Borderlands - Brian McGilloway 2009-09-18

The snow ceased as the assistant state pathologist arrived, black medical bag in hand. I stood by the river as she worked, and watched the sun exploding low over the horizon. From the New York Times bestselling author of *Little Girl Lost* comes a new voice in Irish crime fiction. Winter 2002. The corpse of local teenager Angela Cashell is found on the Tyrone-Donegal border, between the North and South of Ireland, in an area known as the Borderlands. Garda Inspector Benedict Devlin heads the investigation. The only clues are a gold ring placed on the girl's finger and an old photograph, left where she died. While Devlin searches for the girl's killer, her father has his own ideas about who is responsible—and his own ideas about how to make them pay. Meanwhile, Devlin becomes reacquainted with an old flame eager to rekindle their affair. Then another teenager is murdered, and Devlin unearths a link between the recent killings and the disappearance of a prostitute twenty-five years earlier—a case in which he fears one of his own colleagues is implicated. As a thickening snow storm blurs the border between North and South, Devlin finds the distinction between right and wrong, vengeance and justice, and even police officer and criminal becoming equally unclear. A dazzling and highly lyrical debut crime novel, *Borderlands* marks the beginning of a compelling new series featuring Inspector Benedict Devlin.

The Impostor - Javier Cercas 2018-08-28

MAN BOOKER PRIZE NOMINEE • From the acclaimed author of *Outlaws* • For decades, Enric Marco was revered as a veteran of the Spanish Civil War, a crusader for justice, and a Holocaust survivor. But in May 2005, at the height of his renown, he was exposed as a fraud. Marco was never in a Nazi concentration camp. And perhaps the rest of his past was fabricated, too, a combination of his delusions of grandeur and his compulsive lying. In this hypnotic narrative, which combines fiction and nonfiction, detective story and war story, biography and autobiography, Javier Cercas sets out to unravel Marco's enigma. With both profound compassion and lacerating honesty, Cercas probes one man's gigantic lie to explore the deepest, most flawed parts of our humanity.

Bad Blood - Brian McGilloway 2017-06-13

"Brian McGilloway blends timeless values with ripped-from-the-headlines issues to produce some of the very best crime fiction being written today." —Lee Child, #1 New York Times bestselling author A young man is found in a riverside park, his head bashed in with a rock. One clue is left behind to uncover his identity—an admission stamp for the local gay club. DS Lucy Black is called in to investigate. As Lucy delves into the community, tensions begin to rise as the man's death draws the attention of the local Gay Rights group to a hate-speech

Pastor who, days earlier, had advocated the stoning of gay people and who refuses to retract his statement. Things become further complicated with the emergence of a far-right group targeting immigrants in a local working-class estate. As their attacks escalate, Lucy and her boss, Tom Fleming, must also deal with the building power struggle between an old paramilitary commander and his deputy that threatens to further enflame an already volatile situation. Hatred and complicity abound in McGilloway's new Lucy Black thriller.

Compelling and current, *Bad Blood* is an expertly crafted and acutely observed page-turner, delivering the punch that readers of *Little Lost Girl* have grown to expect.

Lost Girls - Angela Marsons 2015-11-06

River Boy - Tim Bowler 2001-04-02

She didn't know how fast the current was moving her. It could take many more hours yet, perhaps more hours than she had the strength for. But she must not stop. She must keep going. She must try to catch the river boy, even though she was frightened at the thought of what he was. Jess's beloved grandfather has just had a serious heart attack, but he insists that the family travel as planned to his boyhood home on the river so that he can finish his painting, *River Boy*. As Jess helps her ailing grandpa with his work, she becomes entranced by the scene he is painting. Then she becomes aware of a strange presence in the river -- a boy who asks for her help and issues a challenge that will stretch her swimming talents to their very limit. Jess knows that Grandpa and the river boy are connected, but how? Can she take up the river boy's challenge before it's too late for Grandpa? Tim Bowler's gripping narrative flows like a river itself -- gentle and calm at times, turbulent and deep at others, always fluid, always alive. Readers will be swept along by the magic of the river and the mysterious river boy -- and changed forever by Jess's unforgettable journey.

Transcription - Kate Atkinson 2018-09-25

A dramatic story of WWII espionage, betrayal, and loyalty, by the #1 bestselling author of *Life After Life*. In 1940, eighteen-year old Juliet

Armstrong is reluctantly recruited into the world of espionage. Sent to an obscure department of MI5 tasked with monitoring the comings and goings of British Fascist sympathizers, she discovers the work to be by turns both tedious and terrifying. But after the war has ended, she presumes the events of those years have been relegated to the past forever. Ten years later, now a radio producer at the BBC, Juliet is unexpectedly confronted by figures from her past. A different war is being fought now, on a different battleground, but Juliet finds herself once more under threat. A bill of reckoning is due, and she finally begins to realize that there is no action without consequence. *Transcription* is a work of rare depth and texture, a bravura modern novel of extraordinary power, wit and empathy. It is a triumphant work of fiction from one of the best writers of our time.

A Necessary Evil: A Novel - Abir Mukherjee
2018-04-03

India, 1920. Captain Wyndham and Sergeant Banerjee of the Calcutta Police Force investigate the dramatic assassination of a Maharajah's son, in the sequel to *A Rising Man*. The fabulously wealthy kingdom of Sambalpur is home to tigers, elephants, diamond mines, and the beautiful Palace of the Sun. But when the heir to the throne is assassinated in the presence of Captain Sam Wyndham and Sergeant 'Surrender-Not' Banerjee, they discover a kingdom riven with suppressed conflict. Prince Adhir was a modernizer whose attitudes—and romantic relationships—may have upset the more religious elements of his country, while his brother—now in line to the throne—appears to be a feckless playboy. As Wyndham and Banerjee desperately try to unravel the mystery

behind the assassination, they become entangled in a dangerous world where those in power live by their own rules—and those who cross their paths pay with their lives. They must find a murderer, before the murderer finds them . . .

Refugee Tales - Ali Smith 2016-05-31

Two unaccompanied children travel across the Mediterranean in an overcrowded boat that has been designed to only make it halfway across... A 63-year-old man is woken one morning by border officers 'acting on a tip-off' and, despite having paid taxes for 28 years, is suddenly cast into the detention system with no obvious means of escape... An orphan whose entire life has been spent in slavery - first on a Ghanaian farm, then as a victim of trafficking - writes to the Home Office for help, only to be rewarded with a jail sentence and indefinite detention... These are not fictions. Nor are they testimonies from some distant, brutal past, but the frighteningly common experiences of Europe's new underclass - its refugees. While those with 'citizenship' enjoy basic human rights (like the right not to be detained without charge for more than 14 days), people seeking asylum can be suspended for years in Kafka-esque uncertainty. Here, poets and novelists retell the stories of individuals who have direct experience of Britain's policy of indefinite immigration detention. Presenting their accounts anonymously, as modern day counterparts to the pilgrims' stories in Chaucer's *Canterbury Tales*, this book offers rare, intimate glimpses into otherwise untold suffering.

The Rising - Brian McGilloway 2011-05-06

When Garda Inspector Benedict Devlin is summoned to a burning barn, he finds inside the charred remains of a man who is quickly identified as a local drug dealer, Martin Kielty. It soon becomes clear that Kielty's death was no accident, and suspicion falls on a local vigilante group. Former paramilitaries, the men call themselves *The Rising*. Meanwhile, a former colleague's teenage son has gone missing during a seaside camping trip. Devlin is relieved when the boy's mother, Caroline Williams, receives a text message from her son's phone, and so when a body is reported, washed up on a nearby beach, the inspector is baffled. When another drug dealer is killed, Devlin realises that the spate of deaths is more complex than mere

vigilantism. But just as it seems he is close to understanding the case, a personal crisis will strike at the heart of Ben's own family, and he will be forced to confront the compromises his career has forced upon him. With his fourth novel, McGilloway announces himself as one of the most exciting crime novelists around: gripping, heartbreaking and always surprising, *The Rising* is a tour de force - McGilloway's most personal novel so far.

The Black Angel - Cornell Woolrich 2021-11-15

This hypnotic thriller by the father of noir exposes its heroine to a waking nightmare. A panic-stricken young wife races against time to prove that her convicted husband did not murder his mistress. Writing in first person from her viewpoint, Woolrich makes us feel her love and anguish and desperation, as she becomes an avenging angel to rescue her husband from execution.

The Cuckoo's Calling - Robert Galbraith

2013-04-30

Published under a pseudonym, J. K. Rowling's brilliant debut mystery introduces Detective Cormoran Strike as he investigates a supermodel's suicide in "one of the best books of the year" (USA Today). After losing his leg to a land mine in Afghanistan, Cormoran Strike is barely scraping by as a private investigator. Strike is down to one client, creditors are calling, and after a breakup with his longtime girlfriend, he's living in his office. Then John Bristow walks through his door with a shocking story: His sister, the legendary supermodel Lula Landry -- known to her friends as the Cuckoo -- famously fell to her death a few months earlier. The police ruled it a suicide, but John refuses to believe that. The case plunges Strike into the world of multimillionaire beauties, rock-star boyfriends, and desperate designers, and it introduces him to every variety of pleasure, enticement, seduction, and delusion known to man. You may think you know detectives, but you've never met one quite like Strike. You may think you know about the wealthy and famous, but you've never seen them under an investigation like this. Fast-paced and sharply drawn, this dazzling detective novel inspired Strike, the BBC crime drama series that has captivated millions of viewers worldwide.

La teoria dell'assassino - Stuart MacBride
2022-04-28

Un grande thriller Sono passati diciassette mesi da quando il serial killer chiamato il Fabbro Sanguinario ha ucciso la sua prima vittima, e la detective Lucy McVeigh non si è nemmeno avvicinata alla sua cattura. I media stanno montando uno scandalo, le alte cariche della polizia pretendono risultati, ma l'indagine è a un punto morto. Non è certo questo il momento di farsi distrarre da altri casi, ma pare che Lucy non abbia scelta. Quando aveva solo undici anni,

Benedict Strachan inseguì e uccise un senzatetto, e nessuno riuscì mai a capire perché. Adesso, dopo sedici anni, Benedict ricompare, malconco e terrorizzato, per implorare l'aiuto della detective McVeigh: non fa che ripetere che "loro" gli stanno dando la caccia... Sembrerebbe solo paranoia, ma se Benedict avesse ragione? Se fosse davvero coinvolto in qualcosa che Lucy non può neppure immaginare? E se il Fabbro Sanguinario non fosse l'unico mostro, là fuori? Un autore tradotto in tutto il mondo Oltre 2,5 milioni di copie vendute «Ha disseminato la Scozia di cadaveri e serial killer. Ha evocato le paure più profonde della società. Victim 2117 - Jussi Adler-Olsen 2021-03-02

In the heart-pounding next installment of the New York Times and #1 internationally bestselling Department Q series, a terrifying international investigation reveals the complex backstory of one of the department's own—the

enigmatic Assad. The newspaper refers to the body only as Victim 2117—the two thousand one hundred and seventeenth refugee to die in the Mediterranean Sea. But to three people, the unnamed victim is so much more, and the death sets off a chain of events that throws Department Q, Copenhagen's cold cases division led by Detective Carl Mørck, into a deeply dangerous—and deeply personal—case. A case that not only reveals dark secrets about the past, but has deadly implications for the future. For troubled Danish teen Alexander, whose identity is hidden behind his computer screen, the death of Victim 2117 becomes a symbol of everything he resents and the perfect excuse to unleash his murderous impulses in real life. For Ghaalib, one of the most brutal tormentors from Abu Ghraib—Saddam Hussein's infamous prison—the death of Victim 2117 is the first step in a terrorist plot years in the making. And for Department Q's Assad, Victim 2117 is a link to his buried past—and the family he assumed was long dead. With the help of the Department Q squad—Carl, Rose, and Gordon—Assad must finally confront painful memories from his years in the Middle East in order to find and capture Ghaalib. But with the clock ticking down to Alexander's first kill and Ghaalib's devastating attack, the thinly spread Department Q will need to stay one step ahead of their most lethal adversary yet if they are to prevent the loss of thousands of innocent lives.

Crossing the Mangrove - Maryse Conde
2011-03-02

In this beautifully crafted, Rashomon-like novel, Maryse Conde has written a gripping story imbued with all the nuances and traditions of Caribbean culture. Francis Sancher—a handsome outsider, loved by some and reviled by others—is found dead, face down in the mud on a path outside Riviere au Sel, a small village in Guadeloupe. None of the villagers are particularly surprised, since Sancher, a secretive and melancholy man, had often predicted an unnatural death for himself. As the villagers come to pay their respects they each—either in a speech to the mourners, or in an internal monologue—reveal another piece of the mystery behind Sancher's life and death. Like pieces of an elaborate puzzle, their memories interlock to create a rich and intriguing portrait of a man

and a community. In the lush and vivid prose for which she has become famous, Conde has constructed a Guadeloupean wake for Francis Sancher. Retaining the full color and vibrance of Conde's homeland, *Crossing the Mangrove* pays homage to Guadeloupe in both subject and structure.

Speaking in Bones - Kathy Reichs 2020-03-03

In this blockbuster novel from bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan investigates what looks to be a typical missing person case, only to find herself digging up bones possibly left by a serial killer, a cult, or perhaps something not entirely of this world. For every case that Temperance Brennan has solved, there remain numerous bodies that remain unidentified in her lab. Information on some of these cold cases is available online, where amateur detectives sometimes take a stab at solving cases. When Tempe gets a call from Hazel "Lucky" Strike, a web sleuth who believes she's successfully connected a body in Tempe's lab to a missing eighteen-year-old girl, Tempe writes it off as another false alarm. Still reeling from her mother's diagnosis and the shock of Andrew Ryan's potentially life-change proposal, Tempe has little patience for chasing false leads. But when the bones in the lab match the missing girl's medical records, Tempe re-opens the case, returning to the spot where her remains were originally found. What seems at first to be an isolated tragedy takes on a more sinister cast as Tempe uncovers two more sets of bones nearby. Even more troubling is that the area is known as a viewing point for a famous unexplained light phenomenon, and that a local cult nearby has significant interest in the site. Tempe's suspicions turn to murder by ritual sacrifice—a theory that gains even more urgency when Hazel herself turns up dead. Struggling to follow the tracks of a killer who will do anything not to be discovered, Tempe races to solve the murders and unravel the mysteries surrounding the site before the body count climbs higher. A suspenseful addition to Temperance Brennan's story, *Speaking in Bones* proves that Kathy's pulse-pounding *Bones* series never slows down.

The Anatomy of a Moment - Javier Cercas
2012-01-05

In February 1981, just as Spain was finally

leaving Franco's dictatorship and during the first democratic vote in parliament for a new prime minister - Colonel Tejero and a band of right-wing soldiers burst into the Spanish parliament and began firing shots. Only three members of Congress defied the incursion and did not dive for cover. Adolfo Suarez the then outgoing prime minister, who had steered the country away from the Franco era, Gutierrez Mellado, a conservative general who had loyally served democracy, and Santiago Carillo, the head of the Communist Party, which had just been legalised. In *The Anatomy of a Moment*, Cercas examines a key moment in Spanish history, just as he did so successfully in his Spanish Civil War novel, *Soldiers of Salamis*. This is the only coup ever to have been caught on film as it was happening, which, as Cercas says, 'guaranteed both its reality and its unreality'. Every February a few seconds of the video are shown again and Spaniards congratulate themselves for standing up for democracy, but Cercas says that things were very quiet that afternoon and evening while all over Spain people stayed inside waiting for the coup to be defeated or to triumph.

Falling Angel - William Hjortsberg 2012-03-13 Edgar Award Finalist: The hunt for a vanished singer leads a detective into the depths of the occult in this "terrific" novel (Stephen King). Big-band frontman Johnny Favorite was singing for the troops when a Luftwaffe fighter squadron strafed the bandstand, killing the crowd and leaving the singer near death. The army returned him to a private hospital in upstate New York, leaving him to live out his days as a vegetable while the world forgot him. But Louis Cyphre never forgets. Cyphre had a contract with the singer, stipulating payment upon Johnny's death—payment that will be denied as long as Johnny clings to life. When Cyphre hires private investigator Harry Angel to find Johnny at the hospital, Angel learns that the singer has disappeared. It is no ordinary missing-person's case. Everyone he questions dies soon after, as Angel's investigation ensnares him in a bizarre tangle of black magic, carnival freaks, and grisly voodoo. When the sinister Louis Cyphre begins appearing in Angel's dreams, the detective fears for his life, his sanity, and his soul. *Falling Angel* was the basis for the Alan Parker film *Angel Heart*, starring Mickey Rourke, Robert De Niro,

and Lisa Bonet. This ebook features an illustrated biography of William Hjortsberg including rare photos from the author's personal collection.

Blood Ties - Brian McGilloway 2021-03-25 'An enthralling, powerful and incredibly moving novel' Irish Times 'Blood Ties is a compulsive police procedural, but it's so much more than that: thought-provoking, compassionate and beautifully-written. McGilloway is one of the finest crime-writers working today.' Ann Cleeves 'Written in elegantly simple prose... this novel is full of compassion' Literary Review 'Blood Ties is one of those rare gems; a beautifully written crime novel that's also brilliantly paced, skillfully plotted and utterly absorbing.' Jo Spain 'Brian McGilloway's police procedurals are a masterclass in crime fictions' Andrea Carter 'A clever, engaging and beautifully crafted police procedural' Irish Independent 'Some of the very best crime fiction being written today' Lee Child on *Bad Blood* _____ How can a dead woman avenge herself on her killer twenty years after her murder? This is the puzzle facing Ben Devlin in his latest case. He is called to the scene of a murder - a man has been stabbed to death in his rented room and when his identity is discovered Devlin feels a ghost walk over his grave as he knows the name Brooklyn Harris well. As a teenager, Harris beat his then-girlfriend Hannah Row to death, and then spent twelve years in prison for the murder. As Devlin investigates the dead man's movements since his release it becomes apparent Harris has been grooming teenage girls online and then arranging to meet them. But his activities have been discovered by others, notably a vigilante, who goes straight to the top of Devlin's list of suspects... until he uncovers that Harris was killed on the anniversary of Hannah's death - just too big a coincidence in Devlin's books. So Hannah's family join the ever-growing list of suspects being interviewed by his team. And then forensics contact Devlin with the astounding news that blood found on Harris's body is a perfect match to that of Hannah Row's. Yet how can this be; the girl was murdered many years ago - and Devlin doesn't believe in ghosts.

_____ Praise for Brian McGilloway 'This dazzling, labyrinthine debut impresses not only for the authentic depiction of a troubled

community and the conflicts of a fallible detective, but also for the intense portrait of the borderlands themselves; as beautiful and terrible as the secrets they keep' Guardian 'Poetic, human and gripping... reminded me of Bernard MacLaverty's early work. Yes, it's that good' Ian Rankin 'McGilloway's Borderlands was one of last years most impressive debuts. Does Gallows Lane pass the feared second-novel test? Easily.' The Times 'McGilloway skilfully handles the tangled threads of a conspiracy surrounding an old crime, to make a satisfying mystery with an attractive central character.' Sunday Telegraph 'Well-written, subtly characterised and intriguingly plotted' Morning Star

The Cutting Edge - Jeffery Deaver 2018-05-17 From the Sunday Times bestselling author of The Goodbye Man, discover Jeffery Deaver's chilling series featuring much-loved protagonists Lincoln Rhyme and Amelia Sachs. Someone is killing couples just as they start their lives together. Newlyweds Lincoln Rhyme and Amelia Sachs are on the hunt . . . The first victims, William and Anna, were collecting her engagement ring. 1.5 carat, almost flawless. But the Promisor had other ideas for their future . . . Their murder - and that of the diamond cutter they were visiting - is only the first of a series of macabre attacks. The killer is hunting down any witnesses who might lead to his capture. He has promised one thing: to destroy. But Rhyme and Sachs will do whatever it takes to break his vow. 'The best psychological thriller writer around.' The Times

The Nameless Dead - Brian McGilloway 2012-05-10

'You can't investigate the baby, Inspector. It's the law.' Declan Cleary's body has never been found, but everyone believes he was killed for informing on a friend over thirty years ago. Now the Commission for Location of Victims' Remains is following a tip-off that he was buried on the small isle of Islandmore, in the middle of the River Foyle. Instead, the dig uncovers a baby's skeleton, and it doesn't look like death by natural causes. But evidence revealed by the Commission's activities cannot lead to prosecution. Inspector Devlin is torn. He has no desire to resurrect the violent divisions of the recent past. Neither can he let a suspected murderer go unpunished. Now the secret is out,

more deaths follow. Devlin must follow his conscience - even when that puts those closest to him at terrible risk . . .

Jack of Spades - Joyce Carol Oates 2015-05-05 An exquisite, psychologically complex thriller about opposing forces within the mind of one ambitious writer and the delicate line between genius and madness. Andrew J. Rush has achieved the kind of critical and commercial success most authors only dream about: He has a top agent and publisher in New York, and his twenty-eight mystery novels have sold millions of copies. Only Stephen King, one of the few mystery writers whose fame exceeds his own, is capable of inspiring a twinge of envy in Rush. But Rush is hiding a dark secret. Under the

pseudonym "Jack of Spades," he pens another string of novels—noir thrillers that are violent, lurid, and masochistic. These are novels that the upstanding Rush wouldn't be caught reading, let alone writing. When his daughter comes across a Jack of Spades novel he has carelessly left out, she picks it up and begins to ask questions. Meanwhile, Rush receives a court summons in the mail explaining that a local woman has accused him of plagiarizing her own self-published fiction. Before long, Rush's reputation, career, and family life all come under

threat—and in his mind he begins to hear the taunting voice of the Jack of Spades. "Sleek and suspenseful . . . Readers are sure to be gripped and unsettled by [Oates's] depiction of a seemingly mild-mannered character whose psychopathology simmers frighteningly close to the surface." —Publishers Weekly, starred review "Just when you think you've got her all figured out, Joyce Carol Oates sneaks up behind and confounds you yet again. She does it with a wicked flourish in Jack of Spades." —The New York Times Book Review
