Janie Chang pens pure enchantment!" —Kate Quinn, New York Times and USA Today bestselling author of *The Alice Network* and *The Huntress* From the author of *Three Souls* and *Dragon Springs Road* comes a captivating historical novel—the third in a loosely-connected trilogy—in which a young woman travels across China with a convoy of student refugees, fleeing the hostilities of a brutal war with Japan. "Myths are the darkest and brightest incarnations of who we are..." China, 1937: When Japanese bombs begin falling on the city of Nanking, nineteen-year-old Hu Lian and her classmates at Minghua University are ordered to flee. Lian and a convoy of more than a hundred students, faculty, and staff must walk a thousand miles to the safety of China's western provinces, a journey marred by hunger, cold, and the constant threat of aerial attack. And it is not just the student refugees who are at risk: Lian and her classmates have been entrusted with a priceless treasure, a 500-year-old collection of myths and folklore known as the Library of Legends. Her family's past has made Lian wary of forming attachments, but the students' common duty to safeguard the Library of Legends forms unexpected bonds. Lian finds

friendship and a cautious romance with the handsome and wealthy Liu Shaoming. But after one classmate is murdered and another arrested, Lian realizes she must escape from the convoy before a family secret puts her in danger. Accompanied by Shao and the enigmatic maidservant Sparrow, Lian makes her way to Shanghai, hoping to reunite with her mother. On the journey, Lian learns of the connection between her two companions and a tale from the Library of Legends, The Willow Star and the Prince. Learning Shao and Sparrow's true identities compels Lian to confront her feelings for Shao. But there are broader consequences too, for as the ancient books travel across China, they awaken immortals and guardian spirits to embark on an exodus of their own, one that changes the country's fate forever. Based on true events, rich in Chinese history and lore, The Library of Legends is both an illuminating exploration of China's recent past and an evocative tale of love, sacrifice, and the extraordinary power of storytelling.

She is never heard from again. Her son, Lainjen, grows up in an epic search for her and creates a renowned navigational chant to record the seamarks along the way. It is never told if he finds her. Knight retells many of the classic mythologies translated in Man This Reef, this time in his own words woven into the cultural setting of his novel. Now only a few stand between humankind and annihilation: Raithe, reluctant to embrace his destiny as the God Killer; Suri, a young seer burdened by signs of impending doom; and Persephone, who must overcome personal tragedy to lead her people.
