wonder if there is a way to overcome the dark and twisted secrets of my past that would allow me to have any kind of future with her. PENNY I was just a normal girl. I swear. One moment, I was just living my usual boring life. The next, I found myself in the middle of some kind of underground war between an outlaw biker gang and some faceless enemy. Trapped in a whole new world and in ever-increasing close proximity to the tall, strong, long blond-haired, deep blue-eyed biker named Duke, yeah, let's just say things got even more interesting. But Duke had secrets. And when they came into the light, I realized they were the kind that I wasn't sure I could live with...

*The Gothic Screen* - Jacqueline E. Jung  
2012-12-28

This book reveals how Gothic choir screens, through both their architecture and sculpture, were vital vehicles of communication and shapers of community within the Christian church.

**Mountains Beyond Mountains** - Tracy Kidder  
2009-08-25

NEW YORK TIMES BESTSELLER • “[A] masterpiece . . . an astonishing book that will leave you questioning your own life and political views.”—USA Today “If any one person can be given credit for transforming the medical establishment’s thinking about health care for the destitute, it is Paul Farmer. . . . [Mountains Beyond Mountains] inspires, discomforts, and provokes.”—The New York Times (Best Books of the Year) In medical school, Paul Farmer found his life’s calling: to cure infectious diseases and to bring the lifesaving tools of modern medicine to those who need them most. Tracy Kidder’s magnificent account shows how one person can make a difference in solving global health problems through a clear-eyed understanding of the interaction of politics, wealth, social systems, and disease. Profound and powerful, *Mountains Beyond Mountains* takes us from Harvard to Haiti, Peru, Cuba, and Russia as Farmer changes people’s minds through his dedication to the philosophy that “the only real nation is humanity.” WINNER OF THE LETTRE ULYSSES AWARD FOR THE ART OF REPORTAGE This deluxe paperback edition includes a new Epilogue by the author  
*The Dameron-Damron Genealogy* - Helen Foster Snow 1953

**Lazarus: Risen #1** - Greg Rucka 2019-03-20  
"FRACTURE I," Part One LAZARUS returns in an all-new prestige format! New series, new story arc, new size, and a new quarterly schedule! Introducing a new ongoing LAZARUS series at 64 pages, perfect bound, LAZARUS: RISEN continues the story of Forever and the Carlyle FamilyÉ featuring an oversized, 44-page story by Eisner winners GREG RUCKA and MICHAEL LARK, an all-new short story exploring the larger world of LAZARUS by Eisner-nominated writer LILAH STURGES, an all-new supplement to the Modern Age: World of Lazarus

Roleplaying Game by Green Ronin, original design artifacts and art supplements, and more! Two years have passed since the Carlyle Family was betrayed in battle, and the Conclave War encroaches on every side. As a new era dawns, Johanna Carlyle goes on the attack to ensure the survival of her Family, relying on the loyalty and support of the Carlyle Lazarus—her sister, Forever—remaining at her side. And while their united front may be enough to turn the tide, the cracks are beginning to show. **HOLLYWOOD NEWS!** Amazon has set up **LAZARUS** for development with Rucka onboard as a writer. Rucka and Michael Lark will both executive produce alongside Angela Cheng Caplan.

**Cash** - Jessica Gadziala 2016-02-02

**CASH** My life has been about three things—brotherhood, good times, and women. Easy. Nothing complicated. That was until Willow Swift came barging back into my life, face bloodied, banging at the gates of The Henchmen compound calling in a favor owed. Now a marker is a marker and I had to make good, but if there was one woman in the world I didn't need in my life, it was the hard-as-stone, hot-as-sin Willow Swift and whatever mysterious ghosts from her past that were haunting her present. **WILLOW** My life has been nothing but two things: hard and complicated. The last person I wanted in my business was the notorious love-em and leave-em Cash, but I needed help and he was the only one I could lean on without worrying about him finding out about my past. But I was starting to wonder if maybe he was his own kind of dangerous bent on making me believe in some things I had long since learned were not possible for me—like falling for a guy I could not, ever, let see the real me.

**Lazarus Vol. 6: Fracture I** - Greg Rucka  
2020-01-15

Two years have passed since current Carlyle Lazarus Forever was betrayed on the battlefield, and now the Carlyle Family finds itself surrounded on all sides. With time running out for her Family, Johanna recruits Forever to go on the attack. As Lazarus fights Lazarus, the next Forever Carlyle in training, 14-year-old "Eight," finds herself in a life-or-death struggle of a different kind. Collects **LAZARUS: RISEN #1-3**

*Made for Sin* - Stacia Kane 2016-08-30

Karen Marie Moning raves that Stacia Kane “delivers dark, sexy urban fantasy at its finest.” Now Kane introduces her most addictive antihero yet: a Las Vegas PI who makes his own luck—and embodies everything that’s oh-so-right with Sin City. A lot of bad hands get dealt in Vegas, but E. L. Speare may be holding one of the worst: He’s cursed with the need to commit sins, and if he misses his daily quota, there’s hell to pay—literally. Fortunately, his hometown affords him plenty of chances to behave badly. But Speare’s newest case really has him going out on a limb. The right-hand man of a notorious crime boss has been found dead in a Dumpster—minus his right hand, not to mention the rest of his arm. What catches Speare’s attention, however, is that the missing appendage was severed clean by a demon-sword, a frighteningly powerful tool of the underworld. Speare’s out of his element, so he turns to a specialist: Ardeth Coyle, master thief, dealer in occult artifacts, and bona fide temptress. Ardeth’s hotter than a Las Vegas sidewalk on the Fourth of July, but she’s one sin Speare has to resist. The dismembered corpses are piling up, unimaginable evil lurks in the shadows, and if this odd couple hopes to beat the odds, Speare needs to keep his hands off Ardeth, and his head in the game. Praise for *Made for Sin* “Fresh and inventive.”—Fang-tastic Fiction “Fast-paced and entertaining . . . This is a must-read for fans of urban fantasy and paranormal romance.”—Night Owl Romance  
*Pagan* - Jessica Gadziala 2017-05-05  
*Pagan*- Fighting. F@cking. F@cking things up. That was my life. That was how I got out of the world I had been raised in. And it was how I intended to keep living my life. That was, of course, until I came across her. The game changer. Kennedy- Hard work. That was pretty much all you could say my life consisted of. It was what got me out of a rough childhood. It was what made me get my first taste of success. Before things went to hell, that is. But it was what was going to get me back on my feet too. So I didn't need any distractions. Certainly not one that came covered in scars, blood, leather, and in a cloud of cigarette smoke. Yet, there he was. And I was thinking maybe a distraction wouldn't be that bad, right?

**The Sex Surrogate** - Jessica Gadziala

2017-02-03

AVA has been suffering from sexual dysfunction for years. Tired of not being able to have a normal relationship with a man, she is steered in the direction of DR. CHASE HUDSON, a psychologist and sexual surrogate. When she signed up for her sessions, she wasn't prepared for his god-like good looks or her instant, intense, and growing connection with him. But as things heat up... and professional lines get blurred, she is forced to confront the question: What are you supposed to do when you start falling for your sex surrogate?

Ulysses -

Cry, the Peacock - Anita Desai

Cry, the Peacock is the story of a young girl, Maya, obsessed by a childhood prophecy of disaster. The author builds up an atmosphere of tension as torrid and oppressive as a stifling Indian summer, both in the crowded, colourful cities and the strangely beautiful countryside. Maya's extreme sensitivity never alienates the reader because it is rendered in terms of measurable human loneliness... How well Desai does in the business of carrying her narrative through to a satisfactory, even explosive end.' — The Times Literary Supplement, London

Repo - Jessica Gadziala 2016-06-04

MAZE: In concept, the plan was simple: prospect at The Henchmen MC. In practice, however, it was anything but. One, because I was a woman. Two, because it was a brotherhood. And three, because Repo, the man who was in charge of making my life a living hell until I quit or screwed up enough to get thrown out, also happened to be the hottest guy I had come across in ages. The problem was, if I didn't get in and stay in despite the hazing from the members and the undeniable attraction building between me and Repo, there was a very good chance I would be found by them. And if I was found by them, well, I was dead. REPO: How the hell was I supposed to get her out of the MC when, one, I didn't agree with the fact that because she was a woman, she had no place in The Henchmen. Two, because she was strong, smart, capable, and determined to get a patch. And three, because, well, I wanted her. The problem was, if I didn't get her kicked out, I would be screwing up a job that was important

to the prez. But the problem was also that if I kicked her out, there was no way I was going to get a shot with her. I didn't know, however, that the real problem was a lot more complicated and a lot more dangerous than disappointing my boss or not getting laid... the problem was Maze had demons and they were hot on her trail...

Helping Hand - Jay Northcote 2015-07-13

Jez Fielding and James MacKenzie-Big Mac to his mates-are in their second year at uni. After partying too hard last year, they make a pact to rein themselves in. While their housemates are out drinking every weekend, Jez and Mac stay in to save cash and focus on their studies. When Jez suggests watching some porn together, he isn't expecting Mac to agree to it. One thing leads to another, and soon their arrangement becomes hands-on rather than hands-off. But falling for your straight friend can only end badly, unless there's a chance he might feel the same.

Bullying and Emotional Abuse in the Workplace - Stale Einarsen 2002-10-03

Over the last decade or so research into bullying, emotional abuse and harassment at work, as distinct from harassment based on sex or race and primarily of a non-physical nature, has emerged as a new field of study. Two main academic streams have emerged: a European tradition applying the concept of 'mobbing' or 'bullying' and the American traditi

**The Cambridge World History of Violence** - Robert Antony 2020-03-31

Every Man a Speculator - Steve Fraser 2009-10-13

Americans have experienced a love-hate relationship with Wall Street for two hundred years. Long an object of suspicion, fear, and even revulsion, the Street eventually came to be seen as an alluring pathway to wealth and freedom. Steve Fraser tells the story of this remarkable transformation in a brilliant, masterfully written narrative filled with colorful tales of confidence men and aristocrats, Napoleonic financiers and reckless adventurers, master builders and roguish destroyers. Penetrating and engrossing, this is an extraordinary work of history that illuminates the values and the character of our nation.

No Joke - Ruth R. Wisse 2013-06-02

In this book, Ruth Wisse evokes and applauds

the genius of spontaneous Jewish joking--as well as the brilliance of comic masterworks by writers like Heinrich Heine, Sholem Aleichem, Isaac Babel, S. Y. Agnon, Isaac Bashevis Singer, and Philip Roth. A.

Renny - Jessica Gadziala 2017-01-06

1 war 2 people trying to find love among the wreckage 5 big surprises The fate of entire beloved organization in the balance = one big, sexy, bloody, hell of a ride.

Against Our Will - Susan Brownmiller

2013-09-24

Susan Brownmiller's groundbreaking bestseller uncovers the culture of violence against women with a devastating exploration of the history of rape—now with a new preface by the author exposing the undercurrents of rape still present today Rape, as author Susan Brownmiller proves in her startling and important book, is not about sex but about power, fear, and subjugation. For thousands of years, it has been viewed as an acceptable "spoil of war," used as a weapon by invading armies to crush the will of the conquered. The act of rape against women has long been cloaked in lies and false justifications. It is ignored, tolerated, even encouraged by governments and military leaders, misunderstood by police and security organizations, freely employed by domineering husbands and lovers, downplayed by medical and legal professionals more inclined to "blame the victim," and, perhaps most shockingly, accepted in supposedly civilized societies worldwide, including the United States. Against Our Will is a classic work that has been widely credited with changing prevailing attitudes about violence against women by awakening the public to the true and continuing tragedy of rape around the globe and throughout the ages. Selected by the New York Times Book Review as an Outstanding Book of the Year and included among the New York Public Library's Books of the Century, Against Our Will remains an essential work of sociological and historical

importance.

**The Life of Lyman Trumbull** - Horace White 2022-09-16

DigiCat Publishing presents to you this special edition of "The Life of Lyman Trumbull" by Horace White. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

**Bread Upon the Waters** - Rose Pesotta 1987

**Reign** - Jessica Gadziala 2015-11-04

1 notorious 1%er 1 innocent trapped in an impossible situation 1 viscous crime lord 3 people who aren't who they appear to be = one big (bloody) mess. Reign is no stranger to the criminal underbelly and hard life, but when a random woman comes (literally) crashing into his life- learning things she has no business knowing, and bringing with her the weight of the city's biggest skin trader, the "hard life" starts to take on a whole new meaning.

**Captain Bill McDonald, Texas Ranger** - Albert Bigelow Paine 1909

Cauldron - Larry Bond 1994

The author of Red Phoenix and Vortex outdoes himself--with an epic adventure straight out of tomorrow's headlines. When France and Germany unite against America, Britain and the Eastern European democracies, the former Soviet Union is caught in the middle of a trade war that turns into a shooting war.

The Boomer Bible - R. F. Laird 1991-01-01

A satirical interpretation of the bible features an interpretation of world history from Creation to the modern era, as well as commentary on religion, art, film, literature, television, and other cultural matters
