**The Falcon Thief** - Joshua Hammer 2021-02-16

A "well-written, engaging detective story" (Kirkus Reviews, starred review) about a rogue who trades in rare birds and their eggs—and the wildlife detective determined to stop him. On May 3, 2010, an Irish national named Jeffrey Lendrum was apprehended at Britain's Birmingham International Airport with a suspicious parcel strapped to his stomach. Inside were fourteen rare peregrine falcon eggs snatched from a remote cliffside in Wales. So begins a "vivid tale of obsession and international derring-do" (Publishers Weekly), following the parallel lives of a globe-trotting smuggler who spent two decades capturing endangered raptors worth millions of dollars as race champions—and Detective Andy McWilliam of the United Kingdom's National Wildlife Crime Unit, who's hell bent on protecting the world's birds of prey. "Masterfully constructed" (The New York Times) and "entertaining and illuminating" (The Washington Post), *The Falcon Thief* will whisk you away from the volcanoes of Patagonia to Zimbabwe's Matobo National Park, and from the frigid tundra near the Arctic Circle to luxurious aviaries in the deserts of Dubai, all in pursuit of a man who is reckless, arrogant, and gripped by a destructive compulsion to make the most beautiful creatures in nature his own. It's a story that's part true-crime narrative, part epic adventure—and wholly unputdownable until the very last page.

*It Takes a Village* - Hillary Rodham Clinton 2000-07

In celebration of the tenth anniversary of "It Takes a Village," this splendid edition includes photographs and a new Introduction by Senator Hillary Rodham Clinton. A decade ago, then First Lady Hillary Rodham Clinton chronicled her quest -- both deeply personal and, in the truest sense, public -- to help make our society into the kind of village that

enables children to become smart, able, resilient adults. "It Takes a Village" is "a textbook for caring... Filled with truths that are worth a read, and a reread" "(The Dallas Morning News)." For more than thirty-five years, Senator Clinton has made children her passion and her cause. Her long experience -- not only through her roles as mother, daughter, sister, and wife but also as advocate, legal expert, and public servant -- has strengthened her conviction that how children develop and what they need to succeed are inextricably entwined with the society in which they live and how well it sustains and supports its families and individuals. In other words, it takes a village to raise a child. In her new Introduction, Senator Clinton reflects on how our village has changed over the last decade -- from the impact of the Internet to new research in early child development and education. She discusses issues of increasing concern -- security, the environment, the national debt -- and looks at where we have made progress and where there is still work to be done. "It Takes a Village" has become a classic. As relevant as ever, this anniversary edition makes it abundantly clear that the choices we make today about how we raise our children and how we support families will determine how our nation will face the challenges of this century.
