**Bloodwood Academy** - Rebecca Ethington  
2021-08-20  
It all started when I was doing some bare-back

riding with my boyfriend, Tommy, atop a rock in Middle-of-Nowhere, Nevada. In walked this wolf like he's my mom on a meth trip, staring at us

and growling like he's an over-protective husband. Worse, according to Tommy, I'm growling back. Next thing I know, Tommy is halfway across the desert and I'm at an elite academy for Witches, Shifters, Vampires, and Fae looking like I was plucked out of the local trailer park. Oh wait, I was. Bloodwood Academy for the Supernatural has only one rule: Don't mingle with students outside your race. So, of course, that just so happens to be the first thing I do. How can you say no to a Fae God with golden eyes, a moody Werewolf with pack issues, and a Vampire with magic fingers. My men are not only sending everything into a whirlwind, but now my life is in danger. It turns out that if I don't go back to my single wide, some jealous females are going to rip my throat out. I need to figure out why I'm connected to all of my mates, and why the headmaster has it out for me, before I find myself ten feet under.

**Flames of Fear** - A C Pontone 2020-06-17

My world is changing so fast it's making my head spin. A few months ago I was just an ordinary seventeen-year-old trying to keep up with school, two jobs, and taking care of my ailing dad. Or so I thought. That was before the four hot Drakon brothers came into my life and turned it upside down, upsetting all my previous assumptions about my life, where I came from, and even who I am. Now everything is different. No longer am I just Emma Jones, I'm heir to the throne of Faery, a world in crisis that only I can save. Plus, I finally have a boyfriend. Well, actually, FOUR boyfriends. Oh, and did I

mention, they're dragons? And that's just for starters! Flames of Fear is the second book in The Lost Fae, a paranormal reverse harem series intended for audiences eighteen and over.

### **Wings of Fire** - Stephanie Mirro 2020-09

I wasn't always the bad guy... Once upon a time, I was simply Veronica Neill: daughter, sister, phoenix. But now I'm all alone, and life as the Falcon-an avian shifter and acquirer of fantastical things-is dangerously sexy and fun. Some might even call me a thief, just never to my face. But when my latest acquisition is stolen before I arrive and a gruesome murder is blamed on me, I've got a choice to make: 1) get taken in by the hotter-than-hell agent sent by the Death Enforcement Agency and let them charge me with a crime I didn't commit, or 2) wait for my bloodsucking client to realize I've failed at the job he hired me for. I don't like either door, so I'll take the window instead: track down the real killer and clear my name. If I don't solve this murder, and fast, then I might just be facing a

lifetime in a grim prison-or worse, a lifetime of servitude to the man who hired me, a man who's turning out to be more dangerous than I realized. And my kind lives for a very long time. If you loved Nalini Singh's Guild Hunters, Ilona Andrews's Hidden Legacy, or Seanan McGuire's InCryptid series then you will devour The Last Phoenix series. WINGS OF FIRE is the 1st book of 7 in The Last Phoenix series, a kickass urban fantasy containing fast-paced action, snarky humor, sexy grim reapers, horrific vampires, a hearty dose of swearing, and a healthy splash of slow-burn romance.

### Paranormal Academy Book 1 - Jayme Morse 2019-08-22

Welcome to Paranormal Academy, a boarding school for the world's most elite witches, fairies, vampires, shifters, and other paranormal beings. At the Academy, there are five rules everyone should follow: 1. Don't go out after curfew. 2. Stay away from the Vixen, the school's secret sorority. 3. Never go into the Enchanted

Forest alone.4. Professors are completely off-limits.5. Don't get involved with dark magic users. Well, rules are meant to be broken. Juliana Montgomery quickly finds herself breaking every rule in the book, but that's the least of her worries. She never expected to receive an invitation to Paranormal Academy because she's pretty sure there's nothing magical about her. But it turns out she's wrong. No one knows what her paranormal race is, but Juliana comes from a paranormal bloodline so powerful that everyone at the Academy is talking about her. The Academy is also filled with gorgeous guys. There's Brett Summers, whose girlfriend is convinced Juliana wants him. (And, okay, maybe she's right). Then there's Kaden, the guy who makes Juliana's heart beat faster, even though he's carrying a deep, dark secret that she's dying to find out. And last, but certainly not least, there's her Elemental Magic professor, Avery Tate. Sparks--literally--fly between them. Then there are the murders that have been

taking place on campus, which seem to be more frequent since Juliana's arrival. Is it a coincidence or is she somehow linked to these deaths? Juliana's anxious to learn the truth about what she is. Someone else already knows. Someone who's planning to use it against her. Someone who's a lot closer than she thinks. [Seraphim Academy 1](#) - Elizabeth Briggs

They think I'm half angel and half human. They think I have no magic. They think because I grew up in the human world I'm clueless about what to expect at Seraphim Academy. They're wrong. I'm not half human, I'm half demon - and this little succubus has come to play. My brother vanished from Seraphim Academy without a trace, and I'll do whatever it takes to find him, including infiltrating the school myself. Even if it means going up against my brother's best friends, who know something about his disappearance and aren't talking. They may be angel royalty, but if they think they can

intimidate me into leaving the school, they're wrong. There's also the problem of the delicious professor who knows my secret. He's hiding something too, and I'm going to find out what it is. But I'll have to be careful, because if anyone finds out I'm part demon? I won't just get kicked out of Seraphim Academy - I'll be dead.

Best Fairy Tales - Hans Christian Andersen  
2016-10-11

Hans Christian Andersen was the profoundly imaginative writer and storyteller who revolutionized literature for children. He gave us the now standard versions of some traditional fairy tales - with an anarchic twist - but many of

his most famous tales sprang directly from his imagination. The thirty stories here range from exuberant early works such as 'The Tinderbox' and 'The Emperor's New Clothes' through poignant masterpieces such as 'The Little Mermaid', 'The Little Match Girl' and 'The Ugly Duckling', to more subversive later tales such as 'The Ice Maiden' and 'The Dryad'. Uniquely inventive and vivacious in style and with deep insight into children's points of view, Andersen established a new genre in literature. This is the classic translation by Jean Hersholt and is illustrated by various artists, with an afterword by Ned Halley. Designed to appeal to the booklover, Macmillan Collector's Library is a series of beautifully bound hardback gift editions of much loved classic titles. Bound in real cloth, printed on high quality paper, and featuring ribbon markers and gilt edges, Macmillan Collector's Library are books to love and treasure.

**Flames of Truth** - A C Pontone 2020-06-17  
An ordinary girl. Four dragons tied to her by an ancient destiny. And a world to save. I thought a lot about death. My death. I got used to the idea

of dying. I always imagined it'd be peaceful, with slow-motion scenes and a nice background melody... like in a movie. But I was wrong. I was lost in the eerie quiet. It was cold and dark. My hair floated lightly in the air. No, not in the air, but in the water. Water surrounded me from every side. Frozen water that seemed to burn in my lungs. I was drowning and couldn't breathe. I tried to swim. Desperately, I kicked my legs and waved my hands, but I wasn't able to reach the surface. I felt all my energies slowly leave me. It was too dark, and I was tired, but I didn't want to give up. I didn't want to die. I tried to push harder with my feet, hoping to feel something solid underneath me, but there was nothing but the fluctuating light and darkness. It swallowed me and I didn't know what to do. I had always been afraid of two things in my life, water and darkness, so I wondered how the hell I had ended up here. My head was spinning due to the lack of oxygen. I kept fighting, but every cell in my body screamed to let it go. I had to breathe,

so I opened my mouth and inhaled strongly. Water came into my lungs, but it had stopped hurting. I no longer felt anything when my body became numb and the darkness devoured me. And then I woke up with a start. My name is Emma and I'm just trying to get by. Between keeping up with my studies, working two jobs, and caring for my ailing father, it's all I can do to make it through a day. It'd be a lot easier if the Drakons hadn't come into my life and turned it upside down. Sometimes I think their mission is to make me miserable. And yet, no matter what they do, I can't shake the feeling there's something different about them. The Drakon brothers are unlike anyone I've ever known, and I'm about to find out why. *Flames of Truth* is the first book in *The Lost Fae* series, a paranormal reverse harem series intended for audiences eighteen and over. Oh, did I mention it features hot dragon shifters?

**Fern's Decision** - Bea Paige 2019-09-17

Death is a lonely place, silent, or so everyone thinks...Fern is no stranger to death, or the singing that accompanies it. She has always known when a person is about to die, for the singing foretells it. Her mother passed it off as an oddity never to be discussed, so she learned to tune out the voices until they disappeared for good. Or so she thought. Then one day, as she fights to bring back a dying baby in the hospital where she works, Fern hears the familiar melody once more. Except this time the voice belongs to a man with ice-blue eyes and black angel wings.

As the baby takes its final breath, the angel sings his last note. For this isn't an angel who gives life, it is one that takes it. For now there are three Angels of Death and Fern appears to be their next victim. Fern's Decision is the first book of Fern's trilogy and continues the Sisters of Hex story. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki.

But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. One sassy pyromaniac thief, three sexy-as-sin monsters, and a paranormal conspiracy of epic proportions. It was an ordinary job. Another night, another asshole collector of the supernatural. I free some poor little beasties from their cages, pocket a few trinkets to pay my

bills, and burn the place down on my way out. Just call me the Robin Hood of monster emancipation. I didn't count on three manly monsters following me home like lost puppies. Stunningly hot lost puppies, but still. Now I've got a seductively cheeky incubus, a sweetly enthusiastic demon, and a grimly stoic angel camped out in my kitchen. They're determined to repay me for my help, and they won't get out of my apartment until they're satisfied we're even. To be fair, they've got no place else to go. A covert band of hunters captured their boss, and the trail is ice-cold. I'll lend a hand if it means I can send them packing... and when it looks like we're up against the same creeps who murdered the person I loved most, you'd better believe I'm all in. Track down the baddies. Steal back the boss. Don't get killed along the way. Oh, and maybe hook up with a monstrous hottie or two. Piece of cake. I'm so going to regret this. \*Shadow Thief is the first book in a new urban fantasy series from bestselling author Eva

**Trying to Live with the Dead** - B. L.

Brunnemer 2017-05-09

Hi, I'm Alexis Delaney. I'm your average 17-year-old girl. Except I can see the dead. And talk to the dead. And push them away and, well, help them move on. So..okay, I'm not your average 17-year-old girl. For years I've been struggling to survive the souls still roaming around. The shitheads always seem to find me. Moving from town to town every few months never helped either. More dead just always find me. But things are changing for me now. I'm moving in with my uncle Rory and cousin Tara. I'm finally going to be able to do normal teenage stuff I've been missing out on. Right? Well, if this one bitch of a ghost could leave me alone on campus that would be great. Especially since I haven't told my new friends about my abilities. Can you believe this? Five good looking guys practically

adopt me on my first day of school, and I still think they're a bit nuts for it. Now if I can only just keep my life with the dead from mixing with my normal life, everything would be great. Yeah...I don't see that happening either. But I'm going to give it a shot. Who knows? It might work.
