Despite the media's attempts, the three girls have never met. Now, Quincy is doing well—maybe even great, thanks to her Xanax prescription. She has a caring almost-fiancé; a popular baking blog; a beautiful apartment; and a therapeutic presence in Coop, the police officer who saved her life. Her mind won't let her recall the events of that night; the past is in the past...until the first Final Girl is found dead in her bathtub and the second Final Girl appears on Quincy's doorstep. Blowing through Quincy's

life like a hurricane, Sam seems intent on making her relive the trauma of her ordeal. When disturbing details about Lisa's death emerge, Quincy desperately tries to unravel Sam's truths from her lies while evading both the police and bloodthirsty reporters. Mr. Trump's Wild Ride - Major Garrett

2018-09-18

Major Garrett has been reporting on the White House for nearly two decades, covering four different presidencies for three news outlets. But if he thought that his distinguished journalistic career had prepared him for the unique challenges of covering Donald Trump, he was in for a surprise. Like many others in Washington, Garrett found himself having to unlearn many of his own settled notions about the nature and function of the presidency. He also had to separate the carnival-like noise of the Trump presidency from its underlying substance. For even in its first half, Trump's tenure has been highly consequential. In *Mr. Trump's Wild Ride*, Major Garrett provides what journalists are often said to do, but usually don't: a true first draft of history. His goal was to sift through the mountains of distracting tweets and shrieking headlines in order to focus on the most

significant moments of Trump's young presidency, the ones that Garrett believes will have a lasting impact. The result is an authoritative, mature, and consistently entertaining account of one of the strangest eras in American political history. A consummate professional with unimpeachable integrity, remarkable storytelling skills, and a deep knowledge of his subject earned through decades of experience, Garrett brings to life the twists and turns of covering this White House and its unconventional occupant with wit, sagacity and style. *Mr. Trump's Wild Ride* should place him securely in the first rank of Washington journalists.

Monkey Wrench - Mary B Moore 2022-01-06
Carter Years ago, Naomi was the girl who'd saved my life without knowing it. All it took was

a handful of innocent words from her to change the decision I was about to make. Ending up in the same town hundreds of miles away from our hometown wasn't exactly a fluke. I knew what loss was. I'd felt the pain and knew how easy it was to suffocate under it, but what if I was the wrench that fit all the pieces of her life and held them in place, so she could put it back together again for her and her niece. What if I was her monkey wrench, and what if she was mine? Naomi Raising my niece by myself wasn't easy but moving to Piersville from Fernandina Beach was the best decision I could have made for us. I just didn't count on Carter Lane being here, too. He'd always been quiet, but around me, that changed. I just don't know what anything the guy does means, though. Carter's helpful, he's great with Shanti, makes me laugh, and it blew my mind when he gave me the Blow Pop I'd given him all those years ago in a frame. Changing life paths isn't easy, but it's a damn sight simpler than trying to figure out a man's

mind. Especially his.

Meet the Merry Widows - a group of respectable ladies with a secret pact that is anything but respectable! The five friends who act as patronesses of charity balls are assured of money and position. None are interested in

marrying again. But they have no intention of forsaking physical passion for the rest of their lives. Instead, they make a daring pact to seek out lovers for the pure pleasure of it. Marianne Nesbitt adored her late husband, David, but the racy reminiscences of the Merry Widows make her wonder if she missed something special. Might she find it now through a love affair? Uncertain how to go about it, she asks Adam Cazenove, an old friend and notorious rake, to tutor her in the arts of seduction. The brazen request turns Adam's world upside down. He never imagined his best friend's very proper and exceedingly attractive widow would seek out a lover. If not for his recent betrothal to a young beauty, he would jump at the chance to warm Marianne's bed. Since he cannot bear the thought of another man doing so, he foils her every attempt at seduction. Until one night of unintended passion changes everything. "Hern gracefully crafts a tale of friendship and romance between two beautifully matched

protagonists that is delectably sexy, delightfully clever, and simply superb." - Booklist

notorious hockey-hating professor, and the next I'm agreeing to be his date to his twenty-year high school reunion. I don't know how that happened. JASPER My rules are simple. I don't give extra credit. Ever. No matter how entitled jocks think they are, I refuse to give them special treatment. It's not because I hate them. The Lesson - According to Kicks... Heine pointed the knife at her. "O.K., Lady Godiva, take off the blouse." She stood motionless, unable to answer or move. "Go ahead," Heine said. "Take that piece-of-nothing off." The boy's shoulders slumped and he began to groan. "Brace, mister!" Bar shouted. He put a fist in the boy's gut, and the boy sank to his knees in the dirt, weeping helplessly. "O.K., green-belly," Bar said. "Stay there. Your turn comes next." Dazedly the girl

undid her blouse. Heine reached and yanked it off her shoulders. She stood there quivering, her pink slip plain and worn. Behind them, Manny began to cough. Johnny stood rooted to the place from where he watched. "Let the straps down," Heine said to the girl. "Please. Please..." "Do what I tell you." Heine held the knife menacingly. The boy began to pray softly in Spanish. She raised trembling fingers to her bare shoulders and slipped the straps over them. The top of her slip and her bra fell to her waist. "Let her go," Manny whispered. "You ought to let her go now. Huh?" "Let her go!" Bar shouted. "What are you worried about, mister? We're just teaching these two juvenile delinquents a lesson. Don't you understand that, mister? We're going to teach these two juvenile delinquents a lesson they're never, never going to forget." He drew his foot back violently and kicked the boy in the groin. "Isn't that right, green-belly?" The boy's scream of pain rent the air of the summer night.
