The Awakening and Selected Short Stories - Kate Chopin 2018-06-28

The Awakening, originally titled A Solitary Soul, is a novel by Kate Chopin, first published in 1899. Set in New Orleans and the Southern Louisiana coast at the end of the nineteenth century, the plot centers on Edna Pontellier and her struggle to reconcile her increasingly

unorthodox views on femininity and motherhood with the prevailing social attitudes of the turn-of-the-century American South. It is one of the earliest American novels that focuses on women's issues without condescension. It is also widely seen as a landmark work of early feminism, generating mixed reaction from contemporary readers and criticism. The novel's blend of realistic narrative, incisive social commentary, and psychological complexity makes *The Awakening* a precursor of American modernist literature.

Nude Awakening - Penny Clarke 2020-08-06  
Rylie swears she's not a prude. How was I to know the art course my best friend signed me up for meant I'd be sketching a nude model? I should have checked the fine print. Then I never would have—quite literally—bumped into Levi

Hart moments before he dropped trou in class. He can turn up the charm all he wants—I'm not sleeping with the guy that starred in a sex tape circulating campus last year (and no, I didn't watch it. Much). Even if the more he takes his clothes off, the more it turns me on, it's not happening. Levi is no stranger to nudity. Yes, I was in that video. But I'm trying to put that behind me, which is why I'm doing this art class modeling gig. Now, I just need to convince Rylie Stone to overlook my past mistakes...and maybe not run away every time I get naked. Rylie can deny it all she wants, but I've seen how she stares at my body. She wants me. And I want her. So I'm pulling out all the stops (and taking off all my shirts) until she realizes just how much fun can be had when you go after what you want.---NUDE AWAKENING is Book One in the MAIN DESIRE series. It is a full-length standalone new adult college romance featuring twerking leopards, steamy shenanigans with a shirtless football player, and lots of cat-

astrophically bad puns about felines. [Ice Age Shifters Collection \(Books 1-4\)](#) - Carol Van Natta 2019-02-13

**Same-Sex Desire in Indian Culture** - Oliver

Ross 2016-04-08

This book explores representations of same-sex desire in Indian literature and film from the 1970s to the present. Through a detailed analysis of poetry and prose by authors like Vikram Seth, Kamala Das, and Neel Mukherjee, and films from Bollywood and beyond, including Onir's *My Brother Nikhil* and Deepa Mehta's *Fire*, Oliver Ross argues that an initially Euro-American "homosexuality" with its connotations of an essential psychosexual orientation, is reinvented as it overlaps with different elements of Indian culture. Dismantling the popular belief that vocal gay and lesbian politics exist in contradistinction to a sexually "conservative" India, this book locates numerous alternative practices and identities of same-sex desire in Indian history and modernity. Indeed, many of these survived British colonialism, with its importation of ideas of sexual pathology and perversity, in changed or codified forms, and they are often inflected by gay and lesbian

identities in the present. In this account, Oliver Ross challenges the preconception that, in the contemporary world, a grand narrative of sexuality circulates globally and erases all pre-existing narratives and embodiments of sexual desire.

[The Awakening](#) - Kate Chopin 2020-12-01

First appearing in 1899 The Awakening is regarded as work presaging both feminist fiction

and literary modernism. The author's clear vision of a woman's internal and external conflicts continue to demand engagement and response from readers. The Awakening follows Edna Pontellier as she recognizes and attempts to deal with her confining lot as a woman and mother in the 19th century American South. Torn between traditional roles and an inchoate desire for independence and a more passionate life, she faces more than one difficult choice, leading to a grim reckoning. Initially receiving a mixed critical reception, including much condemnation for its frank depiction of adultery, the novel has gone on to be recognized as both a classic piece of fiction and a groundbreaking work of women's realism. The poignant portrayal of the protagonist attempting to determine her true feminine identity makes this one of the first novels willing to openly confront women's issues, to make clear that traditional roles could be limiting and to legitimize an emotional life that transcended society's boundaries. With an

eye-catching new cover, and professionally typeset manuscript, this edition of The Awakening is both modern and readable. [Explicit Erotic Sex Stories \(3 Books in 1\). Intimacy and Desire - Dr David Schnarch 2010

In this groundbreaking book, Dr. David Schnarch, one of the foremost experts on sexuality and relationships, explains why normal healthy couples in long-term relationships have sexual desire problems, regardless of how much they love each other or how well they communicate. In-depth examples of couples he has counselled reveal his unique understanding of common-but-difficult sexual desire problems that affect couples of all ages. Combining compassion and clinical wisdom, Dr. Schnarch explains how to use his revolutionary Four Points of Balance approach to resolve low desire, mismatched desire, sexual boredom, and the emotional gridlock that accompanies these

problems. Intimacy and Desire provides a roadmap for how couples can transform common sexual desire problems into self-exploration and personal development that leads to psychological and spiritual growth, stronger relationships, and more powerful and meaningful desire for each other. It provides time-proven comprehensive solutions that help couples reconnect with each other sexually, and take their intimacy and passion to new, previously unexplored heights.

naware that hunger, sickness and deprivation were awaiting him, a young idealist leaves the United States and embarks on a spiritual journey to West Africa. Repeatedly challenged by a world beyond his understanding and thrown into harsh, critical self-reflections, he is repulsed by the image of himself that Africa forces him to confront. Road of Ash and Dust: Awakening of a Soul in Africa is a deeply intimate and, somewhat, voyeuristic unveiling of aspects of The African-American Experience rarely committed to print. ROAD allows you access to one of the most universal rites of passage, the discovery of self. Author E.L. Cyr channels voices from a distant and muted past, guiding us

into understanding that many of the answers to our most troubling questions do, truly, come from within.

**Desire** - Daniel Odier 2001-04-01

- Explains how the primal energy generated by physical desire can be used to achieve enlightenment
- Reveals the techniques used by Tantric adepts to attain mastery over breath, thought, and all physical processes Nothing can

match the explosive energy created in the body by pure desire. For millennia, Tantric adepts have harnessed this force as a means of attaining the summits of the mystical life. The energies fueled by passion are used to nourish the inner flame that burns away the egotistical perception of the mind. Desire explores the subtle techniques of Tantra that enable the seeker to attain the triple mastery of the breath, thought, and the natural processes of the body. Tantrics believe that the body is the temple and

divinity lies at its heart. In order to arrive at profound awareness, the body needs to be perfectly tuned and working toward a state of perfect fluidity. Desire reveals many of the secret practices intended for this purpose that have been passed down in the major Tantric treatises such as the Vijnanabhariva Tantra and Ch'an master Chinul's treatise on the Secrets of Cultivating the Mind, including the important techniques of the ritual sexual observances known as Maithuna.
