The Fantasy Fallacy - Shannon Ethridge 2012

Sexual and emotional fantasies tend to reveal certain areas of trauma, brokenness, and disillusionment that are yet to be healed. Many people, including Christians, look to their sexual and emotional fantasies as a road map to where they can find the fulfillment they long for. However these fantasies aren't a reliable road map into the future, they are actually a rocky road map from the past. Shannon Ethridge, best-selling Christian author, certified life coach, and advocate for healthy sexuality offers fascinating insights into common sexual thoughts such as: dating a much older man or much younger woman connecting with strangers via cyberspace gay and lesbian fantasies fascination with pleasure, pain, and power Introduced in Genesis, God's design for sex, beyond procreation, is to offer connection and pleasure for marriage partners. But also in Genesis is an outline of seven sexual fallacies that bring discord, pain, and brokenness. The Fantasy Fallacy helps explain the basis for these fallacies

and offers insights to help expose not only the meaning behind them, but ways to face them, heal from them, and find physical, emotional, and spiritual freedom.

The Marechal Chronicles - Aimélie Aames
2014-05-20

An erotic, fantasy adventure, this is a romantic tale of magic, emotion, and human motivation that does not turn a blind eye to the frank sexuality of its characters. Within these pages live witches, shapechangers, demons, and immortal beings. Turn the page and let them unveil their dark story in the ambiance of medieval France. This is a collection of the first three volumes-- Volume 1, The Path Melisse dreams of another life, one in which she is no longer the servant to a noble family, one where she can find her own destiny and make her life her own. On the eve of the arrival of the Marechal de Barristide, an eldritch light in the forest calls out to her, giving her the hope of change to come. The Marechal, a man marked

with a vicious scar, is a man of the law of the realm, charged with investigating a series of horrible crimes to the south. However, he has his own reasons for visiting House Perene. Reasons that drive him to search mercilessly for the truth, no matter the cost. His search and the fate of Melisse intertwine to form a tapestry of lust, violence, and supernatural implications. All of which resound within a potent and robust story that draws the reader in and does not let go. Volume 2, *The Hunter* The sun rises upon the blood soaked House Perene. Evil has struck within and without and only the Marechal de Barristide can untangle the threads of fate that wind about him in a web of intrigue and passion. His way is branded into the very ground before him, but the Marechal must turn his course in order to seek aid from a dreaded soul. Beings from a realm other than earth shall seek his alliance while his quarry, the servant woman, Melisse, has disappeared, leaving only ash and dust behind her. But before taking up her trail

once more, the Marechal must submit to another's infernal desires and pay far more than he bargained for. Here continues *The Marechal Chronicles*, an erotic tale of desire and merciless destruction as the players assemble themselves to pirouette in an intricate clockwork of unflinching sexuality and supernatural forces. Volume 3, *The Prey* The paths of the Marechal de Barristide and Melisse, runaway servant accused of a grisly murder, narrow to convergence in a seamy quarter of Licharre, a city bordering the Ardoise mountains to the south. Lust and desire burn all that lies between them as demons rear their ugly heads, twisting their destinies together while powers beyond those of mankind exact their vile desires. Blood will run before it is over and doom shall fall where it will in this continuing story of supernatural passion and erotic romance. This edition includes the prequel story, *The Goblin Between Her Thighs*.

The Muse has long been figured as a divine or erotically alluring consort to the virile male artist, who may inspire him or lead him to the edge of madness. This book explores the changing cultural expressions of the relationship between the male artist with a beloved, imagined or desired Muse, to offer new and penetrating perspectives on musical representations and transformations of creative masculine subjectivity, and important aspects of

the shift from the styles and aesthetics of Romantic Idealism to Modernist Anxiety in music of the nineteenth and twentieth centuries. Each of the chapters begins with explorations into male artists' relationships with their Muse, and moves to analysis and interpretation which uncovers cultural constructions of masculine artistic inspiration and production, and their association with creatively inspiring and erotically charged relationships with a Muse. New insights are offered into the musical meaning and cultural significance of selected works by Rossini, Beethoven, Chopin, Liszt, Schumann, Wagner, Sibelius, Mahler, Bartók, Scriabin, Szymanowski, Debussy, Berg, Poulenc and Weill.

Taken by the Satyr - J. Simon 2016-06-27
NEW!! INTELLIGENT FANTASY EROTICA!!! A college student learns about Philosophy and classical Greek legends, but her self-exploration truly begins when she meets the legend himself: The tall, sexy, bearded half-man/half-goat is Socrates' black sheep uncle. He powerfully demonstrates that all the legends are true: satyrs are randy, passionate lovers who are irresistible to human females. "Steamy, sexy, smart!" Alone in the deepest stacks of the old university library, first-year Philosophy student Callie has a pre-destined meeting with a centuries-old mythical being. According to legend, satyrs possess both keen intelligence and fierce sexual drive. Callie learns both of these stereotypes are true. Satyrs also understand sexual desire to be a natural right, if not a necessity. "Free love and often" seems to

be their motto. Though Callie initially resists this, she comes to understand the wisdom of it as her mythical lover continually caresses, strokes, suckles, penetrates her body. Socratex is a fiercely gentle, passionate lover who keeps Callie with him in a mysterious cave beneath the library. During her days and nights with the satyr, Callie enjoys sexual satisfaction at levels she never dreamed were possible. When he leaves temporarily, Callie's now-overwhelming desire for her satyr is soon assuaged by Socratex' son, Kristofer. The wondrous, orgasmic connection they have as they merge their bodies in delightful ways leads to a profoundly deep relating between two connected in all possible ways. . . . And then his satyr friends arrive for the summer! Callie's understanding of sexual passion expands exponentially as she discovers her life's purpose.

Siobhan's Desire : Fae Lovers, Book 2 - Siera Saunders 2013-11-10

Siobhan! Unseen, Lachlan had watched her grow from child to woman. Drawn to her as he'd

been to no other through the long centuries of his life. Unlike the other humans that he and his brother had played with, a single night of bed sport with Siobhan would never be enough. Lachlan intended to claim her body and soul—for all time. Drawn repeatedly to the border of the crumbling estate where she'd played as a child, Siobhan had resisted the haunting allure of the place and the compelling presence she felt watching her. But when the delectable Lachlan invaded her dreams and called to her, Siobhan could resist no longer. Today she would cross the border and damn the consequences. **Please note that this is the second book in the "Fae Lovers" series. The series is available as individual stories or as a collection titled "To Play With The Fae - Fae Lovers Collection, Volume 1." The collection contains "Stranded," "Siobhan's Desire," and "Sister Mary Does A Faery." READER ADVISORY: This is an erotic, paranormal short story (approximately 7,900 words / 37 pages in length) featuring hot,

graphic scenes involving the magical Fae (also known as faeries - though most definitely not of the Tinkerbell variety). Enjoy! EXCERPT: Firm lips brushed Siobhan's in the lightest of caresses. A soft sigh granted her lover further access to explore and his tongue boldly stroked hers, twining and teasing; his taste as sweet and decadent as the richest chocolate. Siobhan ran her fingers through his long, silky hair then down his back, delighting in the feel of ridged muscle under warm skin. She pulled his lean body closer, her aching n*pples rubbing against his chest. Abandoning her mouth to trail his lips down her neck, he kissed a tantalizing path to her bre*sts, suckling first one hard bud and then the other as she moaned with pleasure. Siobhan wrapped her legs around his waist and dug her heels into his butt, eager for the hard er*ction pressing so deliciously between her thighs. He rocked his hips, his p*nis sliding in her slippery juices, the head of his c*ck abrading her cl*t as he moved back and forth in languorous

temptation. Siobhan reached between them, wanting—needing—that hard c*ck inside of her. She guided him in, groaning at the perfect melding as their bodies joined. Lachlan! His beautiful eyes met hers, desire a hot, molten glow in their green depths. With slow relish he smiled and then rotated his hips, wringing a gasp of pleasure from Siobhan. His c*ck pulsed inside of her as he began to thrust, leisurely at first, then faster, f*cking her with consummate skill. Running her hands down his chest, Siobhan encircled his p*nis, the tips of her fingers lightly caressing the sensitive underside of his c*ck as he pumped in and out of her wetness. Tension wound tighter in her belly each time he withdrew to his crown and then buried himself to the hilt in her soft, yielding flesh. Close to the edge, Siobhan loosed a wrenching whimper of dismay when he severed their intimate connection. But her disappointment was short-lived. Crouching between her spread legs, he put his mouth to her p*ssy and flicked her cl*t

with his tongue, teasing and laving the tender flesh until Siobhan was writhing helplessly under him. With exquisite timing, he re-entered her in one smooth, deep thrust. Opening her knees wider, Siobhan dug her fingers into his firm ass and drove her hips upward, eager to be filled, shivering at the sensual friction of his er*ction stroking her sensitized flesh. Panting, teetering on the cusp of ecstasy, Siobhan cried out as her muscles clenched his c*ck in shuddering orgasm. Wave after wave crashed over her, her p*ssy gripping his p*nis and milking him of every last drop of hot seed.

Kushiel's Dart - Jacqueline Carey 2002-03-15
A nation born of angels, vast and intricate and surrounded by danger... a woman born to servitude, unknowingly given access to the secrets of the realm... Born with a scarlet mote in her left eye, Phédre nó Delaunay is sold into

indentured servitude as a child. When her bond is purchased by an enigmatic nobleman, she is trained in history, theology, politics, foreign languages, the arts of pleasure. And above all, the ability to observe, remember, and analyze. Exquisite courtesan, talented spy... and unlikely heroine. But when Phédre stumbles upon a plot that threatens her homeland, Terre d'Ange, she has no choice. Betrayed into captivity in the barbarous northland of Skaldia and accompanied only by a disdainful young warrior-priest, Phédre makes a harrowing escape and an even more harrowing journey to return to her people and deliver a warning of the impending invasion. And that proves only the first step in a quest that will take her to the edge of despair and beyond. Phédre née Delaunay is the woman who holds the keys to her realm's deadly secrets, and whose courage will decide the very future of her world. Not since Dune has there been an epic on the scale of Kushiel's Dart—a massive tale about the violent death of an old age and the

birth of a new. It is a novel of grandeur, luxuriance, sacrifice, betrayal, and deeply laid conspiracies. A world of cunning poets, deadly courtiers, deposed rulers and a besieged Queen, a warrior-priest, the Prince of Travelers, barbarian warlords, heroic traitors, and a truly Machiavellian villainess... all seen through the unflinching eyes of an unforgettable heroine. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

[A Baby For The Beast](#) - R.A Higheels 2022-11-18
“Spread your legs, little Ava. Open it and let me devour you.” I trembled at his tone of words used, with my hands clenched around my garment tightly. His voice sounded like sin itself and his eyes held a lustful gaze, darkened with desire. “P-Please, we don’t have to use this way,” I said. “A-An insemination would w-work quite fine—” A pissed growl configured the entire room. He pounced towards me, clearing

everything in his way. My eyes wandered to his fur springing out of his shoulders. I swallowed a gulp, in anxiousness. “Do it or my guards would do it for you. You do not want to test a beast!!” He growled powerfully. With his aura, holding a dangerous presence. *** Every 200 years, a virgin is sacrificed to a powerful beast, for breeding. In the previous years passed, no offspring have been produced. It is known that only the mate of the beast can give him a pup. The community always selects the outcast virgin, from intricate fear of the beast. I am Ava Goodchild, one of the selected virgins.

[The Mammoth Book of Women's Erotic Fantasies](#)

- Sonia Florens 2011-01-01

What do women really want? What are their most intimate erotic desires? The confessions gathered together in this volume come from 50

perfectly ordinary women from all parts of the United Kingdom, elsewhere in Europe, North America and Australia. They offer up their most private dreams and most closely kept sexual secrets. Some of their fantasies are shocking, others playful, but all are utterly captivating. The stories lay bare the often bizarre nature of female desire, a buried thread in sometimes mundane lives. Juices run freely at breakfast with Tiffany; another woman enjoys a knickerless ride on public transport; a student experiences an oral examination by the professor of poetry; a housewife joins Club Ped in a foot-fetish fantasy; another woman sleeps her way across America with Kerouac. Erotic and illuminating, these are stories for open-minded, sensual readers.

On Chesil Beach - Ian McEwan 2009-02-24

NOW A MAJOR MOTION PICTURE The #1 bestselling author of *Saturday* and *Atonement* brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy

in his unforgettable, emotionally engaging novel. The year is 1962. Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London. Falling in love with the accomplished, shy and sensitive Florence--and having his affections returned with equal intensity--has utterly changed his life. Their marriage, they believe, will bring them happiness, the confidence and the freedom to

fulfill their true destinies. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past, to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, *On Chesil Beach* is an extraordinary novel that brilliantly, movingly shows us how the entire course of a life can be changed--by a gesture not made or a word not spoken.
