Adobe Photoshop CC Classroom in a Book (2015 Release) - Andrew Faulkner 2015-08-26
Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Photoshop choose Adobe Photoshop CC Classroom in a Book (2015 release) from Adobe Press. The 14 project-based lessons in this book show users step-by-step the key techniques for working in Photoshop and how to manipulate images, edit motion-based content, and create image composites. In addition to learning the key elements of the Photoshop interface, this completely revised CC (2015 release) edition covers automatically repairing empty areas of a merged panorama using Content-Aware Fill, making the noise level of a Blur Gallery effect consistent with an image, and adding specialized type characters more easily in the new Glyphs Panel. Learn to easily reuse design assets and share them with your team using Creative Cloud libraries with Linked Smart Objects, and instantly modify duplicated content using the enhanced Content Aware Move tool. Design screens more efficiently for the range of display sizes across desktop and mobile devices using multiple Artboards, test them on actual hardware using Device Preview, and generate output using the iteration-friendly Export Assets workflow. The online companion files include all the necessary assets for readers to complete the projects featured in each chapter as well as ebook updates when Adobe releases new features for Creative Cloud customers. And new to this release, all buyers of the book get full access to the Web Edition: a Web-based version of the complete ebook enhanced with video and interactive multiple-choice quizzes. As always with the Classroom in a Book, Instructor Notes

are available for teachers to download.

[Adobe Lightroom and Photoshop CC for Photographers Classroom in a Book \(2015 Release\)](#) - Jan Kabilo 2015-12-20

This official Adobe tutorial shows photographers and photography students how to use Adobe Lightroom and Photoshop CC together to get results and efficiencies they could never achieve with either product alone. Adobe Lightroom and Photoshop CC for Photographers Classroom in a

Book® begins by presenting a quick, hands-on overview of Lightroom's powerful cataloging functions, perfect for readers who've used a different photo organization tool (or none at all!). Next, Jan Kabilo introduces a simple, well-proven Lightroom-Photoshop workflow. Building on these fundamentals, she guides readers through a series of practical projects that start in Lightroom and move to Photoshop to use its powerful, exclusive tools. You'll walk through fixing common photo problems such as blur caused by camera shake; bringing out important details; adding creative effects with adjustment layers; layering images to create composites; adding text or 3D objects; performing precise photo retouching, and much more. Classroom in a Book, the best-selling series of hands-on software training workbooks, helps students learn the features of Adobe software quickly and easily. It offers what no other book or training program does: official training from Adobe Systems Incorporated, developed with the support of Adobe product experts. Online companion files include all the assets readers need to complete each chapter's projects, as well as eBook updates when Adobe releases new features for Creative Cloud customers. New to this release, all buyers of the book get full access to the Web Edition: a Web-based version of the complete eBook enhanced with video and interactive multiple-choice quizzes. As with all Classroom in a Book products, Instructor Notes are available for teachers to download.
