Abandoned in Death - J. D. Robb 2022-02-08
Homicide detective Eve Dallas must untangle a twisted family history while a hostage's life hangs in the balance—in *Abandoned in Death* by

New York Times bestselling author J. D. Robb. The woman's body was found in the early morning, on a bench in a New York City playground. She was clean, her hair neatly

arranged, her makeup carefully applied. But other things were very wrong—like the tattoo and piercings, clearly new. The clothes, decades out of date. The fatal wound hidden beneath a ribbon around her neck. And the note: Bad Mommy, written in crayon as if by a child. Eve Dallas turns to the department's top profiler, who confirms what seems obvious to Eve: They're dealing with a killer whose childhood involved some sort of trauma—a situation Eve is all too familiar with herself. Yet the clues suggest a perpetrator who'd be roughly sixty years old, and there are no records of old crimes with a similar MO. What was the trigger that apparently reopened such an old wound and sent someone over the edge? When Eve discovers that other young women—who physically resemble the first victim—have vanished, the clock starts ticking louder. But to solve this case she will need to find her way into a hidden place of dim light and concrete, into the distant past, and into the cold depths of a shattered mind.

Agathe - Robert Musil 2019-12-17

From the author of 'A Man without Qualities,' a novel about spirituality in the modern world. Agathe is the sister of Ulrich, the restless and elusive "man without qualities" at the center of Robert Musil's great, unfinished novel of the same name. For years Agathe and Ulrich have ignored each other, but when brother and sister find themselves reunited over the bier of their dead father, they are electrified. Each is the other's spitting image, and Agathe, who has just separated from her husband, is even more defiant and inquiring than Ulrich. Beginning with a series of increasingly intense "holy conversations," the two gradually enlarge the boundaries of sexuality, sensuality, identity, and understanding in pursuit of a new, true form of being that they are seeking to discover. Robert Musil's *The Man Without Qualities* is perhaps the most profoundly exploratory and unsettling masterpiece of twentieth-century fiction. Agathe, or, *The Forgotten Sister* reveals with new clarity

a particular dimension of this multidimensional book—the dimension that meant the most to Musil himself and that inspired some of his most searching writing. The outstanding translator Joel Agee captures the acuity, audacity, and unsettling poetry of a book that is meant to be nothing short of life-changing.

The Road North - Ken Cockburn 2014-10-15
the road north is a word-map of Scotland, composed by Alec Finlay & Ken Cockburn as they travel through their homeland, guided by the Japanese poet Basho, whose *Osu-no-Hosomichi* (Narrow Road to the Deep North) is one of the masterpieces of travel literature. Ken and Alec left Edo (Edinburgh) on May 16, 2010 - the very same date that Basho and his companion Sora departed in 1689 - and on their return, on May 16, 2011, they published 53 collaborative audio & visual poems describing the landscapes they had seen and the people they had met.

Beartown - Fredrik Backman 2017-04-25

Now an HBO Original Series “You’ll love this engrossing novel.” —People Named a Best Book of the Year by LibraryReads, BookBrowse, and Goodreads From the #1 New York Times bestselling author of *Anxious People*, a dazzling and profound novel about a small town with a big dream—and the price required to make it come true. By the lake in Beartown is an old ice rink, and in that ice rink Kevin, Amat, Benji, and the rest of the town’s junior ice hockey team are about to compete in the national semi-finals—and they actually have a shot at winning. All the hopes and dreams of this place now rest on the shoulders of a handful of teenage boys. Under that heavy burden, the match becomes the catalyst for a violent act that will leave a young girl traumatized and a town in turmoil. Accusations are made and, like ripples on a pond, they travel through all of Beartown. This is a story about a town and a game, but even more about loyalty, commitment, and the responsibilities of friendship; the people we

disappoint even though we love them; and the decisions we make every day that come to define us. In this story of a small forest town, Fredrik Backman has found the entire world.

Hot Ice - Nora Roberts 2011-09-27

From New York Times bestselling author Nora Roberts comes a seductive novel of red hot passion and cold hard cash, as a Manhattan socialite living at jet-set speed crosses a desperate man on the run—and finds herself trapped in a deadly game that may have no winners or losers . . . or survivors. Reckless Whitney MacAllister possesses all the wealth and beauty every woman dreams of. Streetwise Douglas Lord has the good looks and quick wits to be a success at his chosen profession: larceny. She has the cash and the connections. He has the stolen documents leading to a fabulous hidden fortune. It is a business proposition, pure and simple. But the race to find the treasure, from Manhattan to Madagascar, is only part of the game. For their fierce and dangerous

attraction to each other soon threatens to overwhelm them—unless their merciless and shadowy rivals kill them first.

Police Inspector Robert Finlay takes on a ruthless criminal gang, as he and his new partner Nina investigate a sex-trafficking ring ... the second instalment in the addictive, searingly authentic Robert Finlay series. ****NUMBER ONE BESTSELLER**** 'Nothing is clear-cut in a gripping labyrinthine plot, which - despite thrills and spills aplenty - never falls short of believable' David Young 'Terse, tense and vivid writing' Peter James 'The magic mix of jeopardy, emotion and action. I could not put it down' Louise Voss _____ Reeling from the attempts on his life and that of his family, Police Inspector Robert Finlay returns to work to discover that any hope of a peaceful existence has been dashed. Assigned to investigate the Eastern European sex-slave industry just as a key witness is murdered. Finlay, along with his

new partner Nina Brasov, finds himself facing a ruthless criminal gang, determined to keep control of the traffic of people into the UK. On the home front, Finlay's efforts to protect his wife and child may have been in vain, as an MI5 protection officer uncovers a covert secret service operation that threatens them all... Aided by new allies, he must not only protect his family but save a colleague from an unseen enemy ... and a shocking fate. *Deadly Game* is a stunning, terrifying and eye-opening thriller from one of the most exciting new names in crime fiction.

_____ 'Utterly compelling and dripping with authenticity. This summer's must-read thriller' J S Law 'From the first page to the last, an authentic, magnetic and completely absorbing read' Sir Ranulph Fiennes 'A genuine page-turner, very well written, and just flows from one scenario to the next. It is clear the author lived through these times and this is evident in knowledge and description. Excellent' Ian Patrick 'It's this normality about Finlay that

appealed to me and kept me reading. The believability of the story. The authenticity' Rebecca Bradley 'Gripping stuff' New Welsh Review 'Finlay's first-person narrative voice is punchy and to the point, and the switching between him and the third person points of view carries the story along smoothly. Mention should be made of the interesting supporting cast that add layers of intrigue into the narrative and compels the reader to look out for these thrillers from Matt Johnson. Highly Recommended' Shots Magazine 'This tense, edge-of-the-seat writing will keep fans frantically turning the pages as they race towards the conclusion' Amanda Jennings 'A top-notch thriller with a dark heart and an emotional soul' Liz Loves Books 'Deadly Game combines spy thriller and police procedural extremely well and should certainly be destined for the shelves of anyone into their conspiracy thrillers' Crime Fiction Lover *Mister Tender's Girl* - Carter Wilson 2018-02-13 How far are you willing to go for Mister Tender?

At fourteen, Alice Hill was viciously attacked by two of her classmates and left to die. The teens claim she was a sacrifice for a man called Mister Tender, but that could never be true: Mister Tender doesn't exist. His sinister character is pop-culture fiction, created by Alice's own father in a series of popular graphic novels. Over a decade later, Alice has changed her name and is trying to heal. But someone is watching her. They know more about Alice than any stranger could: her scars, her fears, and the secrets she keeps locked away. She can try to escape her past, but Mister Tender is never far behind. He will come with a smile that seduces, and a dark whisper in her ear... Inspired by the Slender Man crime, this gripping thriller plunges you into a world of haunting memories and unseen threats, leaving you guessing until the harrowing end.

Unconventional Warfare (Special Forces, Book 1) - Chris Lynch 2018-11-27

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins

a new, explosive fiction series based on the real-life, top-secret history of US black ops.

Hairpin Bridge - Taylor Adams 2021-06-15

From the author of the “full-throttle thriller” (A. J. Finn) *No Exit*—a riveting new psychological page-turner featuring a fierce and unforgettable heroine. Three months ago, Lena Nguyen’s estranged twin sister, Cambry, drove to a remote bridge seventy miles outside of Missoula, Montana, and jumped two hundred feet to her death. At least, that is the official police version. But Lena isn’t buying it. Now she’s come to that very bridge, driving her dead twin’s car and armed with a cassette recorder, determined to find out what really happened by interviewing the highway patrolman who allegedly discovered her sister’s body. Corporal Raymond Raycevic has agreed to meet Lena at the scene. He is sympathetic, forthright, and professional. But his

story still seems a bit off. For one thing, he stopped Cambry for speeding just an hour before she supposedly leaped to her death. Then there are the sixteen attempted 911 calls from her cell phone, made in what was unfortunately a dead zone. But perhaps most troubling of all, the state trooper is referred to by name in Cambry’s final enigmatic text to her sister: Please Forgive Me. Lena will do anything to uncover the truth. But as her twin’s final hours come into focus, Lena’s search turns into a harrowing tooth-and-nail fight for her own survival—one that will test everything she thought she knew about her sister and herself...

Blue Night - Simone Buchholz 2018-02-28
"After convicting a superior for corruption and shooting off a gangster's crown jewels, the career of Hamburg's most hard-bitten state prosecutor, Chastity Riley, has taken a nose dive: she has been transferred to the tedium of witness protection to prevent her making any more trouble. However, when she is assigned to the case of an anonymous man lying under police guard in hospital - almost every bone in his body broken, a finger cut off, and refusing to speak in anything other than riddles - Chastity's instinct for the big, exciting case kicks in. Using all her powers of persuasion, she soon gains her charge's confidence, and finds herself on the trail to Leipzig, a new ally, and a whole heap of lethal synthetic drugs. When she discovers that a friend and former colleague is trying to bring down Hamburg's Albanian mafia kingpin single-handedly, it looks like Chas Riley's dull life on

witness protection really has been short-lived."--

A Journey to the End of the Millennium - A. B. Yehoshua 2000-05-01

"A masterpiece" about faith, race, and morality at a medieval turning point, from the National Jewish Book Award winner and "Israeli Faulkner" (The New York Times). It's edging toward the end of the year 999 when Ben Attar, a Moroccan Jewish merchant from Tangiers, takes two wives—an act of bigamy that results in the moral objections of his nephew and business partner, Raphael Abulafia, and the dissolution of their once profitable enterprise of importing treasures from the Atlas Mountains. Abulafia's repudiation triggers a potentially perilous move by Attar to set things right—by setting sail for medieval Paris to challenge his nephew, and his nephew's own pious wife, face to face. Accompanied by a Spanish rabbi, a Muslim trader, a timid young slave, a crew of Arab sailors, and his two veiled wives, Attar will soon

find himself in an even more dangerous battle—with the Christian zealots who fear that Jews and others they see as immoral infidels will impede the coming of Jesus at the dawn of a new millennium. From the author of *A Woman in Jerusalem*, winner of the Los Angeles Times Book Prize, this is an insightful portrait of a unique moment in history as well as the timeless issues that still trouble us today. “The end of the first millennium comes to represent only one of many breaches—between north and south, Christians and Jews, Jews and Muslims, Ashkenazic and Sephardic Jews, men and women—across which A. B. Yehoshua's extraordinary novel delivers us.” —The New York Times

[Power and Plenty](#) - Ronald Findlay 2009-08-10
International trade has shaped the modern world, yet until now no single book has been available for both economists and general readers that traces the history of the international economy from its earliest

beginnings to the present day. *Power and Plenty* fills this gap, providing the first full account of world trade and development over the course of the last millennium. Ronald Findlay and Kevin O'Rourke examine the successive waves of globalization and "deglobalization" that have occurred during the past thousand years, looking closely at the technological and political causes behind these long-term trends. They show how the expansion and contraction of the world economy has been directly tied to the two-way interplay of trade and geopolitics, and how war and peace have been critical determinants of international trade over the very long run. The story they tell is sweeping in scope, one that links the emergence of the Western economies with economic and political developments throughout Eurasia centuries ago. Drawing extensively upon empirical evidence and informing their systematic analysis with insights from contemporary economic theory, Findlay and O'Rourke demonstrate the close

interrelationships of trade and warfare, the mutual interdependence of the world's different regions, and the crucial role these factors have played in explaining modern economic growth. *Power and Plenty* is a must-read for anyone seeking to understand the origins of today's international economy, the forces that continue to shape it, and the economic and political challenges confronting policymakers in the twenty-first century.

Manhunt - Colin Sutton 2019-01-10

NOW A MAJOR TV DRAMA STARRING MARTIN CLUNES What does it take to catch one of Britain's most feared killers? Levi Bellfield is one of the most notorious British serial killers of the last fifty years - his name alone evokes horror and revulsion, after his string of brutal murders in the early 2000s. At 3:07pm on 21st March, 2002, Milly Dowler left her school in Surrey for the last time. Less than an hour later, she was to be abducted and murdered in the cruellest fashion, sparking a missing person investigation

that would span months before her body was found. In the two years that followed, two more young women - Marsha McDonnell and then Amélie Delagrangé - were murdered in unspeakably brutal attacks. Yet with three murdered women on their hands, and few leads open to them, investigating officers were running out of ideas and options, until SIO Colin Sutton was drafted into the investigation for the murder of Delagrangé. Seeing a connection between the three women, and thriving under the pressure of a serial killer hunt, Sutton was finally able to bring their murderer to justice after the case had begun to seem hopeless. *Manhunt* tells the story of how he led the charge to find a mystery killer, against the clock and against the odds - day by day and lead by lead. At once a gripping police procedural, and an insight into the life of an evil man, this is the story behind what it takes to track down a shockingly violent murderer before he strikes again.

Soon to be a major motion picture starring Margaret Qualley and Paul Mescal! A young woman and her husband travel around Europe to celebrate their first year of marriage—a year that the woman has no memory of—in this “wildly beautiful and darkly sinister” (Rosamund Lupton, New York Times bestselling author of *Sister*) novel of intimacy and deceit. The year is 1996—a time before cell phones, status updates, and location tags—when you could still travel to a remote corner of the world and disappear. This is where we meet Gina and Duncan, a young couple madly in love, traveling around Europe on a romantic adventure. It’s a time both thrilling and dizzying for Gina, whose memories are hazy following a head injury—and the growing sense that the man at her side is keeping secrets from her. Just what is Duncan hiding and how far will he go to keep their pasts at bay? As the pair hop borders across Europe,

their former lives threatening to catch up with them while the truth grows more elusive, we witness how love can lead us astray, and what it means to lose oneself in love. *The End of Getting Lost* is a tightrope act of deception and an elegant exploration of love and marriage—as well as our cherished illusions of both. With notes of Patricia Highsmith, Caroline Kepnes, and Lauren Groff, Robin Kirman has spun an “atmospheric, lyrical” (Susie Yang, New York Times bestselling author of *White Ivy*) tale of deceit, redemption, and the fight to keep love alive—no matter the costs.

The Brilliant History of Color in Art - Victoria Finlay 2014-11-01

The history of art is inseparable from the history of color. And what a fascinating story they tell together: one that brims with an all-star cast of characters, eye-opening details, and unexpected detours through the annals of human civilization and scientific discovery. Enter critically acclaimed writer and popular journalist Victoria

Finlay, who here takes readers across the globe and over the centuries on an unforgettable tour through the brilliant history of color in art. Written for newcomers to the subject and aspiring young artists alike, Finlay's quest to uncover the origins and science of color will beguile readers of all ages with its warm and conversational style. Her rich narrative is illustrated in full color throughout with 166 major works of art—most from the collections of the J. Paul Getty Museum. Readers of this book will revel in a treasure trove of fun-filled facts and anecdotes. Were it not for Cleopatra, for instance, purple might not have become the royal color of the Western world. Without Napoleon, the black graphite pencil might never have found its way into the hands of Cézanne. Without mango-eating cows, the sunsets of Turner might have lost their shimmering glow. And were it not for the pigment cobalt blue, the halls of museums worldwide might still be filled with forged Vermeers. Red ocher, green earth,

Indian yellow, lead white—no pigment from the artist's broad and diverse palette escapes Finlay's shrewd eye in this breathtaking exploration.

Raptor Red - Robert T. Bakker 1996-08-01

A pair of fierce but beautiful eyes look out from the undergrowth of conifers. She is an intelligent killer... So begins one of the most extraordinary novels you will ever read. The time is 120 million years ago, the place is the plains of prehistoric Utah, and the eyes belong to an unforgettable heroine. Her name is Raptor Red, and she is a female Raptor dinosaur. Painting a rich and colorful picture of a lush prehistoric world, leading paleontologist Robert T. Bakker tells his story from within Raptor Red's extraordinary mind, dramatizing his revolutionary theories in this exciting tale. From a tragic loss to the fierce struggle for survival to a daring migration to the Pacific Ocean to escape a deadly new predator, Raptor Red combines fact and fiction to capture for the first time the thoughts, emotions, and

behaviors of the most magnificent, enigmatic creatures ever to walk the face of the earth.

Holding Smoke - Elle Cosimano 2016-05-04
"An inventive paranormal gambit, a compelling lead character, and a plot that twists and turns through to the last page." -Claudia Gray, New York Times best-selling author of the Evernight series "Intelligent, sharp-edged and action packed." -Alan Lawrence Sitomer, author of The Hoopster and Caged Warrior John "Smoke" Conlan is serving time for two murders-but he wasn't the one who murdered his English teacher, and he never intended to kill the only other witness to the crime. A dangerous juvenile rehabilitation center in Denver, Colorado, known as the Y, is Smoke's new home and the only one he believes he deserves. But, unlike his fellow inmates, Smoke is not in constant imprisonment. After a near death experience leaves him with the ability to shed his physical body at will, Smoke is able to travel freely outside the concrete walls of the Y, gathering information

for himself and his fellow inmates while they're asleep in their beds. Convinced his future is only as bright as the fluorescent lights in his cell, Smoke doesn't care that the "threads" that bind his soul to his body are wearing thin-that one day he may not make it back in time. That is, until he meets Pink, a tough, resourceful girl who sees him for who he truly is and wants to help him clear his name. Now Smoke is on a journey to redemption he never thought possible. With Pink's help, Smoke may be able to reveal the true killer, but the closer they get to the truth, the more deadly their search becomes. The web of lies, deceit, and corruption that put Smoke behind bars is more tangled than they could have ever imagined. With both of their lives on the line, Smoke will have to decide how much he's willing to risk, and if he can envision a future worth fighting for.

The Unwilling - John Hart 2021-02-02

THE INSTANT BESTSELLER "We the unwilling, led by the unqualified to kill the unfortunate, die

for the ungrateful.” —Unknown Soldier Set in the South at the height of the Vietnam War, The Unwilling combines crime, suspense and searing glimpses into the human mind and soul in New York Times bestselling author John Hart's singular style. Gibby's older brothers have already been to war. One died there. The other came back misunderstood and hard, a decorated killer now freshly released from a three-year stint in prison. Jason won't speak of the war or of his time behind bars, but he wants a relationship with the younger brother he hasn't known for years. Determined to make that connection, he coaxes Gibby into a day at the lake: long hours of sunshine and whisky and older women. But the day turns ugly when the four encounter a prison transfer bus on a stretch of empty road. Beautiful but drunk, one of the women taunts the prisoners, leading to a riot on the bus. The woman finds it funny in the moment, but is savagely murdered soon after. Given his violent history, suspicion turns first to Jason; but when

the second woman is kidnapped, the police suspect Gibby, too. Determined to prove Jason innocent, Gibby must avoid the cops and dive deep into his brother's hidden life, a dark world of heroin, guns and outlaw motorcycle gangs. What he discovers there is a truth more disturbing than he could have imagined: not just the identity of the killer and the reasons for Tyra's murder, but the forces that shaped his brother in Vietnam, the reason he was framed, and why the most dangerous man alive wants him back in prison. This is crime fiction at its most raw, an exploration of family and the past, of prison and war and the indelible marks they leave.

Reality Is Broken - Jane McGonigal 2011-01-20

"McGonigal is a clear, methodical writer, and her ideas are well argued. Assertions are backed by countless psychological studies." —The

Boston Globe "Powerful and provocative . . .

McGonigal makes a persuasive case that games have a lot to teach us about how to make our lives, and the world, better." —San Jose Mercury

News "Jane McGonigal's insights have the elegant, compact, deadly simplicity of plutonium, and the same explosive force." —Cory Doctorow,

author of *Little Brother* A visionary game designer reveals how we can harness the power of games to boost global happiness. With 174

million gamers in the United States alone, we now live in a world where every generation will be a gamer generation. But why, Jane McGonigal

asks, should games be used for escapist entertainment alone? In this groundbreaking book, she shows how we can leverage the power of games to fix what is wrong with the real

world-from social problems like depression and obesity to global issues like poverty and climate change-and introduces us to cutting-edge games that are already changing the business,

education, and nonprofit worlds. Written for gamers and non-gamers alike, *Reality Is Broken* shows that the future will belong to those who

can understand, design, and play games. Jane McGonigal is also the author of *SuperBetter: A Revolutionary Approach to Getting Stronger, Happier, Braver and More Resilient.*

Breakfast with the Dirt Cult - Samuel Finlay 2012-10-01

"I'm going to make a pinkie-swear with you right here and now, Tom Walton; when, not if, you return from Afghanistan, you must come up here and I will have a mad passionate affair with you..." With this proposal, Thomas Walton, an

infantry soldier in Alpha Company, Second Platoon, arrives at the threshold of events that will change his life forever. *Breakfast with the*

Dirt Cult chronicles the days of love and war in

the life of Tom Walton. Torn between a beautiful, bibliophilic, Canadian ex-stripper and the hunt for Al-Qaeda in the mountains of Afghanistan, Walton finds himself forced to grapple with being a young man in the days of modernity. While *Breakfast with the Dirt Cult* has been written as a novel, it is based on a true story. The names have been changed and the chronology has been condensed for the sake of editing.

Ragdoll - Daniel Cole 2017-04-04

Now an AMC Plus series starring Lucy Hale from the Producers of "Killing Eve" William Fawkes, a controversial detective known as The Wolf, has just been reinstated to his post after he was suspended for assaulting a vindicated suspect. Still under psychological evaluation, Fawkes returns to the force eager for a big case. When his former partner and friend, Detective Emily Baxter, calls him to a crime scene, he's sure this is it: the body is made of the dismembered parts of six victims, sewn together

like a puppet—a corpse that becomes known as "The Ragdoll." Fawkes is tasked with identifying the six victims, but that gets dicey when his reporter ex-wife anonymously receives photographs from the crime scene, along with a list of six names, and the dates on which the Ragdoll Killer plans to murder them. The final name on the list is Fawkes. Baxter and her trainee partner, Alex Edmunds, hone in on figuring out what links the victims together before the killer strikes again. But for Fawkes, seeing his name on the list sparks a dark memory, and he fears that the catalyst for these killings has more to do with him—and his past—than anyone realizes. With a breakneck pace, a twisty plot, and a wicked sense of humor, *Ragdoll* announces the arrival of the hottest new brand in crime fiction.

End Game - Matt Johnson 2018-03-31

race to uncover the truth and escape those who'd sooner have him dead than be exposed.

Stasi Child - David Young 2017-08-01

David Young's chillingly intricate Stasi Child was A London Times "Crime Book of the Month" and a Telegraph Pick of the Week. 1975: When Oberleutnant Karin Muller is called to investigate a teenage girl's body at the foot of the Berlin Wall, she imagines she's seen it all before. But she soon realizes that this is a death like no other before it - the girl was evidently trying to escape from West Berlin. As a member of the People's Police, Muller's power in East Germany only stretches so far. The Ministry for State Security, the Stasi, assures her the case is closed, all they need to know is the girl's name. Yet they strongly discourage her from asking questions. The evidence doesn't add up, and it soon becomes clear the crime scene has been staged. But this regime does not tolerate curious minds, and it takes Müller too long to realize that the trail she's been following may lead her

dangerously close to home ...

Don't Know Jack - Diane Capri 2017-07-18

FBI Special Agents Kim Otto and Carlos Gaspar need the help of rogue ex-military man Jack Reacher, now a wanted man. But is he their friend or foe? It's been a while since we first met Lee Child's Jack Reacher in *Killing Floor*. Fifteen years and twenty-one novels later, Reacher still lives off the grid, until trouble finds him, and then he does whatever it takes, much to the delight of readers and the dismay of villains. Now someone big is looking for him. Who? And why? Hunting Jack Reacher is a dangerous business, as FBI Special Agents Kim Otto and Carlos Gaspar are about to find out. Otto and Gaspar are by-the-book hunters who know when to break the rules—but Reacher is a stone-cold killer and a wanted man. But whose side is he on? Only secrets hidden in Margrave, Georgia, will tell them.

Men in Green - Michael Bamberger 2015-04-07

The instant New York Times bestseller from

acclaimed Sports Illustrated writer Michael Bamberger—a warm, nostalgic, intimately reported account of golf’s greatest generation, and “maybe the best golf book I’ve ever read” (Bill Reynolds, *The Providence Journal*). With “exceptional insight into some of America’s greatest players over the last half-century” (*The Philadelphia Inquirer*), *Men in Green* is to golf what Roger Kahn’s *The Boys of Summer* was to baseball: a big-hearted account of the sport’s greats, from the household names to the private legends, those behind-the-curtain giants who never made the headlines. Michael Bamberger, who has covered the game for twenty years at Sports Illustrated, shows us the big names as we’ve never seen them before: Arnold Palmer, Jack Nicklaus, Tom Watson, Curtis Strange, Fred

Couples—and the late Ken Venturi. But he also chronicles the legendary figures known only to insiders, who nevertheless have left an indelible mark on the sport. There’s a club pro, a teaching pro, an old black Southern caddie. There’s a tournament director in his seventies, a TV director in his eighties, and a USGA executive in his nineties. All these figures, from the marquee names to the unknowns, have changed the game. What they all share is a game that courses through their collective veins like a drug. Was golf better back in the day? *Men in Green* weaves a history of the modern game that is personal, touching, inviting, and new. This meditation on aging and a celebration of the game is “a nostalgic visit and reminiscence with those who fashioned golf history...and should be cherished” (*Golf Digest*).
