**Mrs. Rochester's Ghost** - Lindsay Marcott  
2021-08

In a modern and twisty retelling of Jane Eyre, a young woman must question everything she thinks she knows about love, loyalty, and murder. Jane has lost everything: job, mother, relationship, even her home. A friend calls to offer an unusual deal--a cottage above the crashing surf of Big Sur on the estate of his employer, Evan Rochester. In return, Jane will tutor his teenage daughter. She accepts. But nothing is quite as it seems at the Rochester estate. Though he's been accused of murdering his glamorous and troubled wife, Evan Rochester insists she drowned herself. Jane is skeptical, but she still finds herself falling for the brilliant and secretive entrepreneur and growing close to his daughter. And yet her deepening feelings for Evan can't disguise dark suspicions aroused when a ghostly presence repeatedly appears in the night's mist and fog. Jane embarks on an intense search for answers and uncovers evidence that soon puts Evan's innocence into question. She's determined to discover what really happened that fateful night, but what will

the truth cost her?

A #1 New York Times Bestseller Virgil Flowers investigates a miracle--and a murder--in the wickedly entertaining new thriller from the master of "pure reading pleasure" (Booklist). Wheatfield, Minnesota: a metropolis of six hundred souls and change, for which the word "moribund" might have been invented. Nothing ever happened there and nothing ever would--until the mayor of sorts (campaign slogan: "I'll Do What I Can") and his precocious teenage buddy come up with a scheme to put Wheatfield on the map. Should something dramatic occur--say, that the apparition of the Virgin Mary miraculously appeared at the local Catholic Church--the whole town would be turned into a shrine, attracting thousands of pilgrims. And all those pilgrims needed food, shelter, all kinds of crazy things. The town would get rich! What could go wrong? Then the shootings begin. And as they--and Virgil Flowers--are about to discover, that's only the beginning of their troubles. . . .

**The Perfect Ghost** - Linda Barnes 2013-04-09  
Mousy and shy to the point of agoraphobic, Em Moore is the writing half of a celebrity biography team. Her charismatic partner, Teddy, does the interviewing and the public schmoozing. But Em's dependence on Teddy runs deeper than just the job—Teddy is her bridge to the world and the main source of love in her life. So when Teddy dies in a car accident, Em is devastated, alone in a world she doesn't understand. The only way she can honor his memory and cope with his loss is to finish the interviews for their current book—an "autobiography" of renowned and reclusive film director Garrett Malcolm. Ensnared in a small cottage near Malcolm's Cape Cod home, Em slowly builds the courage to interview Malcolm the way Teddy would have. She finds Malcolm at once friendlier, more intimidating, and much sexier than she had imagined. But Em soon

starts hearing whispers of skeletons in the Malcolm family closet. And then the police begin looking into the accident that killed Teddy, and Em's control on her life—tenuous at best—is threatened. In *The Perfect Ghost*, a stunning breakout novel from the beloved author of the Carlotta Carlyle mystery series, Linda Barnes slowly winds the strings tighter and tighter, leading the reader ever more deeply into the lives of her characters with pitch-perfect pacing and mesmerizing prose.

**Between a Ghost and a Spooky Place** - Nic Saint 2016-09-22

When Henrietta 'Harry' McCabre's employer, a dodgy antiquarian, is found murdered, she promptly shoots to the top of Inspector Darian Watley's suspect list. Fortunately she has a solid alibi: at the time of the murder she was delivering a rare and precious book for Buckley: the Clavicule Necroire. Soon the whole case revolves around the Necroire, as the mysterious tome allegedly has the power to turn people immortal. And since Harry was the last person to handle the book, she quickly goes from suspect to target, and from being interrogated by Darian to being protected by him, at his own apartment. Soon the hunt is on, with billionaires, rogue priests and East End crime bosses trying to get their hands on the Clavicule Necroire... and on Harry. Between a Ghost and a Spooky Place is the first installment in the new Ghosts of London series of humorous ghost mysteries, featuring Harry McCabre, who is the cousin of Alice Whitehouse (The Mysteries of Bell & Whitehouse). The stories are set in London, and

revolve around Harry, her new best friend Jarrett Zephyr-Thornton III (an eccentric billionaire's son) and stalwart Inspector Darian Watley of Scotland Yard. In the first book Harry is recruited by the Wraith Wranglers, a group of ghost hunters, and future books will feature her, Jarrett, and Darian in a series of fun and exhilarating ghost adventures.

Why was the ghost pointing ... .. at a chair in the

church? I was born and raised in a radical, abusive, fear-controlling, ultra-fundamentalist religious family. This is my true inspirational story of how I survived abuse and neglect as a child and then escaped the church by seeking truth and freedom against all odds. Most people never escape religions with cultish control because the brainwashing is virtually impossible to break... .. So how did these ghosts rescue me from this control? This church had many cult elements and produced Jim Bakker, Jimmy Swaggart, plus Jonestown, Guyana cult leader & mass murderer Jim Jones and controlled thousands of people with fear. Written in story form to inspire you, make you laugh, cry, and think. Why was the tiny child required to warn bullies three times? You will love this true story because everyone loves to see the hero win! Get it now.

*Ghost Canyon* - Anthony Strong 2021-05-04

In the darkness they wait, patient, hungry... They are found huddled together in a frontier mineshaft. Three mummified corpses sitting near a vein of gold so rich it would have made them wealthy. Yet they never tried to leave. Instead, they sat down and starved to death rather than walk out. When Robyn Miller inherits her father's share of an old ghost town in Nevada that has been in the family for generations, she decides to pack up and make a new life by creating a one-of-a-kind wedding venue and tourist attraction. Eager to put her plans into action, she hires a trio of geologists to survey the crumbling gold mine so that she can start offering tours. But only one of them makes it out alive, and he brings with him a tale of mummified corpses and seams of gold. He also tells of a creature deep in the tunnels. A beast with glowing red eyes that attacked them, killing his companions and almost murdering him. The local police, unable to find answers, call in the FBI, who in turn ask CUSP for help. When John Decker arrives in the remote mining town he finds a terrifying adversary that dates all the way back to the Gold Rush, and an ancient legend come to life.

*A Head Full of Ghosts* - Paul Tremblay

2015-06-02

WINNER OF THE 2015 BRAM STOKER AWARD FOR SUPERIOR ACHIEVEMENT IN A NOVEL A chilling thriller that brilliantly blends psychological suspense and supernatural horror, reminiscent of Stephen King's *The Shining*, Shirley Jackson's *The Haunting of Hill House*, and William Peter Blatty's *The Exorcist*. The lives of the Barretts, a normal suburban New England family, are torn apart when fourteen-year-old Marjorie begins to display signs of acute schizophrenia. To her parents' despair, the doctors are unable to stop Marjorie's descent into madness. As their stable home devolves into a house of horrors, they reluctantly turn to a local Catholic priest for help. Father Wanderly suggests an exorcism; he believes the vulnerable teenager is the victim of demonic possession. He also contacts a production company that is eager to document the Barretts' plight. With John, Marjorie's father, out of work for more than a year and the medical bills looming, the family agrees to be filmed, and soon find themselves the unwitting stars of *The Possession*, a hit reality television show. When events in the Barrett household explode in tragedy, the show and the shocking incidents it captures become the stuff of urban legend. Fifteen years later, a bestselling writer interviews Marjorie's younger sister, Merry. As she recalls those long ago events that took place when she was just eight years old, long-buried secrets and painful memories that clash with what was broadcast on television begin to surface—and a mind-bending tale of psychological horror is unleashed, raising vexing questions about memory and reality,

science and religion, and the very nature of evil. **Ghosts of Harvard** - Francesca Serritella 2020 Cadence Archer arrives on Harvard's campus searching for answers about her brother, a schizophrenic genius who leapt from his dorm room window the year before. Eric's brilliance overshadowed Cady growing up, but she worshipped and adored him—even as he became more unstable, retreating deeper into his secretive work on multidimensional spacetime and isolating himself from everyone around him. Losing Eric has left a black hole in Cady's life, and while her choice to walk the same path threatens to break her family apart, she is driven to know why Eric killed himself. As Cady struggles under the enormous pressure that comes with being at Harvard, she begins to investigate her brother's life on campus. What was it that caused Eric to spiral into an irretrievable madness—the paranoia, the delusions, the illusory enemies—after he had been doing so well? Soon, her prying turns up clues that grow increasingly sinister. And then, as her suspicions mount, Cady begins to hear voices herself—three ghosts that walked the hallowed halls of Harvard, each from a different era of American history. That's when the panic sets in. Does she share Eric's illness, or are these voices real? And if she listens to these ghosts, will they lead to her brother—and the truth—or will they lead her down a path of her own destruction?

**The Visitors Book** - Sophie Hannah 2016-11-01

In this sensational collection of supernatural short stories, Sophie Hannah takes the comforting scenes of everyday life and imbues them with a frisson of fear, then a gust of terror. Why is a young woman so unnerved by the presence of a visitors book in her boyfriend's inner-city home? And whose spidery handwriting is it that fills the pages? Who is the strangely courteous boy still lingering at a child's tenth birthday party when all the parents have gathered their children and left? And why does the presence of a perfectly ordinary woman in a post office line leave another customer sweating with fear? Read on to find out—but beware . . .

**Outlaw** - James Swallow 2021-10-28

The brilliant, explosive new book from the master of the modern espionage thriller and Sunday Times bestseller James Swallow.

\_\_\_\_\_ Guttled by the ruthless power brokers known as the Combine, the Rubicon Group is a shadow of its former self, its founder Ekko Solomon missing presumed dead and the members of its private security and intelligence team in hiding, framed for a terrorist atrocity they did not commit. For ex-MI6 officer Marc Dane, his friend and colleague Lucy Keyes, and the survivors of Rubicon's Special Conditions Division, the future is bleak. With no support and no backup, they are living on the edge, and the walls are closing in - so with nothing left to lose, the team will risk everything in a last ditch gambit to strike back at the Combine and bring them down...once and for all. Rising from the ashes of Rubicon's destruction, Marc and the team undertake a high-stakes undercover mission to stop a catastrophic plan to crash the global financial network, with only their cunning and their skills to carry them through. If they succeed, they might just get their lives back. If they fail, it will be the end of everything they've been fighting for... The epic final book in the Marc Dane series, *OUTLAW* is Swallow's most explosive thriller to date - perfect for fans of Gregg Hurwitz, Ant Middleton and Terry Hayes.

**Winter's Ghost** - Mary Stone 2019-08-09  
Some ghosts still live and breathe... Six months ago, on the night *Winter Black* and her fellow agents took down *The Preacher*, a mall massacre occurred. Today, one of the gunmen responsible for taking fifteen innocent lives that night is killed-with a well-placed bullet fired from nearly a mile away. Clearly a professional, either military or law enforcement, the sniper leaves zero evidence, other than a note. When more suspected rapists and murderers turn up dead, the killer's pattern becomes clear: they're acting as judge, jury, and executioner for a series of cases that were brushed off by the cops. How could a person not cheer a little? Until the spotlight is shone on one of the FBI's own. Ultimately, it's a matter of right or wrong. Winter knows just where the line is-she learned the night her parents were slaughtered and her baby brother disappeared. After all, that night

made her who she is, and she'll uphold the law, even for the scumbags who deserve to die. Even while the ghosts of her past grow closer and closer. Book five of Mary Stone's breakthrough *Winter Black* series, *Winter's Ghost* is an ingeniously conceived psychological thriller that will keep readers enthralled while making sure their door is locked-and pick proof. *The Institute* - Stephen King 2019-09-10  
From #1 New York Times bestselling author Stephen King whose "storytelling transcends genre" (Newsday) comes "another winner: creepy and touching and horrifyingly believable" (The Boston Globe) about a group of kids confronting evil. In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis's parents and load him into a black SUV. The operation

takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents—telekinesis and telepathy—who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and ten-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from the Institute. As psychically terrifying as Firestarter, and with the spectacular kid power of It, The Institute is "first-rate entertainment that has something important to say. We all need to listen" (The Washington Post).

*The Ghost in the Curve* - Violet Howe 2016-10-11  
Sloane Reid has never believed in ghosts, even though she made a career out of playing a ghost slayer on film. When the studio tells her at twenty-nine she's too old to be a scream queen, Sloane retreats to her aunt's remote Florida cabin to figure out what comes next. Her trip is anything but relaxing when she encounters Chelsea, a young girl who died near the cabin thirteen years ago. Chelsea is desperate for Sloane's help to reveal the truth that haunts her, but Sloane can't solve the mystery alone. She needs to ask for help from local deputy Tristan Rogers, which means she'll have to convince him she's not crazy. Or a criminal. As Sloane and Tristan unlock the secrets of the past, the stakes grow higher for them both, and soon Sloane finds it may be her own life that needs saving.

**Ghostman** - Roger Hobbs 2013-02-12  
Stunningly dark, hugely intelligent and thoroughly addictive, Ghostman announces the arrival of an exciting and highly distinctive novelist. When a casino robbery in Atlantic City goes horribly awry, the man who orchestrated it is obliged to call in a favor from someone who's occasionally called Jack. While it's doubtful that

anyone knows his actual name or anything at all about his true identity, or even if he's still alive, he's in his mid-thirties and lives completely off the grid, a criminal's criminal who does entirely as he pleases and is almost impossible to get in touch with. But within hours a private jet is flying this exceptionally experienced fixer and cleaner-upper from Seattle to New Jersey and right into a spectacular mess: one heister dead in the parking lot, another winged but on the run, the shooter a complete mystery, the \$1.2 million in freshly printed bills god knows where and the FBI already waiting for Jack at the airport, to be joined shortly by other extremely interested and elusive parties. He has only forty-eight hours until the twice-stolen cash literally explodes, taking with it the wider, byzantine ambitions behind the theft. To contend with all this will require every gram of his skill, ingenuity and self-protective instincts, especially when offense and defense soon become meaningless terms. And as he maneuvers these exceedingly slippery slopes, he relives the botched bank robbery in Kuala Lumpur five years earlier that has now landed him this unwanted new assignment. From its riveting opening pages, Ghostman effortlessly pulls the reader into Jack's refined and peculiar world—and the sophisticated shadowboxing grows ever more intense as he moves, hour by hour, toward a constantly reimprovised solution. With a quicksilver plot, gripping prose and masterly expertise, Roger Hobbs has given us a novel that will immediately place him in the company of our most esteemed crime writers. Exclusively for the eBook: *Autobiography of a Ghostman*.

The techno-thriller meets Sci-Fi, and the result is mind-blowing." —Stephen Coonts, New York Times bestselling author of *Disciple* Patrick Lee reinvented and revitalized the contemporary thriller with his extraordinary debut *The Breach* ("Audacious and terrifying" —Lee Child). Now his conflicted ex-cop/ex-con hero Travis Chase is back in the breathtaking follow-up *Ghost*

Country. Both Michael Crichton and Dean Koontz fans, X-Files aficionados and devotees of FOX TV's Fringe, will be blown away by Lee's Ghost Country—a nightmarish tale of a nefarious plot unleashed at the highest levels of government that will bring about the end of everything in a matter of a few short months.

*Ghost Town* - Ercivan Martin 2018-11-25

In the city of Cedarland, every day is a fight to survive. Here, murders barely make the front page. But when a series of seemingly unrelated killings start to show links, it's the job of CPD's finest detectives to find out who is behind the random slayings. Rico Mulino, a street tested veteran detective, is determined to succeed, no matter what the city might throw at him.

Dodging bullets from gang members is one thing—dealing with the city red tape is another.

In Cedarland, solving crime is always going to be an uphill battle. This time—it might cost Mulino his life. Corrupt politicians, ruthless gangsters, hardened citizens, and cops of all descriptions—Ghost Town gives a deep behind the scenes look into what really goes on in America's most violent cities.

**Nomad** - James Swallow 2018-09-11

New York Times bestselling author James Swallow begins his espionage thriller series with Nomad featuring British desk jockey intelligence operative turned active agent. Marc Dane is a MI6 field agent at home behind a computer screen, one step away from the action. But when a brutal attack on his team leaves Dane the only survivor—and with the shocking knowledge that there are traitors inside MI6—he's forced into the front line. Matters spiral out of control when the evidence points toward Dane as the perpetrator of the attack. Accused of betraying his country, he must race against time to clear his name. With nowhere to turn to for help and no one left to trust, Marc is forced to rely on the elusive Rubicon group and their operative Lucy Keyes. Ex US Army, Lucy also knows what it's like to be an outsider, and she's got the skills that Dane needs. A terrorist attack is coming, one bigger and more deadly than has ever been seen before. With the eyes of the security establishment elsewhere, only Keyes and Dane can stop the attack before it's too late. **Paper Ghosts** - Julia Heaberlin 2018-05-15

A Texas map marked with three red dots like drops of blood. A serial killer who claims to have dementia. A mysterious young woman who wants answers. What could go wrong? FINALIST FOR THE ITW THRILLER AWARD • “Fast and furious . . . You’ll never see what’s coming.”—The Washington Post Years ago, her sister Rachel vanished. Now she is almost certain the man who took Rachel sits in the passenger seat beside her. He claims to have dementia and no memory of murdering girls across Texas in a string of places where he shot eerie pictures. To find the truth, she proposes a dangerous idea: a ten-day road trip with a possible serial killer to examine cold cases linked to his haunting photographs. Is he a liar or a broken old man? Is he a pathological con artist—or is she? You won’t see the final, terrifying twist spinning your way until the very last mile. Praise for Paper Ghosts “Paper Ghosts is a riveting summer read that shows Texas in a powerfully intimate light.” —The Austin Chronicle “[An] artful and elegiac psychological thriller . . . riveting.”—Publishers Weekly (starred review) “[Paper Ghosts] elevates the often tawdry genre of the serial killer novel to a work of art.”—Sunday Express (UK) “Texas has yet again bred a major American noir writer.”—D Magazine “[Heaberlin has] developed a distinctive literary voice, one that is on full display in Paper Ghosts.”—Houston Chronicle “Entertainingly unnerving.”—The Dallas Morning News “Strong characterisation, haunting images, a wonderful sense of place, and some dark comedy make this travelogue-cum-psychological thriller well worth the read.”—The Guardian

**Ghosts of Harvard** - Francesca Serritella  
2021-06-22

TEEN VOGUE BOOK CLUB PICK • A Harvard freshman becomes obsessed with her schizophrenic brother's suicide. Then she starts hearing voices. "A rich, intricately plotted thriller . . . Serritella, who is a Harvard grad herself, writes about the campus with an insider's savvy."—Maureen Corrigan, *The Washington Post* "Every time I thought I knew where *Ghosts of Harvard* was heading, I turned out to be wrong. Part mystery, part ghost story, part psychological thriller, this novel is all entertainment."—#1 New York Times bestselling author Jodi Picoult Cadence Archer arrives on Harvard's campus desperate to understand why her brother, Eric, a genius who developed paranoid schizophrenia took his own life there the year before. Losing Eric has left a black hole in Cady's life, and while her decision to follow in her brother's footsteps threatens to break her family apart, she is haunted by questions of what she might have missed. And there's only one place to find answers. As Cady struggles under the enormous pressure at Harvard, she investigates her brother's final year, armed only with a blue notebook of Eric's cryptic scribbles. She knew he had been struggling with paranoia, delusions, and illusory enemies—but what tipped him over the edge? Voices fill her head, seemingly belonging to three ghosts who passed through the university in life, or death, and whose voices, dreams, and terrors still echo the halls. Among them is a person whose name has been buried for

centuries, and another whose name mankind will never forget. Does she share Eric's illness, or is she tapping into something else? Cady doesn't know how or why these ghosts are contacting her, but as she is drawn deeper into their worlds, she believes they're moving her closer to the truth about Eric, even as keeping them secret isolates her further. Will listening to these voices lead her to the one voice she craves—her brother's—or will she follow them down a path to her own destruction?

**Reaper: Ghost Target** - Nicholas Irving  
2018-05-08

The explosive new thriller series written by Nicholas Irving, the New York Times bestselling author of *The Reaper* and star of Fox's *American Grit*. "Wow! Irving & Tata make an incredible team. *Reaper: Ghost Target* is pedal-to-the-metal action packed with great twists and turns. Think 'Jason Bourne meets Bob Lee Swagger' then buckle up and get ready for one hell of a read!"—Brad Thor, #1 New York Times bestselling author of *Use of Force* "A compelling and intriguing tale, layered with suspense, told by two people who know what they're talking about. This one goes on your keeper shelf."—Steve Berry, New York Times bestselling author of *The 14th Colony* American hero, or unhinged vigilante? In *Reaper: Ghost Target*, Vick "The Reaper" Harwood is an esteemed sniper with a record kill count—33 kills in 90 days—when he is knocked out under mortar attack in Afghanistan. He wakes up back in the United States with little memory of what happened, his spotter and gun both unrecovered from the battlefield. Harwood has resigned himself to slowly picking up the pieces of his life, training Special Forces snipers in Fort Bragg, North Carolina, and starting a promising relationship with an Olympic medalist named Jackie. But when a series of assassinations start occurring in the area, Harwood can't explain why he just happens to be nearby for each killing—or how a sniper rifle that matches the description of the one he lost seems to be involved. His memory of the past few days is hazy and full of blackouts, and even he has to wonder, is he being framed? Or is he the killer? As Harwood runs from the authorities, his girlfriend falls off the radar, his missing spotter resurfaces, and the assassinated men are outed

as drug and sex traffickers. Nothing is adding up. Harwood realizes he has to unravel this

mystery, and fast, or find himself paying the ultimate price for crimes he may not have committed.
