It was once something more than that. Beyond the

scams and the scandals, beyond the gambling debts, even beyond the lace ruffles and the powdered wigs, Giacomo Casanova was once something more, someone more. Someone formed by the social customs of the day; molded by the unique experiences of a little boy in Venice; sparked into life by the intelligence, philosophy, adventure, and passion that was Giacomo Casanova. my matrimonial rebellion comes with an unpleasant surprise. My husband is no penniless globetrotter—Xander King is the son of a billionaire oil tycoon, and my parents couldn't approve of the match more. Now the only thing that could shock them would be a quickie divorce...except my new husband has a proposition for me. *** I take one look at Savvy and know I could spend the rest of my life with her. The feeling is mutual...until she figures out who I am. I didn't mean to hide my identity, and I thought a desire to get out from under the weight of familial baggage was something we had in common. But with Savvy just moments from proposing divorce, I offer her the one thing I'd been ready to walk away from: A trust fund worth millions. All Savvy has to do is stay married to me for a year and then she'll get half—except I have no intention of letting her go after 365 days.
