The MX Book of New Sherlock Holmes Stories - Part XIV - David Marcum 2019-07-08

In 1881, a weary doctor - wounded while serving in the military in Afghanistan - returned to London, only to be introduced to a most unusual young man who was already making a name for himself as the world's first consulting detective. At that time, the young man and his unique colleague were only just in their late twenties, unaware of their legendary futures... but they would go on to become two of the most famous and recognizable figures in the world: Sherlock Holmes and Dr. John H. Watson. In 1887, Holmes and Watson's first investigation as a team - A Study in Scarlet - was published. The Sign of Four followed in 1890, and then, in 1891, the world was electrified with the publication of The Adventures of Sherlock Holmes in the newly-formed Strand Magazine... and the world would never be the same! Through the remainder of the nineteenth Century and all the way through the twentieth, Holmes and Watson's fame would grow. We're now well into the twenty-first century, yet the much-loved duo are just as popular today - if not even more so. In 2015, The MX Book of New Sherlock Holmes Stories burst upon the scene, featuring stories set within the canon's correct time period, written by the very best of today's Sherlockian authors from around the world. That first anthology, spread over three huge volumes, contained sixty-three stories and was the largest collection of its kind assembled at the time. Response was immediately and overwhelmingly positive, and soon there were calls from fans for additional collections. Over 150 contributors so far have joined together from around the world to produce well over three hundred new adventures to honour Sherlock Holmes, the man described by Watson as "the best and wisest whom I have ever known." We now proudly present Parts XIII, XIV, and XV, three volumes which break the record of the initial triple offering, with an incredible sixty-six new adventures featuring the eternal duo Watson and Holmes. *** Part XIV in the popular MX series of new Sherlock Holmes stories features contributions from Charles Veley and Anna Elliott, Mark Sohn, David Marcum, S. The MX Book of New Sherlock Holmes Stories Part XVII - David Marcum 2019-11-26

In 2015, The MX Book of New Sherlock Holmes Stories burst upon the scene, featuring adventures set within the correct time period, and written by many of today's leading Sherlockian authors from around the world. Those first three volumes were overwhelmingly received, and there were soon calls for additional collections. Since then, their popularity has only continued to grow. And now we present a new three-volume set. Like 2017's two-volumes set, Eliminate the Impossible, this new collection, Whatever Remains . . . Must Be the Truth features tales of Holmes's encounters with seemingly impossible events - ghosts and hauntings, cults and curses, mythical beasts and mediums, angels and demons, and more. In "The Sussex Vampire", Holmes tells Watson: "This agency stands flat-footed upon the ground, and there it must remain. The world is big enough for us. No ghosts need apply." In each of the stories presented in this huge three-volume collection, Holmes approaches the varied problems with one of his favorite maxims firmly in place: ". . . . When you have eliminated the impossible whatever remains, however improbable, must be the truth" But what, exactly, is the truth? A Study in Scarlet, the first recorded adventure of Sherlock Holmes and Dr. John H. Watson, was first published in 1887. What an amazing journey the years since then have been! In addition to the pitifully few sixty tales originally presented in The Canon, published between 1887 and 1927, there have been literally thousands of additional Holmes adventures in the form of books, short stories, radio and television episodes, movies, manuscripts, comics, and fan fiction. And yet, for those who are true friends and admirers of the Master Detective of Baker Street, where it is always 1895 (or a few decades on either side of that!) these stories are not enough. Give us more! The forty-nine stories in these three companion volumes represent some of the finest new Holmesian storytelling to be found, and honor the man described by Watson as "the best and wisest . . . whom I have ever known." All royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw, one of the former homes of Sir Arthur Conan Doyle. Bennett, Nick Cardillo, Robert Stapleton, Kevin Thornton, Leslie Charteris and Denis Green, Shane Simmons, James Moffett, C.H. Once again, the adventures of Sherlock Holmes and Dr. Watson continue in this acclaimed anthology series, with thirty-seven new tales presented in two companion volumes - more Holmes than could fit into one book! In 2015, The MX Book of New Sherlock Holmes Stories was first published, a huge three-book set featuring over sixty new traditional Holmes exploits, all set within the correct time period. Soon, the demand for even more traditional Holmes adventures led to further volumes. The next year brought Part IV: 2016 Annual, and then Part V: Christmas Adventures. In spring 2017 there was Part VI: 2017 Annual, and that fall revealed the massive two-volume set, Parts VII and VIII: Eliminate the Impossible. Now we present another two simultaneous volumes, Parts IX and X: 2018 Annual (1879-1895) and (1896-1916). There can be no argument that Sherlock Holmes is one of the most famous and recognizable figures in the world. There were only sixty narratives brought to us by the original Literary Agent, Sir Arthur Conan Doyle. Clearly that is not enough. Watson once wrote that he kept his unpublished cases in his old Tin Dispatch Box. Now, with the publication of these latest volumes, that box has again been explored by some of today's best Sherlockian writers, all of whom are donating their royalties from these anthologies toward the restoration of Undershaw, one of Sir Arthur Conan Doyle's houses, and the location where The Hound of the Baskervilles and many later Holmes stories were completed. Climb the seventeen steps to the sitting room at 221b Baker Street. Sherlock Holmes and Doctor Watson are waiting... The game is afoot!

The MX Book of New Sherlock Holmes Stories Some More Untold Cases Part XXIII - David Marcum 2020-11-20

64 new traditional Holmes adventures in three simultaneously published volumes In 2018, MX Publishing presented Parts XI and XII of this acclaimed and ongoing series, Some Untold Cases. Now that theme is revisited with 64 new Sherlock Holmes adventures that explore those many tantalizing references to some of Holmes's other cases, as mentioned in The Canon. "Somewhere in the vaults of the bank of Cox and Co., at Charing Cross, there is a travel-worn and battered tin dispatch box with my name, John H. Watson, M.D., Late Indian Army, painted upon the lid. It is crammed with papers, nearly all of which are records of cases to illustrate the curious problems which Mr. Sherlock Holmes had at various times to examine . . ." - Dr. John H. Watson So wrote Dr. Watson in "The Problem of Thor Bridge" - and ever since, Sherlockians have been seeking to know more about these tales from the legendary tin dispatch box. While Watson's original Literary Agent only edited the pitifully few sixty stories that make up the original Canon, there have since been literally thousands of traditional adventures about the true Sherlock Holmes - and yet there will never be enough! Throughout the original Holmes Canon, there were hints and teases of other intriguing cases - The Giant Rat of Sumatra . . . The Abernethy Tragedy . . . The Manor House Case. Watson mentions well

over one-hundred of these, which have collectively come to be known as The Untold Cases. Now, once again MX Publishing brings us sixty-four of these adventures in three simultaneously published volumes, with all royalties going to support the Stepping Stones School at Undershaw, one of Sir Arthur Conan Doyle's former homes. This collection contains four cases that chronicle Sherlock Holmes and Dr. Watson's quarter-century of espionage against the German Empire. The Case of the Dying Emperor (1888). Our Heroes journey to Charlottenburg to defend Frederick III, Germany's stricken emperor, from the wily machinations of the "Iron Chancellor," Otto von Bismarck, and Frederick's cold and calculating son, the future "Kaiser Bill." The Inconvenient Heir-Apparent (1898). Holmes is summoned to Geneva by the legendary "Sisi," Empress Elisabeth of Austria, to "rake through the coals of Mayerling" and learn the true fate of Crown Prince Rudolf, her dead son. A Scandal in Serbia (1903). The actual events behind "A Scandal in Bohemia." Get ready for surprising revelations about that story's heroine and meet two non-Bohemian kings, a hapless queen, and conspirators who will light "the Balkan Powder Keg" that sets off World War I. The Welbeck Abbey Shooting Party (1913). A prequel to "His Last Bow." Can Holmes save a threatened heir-apparent without compromising his more vital mission to outwit a German spy? Can Watson spend a week in the country with two beautiful, aristocratic ladies and still go home to his third wife?

Sherlock Holmes: The Hero With a Thousand Faces - David MacGregor 2022-06-07

Sherlock Holmes: The Hero With a Thousand Faces ambitiously takes on the task of explaining the continued popularity of Arthur Conan Doyle's famous detective over the course of three centuries. In plays, films, TV shows, and other media, one generation after another has reimagined Holmes as a romantic hero, action hero, gentleman hero, recovering drug addict, weeping social crusader, high-functioning sociopath, and so on. In essence, Sherlock Holmes has become the blank slate upon which we write the heroic formula that best suits our time and place. Volume One looks at the social and cultural environment in which Sherlock Holmes came to fame. Victorian novelists like Anthony Trollope and William Thackeray had pointedly written "novels without a hero," because in their minds any well-ordered and well-mannered society would have no need for heroes or heroic behavior. Unfortunately, this was at odds with a reality in which criminals like Jack the Ripper stalked the streets and people didn't trust the police, who were generally regarded as corrupt and incompetent. Into this gap stepped the world's first consulting detective, an amateur reasoner of some repute by the name of Sherlock Holmes, who shot to fame in the pages of The Strand Magazine in 1891. When Conan Doyle proceeded to kill Holmes off in 1893, it was American playwright, director, and actor William Gillette who brought the character back to life in his 1899 play Sherlock Holmes, creating a sensation on both sides of the Atlantic with his romantic version of Holmes, and cementing his place as the definitive Sherlock Holmes until the late 1930s. By that point, Sherlock Holmes had developed a cult following who facetiously maintained that Holmes was a real person, formed clubs like The Baker Street Irregulars, and introduced the idea of cosplay to the embryonic world of fandom. These well-educated fanboys subsequently became the self-assigned protectors of Sherlock Holmes, anxious that their version of the character not be besmirched or defamed in any way. In spite of this, there was considerable besmirching and defaming to be seen in the early silent films featuring Sherlock Holmes, which effectively turned him into an action hero due to the lack of sound. When sound films took the industry by storm in the late 1920s, there were a numbers of pretenders who reached for the Sherlock Holmes crown, including Clive Brook, Reginald Owen, and Raymond Massey, but it took more

than a decade before a new definitive Sherlock Holmes would be crowned in 1939 in the person of Basil Rathbone.

Part VII - Eliminate the Impossible: 1880-1891 features contributions by: Mark Mower, Jan Edwards, Daniel D. Victor, James Lovegrove, Gayle Lange Puhl, Thomas Fortenberry, Mike Hogan, Thomas A. Turley, Adrian Middleton, James Moffett, Hugh Ashton, Geri Schear, S. Subramanian, John Hall, Jayantika Ganguly, S.F. Bennett, Steven Philip Jones, Jim French, John Linwood Grant, Mike Chinn, Robert V. Stapleton, Charles Veley and Anna Elliott, and Shane Simmons, with a poem by Jacquelynn Bost Morris, and forewords by David Marcum, Lee Child, Rand Lee, Michael Cox, and Melissa Farnham. In 2015, The MX Book of New Sherlock Holmes Stories burst upon the scene, featuring adventures set within the correct time period, and written by many of today's leading Sherlockian authors from around the world. Those first three volumes were overwhelmingly received, and there were soon calls for additional collections. Since then, their popularity has only continued to grow, with six volumes already released, and now two more, Eliminate the Impossible, featuring tales of Holmes's encounters with seemingly impossible events - ghosts and hauntings, curses and mythical beasts, and more. In "The Sussex Vampire", Holmes tells Watson: "This agency stands flat-footed upon the ground, and there it must remain. The world is big enough for us. No ghosts need apply." In each of the stories presented in this massive two-volume collection, Holmes approaches the varied problems with one of his favorite maxims firmly in place: "... when you have eliminated the impossible whatever remains, however improbable, must be the truth..." But what, exactly, is the truth? 2017 is the 130th anniversary of the publication of A Study in Scarlet, the first recorded adventure of Sherlock Holmes and Dr. John H. Watson. What an amazing journey it's been! In addition to the pitifully few sixty tales originally presented in The Canon, published between 1887 and 1927, there have been literally thousands of additional Holmes adventures in the form of books, short stories, radio and television episodes, movies, manuscripts, comics, and fan fiction. And yet, for those who are true friends and admirers of the Master Detective of Baker Street, where it is always 1895 (or a few decades on either side of that!) these stories are not enough. Give us more! The forty-eight stories in these two companion volumes represent some of the finest new Holmesian storytelling to be found, and honor the man described by Watson as "the best and wisest... whom I have ever known." All royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw, one of the former homes of Sir Arthur Conan Doyle.

Sherlock's Home - Steve Emecz 2016-12-20

1903 saw The Adventure of The Empty House and the return of Sherlock Holmes to 221b Baker Street where he explains the deception of his death at the Reichenbach Falls to his faithful friend Dr John Watson. 2012 sees The Crime of The Empty House where the former home of Sir Arthur Conan Doyle, Undershaw, lies in disrepair and the threat of being destroyed forever. Commissioned by Sir Arthur Conan Doyle himself, Undershaw was witness to the creation of many of his most famous works, including The Hound of the Baskervilles and The Return of Sherlock Holmes. It is a building deserving preservation for the British nation, and indeed the world, for all time. Sadly, the building is currently under threat from the property developers who wish to divide the house into 3 separate units and build a further 5 alongside. Planning permission for development has already been approved by Waverley Borough Council. The Undershaw Preservation Trust (UPT), with Mark Gatiss [BBC Sherlock] as Patron, is dedicated to the preservation and protection of this important literary building and are campaigning to get this decision overturned, so the house can be restored to its original glory and enjoyed as the single dwelling Sir Arthur Conan Doyle intended it to be. This book is a collection of short Sherlock Holmes stories and poems written by fans from around the world in support of the Save Undershaw campaign - even the cover has been designed by fans. Royalties from the book go towards the UPT to preserve this wonderful house for future generations of

Doyleans, Sherlock Holmes enthusiasts and literary fans of all kinds. More information on the Save Undershaw campaign can be found on their website: www.saveundershaw.com.

Watson, M.D., Late Indian Army, painted upon the lid. It is crammed with papers, nearly all of which are records of cases to illustrate the curious problems which Mr. Sherlock Holmes had at various times to examine..." - Dr. John H. Watson So wrote Dr. Watson in "The Problem of Thor Bridge" - and ever since, Sherlockians have been bringing us new adventures from this legendary tin dispatch box. While his original Literary Agent only edited the pitifully few sixty stories that make up the original Canon, there have since been literally thousands of traditional adventures about the true Sherlock Holmes - and there will never be enough! Throughout the original Holmes Canon, there were hints and teases of other intriguing cases - The Giant Rat of Sumatra... The Abernethy Tragedy... The Manor House Case. Watson mentions well over one-hundred of these, which have collectively come to be known as The Untold Cases. Now, the latest MX anthologies present thirty-four of those adventures in two simultaneously published volumes, with all royalties going to support the Stepping Stones School at Undershaw, one of Sir Arthur Conan Doyle's former homes. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes, described by the estimable Dr. Watson as "the best and wisest... whom I have ever known." Each volume contains forwards by Lyndsay Faye, Roger Johnson, Melissa Grigsby, Steve Emecz, and David Marcum.

So wrote Sherlockian Vincent Starrett in his 1942 poem 221b, soon after the United States entered World War II. Even as those years brought terrible challenges, so too has 2020 been a year of great testing for so many of us, as a global pandemic rages and good people are called to stand against evil. For Sherlockians, comfort can be found in climbing

those seventeen stairs to the Baker Street sitting room, where it is always eighteen-ninety-five - or a few decades on either side of it. In 2015, the first three volumes of The MX Book of New Sherlock Holmes Stories arrived, containing over 60 stories in the true traditional Canonical manner. That was the largest collection of new Holmes stories ever assembled, and originally planned to be a one-time event. But readers wanted more, and the contributors had more stories from Watson's Tin Dispatch Box, so the fun continued. Now, with the release of Parts XXV, XXVI, and XXVII, the series has grown to nearly 600 new Holmes adventures by almost 200 contributors from around with world. Since the beginning, all contributor royalties go to the Stepping Stones School for special needs children at Undershaw, one of Sir Arthur Conan Doyle's former homes, and to date the project has raised over \$75,000 for the school. As has become the tradition, this new collection features Holmes and Watson carrying out their masterful investigations from the early days of their friendship in Baker Street to the post-War years during Holmes's retirement. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes, described by the estimable Dr. Watson as "the best and wisest . . . whom I have ever known." 59 new traditional Holmes adventures in three simultaneously published volumes The game is afoot!
