Stone Cold Heart - Laura Griffin 2019-03-26
New York Times bestselling author Laura Griffin "delivers another top-notch thriller" (RT Book Reviews) in her beloved Tracers series, about a leading

forensic anthropologist who uncovers eerie clues in a high-stakes case that threatens to deliver her to the doorstep of a cold-blooded murderer. When local rock climbers stumble upon abandoned human bones

in a remote Texas gorge, Sara Lockhart is the first to get the call. She has a reputation as one of the nation's top forensic anthropologists, and police detective Nolan Hess knows she is just the expert he needs to help unravel this case. Although evidence is scarce, Nolan suspects the bones belong to a teenage climber who vanished last summer. But as Sara unearths strange clues, she finds chilling similarities to a case from her past—a case that now threatens to rock Nolan's community. While Sara digs deep for answers, the stakes rise higher as another young woman disappears without a trace. Investigators work against the clock as Sara races to discover the truth, even if her harrowing search brings her face to face with a stone-cold killer. With her signature breathless pacing and suspenseful twists and turns, *Stone Cold Heart* demonstrates why "Laura Griffin never fails to put me on the edge of my seat" (USA TODAY).

Not long after donning the uniform of the McCreary County Sheriff's department in Bone Gap, Tennessee, ex-Marine Brynn Callahan faces her first official homicide. On a cold February morning, a lone cross-country skier stumbles across the mutilated body of a young woman. Sent to investigate, Brynn is shocked when she recognizes the victim as a fellow Traveller, Maura Keene.

Maura held a solid standing both within the Travellers' insular community and among the settled townspeople—a fact that makes her murder all the more disturbing to Brynn, who also straddles the two worlds. After her trained K-9, Wilco, digs up human bones, and then a scrap of paper scrawled with arcane Latin phrases is uncovered, Brynn finds evidence leading her to question those closest to her—and closing the case becomes a deeply personal matter. While trying to suppress local superstitions and prejudices, Brynn discovers that Maura was keeping a dangerous secret. And as the bones Wilco found are analyzed by forensics, Brynn harbors the troubling suspicion that she knows who they belong to. Bone Deep - Charles Henry
Bosworth 2022-02-22

The explosive, first-ever

insider's account of a case that continues to fascinate the public—the shocking wrongful conviction of Russell Faria for his wife's murder—a gripping read told by New York Times bestselling true crime expert Charles Bosworth Jr. and Joel J. Schwartz, the defense attorney who battled for justice, and ultimately prevailed. On December 27th, 2011, Russell Faria returned to his Troy, Missouri, home after his weekly game night with friends to an unthinkable, grisly scene: His wife, Betsy, lay dead, a knife still lodged in her neck. She'd been stabbed fifty-five times. First responders concluded that Betsy was dead for hours when Russ discovered her. No blood was found implicating Russ, and surveillance video, receipts, and friends' testimony all supported his alibi. Yet incredibly, police and the prosecuting attorney ignored the evidence. In their minds, Russ was guilty. But prominent defense attorney Joel J. Schwartz quickly recognized the real killer. The motive was

clear. Days before her murder, the terminally ill Betsy replaced her husband with her friend, Pamela Hupp, as her life insurance beneficiary. Still, despite the prosecution's flimsy case and Hupp's transparent lies, Russ was convicted—leaving Hupp free to kill again. Bone Deep takes readers through the perfect storm of miscalculations and missteps that led to an innocent man's conviction—and recounts Schwartz's successful battle to have that conviction overturned. Written with Russ Faria's cooperation, and filled with chilling new revelations and previously undisclosed evidence, this is the story of what can happen when police, prosecutor, judge, and jury all fail in their duty to protect the innocent—and let a killer get away with murder.

Amazon Reviewer, ★★★★★ 'Angela Marsons has done it again! Evil Games is an absolutely cracking, five-star read - I devoured it in one sitting... I have, once again, been left panting in the corner in dire

need of a cup of tea!' Reading Room with a View 'I'm a little bit speechless to be honest at just how incredible this book was... Evil Games is a must read book.' Book Addict Shaun 'Silent Scream (Book 1) was quite brilliant. Evil Games (Book 2) is EXCEPTIONAL. Clearly, the current rating system is broken as it's unable to accommodate books of this calibre. So I give you - 6/5.' Little Bookness Lane 'Evil Games is a clever, action-packed journey into some of society's darkest places, crackling with tension and wit. And DI Kim Stone is the most fascinating character to arrive on the scene since Val McDermid gave us Tony Hill. This is a no-brainer. Read Evil Games. You won't regret it.' Mark Edwards 'Evil Games is a fabulously dark and chilling read... I am a huge fan of D.I. Kim Stone and can't recommend this series highly enough.' By the Letter Book Reviews

Final Betrayal - Patricia
Gibney 2019-04-18

'She lifted the flap of the envelope and pulled out the single white page. As she opened it up she stared, open mouthed. Four words were typed on the page. I am watching you.' When Amy Whyte and Penny Brogan leave a local nightclub in the early hours of Sunday morning and don't arrive home, their families are beside themselves with worry. Conor Dowling has just been released from prison, a man full of hatred for Amy, the girl who put him behind bars in the first place. The case is given to Detective Lottie Parker, when the girls' blood-soaked bodies are found, days later, in a derelict squat. Chillingly, both girls are clutching silver coins in their hands - what message is this killer leaving behind? All the signs point to Conor but his alibi is water tight. As Lottie examines Penny and Amy's final days alive in a desperate search for clues, two more girls are found stabbed to death in a luxury apartment complex.

Caught up in what is fast becoming her toughest case yet, Lottie is unaware that somebody is watching her every move. Then Lottie's two daughters, Katie and Chloe suddenly disappear from the town centre. Terrified that the killer has her girls, the stakes have never been higher for Lottie. But as Lottie puts everything on the line to find her daughters and solve the case, she's about to find herself in terrible danger - someone has a personal axe to grind with her and they know the best way to get to her is to hurt the ones she loves the most. If you love Karin Slaughter, Robert Dugoni and Rachel Abbott, you'll be hooked by this heart-stopping thriller from Patricia Gibney. Final Betrayal will keep you guessing until the very last page. Readers are loving Final Betrayal: 'Another absolutely riveting, gut gripping and unputdownable book from Patricia Gibney!! Had this read in record time!! From start to finish it was brilliant!! Literally can't wait for the next one and the

outcome for Lottie and Boyd!!!!' Goodreads Reviewer, 5 stars 'A dark and gripping read...There are so many heart stopping moments that had me hold my breath. I was carried along by the authors writing, making assumptions along the way. Lets just say nil points to me as I totally got it wrong. Final Betrayal is a story that is guaranteed to set your pulse racing. I was totally hooked and enjoyed being part of this thrilling journey that I was taken on alongside Lottie whose character I really enjoyed. Without a doubt I will be going back and reading the rest of the books in the series as this just ticked all the boxes for what I look for in a crime series.'

Goodreads Reviewer, 5 stars 'Well I am now a fan of Lottie Parker !! This is my first book in the series but I am off to buy the rest ! Final Betrayal is a page turning, twists and turns book. So many dead bodies. I can tell you that if I am missing or in trouble , it's Lottie Parker and her team of detectives I want on my side ...Can't wait to read more of Lottie's exploits!' Goodreads Reviewer, 5 stars 'An epic, compelling story ...I look forward to getting reacquainted with DI Lottie Parker every time a new book comes out, and I'm yet to be disappointed. In fact, every time one comes out, I make the same mistake of picking it up and starting, not realising I'm going to get very little done until I've finished it. Yes, it happened again, I read this book over two days, well I did have to stop to sleep.' Nigel Adams Bookworm, 5 stars
