War Isn't Hell, It's Entertainment - Rikke Schubart 2009-03-05
Real war is a cruel theater of death, yet it is also an exciting narrative exploited for national, political and commercial purposes and turned into numerous films, television shows, computer games, news stories and reenactment plays. These essays examine the relationship between war, visual media and entertainment from a number of academic perspectives. Key topics include how war is used as an imaginary site to stage dramas; how boundaries between war, media, and entertainment dissolve as new media alters the formal qualities of representation; how entertainment is used to engage audiences; and what effect products of war and entertainment have on consumers of popular culture.

Connections: A Lifetime Journey Through the World of Celebrity - Gordon Lore 2017-09

If Ginger on Gilligan's Island had discovered Richard M. Nixon beneath a palm tree, the surprise would have been no more shocking than the contents revealed in author Gordon Lore's treasure chest of memories. Coincidentally, he knew both Tina Louise and Nixon. For fifty years, he associated with an eclectic mix of fascinating people you would nowadays expect to find in a time capsule, such as President Harry S. Truman, James Cagney, Robert Mitchum, Rita Hayworth, Claire Bloom,

John F. and Robert F. Kennedy, then-Vice President Lyndon B. Johnson, the Duke of Windsor, Anne Revere, Lesley Ann Warren, the Star Trek: The Next Generation main cast (Patrick Stewart, LeVar Burton, Jonathan Frakes, Brent Spiner), Joe DiMaggio, and more. Burl Ives, whose "A Holly, Jolly Christmas" still resonates through shopping mall loud speakers, once sang to him; Presidential Medal of Freedom recipient Frank Gehry discussed architecture with him; Harry Wu debated human rights with him; exorcist Dr. Antonia Rodriguez sermonized deliverance with him. From the beautiful Chesapeake Bay shores to the halls of Washington power to a mineral water spa in Los Angeles, journey back through Gordon's enjoyable and spiritually rewarding career. Illustrated. Bibliography. Index Gordon Lore's other works include *Mysteries of the Skies: UFOs in Perspective* (1968), *Strange Effects From UFOs* (1969), *The Earle Family of Newfoundland and the Birth of a Canadian Atlantic Province*, and he is former Editor of *The U.F.O. Investigator*, *The UFOR Newsletter*, *Public Utilities Fortnightly*, *The Rockwell News*, the *Corea Times*, and *Contemporary Dialysis & Nephrology, For Patients Only*. Gordon Lore was born and raised on Solomons Island, Maryland, on the shores of the Chesapeake Bay, where he met many of the film stars and celebrities that comprise his new book, *Connections: A Lifetime Journey Through the World of Celebrity*. The book is his Treasure Chest of Memories and includes his 50 years of encounters with four Presidents, a

King, a former King, a world-renown architect, the premier folksinger/balladeer of the 20th Century, best-selling authors, the man who began the UFO craze, and many film and TV stars. The ultimate payoff is a first-hand exposure to prominent celebrities who have left their mark on our times.

A brood of famous and longing-to-be-famous creative artists have gathered at their summer home during the Williamstown Theatre

Festival. When the weekend takes an unexpected turn, everyone is forced to improvise, inciting a series of simmering jealousies, romantic outbursts, and passionate soul-searching. Both witty and compelling, *THE COUNTRY HOUSE* provides a piercing look at a family of performers coming to terms with the roles they play in each other's lives.

Demonic Possession - C. Torrington 2016-01-15

The idea of people possessed by evil spirits against their will is as old as the hills. Often there is thought to be a special way a person has become possessed. It might be the result of a curse cast on them by a sorcerer, or some unfortunate mishap such as stepping over a dead body. Or the demons can have been invited, in a Satanic ritual. More often, at least in recent Christian tradition, there is no initiating moment that can be identified - they just find their way in, like disease. From Pearl Curran, a housewife living in St Louis, Missouri, who soared to fame in the second decade of the 20th century as the amanuensis of 'Patience Worth', a writer who had died in the 17th century, to victims of Dissociative Personality Disorder (thought to have inspired *Dr Jekyll & Mr Hyde*), this book examines demonic possession from every angle.

[Celebrity Authorship and Afterlives in English and American Literature](#) - Rick Honings 2016-09-21

This book maps the history of literary celebrity from the early nineteenth century to the present, paying special attention to the authors' crafting of their writerly self as well as the afterlife of their public image. Case studies are John Keats, Edgar Allan Poe, Eliza Cook, Herman Melville, Oscar Wilde, Gertrude Stein, J.D. Salinger and Zadie Smith. Literary celebrity is part and parcel of modern literary culture, yet it continues to raise intriguing questions about the nature of authorship, writerly fame and the tension between authorial self-fashioning and public appropriation. This volume provides unique insights into the phenomenon.

Devil House - John Darnielle 2022-01-25

INSTANT NEW YORK TIMES BESTSELLER "It's never quite the book

you think it is. It's better." —Dwight Garner, *The New York Times* From John Darnielle, the *New York Times* bestselling author and the singer-songwriter of the Mountain Goats, comes an epic, gripping novel about murder, truth, and the dangers of storytelling. Gage Chandler is descended from kings. That's what his mother always told him. Years later, he is a true crime writer, with one grisly success—and a movie adaptation—to his name, along with a series of subsequent less notable efforts. But now he is being offered the chance for the big break: to move into the house where a pair of briefly notorious murders occurred, apparently the work of disaffected teens during the Satanic Panic of the 1980s. Chandler finds himself in Milpitas, California, a small town whose name rings a bell—his closest childhood friend lived there, once upon a time. He begins his research with diligence and enthusiasm, but soon the story leads him into a puzzle he never expected—back into his own work and what it means, back to the very core of what he does and who he is. *Devil House* is John Darnielle's most ambitious work yet, a book that blurs the line between fact and fiction, that combines daring formal experimentation with a spellbinding tale of crime, writing, memory, and artistic obsession.

Station Eleven - Emily St. John Mandel 2014-09-09

NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of *King Lear*. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves *The Traveling Symphony*, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in *St. Deborah by the Water*, they

encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, *Sea of Tranquility*, coming soon!

Celebrity - Thomas Thompson 2016-12-13

New York Times Bestseller: Three former friends bound by ambition, fame, and a dark secret reunite in this spellbinding saga from the author of *Blood and Money*. They were the princes of their high school in Fort Worth, Texas. Valedictorian Kleber Cantrell became a Pulitzer Prize-winning journalist who befriended the famous and exposed the notorious. Mack Crawford, teenage Adonis and University of Texas football hero, used his good looks to jumpstart an acting career. And T.J. Luther, voted "most popular" by the senior class, fell into a lurid life of crime but found God in prison and reinvented himself as the nation's leading right-wing televangelist, his message of faith masking an all-consuming desire for power and revenge. The different routes Kleber, Mack, and T.J. took to celebrity share common signposts: personal upheavals, ruinous marriages, petty jealousies, and blind ambition. Now, on the eve of their twenty-fifth high school reunion, their separate paths will cross to devastating effect—because these three friends have something else in common. It happened in an isolated cabin in the Texas woods on the night they graduated. They vowed never to speak of it again, but they always knew there would be a terrible price to pay . . . A unique blend of fiction and autobiography, *Celebrity* is an "enthraling" tale of suspense from an Edgar Award-winning author whose journalism career gave him a front-row seat to the tumultuous lives of the rich and famous (*The Boston Globe*). A six-month national bestseller, it was the basis for a television miniseries starring Ned Beatty, Hal Holbrook, and James Whitmore

Hell House - Brenda Hampton 2013-10-01

In this ingenious novel that brings reality TV to the printed page, drama levels go through the roof as six outrageous characters fiercely compete to win \$100,000. In this ingenious novel that brings reality TV to the

printed page, drama levels go through the roof as six outrageous characters fiercely compete to win \$100,000. The most controversial characters from Brenda Hampton's bestselling novels come together in a house that could unite— or destroy—them all. Roc Dawson from *Full Figured*, Chase Jenkins from *Don't Even Go There*, Sylvia McMillan from *SLICK*, Jada Mahoney from *How Can I Be Down?*, Jamal "Prince" Perkins from *Street Soldier*, and Jaylin Rogers from the *Naughty Series* attempt to put aside their overwhelming differences and calm their unique personalities. Without supervision, though, anything could happen inside Hell House—especially when there's \$100,000 at stake. And these six cutthroat contestants are determined to have it all. Overflowing with drama, raunchiness, and manipulation, survival by any means necessary is their primary focus, but only those with tough skin will make it to the next round. Who will be the last woman or man standing, and who will walk out, slamming the door behind them and screaming at the top of their lungs?

[The Bothell Hell House](#) - Keith Linder 2018-02-08

Based on a True Story. In 2012, Keith Linder and his girlfriend took up residency in a Seattle suburban home. Within days of moving in, they became victim to some of the most hellish treatments attributed to malevolent activity. Prepare yourself, because this tale is like no other. A well written Forward lets you know what's about to come. Hell is coming. Pure hell. Keith Linder has not only decided to share his horrible experience. But he's also decided to include video and audio evidence (in the order of which they occurred). Video reenactments of what scared him the most. Aftermath pictures of what attacked them combined with the audio and video evidence are what set this book apart from other haunted tales. Finally, the truth comes out about what happened in that house. What Keith and his girlfriend lived through and equally important what others before him lived through is spread throughout the book in a chilling way. Yes, this house was featured on Travel Channels Ghost Adventures episode titled "Demons in Seattle." The episode where Zak Bagans and crew left empty-handed. Keith Linder explains why they left handed. The reader is not going to have that problem. The horror we

witnessed will be explained in black and white. Some even in color. I wish I could say the same for what created it. Get ready. The Bothell Hell House: Poltergeist of Washington State is finally here ladies and gentlemen. The truth.

Great, Grand & Famous Hotels - Fritz Gubler 2008

This is a book for lovers of remarkable hotels. Whether you are a long-term luxury hotel addict, or just fantasising about a visit to one of the world's great hotels, this book is for you. This book features stories about great, grand and famous hotels sourced from history, legend and the occasional snippet of gossip. Take a peek inside and discover a treasure trove of famous or forgotten anecdotes. See the dramas unfold in lobbies, dining rooms, bars and ballrooms, or behind the closed doors of guest rooms and Presidential Suites. Marvel at those who made these hotels what they are: daring financiers, visionary owners, inventive architects, cutting-edge designers, devoted hoteliers and renowned chefs.

Remember the great, grand and famous celebrity guests and meet the new breed of visionaries who are creating the great hotels of the future. Visit historic hotels, including The Ritz, Paris; the Waldorf-Astoria, New York; the Beverly Hills Hotel, Los Angeles; the Savoy, London; the Hassler, Rome; The Peninsula, Hong Kong; Raffles, Singapore; Mena House, Cairo; Taj Lake Palace, Udaipur; Chateau Lake Louise, Alberta; the Cipriani, Danieli and Gritti Palace, Venice; Reid's Palace, Madeira; and the Baur au Lac, Zurich, alongside modern masterpieces such as The Burj al Arab, Icehotel and other futuristic hotels. The book is intended to give the traveller a better understanding of, and greater insight into, the hotels they admire and love. It is also a reference book for the passionate hotel professional and provides knowledge for young hoteliers, helping them to understand the history and the development of their industry. Combining four years of research, assisted by many students in various hotel schools around the world, and with contributions by six travel writers, it is hoped this book will entice more people to seek out the world's great, grand and famous hotels, and to stay in them for an unforgettable experience, not just as a place to spend the night.

I Blame Dennis Hopper - Illeana Douglas 2015-11-03

From award-winning actress Illeana Douglas comes a memoir about learning to survive in Hollywood while staying true to her quirky vision of the world. In 1969 Illeana Douglas' parents saw the film Easy Rider and were transformed. Taking Dennis Hopper's words, "That's what it's all about man" to heart, they abandoned their comfortable upper middle class life and gave Illeana a childhood filled with hippies, goats, free spirits, and free love. Illeana writes, "Since it was all out of my control, I began to think of my life as a movie, with a Dennis Hopper-like father at the center of it." I Blame Dennis Hopper is a testament to the power of art and the tenacity of passion. It is a rollicking, funny, at times tender exploration of the way movies can change our lives. With crackling humor and a full heart, Douglas describes how a good Liza Minnelli impression helped her land her first gig and how Rudy Valley taught her the meaning of being a show biz trouper. From her first experience being on set with her grandfather and mentor-two-time Academy Award-winning actor Melvyn Douglas-to the moment she was discovered by Martin Scorsese for her blood-curdling scream and cast in her first film, to starring in movies alongside Robert DeNiro, Nicole Kidman, and Ethan Hawke, to becoming an award winning writer, director and producer in her own right, I Blame Dennis Hopper is an irresistible love letter to movies and filmmaking. Writing from the perspective of the ultimate show business fan, Douglas packs each page with hilarious anecdotes, bizarre coincidences, and fateful meetings that seem, well, right out of a plot of a movie. I Blame Dennis Hopper is the story of one woman's experience in show business, but it is also a genuine reminder of why we all love the movies: for the glitz, the glamor, the sweat, passion, humor, and escape they offer us all.

[Hell's Angels](#) - Jay A. Stout 2015-01-06

The true story of World War 2's legendary Hell's Angels—the 8th Air Force's 303rd Bomb Group. Although the United States declared war against Germany in December 1941, a successful assault on Nazi-occupied Europe could not happen until Germany's industrial and military might were crippled. The first target was the Luftwaffe—the most powerful and battle-hardened air force in the world. The United States Army Air Forces joined with Great Britain's already-engaged Royal Air Force to launch a strategic air campaign that ultimately brought the Luftwaffe to its knees. One of the standout units of this campaign was the legendary 303rd Bomb Group—Hell's Angels. This is the 303rd's story, as told by the men who made it what it was. Taking their name from their B-17 of the same name, they became one of the most distinguished and important air combat units in history. The dramatic and terrible air battles they fought against Germany ultimately changed the course of the war. INCLUDES PHOTOS

[King of Pain](#) - Robert Dave Johnston 2014-09-21

Welcome To a World of Unbridled Psychological Horror KING OF PAIN - The Descent is Book 1 of the series, 'A Journey to Hell & Back Through the Mind's Eye.' It is the haunting story of a nameless, faceless character caught in the grip of nihilism and horrific self-destruction. You are invited into the character's twisted and tormented mind, where you'll experience evil, madness and atrocities unspeakable. Always in the company of his Russian Blue cat 'Uncle Joey,' he travels through the

dregs of humanity and finds solace in all that is filthy and deplorable; the junkie ecosystem, a throng of parasitical people feeding off of each other in Building #1, the abode of a certain old man named Ralphy, known by all as The Cockroach Prince. As the maze of characters gets more dangerous and some seek to destroy him, there are players behind the scenes that believe he can overcome, including his eccentric mother Marina, an unknown yet benevolent ghost, Father Corbin, an unconventional priest with unique spiritual abilities and insight, and Slade, the Indian Warrior who tries to introduce him to the purging ceremonies of his people. The character's only human support comes from friends like Jim, a half-white, half-Cherokee freight train of violence and frantic drug consumption; Martin, the chronically-addicted former mob boss and city overlord, and Jonathon, a newly-orphaned youth who admires the main character and has himself given up on life. But time is running out. As the character's self destruction breeds more intense psychological suffering, the visions turn darker and more sinister; demonic apparitions begin to appear in his Mind's Eye and even in his tangible reality. . He is thus catapulted into the very center of his existence where he comes face to face with the ultimate archenemy.. Encounter angels and demons, experience the end of the world and enter the character's soul, where he comes face-to-face with CEO, his personal and self-devised Satan. Will he make it out of this nightmarish world of insanity? Or will his enemies triumph and drag his soul to hell? Sometimes Reality, Is The Hardest Thing to Face From the Author: KING OF PAIN: What would it be like to travel into a world of death, insanity, depravity and violence INSIDE the human soul? Plagued by endless painful emotions, confusion, hatred and rage, a mind can, in essence, create an inner world of death more terrifying and vile than any movie or news report. That internal film is always playing; unfettered by human laws or reasons to restrain, this 'soul footage' can roll horrific scenes of unrestrained mass murder and human debasement. Who is the wiser if he pillages and murders inside of his own mind? Who can imprison him for perpetrating these despicable yet abstract deeds? What of this inner world... this inner hell where everything and anything can come to pass?

Is it all in the imagination, or are there (real) malevolent forces behind the curtain? And so I was intrigued by "The Mind's Eye," the lens that goes above and beyond three-dimensional reality; a razor-sharp, ocular blade that severs all that is illusory. But what happens when, upon closer scrutiny, we discover that illusion is, perhaps, more real than what the naked eye can see. Yet the horrors that appear before the Mind's Eye are a mere reflection of the destructive choices that the character makes. So what if we took this character and placed him in a hopeless path of self - destruction, a path so irrevocable and vile that it actually fueled the mental machinations? And this inner hell that he creates is the only outlet that he has for the suffering and psychological pain that assaults him day and night, a direct result of the insanely-destructive choices that he makes, knowing that his demise looms, but pressing on nonetheless, and with glee and defiance. What can he do to find relief but to reach out and soothe the misery with liquids, powders, pebbles and any other compounds he can find? But that is not enough; the more he partakes, the more he craves, and the more he craves, the more his life falls apart, and the more he loses control, the more he is consumed with hate and rage. As his emotions collapse and humanity disappears, the character is assaulted by horrifying visions, dreams and spiritual apparitions. And this blood-paved road leads to the very place that he always shunned; yes, this road leads to the center of himself. There, for the first time, he finds himself standing face-to-face with his loving enemy and indefatigable tormentor. And so, towards the end of this volume, our nameless character says: "I crown myself KING OF PAIN, walking down my self-made Calvary with the world's crosses on my back, on the pathway to becoming my own self-righteous martyr." This statement was somewhat of a shock to me when it came because it showed that, somewhere inside his corrupted mind, there is an awareness that shows him flashes of truth and clarity. But will that be enough to uproot and destroy an evil so deeply rooted? While a betting man would put his money on violent death and eternal perdition for our character, the force of free-will, coupled with love rediscovered, could very well equal or even surpass the power of $E=Mc^2$, could it not? Together, we shall discover

his fate.

Faking It - Christine d'Abo 2017-05-08

A Companion to Feminist Art - Hilary Robinson 2019-06-27

Original essays offering fresh ideas and global perspectives on contemporary feminist art The term 'feminist art' is often misused when viewed as a codification within the discipline of Art History—a codification that includes restrictive definitions of geography, chronology, style, materials, influence, and other definitions inherent to Art Historical and museological classifications. Employing a different approach, *A Companion to Feminist Art* defines 'art' as a dynamic set of material and theoretical practices in the realm of culture, and 'feminism' as an equally dynamic set of activist and theoretical practices in the realm of politics. Feminist art, therefore, is not a simple classification of a type of art, but rather the space where feminist politics and the domain of art-making intersect. The Companion provides readers with an overview of the developments, concepts, trends, influences, and activities within the space of contemporary feminist art—in different locations, ways of making, and ways of thinking. Newly-commissioned essays focus on the recent history of and current discussions within feminist art. Diverse in scope and style, these contributions range from essays on the questions and challenges of large sectors of artists, such as configurations of feminism and gender in post-Cold War Europe, to more focused conversations with women artists on Afropean decoloniality. Ranging from discussions of essentialism and feminist aesthetics to examinations of political activism and curatorial practice, the Companion informs and questions readers, introduces new concepts and fresh perspectives, and illustrates just how much more there is to discover within the realm of feminist art. Addresses the intersection between feminist thinking and major theories that have influenced art theory Incorporates diverse voices from around the world to offer viewpoints on global feminisms from scholars who live and work in the regions about which they write Examines how feminist art intersects with considerations of collectivity, war, maternal relationships, desire, men,

and relational aesthetics Explores the myriad ways in which the experience of inhabiting and perceiving aged, raced, and gendered bodies relates to feminist politics in the art world Discusses a range of practices in feminism such as activism, language, education, and different ways of making art The intersection of feminist art-making and feminist politics are not merely components of a unified whole, they sometimes diverge and divide. *A Companion to Feminist Art* is an indispensable resource for artists, critics, scholars, curators, and anyone seeking greater strength on the subject through informed critique and debate.

The Devil on Screen - Charles P. Mitchell 2015-06-08

The Devil has been represented in many film genres, including horror, comedy, the musical, fantasy, satire, drama, and the religious epic, and in these works has assumed many shapes and forms. This book begins with a discussion of how the devil has been portrayed on stage, how that portrayal carried over to the big screen, and what are the standard elements of a satanic plot. Each entry in the filmography includes year of production, running time, writer, editor, cinematographer, producer, and director, evaluative rating, annotated cast list, plot synopsis, overall appraisal, and a spotlight on the actor playing Satan.

Ghosts in Popular Culture and Legend - June Michele Pulliam 2016-09-26

With entries that range from specific works to authors, folklore, and popular culture (including music, film, television, urban legend, and

gaming), this book provides a single-volume resource on all things ghostly in the United States and in other countries. • Provides accessible, interesting, and fun-to-read information authored by expert researchers and coedited by scholars who are experts on the topic of ghosts across human culture • Presents analytical discussions of the figure of the ghost in each work that will be beneficial to students in film studies, English, or other classes tasked with writing an essay on the horror genre or ghost films and books • Explores how the idea of the ghost implies belief in there being more to human existence than the physical body and is intrinsically connected to the concept of the afterlife—and how these concepts often coexisted uneasily with beliefs regarding afterlife in religious theologies

Free Roll - Brandt Tobler 2017-05-22

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Celebrity Society - Robert van Krieken 2012-06-14

On television, in magazines and books, on the internet and in films, celebrities of all sorts seem to monopolize our attention. *Celebrity Society* brings new dimensions to our understanding of celebrity,

capturing the way in which the figure of 'the celebrity' is bound up with the emergence of modernity. It outlines how the 'celebrification of society' is not just the twentieth-century product of Hollywood and television, but a long-term historical process, beginning with the printing press, theatre and art. By looking beyond the accounts of celebrity 'culture', Robert van Krieken develops an analysis of 'celebrity society', with its own constantly changing social practices and structures, moral grammar, construction of self and identity, legal order and political economy organized around the distribution of visibility, attention and recognition. Drawing on the work of Norbert Elias, the book explains how contemporary celebrity society is the heir (or heiress) of court society, taking on but also democratizing many of the functions of the aristocracy. The book also develops the idea of celebrity as driven by the 'economics of attention', because attention has become a vital and increasingly valuable resource in the information age. This engaging new book will be a valuable resource for students and scholars in sociology, politics, history, celebrity studies, cultural studies, the sociology of media and cultural theory.

Media Literacy in a Disruptive Media Environment - William G. Christ 2020-03-23

This book, part of the BEA Electronic Media Research Series, brings together top scholars researching media literacy and lays out the current state of the field in areas such as propaganda, news, participatory culture, representation, education, social/environmental justice, and civic engagement. The field of media literacy continues to undergo changes and challenges as audiences are reconceptualized and reconfigured, media industries are transformed and replaced, and the production of media texts is available to anyone with a smartphone. The book provides an overview of these. It offers readers specific examples and recommendations to help others as they develop their own teaching and research agendas. *Media Literacy in a Disruptive Media Environment* will be of great interest to scholars and graduate students studying media literacy through the lens of broadcasting, communication studies, media and cultural studies, film, and digital media studies.

Reluctant Celebrity - Lorraine York 2018-01-17

In this book, Lorraine York examines the figure of the celebrity who expresses discomfort with his or her intense condition of social visibility. Bringing together the fields of celebrity studies and what Ann Cvetkovich has called the "affective turn in cultural studies", York studies the mixed affect of reluctance, as it is performed by public figures in the entertainment industries. Setting aside the question of whether these performances are offered "in good faith" or not, York theorizes reluctance as the affective meeting ground of seemingly opposite emotions: disinclination and inclination. The figures under study in this book are John Cusack, Robert De Niro, and Daniel Craig—three white, straight, cis-gendered-male cinematic stars who have persistently and publicly expressed a feeling of reluctance about their celebrity. York examines how the performance of reluctance, which is generally admired in celebrities, builds up cultural prestige that can then be turned to other purposes.

Television Personalities - James Bennett 2010-10-04

Television Personalities offers an exciting, engaging approach to studying and understanding the most prominent and popular performers in television and celebrity culture. It is an original, indispensable guide for undergraduate and postgraduate students of media, television and celebrity studies, as well as those interested in digital culture more widely.

Celebrity in Chief - Kenneth T. Walsh 2016-08-22

With the advent of Donald Trump and Hillary Clinton as presidential nominees, the examination of the role of celebrity culture in the White House takes on a fresh appeal. This book, by award-winning White House correspondent and presidential historian Kenneth T. Walsh, takes a detailed and comprehensive look at the history of America's presidents as "celebrities in chief" since the beginning of the Republic. Walsh makes the point that modern presidents need to be celebrities and build on their fame in order to propel their agendas and rally public support for

themselves as national leaders so that they can get things done. Combining incisive historical analysis with a journalist's eye for detail, this book looks back to such presidents as George Washington and Abraham Lincoln as the forerunners of contemporary celebrity presidents. It examines modern presidents including Barack Obama, Bill Clinton, Ronald Reagan, John F. Kennedy, Franklin Roosevelt, and Theodore Roosevelt, each of whom qualified as a celebrity in his own time and place. The book also looks at presidents who fell short in their star appeal, such as George W. Bush, George H. W. Bush, Richard Nixon, and Lyndon Johnson, and explains why their star power was lacking. Among the special features of the book are detailed profiles of the presidents and how they measured up or failed as celebrities; an historical analysis of America's popular culture and how presidents have played a part in it, from sports and television to movies and the news media; the role of first ladies; and a portfolio of fascinating photos illustrating the intersection of the presidency with popular culture. An update looking at Hillary and "the Donald" puts contemporary politics in perspective with the evolution of presidential celebrity.

Celebrity Hell House - ADAM. MILLARD 2015-08

Peter Kane was famous, once upon a time. An award-winning author (with the certificates to prove it), and yet things aren't going so great. When an offer comes in to star in a new reality TV show, he finds it hard to refuse, and so finds himself in the line-up alongside a former Playboy Bunny, R2D2's stunt-double, a heavyweight boxer with the worst record on, erm, record, an eccentric fashion designer, a handsome reality-show star, and an Olympian swimmer. The goal? Survive Hell House - the location of a brutal triple murder-suicide decades earlier. The prize? 250000. Sometimes, a quarter of a million just isn't enough...

Home Port Cookbook - Will Holtham 2011-05-03

100+ recipes, photos, and memories from a Martha's Vineyard landmark "The Home Port embodies summertime on Martha's Vineyard. It's where it resides." --James Taylor "Today, when I turn an eye inward, I see the Home Port hanging in the memory halls of my mind, welcoming, soothing, and filled with fun and light." --Judy Belushi Pisano "Now that

Will has finally decided to share his many culinary secrets with the rest of the world, I not only look forward to kicking off the summer with an amazing dinner at the Home Port, but having a little piece of it with me all year long." --Michael J. Fox "I can't help but smile when I think about the Home Port. To me, it's the very best of Vineyard hospitality, serving up the perfect summer meal to satisfy everyone's taste. You'll have to provide your own sunset and the briny ocean scent that whets my appetite every time I head to Menemsha, but this book will welcome you to the Holthams' table and let you feast with them as we have done for many happy years." --Linda Fairstein ** A Martha's Vineyard institution since 1931, the Home Port is the place to go locally for traditional New England-style, fresh-off-the-boat seafood. In this book, former chef/owner Will Holtham shares stories and culinary secrets from his forty years at the helm. Among the more than 100 recipes are featured menu items such as the award-winning Quahog Chowder, Broiled Swordfish, Baked-Stuffed Lobster, and Key Lime Pie, along with seafood cooking techniques and tips on buying and preparing fish. Full-color food photos are complemented by restaurant ephemera from Will's private collection as well as charming watercolor illustrations by artist Susan Tobey White. Will Holtham has been a chef and restaurateur for more than forty years. He also owned the Square Rigger restaurant and legendary Bite Clam Shack, both on Martha's Vineyard. He divides his time between Maine and South Carolina.

How to be a BALLER without being a Celebrity - Mrs. Danielle Ware 2013-11

My purpose is to educate others how to succeed in this cruel world we live in. This world will sell you a bridge for a million bucks if you allow it. Oftentimes folks lose their own way when trying to compare themselves to those who possess a status instead of being happy in their own skin. If we learn to set a goal for ourselves we too can be balling minus the BULL sold to us. Celebrities are idolized for their outer appearance and what they may have or MAY NOT have. What everyday individuals lack is the knowledge and education of how they can obtain those same 'material' things they may have. Individuals discredit their lifestyle

because what they think others may have. You don't see the struggles others have. Learn to be grateful for what you have and what you don't have. Everything comes with a price tag! I dedicate this book to my family and everyone who has believed in me since day one. No shade but haters thank you for elevating my talents! TAKERS FOR LIFE!

Anonymous Celebrity - Ignácio de Loyola Brandão 2009

What if a man were so shallow that he couldn't believe his life had meaning unless he was loved and desired by millions of people? What if everything he learned from his television, from the movies, from what he heard on the radio, was treated as an absolute and incontrovertible truth? And what, then, if this man was amoral, cunning, and willing to lie, seduce, and kill to save himself from anonymity? With an army of consultants, a library of "howto" manuals, and an endless variety of product placements at his behest, the hero of "Anonymous Celebrity" sets out to become king of his own little world--which unfortunately turns out to be the same one the rest of us live in. Equal parts Nabokov, "All About Eve," and "Big Brother," this is a bawdy, irreverent indictment of our self-absorbed culture of celebrity, where to be anything less than famous means being something less than human...

The Haunted House on Film - Paul Meehan 2019-12-15

A popular phenomenon since antiquity, the image of the haunted house is one that has translated elegantly into the modern medium of film. The haunted house transcends genre, appearing in mysteries, gothic romances, comedies and horror films. This book is the first comprehensive historical and critical study of themes surrounding haunted houses in film. Covering over 100 films, this reference work spans from the Mystery House thrillers of the silent era to the high-tech, big budget productions of the 21st Century. Included are the works of acclaimed directors such as D.W. Griffith, Robert Wise, Mario Bava, Alfred Hitchcock, Stanley Kubrick, Tim Burton and Guillermo Del Toro. The book also covers the real-life haunted house phenomenon and movies based on paranormal case files, including those featured in films like the Conjuring series.

Gender, Sexuality and Queerness in American Horror Story -

Harriet E.H. Earle 2019-08-02

The horror anthology TV show American Horror Story first aired on FX Horror in 2011 and has thus far spanned eight seasons. Addressing many areas of cultural concern, the show has tapped in to conversations about celebrity culture, family dynamics, and more. This volume with nine new essays and one reprinted one considers how this series engages with

representations of gender, sexuality, queer identities and other LGBTQ issues. The contributors address myriad elements of American Horror Story, from the relationship between gender and nature to contemporary masculinities, offering a sustained analysis of a show that has proven to be central to contemporary genre television.
