If you mean to download and install the On The Edge , it is enormously simple then, back currently we extend the partner to purchase and make bargains to download and install On The Edge appropriately simple!

[Image on the Edge](#) - Michael Camille 2013-06-01

What do they all mean - the lascivious ape, autophagic dragons, pot-bellied heads, harp-playing asses, arse-kissing priests and somersaulting jongleurs to be found protruding from the edges of medieval buildings and in the margins of illuminated manuscripts? Michael Camille explores that riotous realm of marginal art, so often explained away as mere decoration or zany doodles, where resistance to social constraints flourished. Medieval image-makers focused attention on the underside of society, the excluded and the ejected. Peasants, servants, prostitutes and beggars all found their place, along with knights and clerics, engaged in impudent antics in the margins of prayer-books or, as gargoyles, on the outsides of churches. Camille brings us to an understanding of how marginality functioned in medieval culture and shows us just how scandalous, subversive, and amazing the art of the time could be.

Dancing on the Edge - Han Nolan 2014-12-16

The National Book Award-winning novel of a young girl's coming of age, from the author of *Send Me Down a Miracle*. Twelve-year-old Miracle McCloy never liked the story of her remarkable birth, but her grandmother Gigi has always loved telling it. An expert in occult magic, Gigi insists that when Miracle was saved from her dead mother's womb, it was an omen of greatness to come. But how can Miracle become a prodigy like her father when sometimes she feels like she doesn't even exist? When her father suddenly vanishes without a trace, Miracle's life starts feeling less miraculous by the day. The only time she feels whole is when

she's dancing—an activity her grandmother strictly forbids. But shortly after her thirteenth birthday, a life-threatening incident puts her whole world in a harsh new light. And though she does not emerge unscathed, Miracle might finally see the truth about her past, her family, and herself. "Extraordinary . . . Nolan does a masterful job of drawing readers into the girl's mind and of making them care deeply about her chances for the future." —School Library Journal (starred review) "Elaborately drawn characters that will surprise readers at every turn . . . Compelling." —Booklist (starred review)

An Empire on the Edge - Nick Bunker 2014-09-16

Written from a strikingly fresh perspective, this new account of the Boston Tea Party and the origins of the American Revolution shows how a lethal blend of politics, personalities, and economics led to a war that few people welcomed but nobody could prevent. In this powerful but fair-minded narrative, British author Nick Bunker tells the story of the last three years of mutual embitterment that preceded the outbreak of America's war for independence in 1775. It was a tragedy of errors, in which both sides shared responsibility for a conflict that cost the lives of at least twenty thousand Britons and a still larger number of Americans. The British and the colonists failed to see how swiftly they were drifting toward violence until the process had gone beyond the point of no return. At the heart of the book lies the Boston Tea Party, an event that arose from fundamental flaws in the way the British managed their affairs. By the early 1770s, Great

Britain had become a nation addicted to financial speculation, led by a political elite beset by internal rivalry and increasingly baffled by a changing world. When the East India Company came close to collapse, it patched together a rescue plan whose disastrous side effect was the destruction of the tea. With lawyers in London calling the Tea Party treason, and with hawks in Parliament crying out for revenge, the British opted for punitive reprisals without foreseeing the resistance they would arouse. For their part, Americans underestimated Britain's determination not to give way. By the late summer of 1774, when the rebels in New England began to arm themselves, the descent into war had become irreversible. Drawing on careful study of primary sources from Britain and the United States, *An Empire on the Edge* sheds new light on the Tea Party's origins and on the roles of such familiar characters as Benjamin Franklin, John Hancock, and Thomas Hutchinson. The book shows how the king's chief minister, Lord North, found himself driven down the road to bloodshed. At his side was Lord Dartmouth, the colonial secretary, an evangelical Christian renowned for his benevolence. In a story filled with painful ironies, perhaps the saddest was this: that Dartmouth, a man who loved peace, had to write the dispatch that sent the British army out to fight.

On the Edge - Alison Levine 2014-07-04

On the Edge is an engaging leadership manual that provides concrete insights garnered from various extreme environments ranging from Mt Everest to the South Pole. By reflecting on the lessons learned from her various expeditions, author Alison Levine makes the case that the leadership principles that apply in extreme adventure sport also apply in today's extreme business environments. Both settings require you to be able to make crucial decisions on the spot when the conditions around you are far from perfect. Your survival -and the survival of your team-depend on it. *On the Edge* provides a framework to help people scale whatever big peaks they aspire to climb-be they literal or figurative-by offering practical, humorous, and often unorthodox advice about how to grow as a leader.

City on the Edge - David Swinson 2021-05-25

An American teen living abroad discovers the truth about himself and his family in this thrilling novel from "one of the best dialogue hounds in the business" (New York Times Book Review). 1972, Beirut, Lebanon. Young American Matthew lives with his father, a rising foreign service attache, and mother, in an exclusive community of ex-patriots. It is the summer Matthew becomes a teenager, falls in love, nearly dies, and watches his family, and the city, fall apart. It is in this world of Western schemers and local merchants, of hoodlums and politicians, that Matthew begins to solve the mystery of who his father really is, and what role he is really playing in the upheaval that is shaking the city loose of its old, civilized and way and ushering in a new and frightening radicalism. This is the story of a boy and a family, besieged. Intimate in scope and wrenching in its vision of lost innocence, *City on the Edge* is a mystery and spy story from the past, and a coming of age story for our time.

Life on the Edge - Johnjoe McFadden 2016-07-26
New York Times bestseller • *Life on the Edge* alters our understanding of our world's fundamental dynamics through the use of quantum mechanics. Life is the most extraordinary phenomenon in the known universe; but how did it come to be? Even in an age of cloning and artificial biology, the remarkable truth remains: nobody has ever made anything living entirely out of dead material. Life remains the only way to make life. Are we still missing a vital ingredient in its creation? Using first-hand experience at the cutting edge of science, Jim Al-Khalili and Johnjoe Macfadden reveal that missing ingredient to be quantum mechanics. Drawing on recent ground-breaking experiments around the world, each chapter in *Life on the Edge* illustrates one of life's puzzles: How do migrating birds know where to go? How do we really smell the scent of a rose? How do our genes copy themselves with such precision? *Life on the Edge* accessibly reveals how quantum mechanics can answer these probing questions of the universe. Guiding the reader through the rapidly unfolding discoveries of the last few years, Al-Khalili and McFadden describe the explosive new field of quantum biology and its potentially revolutionary applications, while

offering insights into the biggest puzzle of all: what is life? As they brilliantly demonstrate in these groundbreaking pages, life exists on the quantum edge. Winner, Stephen Hawking Medal for Science Communication

On the Edge - Rafael Chirbes 2016-01-25

On the Edge is a monumental fresco of a brutal contemporary Spain in free fall. On the Edge opens with the discovery of a rotting corpse in the marshes on the outskirts of Olba, Spain—a town wracked by despair after the burst of the economic bubble, and a microcosm of a world of defeat, debt, and corruption. Stuck in this town is Esteban—his small factory bankrupt, his investments stolen by a “friend,” and his unloved father, a mute invalid, entirely his personal burden. Much of the novel unfolds in Esteban’s raw and tormented monologues. But other voices resound from the wreckage—soloists stepping forth from the choir—and their words, sharp as knives, crowd their terse, hypnotic monologues of ruin, prostitution, and loss. Chirbes alternates this choir of voices with a majestic third-person narration, injecting a profound and moving lyricism and offering the hope that a new vitality can emerge from the putrid swamps. On the Edge, even as it excoriates, pulsates with robust life, and its rhythmic, torrential style marks the novel as an indelible masterpiece.

Cat on the Edge - Shirley Rousseau Murphy 2009-10-13

It's been quite a week for Joe Grey. First the large, powerful feline discovers that, through some strange, inexplicable phenomenon, he now has the ability to understand human language. Then he discovers he can speak it as well! It's a nightmare for a cat who'd prefer to sleep the day away carefree, but Joe can handle it. That is, until he has the misfortune to witness a murder in the alley behind Jolly's Deli -- and worse, to be seen witnessing it. With all of his nine lives suddenly at risk, Joe's got no choice but to get to the bottom of the heinous crime -- because his mouse-hunting days are over for good unless he can help bring a killer to justice.

On the Edge - Edward St. Aubyn 2014-10-14
FROM THE MAN BOOKER-SHORTLISTED
AUTHOR OF THE PATRICK MELROSE NOVELS
Called "the most brilliant novelist of his generation" (Alan Hollinghurst), Edward St.

Aubyn captivated and astonished readers and critics alike with his mesmerizing quintet, the Patrick Melrose novels. Its publication introduced one of the most complex and fascinating protagonists in modern fiction. Now being published for the first time in America, *On the Edge* is an uproarious and sharply rendered satire of the New Age, which shows St. Aubyn at his finest. Peter Thorpe is disillusioned with his conventional life as a merchant banker until he meets Sabine, the most enchanting and enigmatic woman he's ever encountered. His desire for her reaches such a pitch that he overturns his whole life, leaving everything behind to follow her into the stronghold of the New Age movement among the stunning peaks and valleys of Big Sur, California. There he meets an eccentric cast of spiritual seekers, joining them in pursuit of that elusive something (happiness?), which he never before dared to imagine possible.

Dancing on the Edge - Han Nolan 1999-03-29
Miracle McCloy is the child of a talented dancer, who died in childbirth, and a brilliant, reclusive novelist. Raised by her grandmother Gigi, a psychic, Miracle becomes a dancer herself, and a loner who believes in mystical spirits and auras. Then her father disappears. When no one can give an explanation, or even a version of the truth, Miracle becomes obsessed with contacting him and bringing him back. As she loses herself in her quest, she loses her self? and, in a last, desperate attempt, sends her life up in flames. In the page-turning tradition of best-selling novels *I Never Promised You a Rose Garden* and *The Bell Jar*, *Dancing on the Edge* gives readers a story? and a heroine? they will never forget. "Nolan dives into the mind of an emotionally disturbed girl in an intense, exceptionally well-written novel?The shadows of truth, suffering, self-expression, and repression are examined without psychobabble in this sad, funny, and tender story."? Kirkus Reviews, pointer review"Nolan does a masterful job of drawing readers into the girl's mind and making them care deeply about her chances for the future." ? School Library Journal, starred review

Art on the Edge - Harold Rosenberg 1983-06-15
Discusses the aesthetic orientations and creative directions of prominent contemporary artists as well as the nature and implications of the

various modern movements

Discipleship on the Edge - Darrell W. Johnson
2004

Revelation is probably the most read, but least understood book of the Bible. History is replete with examples of how not to interpret it, and books featuring end-of-world prophecy claims based on Revelation consistently top the bestseller lists. But how can the message of such an enigmatic book be applied to our lives today? In *Discipleship on the Edge*, Darrell W. Johnson drives home the challenging and practical message of Revelation in thirty carefully crafted sermons. Paying careful attention to the original context of Revelation and the circumstances surrounding its composition, Johnson shows that the book is not a "crystal ball" but rather a "discipleship manual." Thoroughly researched and yet accessible, this collection of sermons is a helpful resource for pastors and small group leaders who are looking for models to help them preach and teach the message of Revelation in a time when there is much confusion about the end times. Darrell W. Johnson serves as Scholar-in-Residence at The Way Church and Canadian Church Leaders Network in Vancouver, British Columbia, Canada. A popular conference and retreat speaker, he has also served as the preaching pastor for a number of congregations in North America and the Philippines, as well as serving as Adjunct Professor of Preaching for the Doctor of Ministry program at Fuller Theological Seminary in Pasadena, California, and a Teaching Fellow at Regent College. His other books include *Experiencing the Trinity* and *Fifty-Seven Words That Change The World*.

On The Edge - Carl H. Nightingale 1993-11-16
Argues that the presence of American mainstream values--conspicuous consumerism, mass-media violence, and racial caricatures--contribute to the problems faced by children in Philadelphia's inner city

On the Edge of Gone - Corinne Duyvis
2016-03-08

A thrilling, thought-provoking novel from one of young-adult literature's boldest new talents. January 29, 2035. That's the day the comet is scheduled to hit--the big one. Denise and her mother and sister, Iris, have been assigned to a temporary shelter outside their hometown of Amsterdam to wait out the blast, but Iris is

nowhere to be found, and at the rate Denise's drug-addicted mother is going, they'll never reach the shelter in time. A last-minute meeting leads them to something better than a temporary shelter--a generation ship, scheduled to leave Earth behind to colonize new worlds after the comet hits. But everyone on the ship has been chosen because of their usefulness. Denise is autistic and fears that she'll never be allowed to stay. Can she obtain a spot before the ship takes flight? What about her mother and sister? When the future of the human race is at stake, whose lives matter most?

Fishing on the Edge - Mike Iaconelli 2005-05-17
With his colorful tattoos and booming hip-hop sound track, Mike Iaconelli has turned the world of big-money competitive bass fishing upside down. In *Fishing on the Edge*, Iaconelli tells his own story--and it's a whopper: a Philly-born, Jersey-bred Yankee who's been stealing the spotlight from bass fishing's traditionally all-Southern anglers, attracting fans and dominating one of the fastest-growing sports in America. How did Mike Iaconelli, a college-educated kid from New Jersey, come blasting into a sport dominated by old-school stars like Gary Klein, Kevin VanDam, and Denny Brauer? How did Mike, aka "Ike," take a secret childhood passion and turn it into a profession, earning million-dollar sponsorships and a storm of media attention, ranging from ESPN's SportsCenter to profiles in *The New York Times* and *Esquire*? While Mike has attracted both fans and foes on the tour, his success speaks for itself, especially his victory at the 2003 CITGO Bassmaster Classic, the Super Bowl of competitive fishing. Forty-four million Americans fish, but no one does it quite like Mike Iaconelli. In *Fishing on the Edge*, he lets you in on the secrets to his extraordinary success--how he developed his "power" fishing style, how he attacks the water, positions the boat, and perseveres through those days when the bass just aren't biting. With sidebar tips that can be used by any fisherman--from using spinner baits to picking out the right rod to his no-fail "secret weapons"--this is an intensive, informative, and often raucous journey through the life of a brash young man destined to do for fishing what Tony Hawk did for the X Games: take the sport to a whole new level. At the same time, it's the

compelling first-person story of a man who prepared carefully every step of the way, kept notes on every fish he ever caught, and executed the perfect plan to get to the top. A tale of passion, competition, and extreme personality, *Fishing on the Edge* is a book for anyone who loves the sport of fishing, wants to turn a hobby into a career, or is simply fascinated by a man's unstoppable drive to succeed.

[Street Pharm](#) - Allison van Diepen 2013-09-03

Ty Johnson knows survival. Since inheriting his pop's business at sixteen, Ty's developed smarts, skills, and mad discipline. The supply game's in his blood. And life is pretty sweet when you're on top. But one slip—or one serious competitor—and life turns ugly fast. Suddenly, Ty's got to rethink his whole strategy. And for the #1 dealer on the streets, strategy is not just about staying ahead. It's about survival.

On the Edge - Ilona Andrews 2009-09-29

Step into a whole new world in the first Novel of the Edge from the #1 New York Times bestselling author of the Kate Daniels series. The Edge lies between worlds, on the border between the Broken, where people shop at Wal-Mart and magic is a fairy tale—and the Weird, where blueblood aristocrats rule, changelings roam, and the strength of your magic can change your destiny... Rose Drayton thought if she practiced her magic, she could build a better life for herself. But things didn't turn out the way she'd planned, and now she works an off-the-books job in the Broken just to survive. Then Declan Camarine, a blueblood noble straight out of the deepest part of the Weird, comes into her life, determined to have Rose (and her power). But when a flood of creatures hungry for magic invade the Edge, Declan and Rose must overcome their differences and work together to destroy them—or the beasts will devour the Edge and everyone in it...

Sixth Grave on the Edge - Darynda Jones

2014-05-20

Wanting to learn more about Reyes Farrow's past after accepting his proposal, grim reaper Charley Davidson investigates his childhood abduction at the same time she is threatened by a crime syndicate to hunt down a witness who is testifying against a mob boss. By the RITA Award-winning author of *First Grave on the Right*. 75,000 first printing.

Surviving on the Edge - Shobna Sonpar

2019-02-04

Written by psychologists and others using a psychosocial lens, *Surviving on the Edge* looks at family, gender, disability and ethnicity in order to better understand prejudice and social violence. The book includes a range of essays—theoretical, narrative accounts and case studies—which question established assumptions as to how violence relates to categories of gender, family, disability and trauma. It also considers the impact of social violence and possible interventions to address trauma at both the individual and collective levels. The impact of prejudice and violence is on one hand painful and tragic. But on the other, there is abundant evidence of resistance and resilience. Several illuminating examples of work on the ground demonstrate the range of interventions possible. This book is a valuable addition to the fledgling corpus of work that uses a psychosocial perspective to examine social problems, the impact of these on mental health and the interventions possible.

Girl at the Edge - Karen Dietrich 2020-03-03

"Karen Dietrich can stop your heart with a sentence." --Paula McLain, author of *The Paris Wife* Not a single resident of St. Augustine, Florida, can forget the day that Michael Joshua Hayes walked into a shopping mall and walked out the mass murderer of eleven people. He's now spent over a decade on death row, and his daughter Evelyn - who doesn't remember a time when her father wasn't an infamous killer - is determined to unravel the mystery and understand what drove her father to shoot those innocent victims. Evelyn's search brings her to a support group for children of incarcerated parents, where a fierce friendship develops with another young woman named Clarisse. Soon the girls are inseparable, and by the beginning of the summer, Evelyn is poised at the edge of her future and must make a life-defining choice. Whether to believe that a parent's legacy of violence is escapable or that history will simply keep repeating itself. Whether we choose it to or not.

On the Edge - Joanna Mazurkiewicz 2020-11-16

A cocky Scot, an innocent pole dancer and a penthouse apartment with a view. What could go wrong? To escape her difficult past Sasha jumps

into an opportunity of managing the sale of the stylish, up market apartment. All of this sounds like a dream, but no one has ever mentioned the arrogant, mouthy Scottish god that lives next door. The problem is that Dexter isn't just good looking, he is also a fist-clenching, heart-pounding, fervent hot man, who makes her heart flutter uncontrollably. She hates his cock-sure attitude. With the talent, of melting women's panties off at a glance, he thinks he can have Sasha too. Well, he couldn't be more wrong. Sasha would rather eat dirt than sleep with him. He vows not to fall for her, but their scorching attraction proves impossible to ignore...

Woman on the Edge - Samantha M. Bailey
2021-02-23

#1 NATIONAL BESTSELLER A moment on the subway platform changes two women's lives forever—a debut thriller that will take your breath away. A total stranger on the subway platform whispers, "Take my baby." She places her child in your arms. She says your name. Then she jumps... In a split second, Morgan Kincaid's life changes forever. She's on her way home from work when a mother begs her to take her baby, then places the infant in her arms. Before Morgan can stop her, the distraught mother jumps in front of an oncoming train. Morgan has never seen this woman before, and

she can't understand what would cause a person to give away her child and take her own life. She also can't understand how this woman knew her name. The police take Morgan in for questioning. She soon learns that the woman who jumped was Nicole Markham, prominent CEO of the athletic brand Breathe. She also learns that no witness can corroborate her version of events, which means she's just become a murder suspect. To prove her innocence, Morgan frantically retraces the last days of Nicole's life. Was Nicole a new mother struggling with paranoia or was she in danger? When strange things start happening to Morgan, she suddenly realizes she might be in danger, too. *Woman on the Edge* is a pulse-pounding, propulsive thriller about the lengths to which a woman will go to protect her baby—even if that means sacrificing her own life.

On the Edge - Jane Jesmond 2021-10-26

A FAST-PACED, TWISTY THRILLER WITH ECHOES OF DAPHNE DU MAURIER Jen Shaw has climbed all her life: daring ascents of sheer rock faces, crumbling buildings, cranes - the riskier the better. Both her work and personal life revolved around climbing, and the adrenaline high it gave her. Until she went too far and hurt the people she cares about. So she's given it all up now. Honestly, she has. And she's checked herself into a rehab centre to prove it. Yet, when Jen awakens to find herself drugged and dangling off the local lighthouse during a wild storm less than twenty-four hours after a 'family emergency' takes her home to Cornwall, she needs all her skill to battle her way to safety. Has Jen fallen back into her old risky ways, or is there a more sinister explanation hidden in her hometown? Only when she has navigated her fragmented memories and faced her troubled past will she be able to piece together what happened - and trust herself to fix it. PRAISE FOR ON THE EDGE 'Gritty, gripping, knotty, intense - this is going to be HUGE' - Fiona Erskine, author of *The Chemical Detective* and *The Chemical Reaction* 'Evocative, compelling and pulse-pounding, with cliff-edge suspense, riveting action and a plot as tricky as a dare-devil free-climb' - Philippa East, author of *CWA Dagger*-shortlisted *Little White Lies* 'Thoroughly original - hooks you in from the start and keeps you guessing' - Frances Quinn, bestselling

author of *The Smallest Man* 'In Jane Jesmond, the thriller world has gained a compelling and seriously talented voice. On the Edge is a truly surprising, original, and twisted story that will not only take your breath away but which also does exactly what it announces loud and proud: keep you on the edge of your seat. I couldn't — and didn't want to — put it down' - Hannah Mary McKinnon, internationally bestselling author of *Sister Dear* and *You Will Remember Me* 'It literally had me on the edge from the word go. Tense, taut and thrilling' - Lisa Hall, bestselling author of *Between You and Me* and *The Party* 'A proper nerve-shredder of a tale. Literary Cornwall has rarely been so magnificently menacing. Hold on tight. You won't be able to let go until the very last page!' - Helen Fields, internationally bestselling author of the DI Callanach series 'Complex characters and a setting so vivid I could almost smell the sea air - an astonishing debut' - Marion Todd, author of the DI Clare Mackay series 'A beautifully atmospheric story that grips you from the start! Jesmond cleverly weaves a tale of intrigue and suspense - a talented new crime fiction writer. One to watch!' - Louise Mumford, bestselling author of *Sleepless* 'On The Edge is an exceptional debut. Skilfully written, tightly plotted and compulsive reading. Highly recommended' - Maddie Please, author of *The Summer of Second Chances* and *The Year of New Adventures* Perfect for fans of Jane Harper and Sharon Bolton

Living on the Edge - Richard A. Settersten Jr. 2021-02-17

History carves its imprint on human lives for generations after. When we think of the radical changes that transformed America during the twentieth century, our minds most often snap to the fifties and sixties: the Civil Rights Movement, changing gender roles, and new economic opportunities all point to a decisive turning point. But these were not the only changes that shaped our world, and in *Living on the Edge*, we learn that rapid social change and uncertainty also defined the lives of Americans born at the turn of the twentieth century. The changes they cultivated and witnessed affect our world as we understand it today. Drawing from the iconic longitudinal Berkeley Guidance Study, *Living on the Edge* reveals the hopes, struggles,

and daily lives of the 1900 generation. Most surprising is how relevant and relatable the lives and experiences of this generation are today, despite the gap of a century. From the reorganization of marriage and family roles and relationships to strategies for adapting to a dramatically changing economy, the challenges faced by this earlier generation echo our own time. *Living on the Edge* offers an intimate glimpse into not just the history of our country, but the feelings, dreams, and fears of a generation remarkably kindred to the present day.

Ana on the Edge - A. J. Sass 2020-10-20

Perfect for fans of George and Ivy Aberdeen's *Letter to the World*: a heartfelt coming of age story about a nonbinary character navigating a binary world. Twelve-year-old Ana-Marie Jin, the reigning US Juvenile figure skating champion, is not a frilly dress kind of kid. So, when Ana learns that next season's program will be princess themed, doubt forms fast. Still, Ana tries to focus on training and putting together a stellar routine worthy of national success. Once Ana meets Hayden, a transgender boy new to the rink, thoughts about the princess program and gender identity begin to take center stage. And when Hayden mistakes Ana for a boy, Ana doesn't correct him and finds comfort in this boyish identity when he's around. As their friendship develops, Ana realizes that it's tricky juggling two different identities on one slippery sheet of ice. And with a major competition approaching, Ana must decide whether telling everyone the truth is worth risking years of hard work and sacrifice.

Life on the Edge - Jennifer Comeaux 2016-09-26
Nineteen-year-old Emily is new to pairs skating, but she and her partner Chris have a big dream—to be the first American team to win Olympic gold. Their young coach Sergei, who left Russia after a mysterious end to his skating career, believes they can break through and make history. Emily and Chris are on track to be top contenders at the Winter Games. But when forbidden feelings spark between Emily and Sergei, broken trust and an unexpected enemy threaten to derail Emily's dreams of gold.

Postcards From the Edge - Carrie Fisher 2011-11-10

** THE NEW YORK TIMES-BESTSELLING CULT

CLASSIC NOVEL ** ** In a new edition introduced by Stephen Fry ** 'I don't think you can even call this a drug. This is just a response to the conditions we live in.' Suzanne Vale, formerly acclaimed actress, is in rehab, feeling like 'something on the bottom of someone's shoe, and not even someone interesting'. Immersed in the sometimes harrowing, often hilarious goings-on of the drug hospital and wondering how she'll cope - and find work - back on the outside, she meets new patient Alex. Ambitious, good-looking in a Heathcliffish way and in the grip of a monumental addiction, he makes Suzanne realize that, however eccentric her life might seem, there's always someone who's even closer to the edge of reason. Carrie Fisher's bestselling debut novel is an uproarious commentary on Hollywood - the home of success, sex and insecurity - and has become a beloved cult classic. 'This novel, with its energy, bounce and generous delivery of a loud laugh on almost every page, stands as a declaration of war on two fronts: on normal and on unhappy'

STEPHEN FRY 'A single woman's answer to Nora Ephron's *Heartburn* . . . the smart successor to Joan Didion's *Play It as It Lays*' Los Angeles Times 'A cult classic . . . A wonderfully funny, brash and biting novel' Washington Post 'A wickedly shrewd black-humor riff on the horrors of rehab and the hollows of Hollywood life' People 'Searingly funny' Vogue

On the Edge - F. Parker Hudson 1999-01-15

Richard Sullivan has a problem. His average American family is on the edge of ruin and they don't even realize it. The Sullivans are struggling through everyday life with a dark power over them so strong that they cannot find their way--a power that is filling their minds with voices of greed, hate, pride and temptation. And now the very fabric of their lives is unraveling before their eyes. If only they would listen a little harder to the other voice trying to get through to them--the voice of hope, forgiveness and love--before it's too late.

The Grange Complex Collection Books 1-3 - Joanna Mazurkiewicz 2021-04-11

Welcome to the Grange Complex where your deepest desires always come true! Three Unlimited Alphas—Three gorgeous Scottish men that will leave you breathless—each one sexier than the other. A womaniser Dexter has his eye

on a new tenant Sasha and with the talent, of melting women's panties off at a glance, he thinks he can have her too. Well, he couldn't be more wrong. Sasha would rather eat dirt than sleep with him. Edinburgh socialite Ellie attends a mixer party, hoping that a one-night stand with a stranger might help her forget the past. And then a chance encounter with her new neighbours reveals that the man that she spent the night with lives two doors away from her... with another woman. When a hardworking pole dancer Gina Martinez is introduced to Harry Erskine sparks starts flying. The man is pure sex-on-a-stick; a professional boxer, a hot blooded Scott and ex-military. Harry also carries a few secrets of his own

The Edge - Jamie Collinson 2020-01-23

WHEN LIFE ON THE BRINK IS ALL YOU KNOW... Substance-fuelled partying, endless women and a slew of smash records are music hotshot Adam Fairhead's lifeblood. But when an avoidable accident occurs under his drug-addled watch, he is forced to re-evaluate the life he has created. Increasingly disillusioned with what once seemed so pulsatingly cool, Adam begins to question everything.

On the Edge - Alison Levine 2014-01-07

FOREWORD BY LEGENDARY DUKE BASKETBALL COACH MIKE KRZYZEWSKI

On the Edge is an engaging leadership manual that provides concrete insights garnered from various extreme environments ranging from Mt Everest to the South Pole. By reflecting on the lessons learned from her various expeditions, author Alison Levine makes the case that the leadership principles that apply in extreme adventure sport also apply in today's extreme business environments. Both settings require you to be able to make crucial decisions on the spot when the conditions around you are far from perfect. Your survival -and the survival of your team- depend on it. Featuring a Foreword from legendary Duke University basketball coach Mike Krzyzewski who knows all about leadership, On the Edge provides a framework to help people scale whatever big peaks they aspire to climb-be they literal or figurative-by offering practical, humorous, and often unorthodox advice about how to grow as a leader.

Woman on the Edge of Time - Marge Piercy 1997-06-23

Hailed as a classic of speculative fiction, Marge Piercy's landmark novel is a transformative vision of two futures—and what it takes to will one or the other into reality. Harrowing and prescient, *Woman on the Edge of Time* speaks to a new generation on whom these choices weigh more heavily than ever before. Connie Ramos is a Mexican American woman living on the streets of New York. Once ambitious and proud, she has lost her child, her husband, her dignity—and now they want to take her sanity. After being unjustly committed to a mental institution, Connie is contacted by an envoy from the year 2137, who shows her a time of sexual and racial equality, environmental purity, and unprecedented self-actualization. But Connie also bears witness to another potential outcome: a society of grotesque exploitation in which the barrier between person and commodity has finally been eroded. One will become our world. And Connie herself may strike the decisive blow.

Praise for *Woman on the Edge of Time* “This is one of those rare novels that leave us different people at the end than we were at the beginning. Whether you are reading Marge Piercy's great work again or for the first time, it will remind you that we are creating the future with every choice we make.”—Gloria Steinem “An ambitious, unusual novel about the possibilities for moral courage in contemporary society.”—The Philadelphia Inquirer “A stunning, even astonishing novel . . . marvelous and compelling.”—Publishers Weekly “Connie Ramos's world is cuttngly real.”—Newsweek “Absorbing and exciting.”—The New York Times Book Review

Society on the Edge - Philippe Fontaine
2020-12-10

The social sciences underwent rapid development in postwar America. Problems once framed in social terms gradually became redefined as individual with regards to scope and remedy, with economics and psychology winning influence over the other social sciences. By the 1970s, both economics and psychology had spread their intellectual remit wide: psychology's concepts suffused everyday language, while economists entered a myriad of policy debates. Psychology and economics contributed to, and benefited from, a conception of society that was increasingly skeptical of

social explanations and interventions. Sociology, in particular, lost intellectual and policy ground to its peers, even regarding 'social problems' that the discipline long considered its settled domain. The book's ten chapters explore this shift, each refracted through a single 'problem': the family, crime, urban concerns, education, discrimination, poverty, addiction, war, and mental health, examining the effects an increasingly individualized lens has had on the way we see these problems.

Woman on the Edge of Time - Marge Piercy 1983
Connie Ramos, a woman in her mid-thirties, has been declared insane. But Connie is overwhelmingly sane, merely tuned to the future, and able to communicate with the year 2137. As her doctors persuade her to agree to an operation, Connie struggles to force herself to listen to the future and its lessons for today....
"From the Paperback edition."

Living on the Edge - Mohammad Zaman
2021-07-27

In Bangladesh, the chars within the river channels are an important part of its landscape. However, these land masses continue to remain isolated, deprived of services, and pockets of poverty in the country. The char dwellers are vulnerable to natural hazards like flood and erosion. In addition to these hazards, the coastal chars are faced with the imminent problem of widespread inundation due to sea level rise resulting from climate change. Within this context, the book *Living on the Edge: Char Dwellers in Bangladesh* has brought together valuable scholarship on the diverse issues relating to the chars and the communities living in there. This comprehensive collection, with contribution of experts on the subject from across the globe, provides an understanding of the problems faced by the char dwellers and also comes up with policy prescriptions for ensuring overall welfare of char communities in the country.

World on the Edge - Lester Russell Brown

Playing to the Edge - Michael V. Hayden
2017-02-21

From the bestselling author of *The Assault on Intelligence*, an unprecedented high-level master

narrative of America's intelligence wars, demonstrating in a time of new threats that espionage and the search for facts are essential to our democracy. For General Michael Hayden, playing to the edge means playing so close to the line that you get chalk dust on your cleats. Otherwise, by playing back, you may protect yourself, but you will be less successful in protecting America. "Play to the edge" was Hayden's guiding principle when he ran the National Security Agency, and it remained so when he ran CIA. In his view, many shortsighted and uninformed people are quick to criticize, and this book will give them much to chew on but little easy comfort; it is an unapologetic insider's look told from the perspective of the people who faced awesome responsibilities head on, in the moment. How did American intelligence respond to terrorism, a major war and the most sweeping technological revolution in the last 500 years? What was NSA before 9/11 and how did it change in its aftermath? Why did NSA begin the controversial terrorist surveillance program that included the acquisition of domestic phone records? What else was set in motion during this period that formed the backdrop for the infamous Snowden revelations in 2013? As Director of CIA in the last three years of the Bush administration, Hayden had to deal with the rendition, detention and interrogation program as bequeathed to him by his predecessors. He also had to ramp up the agency to support its role in the targeted killing program that began to dramatically increase in July 2008. This was a time of great crisis at CIA, and some agency veterans have credited Hayden with actually saving the agency. He himself won't go that far, but he freely acknowledges that CIA helped turn the American security establishment into the most effective killing machine in the history of armed conflict. For 10 years, then, General Michael Hayden was a participant in some of the most telling events in the annals of American national security. General Hayden's goals in writing this book are simple and unwavering: No apologies. No excuses. Just what happened. And why. As he writes, "There is a story here that deserves to be told, without varnish and without spin. My view is my view, and others will certainly have

different perspectives, but this view deserves to be told to create as complete a history as possible of these turbulent times. I bear no grudges, or at least not many, but I do want this to be a straightforward and readable history for that slice of the American population who depend on and appreciate intelligence, but who do not have the time to master its many obscure characteristics."

City on the Edge - Michael Streissguth
2020-09-01

Explores why people stay in vulnerable cities by looking at Syracuse, New York, through the contemporary experiences of five citizens. Why do people stay in a struggling city? City on the Edge explores this question through the lives of five people in Syracuse, New York, a quintessential rust-belt metropolis. Once a booming industrial center with a dynamic civic life and prominence on the world stage, Syracuse has endured decades of crime, drugs, economic depression, absent-minded political leadership, and population decline. Michael Streissguth spent more than three years interviewing a young survivor of the streets, a refugee from Cuba, an urban farmer, a community activist, and a city elder, who shared their stories as they found ways to make life work against sometimes formidable odds. He also contextualizes their extended commentary and storytelling with secondary characters and various episodes, such as a tragic Father's Day riot and the trial that followed. The result is an eye-opening look at life in America in the twenty-first century, where people strive to turn their ideas, frustrations, and disadvantages into new hope for themselves and the city where they live. A journalist, filmmaker, and longtime resident of Syracuse, Michael Streissguth is a professor at Le Moyne College. His work has been published in the *Washington Post Magazine*, *Salon*, *Rolling Stone*, the *Irish Times*, and many other publications. He has written eight books, including *Johnny Cash: The Biography*.

Managing on the Edge - Richard T. Pascale
1991

Asserts that success can slowly dull a company's competitive edge, explains how to maintain creative tension, and looks at successful companies
