If We Were Giants - Dave Matthews 2020-03-03

By world-renowned musician, environmentalist, and humanitarian Dave Matthews, an exciting and poignant fantasy set in wondrous natural environments about a girl who must summon the courage to face her own mistakes before

she can help save her peaceful community from a gigantic threat. Kirra, a curious, agile, and outgoing girl, lives in an idyllic community hidden inside a dormant volcano. She and her father are the only two people allowed to venture beyond its walls. Kirra is in training to become a Storyteller like him, and together they travel from village to village spreading fearsome tales designed to keep outsiders away from their secret nest. One day, after hearing rumors of strangers called the "Takers," Kirra

leaves the volcano by herself, hoping to discover her own story. But she unknowingly leads the Takers back to her doorstep, and they rob her of everything she has ever held dear. A devastated Kirra is found by a boy named Luwan and adopted into his family, which lives among others high in the trees of a dense forest. Now quiet and withdrawn, Kirra hides her dark past from everyone and never wants to leave the safety of her tree dwelling. Luwan, on the other hand, loves to explore. One day it leads to trouble: He is captured while spying on a group of strangers. The Takers have returned. To save the Tree Folk, Kirra must face her inner demons and summon all her storytelling to weave the most important tale of her life. This compelling novel about overcoming loss, embracing community, and living in harmony with nature is highlighted with a full-color insert of concept artwork, making it perfect for family sharing.

Zero - J. M. Ken Nimura 2011

ZERO is a selection of gorgeous illustrations by I Kill Giants artist JM Ken Niimura. This beautiful volume collects several of Niimura's dynamic and vibrant illustrations, which were published in magazines, books, and advertisements during the 2007-2009 period. House of Secrets - Chris Columbus 2013-04-23 Hailed as "a breakneck, jam-packed roller coaster of an adventure" by J. K. Rowling, this New York Times bestseller is the first installment in the explosive tween fantasy series by famed Hollywood director Chris Columbus (of Harry Potter fame) and bestselling author Ned Vizzini (It's Kind of a Funny Story). Siblings Brendan, Eleanor, and Cordelia Walker once had everything they could ever want. But everything changed when Dr. Walker lost his job. Now the family must relocate to an old Victorian house, formerly the home of occult novelist Denver Kristoff—a house that simultaneously feels creepy and too good to be true. By the time the Walkers realize that

one of their neighbors has sinister plans for them, they're banished to a primeval forest way off the grid. Bloodthirsty medieval warriors patrol the woods around them, supernatural pirates roam the neighboring seas, and a power-hungry queen rules the land. To survive, the siblings will have to be braver than they ever thought possible—and to fight against their darkest impulses. The key may lie in their own connection to the secret Kristoff legacy. But as they unravel that legacy, they'll discover that it's not just their family that's in danger . . . it's the entire world.

Killing Giants - Pittacus Lore 2019-05-28

The X-Files meets X-Men in this digital original companion series that's set in the world of Pittacus Lore's #1 New York Times bestselling I Am Number Four series and its spin-off series, the Lorien Legacies Reborn. In this sixth and final

125-page novella, the captivating story of fan favorite characters Six and Sam reaches a dramatic conclusion! The Mogadorians have captured Six and Sam and brought them to Las Vegas, Nevada, as part of their mysterious master plan to get their revenge on the Garde. It's the opening night of a spectacular new show, and dozens of special guests, the media, and tons of spectators have flocked to Sin City—which can only mean one thing: the Mogs are planning something truly devastating. Luckily for Six and Sam, they've yet to find a prison that can hold them. When they do manage to escape, and finally regain control of their Legacies, they will have to race against the clock to try to stop their old adversaries once and for all. And if they can't succeed, they—and countless others—will suffer the consequences. The Legacy Chronicles novellas are published as individual digital originals. The fourth, fifth, and sixth novellas will also be

Where the Forest Meets the Stars - Glendy Vanderah 2019-03

In this gorgeously stunning debut, a mysterious child teaches two strangers how to love and trust again. After the loss of her mother and her own battle with breast cancer, Joanna Teale returns to her graduate research on nesting birds in rural Illinois, determined to prove that her recent hardships have not broken her. She throws herself into her work from dusk to dawn, until her solitary routine is disrupted by the appearance of a mysterious child who shows up at her cabin barefoot and covered in bruises. The girl calls herself Ursa, and she claims to have been sent from the stars to witness five miracles. With concerns about the child's home situation, Jo reluctantly agrees to let her stay--just until she learns more

about Ursa's past. Jo enlists the help of her reclusive neighbor, Gabriel Nash, to solve the mystery of the charming child. But the more time they spend together, the more questions they have. How does a young girl not only read but understand Shakespeare? Why do good things keep happening in her presence? And why aren't Jo and Gabe checking the missing children's website anymore? Though the three have formed an incredible bond, they know difficult choices must be made. As the summer nears an end and Ursa gets closer to her fifth miracle, her dangerous past closes in. When it finally catches up to them, all of their painful secrets will be forced into the open, and their fates will be left to the stars.

just too big to contain, even for us... When I moved to New York to become a world famous journalist, I never imagined that snagging a job at a seedy tabloid would change my career path from trashy reporter to undercover agent. I'm Makenna Fraser, a Seer for SPI. I can see through any disguise, shield, or spell that a paranormal pest can come up with. I track down creatures and my partner, Ian Byrne, takes them out. Our cases are generally pretty routine, but a sickle-wielding serial killer has been prowling the city's subway tunnels. And the murderer's not human. The fiend in question, a descendant of Grendel—yes, that Grendel—shares his ancestor's hatred of parties, revelry, and drunkards. And with New Year's Eve in Times Square only two days away, we need to bag him quickly. Because if we don't find him—and the organization behind him—by midnight, our secret's out and everyone's time is up. **FIRST IN A NEW SERIES**

Sleeping Giants - Sylvain Neuvel 2016-04-26

A page-turning debut in the tradition of Michael Crichton, *World War Z*, and *The Martian*, *Sleeping Giants* is a thriller fueled by an earthshaking mystery—and a fight to control a gargantuan power. A girl named Rose is riding her new bike near her home in Deadwood, South Dakota, when she falls through the earth. She wakes up at the bottom of a square hole, its walls glowing with intricate carvings. But the firemen who come to save her peer down upon something even stranger: a little girl in the palm of a giant metal hand. Seventeen years later, the mystery of the

bizarre artifact remains unsolved—its origins, architects, and purpose unknown. Its carbon dating defies belief; military reports are redacted; theories are floated, then rejected. But some can never stop searching for answers. Rose Franklin is now a highly trained physicist leading a top secret team to crack the hand's code. And along with her colleagues, she is being interviewed by a nameless interrogator whose power and purview are as enigmatic as the provenance of the relic. What's clear is that Rose and her compatriots are on the edge of unraveling history's most perplexing discovery—and figuring out what it portends for humanity. But once the pieces of the puzzle are in place, will the result prove to be an instrument of lasting peace or a weapon of mass destruction? Praise for *Sleeping Giants* "As high-concept as it is, *Sleeping Giants* is a thriller through and through. . . . One of the most promising series kickoffs in recent memory, [and] a smart

demonstration of how science fiction can honor its traditions and reverse-engineer them at the same time."—NPR "Neuvel weaves a complex tapestry with ancient machinery buried in the Earth, shadow governments, and geopolitical conflicts. But the most surprising thing about the book may just be how compelling the central characters are in the midst of these larger-than-life concepts. . . . I can't stop thinking about it."—Chicago Review of Books "A remarkable debut . . . Reminiscent of Max Brooks's *World War Z*, the story's format effectively builds suspense."—Library Journal (debut of the month) "This stellar debut novel . . . masterfully blends together elements of sci-fi, political thriller and apocalyptic fiction. . . . A page-turner of the highest order."—Kirkus Reviews (starred review) Don't miss any of *The Themis Files* by Sylvain Neuvel: *SLEEPING GIANTS* | *WAKING GODS* | *ONLY HUMAN*

In the most savage wilderness on the planet, the Chinese crime cartels ruthlessly slaughtered the Elephants for their Ivory. And nobody dared to cross them. Until now. Could one man help to put an end to this horrific trade? He was an old friend. His death was suspicious. At the least, ex special forces soldier Jason Green had to return to Africa to pay his respects. He never intended to get caught up in the murky and barbaric world of the illegal Ivory trade. What had his ex military buddy been doing that got him killed? Could Jason unravel the mystery of his death? In the blazing heat of The Zambezi Valley, someone is watching. The corrupt and powerful will stop at nothing to protect their business. The deeper Jason digs, the more dangerous it gets. The risks are very real, the poaching syndicates must be stopped, but who will be the next to die? The action is brutal and relentless in this shocking international crime epic. Everyone wants justice and retribution. But sometimes true

justice comes at a hell of a price. Get it!
A Monster Calls - Patrick Ness
2013-08-27
NOW A #1 NEW YORK TIMES BESTSELLER! An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. At seven minutes past midnight, thirteen-year-old Conor wakes to find a monster outside his bedroom window. But it isn't the monster Conor's been expecting-- he's been expecting the one from his nightmare, the nightmare he's had nearly every night since his mother started her treatments. The monster in his backyard is different. It's ancient. And wild. And it wants something from Conor. Something terrible and dangerous. It wants the truth. From the final idea of award-winning author Siobhan Dowd-- whose premature death from cancer prevented her from writing it herself-- Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and

Killing Giants - Stephen Denny 2011-03-31

Killing Giants unveils practical strategies for overtaking larger competitors in any market, looking at companies like that started out small but quickly dominated by using their opponents' size to their advantage. Baidu has beaten Google at search in China, and the Boston Beer Company took on Budweiser with Sam Adams

Boston Lager. Stephen Denny shows how even behemoths like Nike and Coca Cola are susceptible to small, even tiny, competitors, because of their size. Using a range of fresh case studies he explains how, by taking a fresh approach, you can carve out a larger chunk of any marketplace.

David and Goliath - Malcolm Gladwell 2013-10-01

Explore the power of the underdog in Malcolm Gladwell's dazzling examination of success, motivation, and the role of adversity in shaping our lives, from the bestselling author of The Bomber Mafia. Three thousand years ago on a battlefield in ancient Palestine, a shepherd boy felled a mighty warrior with nothing more than a stone and a sling, and ever since then the names of David and Goliath have stood for battles between underdogs and giants. David's victory was improbable and miraculous. He shouldn't have won. Or should he have? In David and Goliath, Malcolm Gladwell challenges how we think about obstacles

and disadvantages, offering a new interpretation of what it means to be discriminated against, or cope with a disability, or lose a parent, or attend a mediocre school, or suffer from any number of other apparent setbacks. Gladwell begins with the real story of what happened between the giant and the shepherd boy those many years ago. From there, David and Goliath examines Northern Ireland's Troubles, the minds of cancer researchers and civil rights leaders, murder and the high costs of revenge, and the dynamics of successful and unsuccessful classrooms—all to demonstrate how much of what is beautiful and important in the world arises from what looks like suffering and adversity. In the tradition of Gladwell's previous bestsellers—The Tipping Point, Blink, Outliers and What the Dog Saw—David and Goliath draws upon history, psychology, and powerful storytelling to reshape the way we think of the world around us.

Destined for More - Brandy Bell 2020-09-09

This is a book that will make you laugh so hard you pee your pants, and cry so hard, you know there is nothing big enough to keep you from fearlessly chasing your dreams. - A.G.G. Here's the deal... I prefer to be the fun friend. And writing about hard stuff is not so fun. So basically, this is the book I didn't want to write. But before I can encourage you to be brave, to push through failure, set goals, choose joy, and courageously chase your dreams, I feel like you deserve to know my "why". So, I am going to share with you my dirty laundry. My ginormous

messes. My gnarled roots. My mountains. My giants. My failures AND my wins. Because I want you to know that you are also capable of kicking fear in the teeth and accomplishing whatever it is you set your heart on. Including becoming the best version of yourself. So, if you feel broken, weary, or wounded. If you have been told no, or that you are not good enough. If you have been doubted or disregarded. This book is for you. And I am not the hero of this tale... you are. Thank you for inspiring me to be brave. Because every single one of us, is destined for more.

God Country Vol. 1 - Donny

Cates 2017-08-02

SOUTHERN BASTARDS meets American Gods in a high-stakes fantasy series that masterfully blends high-octane action and jaw-dropping worldbuilding. In GOD COUNTRY, readers meet Emmett Quinlan, an old widower rattled by dementia. Emmett isn't just a problem for his children—his violent outbursts are more than the local cops can handle. When a tornado levels his home—as

well as the surrounding West Texas town—a restored Quinlan rises from the wreckage. An enchanted sword at the eye of the storm gives him more than a sound mind and body, however. He's now the only man who can face these otherworldly creatures the sword has drawn down to the Lone Star State— In GOD COUNTRY, salvation is a double-edged sword. ñSo much fun to watch creators find that next level. "OUTSTANDING ARTIST!"
"Nate Powell's Swallow Me Whole, a disturbed, haunting book, is impossible to describe... It's not an easy book, but its dark brilliance marks its creator as a writer-artist of genius."--Neel Mukherjee, The Times (UK)
"Scaldingly dark ... Powell's flowing, impressionistic artwork, with its ravenous expanses of negative space, swirls the reader's perspective through his characters' perceptions and back out again."--Douglas Wolk, The New York Times
"Honest and lovingly portrayed. Every word in this graphic novel is carefully chosen, dialogue is realistic, and background "noise"masterfully done. Powell's detailed pen-and-ink drawings are well executed with lettering and images so brilliantly intertwined that they are one and the same."--Lara McAllister, School Library Journal
"Darkly sublime."--

Booklist "His layouts, his touch with shadow and darkness, the way he brings you close enough to Ruth that you can watch her sleep without disturbing her dreams, all that stuff is amazing. ... Nate Powell can do it all. In his hands, even the high-school parking lots and the booths at the local diner are equal parts hope and foreboding."-- Steve Duin, The Oregonian "[Swallow Me Whole] achieves some stunning effects with the art and the lettering ... Powell has a look halfway between Charles Burns and Craig Thompson, and at times, Swallow Me Whole enters that rarified sphere of art comics where the page design alone achieves the mood and meaning that that the artist is shooting for... Swallow Me Whole captures the desperation of the clinically obsessed, and how from the right angle, it can look like genius."--The AV Club
"Both provocative and thoughtful ... not since Robert Altman's Images has a medium so perfectly conveyed the experience of schizophrenia ...

It's the best graphic novel since Craig Thompson's *Blankets*."--Chris DeVito, CD Syndicated *Swallow Me Whole* is a love story carried by rolling fog, terminal illness, hallucination, apophenia, insect armies, secrets held, unshakeable faith, and the search for a master pattern to make sense of one's unraveling. In his most ambitious book to date, Nate Powell quietly explores the dark corners of adolescence -- not the clichéd melodramatic outbursts of rebellion, but the countless tiny moments of madness, the vague relief of medication, and mixed blessing of family ties. As the story unfolds, two stepsiblings hold together amidst schizophrenia, obsessive compulsive disorder, family breakdown, animal telepathy, misguided love, and the tiniest hope that everything will someday make sense. Deliberately paced, delicately drawn, and drenched in shadows, *Swallow Me Whole* is a landmark achievement for Nate Powell and a suburban ghost story that will haunt

readers long after its final pages.

Young Adult Gothic Fiction -

Michelle J. Smith 2021-06-15

This collection is the first to focus exclusively on twenty-first-century young adult Gothic fiction. The essays demonstrate how the contemporary resurgence of the Gothic signals anxieties about (and hopes for) young people in the twenty-first century. Changing conceptions of young adults as liminal figures, operating between the modes of child and adult, can be mobilised when combined with Gothic spaces and concepts in texts for young people. In young adult Gothic literature, the crossing of boundaries typical of the Gothic is often motivated by a heterosexual romance plot, in which the human or monstrous

female protagonist desires a boy who is not her 'type'. Additionally, as the Gothic works to define what it means to be human - particularly in relation to gender, race, and identity - the volume also examines how contemporary shifts and flashpoints in identity politics are being negotiated under the metaphoric cloak of monstrosity.

But Batgirl hasn't been seen in Gotham for years, and when Cass's father threatens the world she has grown to love, she'll have to step out of the shadows and overcome her greatest obstacle-that voice inside her head telling her she can never be a hero. Sarah Kuhn, author of *Heroine Complex* and *I Love You So Mochi*, takes on one of her favorite heroes for a new audience of readers. Featuring the edgy art style of Nicole Goux, *Shadow of the Batgirl* tells the harrowing story of a girl who overcomes the odds to find her unique identity.

Night Fisher - R. Kikuo Johnson
2005-11-09

R. Kikuo Johnson has created an intimate and compelling

graphic novel-length drama of young men on the cusp of adulthood. First-rate prep school, S.U.V., and a dream house in the heights: This was the island paradise handed to Loren Foster when he moved to Hawaii with his father six years ago. Now, with the end of high school just around the corner, his best friend, Shane, has grown distant. The rumors say it's hard drugs, and Loren suspects that Shane has left him behind for a new group of friends. What sets Johnson's drama apart is the naturalistic ease with which he explores the relationships of his characters. It is at once an unsentimental portrait of that most awkward period between adolescence and young adulthood and that rarest of things: a mature depiction of immature lives.
