*Drawing Ideas* - Mark Baskinger 2013-11-19

A primer for design professionals across all disciplines that helps them create compelling and original concept designs by hand--as opposed to on the computer--in order to foster collaboration and win clients. In today's design world, technology for expressing ideas is pervasive; CAD models and renderings created with computer software provide an easy option for creating highly rendered pieces. However, the accessibility of this technology means that fewer designers know how to draw by hand, express their ideas

spontaneously, and brainstorm effectively. In a unique board binding that mimics a sketchbook, *Drawing Ideas* provides a complete foundation in the techniques and methods for effectively communicating to an audience through clear and persuasive drawings.

Sketch! - France Belleville-Van Stone 2014-11-04

Drawing activities, art instruction, and advice for artists and non-artists alike. Urban sketching--the process of drawing on the go as a regular practice--is a hot trend in the drawing world. It's also a practical necessity for creatively minded people in a busy world. In this aspirational guide, self-taught French artist France Belleville-Van Stone emboldens readers to craft a ritual of their own and devote more time to art, even if it's just 10 minutes a day. She offers motivation to move beyond the comfort zone, as well as instruction on turning rough sketches into finished work. Belleville Van-Stone learned how to draw through her own daily practice and knows first-hand how hard it is to find time to incorporate creativity into a busy life. She encourages and teaches us how to do it with advice and guidance such as: · An A-to-Z list of daily sketch prompts, from airports to bananas, faces to hands, meetings and workplaces · Tips on what drawing supplies you can and should have--and how to carry them around · Sections on accepting mistakes, drawing with limited resources, and redefining completion · Plusses and minuses of going digital, including apps, styluses, and brushes For those of us who dream of drawing in the minutes between school and work, bathtime and bedtime, and waking and walking out the door, the practical advice in Sketch! is a revelation. By sharing her own creative process, Belleville-Van Stone Sketch inspires artists both established and aspiring to rethink their daily practice, sketch for the pure joy of it, and document their lives and the world around them.

**Expressive Digital Painting in Procreate** - Shirish 2021-12-01

Learn to paint expressive illustrations on iPad. If you are a traditional media artist looking to try out the exciting digital medium, this is the definitive guide for you. As an artist primarily working in many traditional mediums, I always faced a unique challenge. I always painted highly expressive paintings, and I wanted to bring about the same expressiveness and spontaneity in my digital paintings. I did not want the typical 'plasticky' look for my digital paintings. In this book, you will not only learn the immense possibilities offered to us by digital painting software in general and Procreate in particular, but also to paint in a loose and expressive manner. The goal is to paint intriguing, catchy artworks that the viewers will love to watch again and again. Some of the tools and techniques you will learn in this book are as follows: - Methods I employ to paint expressively. - Why digital painting? What are the considerations while beginning with the digital painting process. - Color theory. - The concept of layers, using layers effectively in a digital painting. - How layers interact with each other, using masks and layer blending modes. - Procreate interface, menus, and the most used gestures. - Perspective concepts. - 6 step-by-step exercises.
