Dr. Fries-With-That - Joshua Renken 2015-04-27

Hello. My name is Josh, and I'm a dentist. If you are like me, that simple introduction typically sets off one of several severe reactions. The uncomfortable shuffle as the person you just met tries to get away from you. Or maybe it goes the opposite direction and an emergency exam about tooth whitening ensues. Like you, I decided to pursue this career years ago because I wanted to help people. Like you, I go to the office every day and do many things that are hard to reconcile as actually "helping people." I wrote this book because you and I

probably share one distinct fear. You know the one. The one where you sink years of your life, thousands upon thousands of dollars, and many sleepless nights into a profession. The fear that, despite all that effort, you end up a nameless face working for a big box organization that doesn't care about you, your co-workers, or the people you are serving. *Dr. Fries-With-That* is a book about getting past that fear and finding a new way forward.

But while they were away, something happened, something none of them could ever have imagined. When they get back to civilisation, they find it no longer exists. The land is no longer safe. 2010-09

DEADCORE: 4 HARDCORE ZOMBIE NOVELLAS Join authors Randy Chandler, Ben Cheetham, Edward M. Erdelac, and David James Keaton as they unleash the carnage while breathing new life, and death, into the zombie genre.

FANGORIA MAGAZINE REVIEW "As the book's title indicates, DEADCORE achieves all extremes. Violent, perverse, depraved—and, as such, quite recommended." the boiling point, the living are screwed, and unspeakable acts are being performed upon all involved. In this tale of *Zombies Gone Wild*, yes the dead walk but just where the hell are they going and why? *Dead Juju* gives you the hardcore truth, if you're ghoul enough to handle it. *NIGHT OF THE JIKININKI* BY EDWARD M. ERDELAC After a comet is observed in the western sky of feudal Japan, a murdered inmate rises from the dead and attacks his fellow prisoners. Three disparate men: a casteless bandit, a mad, child-eating monk, and a renowned but sadistic samurai band together to escape the walled and moat-surrounded prison as it fills with the walking and ravenous dead. *ZEE BEE & BEE (A.K.A. PROPELLER HATS FOR THE DEAD)* BY DAVID JAMES KEATON At a "Zombie Bed & Breakfast" tourist trap, guests pay for the thrill of a staged zombie assault during an apocalyptic scenario, acted out by sluggish hotel workers who are well-versed in the zombie genre. But soon the

script doesn't go as planned, the guests become uncooperative, and the actors are taking their roles very seriously these days. *ZOMBIE SAFARI* BY BEN CHEETHAM Survivors of a zombie apocalypse have carved out new existences on islands, only visiting the mainland to hunt zombies. But things start to go wrong. Zombies don't die as they should. Hunters go missing. A trip that's supposed to be fun turns into a struggle for survival as four men make a discovery that causes them to question not only what it means to be a zombie, but what it means to be human.

Trilobite - J. L. Bourne
2020-06-29

The machines brought society to its knees. Now, the last remaining humans fight for survival--and to take back what's theirs. Junior, a robotics expert, tinkers quietly underground. With dozens of machine kills under his belt, he knows the enemy inside and out. AlphaOverride, a reclusive black hat hacker, uses the skills acquired over a life of

shady activity to outwit the hyper-intelligent machines swarming in on her. Brick, a special forces operator and one of the few Pentagon survivors, fights his inner demons to embark on the most important mission of his life. Together they are humanity's last, best hope--if they can only find each other in time. From the Author First, I brought you the cult classic, Day by Day Armageddon, where we both journeyed alongside the unnamed survivor as he trekked across the bleak landscapes of the undead. Some time after the Great Recession, I strived to accurately depict the bedlam of a post-grid down United States in Tomorrow War--An alternate timeline where a jack boot on the throat of humanity is only one black swan event away. Now, after years of world building, writing and editing in my attic, Trilobyte is ready for you, my beloved reader. Some might call it a warning of what is to come if we aren't careful with our creations. Trilobyte is the most terrifying thing I have

ever written. They are closer than you think. They will be trillions. They will come for you. Lock your doors and load those rail guns. The machines are here.

The Secret of the Island -
Jules Verne 1914

Turning This Thing Around -
Keith Maginn 2012-12-22

Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly

miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, Turning This Thing Around is a story of a normal young man's resiliency when battling extraordinary circumstances.

linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.
