Lee Child's Jack Reacher Books 1-6 - Lee Child 2010-12-01

For the first time—the first six explosive novels in Lee Child's #1 New York Times bestselling Jack Reacher series—now together in one e-book package! He never looks for trouble... But trouble never stops looking for him. **KILLING FLOOR** Ex-military policeman Jack Reacher isn't in the small town of Margrave, Georgia for less than an hour before he's arrested for murder. Not much of a welcome. All Reacher knows is that he didn't kill anybody. At least not lately. But he doesn't stand a chance of convincing anyone. Not a chance in hell... **DIE TRYING** When a woman is kidnapped off a Chicago street in broad daylight, Jack Reacher is unlucky enough to be taken with her. They're at the mercy of a group of men demanding an impossible ransom. Because Reacher's female companion is worth more than he imagines. Now he has to save them both—from the inside out—or die trying... **TRIPWIRE** Reacher's anonymity in Florida is shattered by an investigator who's looking for him. But soon after his arrival, the man is murdered. Retracing the PI's trail back to New York, Reacher wants to find out who was looking for him—and why. But he never expected the reasons to be so personal...or lethal. **RUNNING BLIND** Across the country, women are being

murdered, victims of a disciplined and clever killer who leaves no evidence, no fatal wounds, no signs of struggle, and no apparent motive. They are truly perfect crimes. In fact, there's only one thing that links the victims...Jack Reacher. **ECHO RUNNING** Thumbing across the scorched Texas desert, Jack Reacher has nowhere to go and all the time in the world to get there. Cruising the same stretch of two-lane blacktop is Carmen Greer. For Reacher, a lift comes with a hitch. Carmen's got a wild story—about her husband, her family, and a hometown that's pure gothic. She's also got a plan for all of them. And now Reacher's part of it... **WITHOUT FAIL** Skilled, cautious, and anonymous, Jack Reacher is perfect for the job: assassinate the vice president of the United States. In theory, that is. A female Secret Service agent wants Reacher to find the holes in her system, and fast—because a covert group already has the vice president in their sights. And they've planned for everything...except for Reacher.

Deep Down: A Jack Reacher Story - Lee Child 2012-07-16

In thriller master Lee Child's exclusive eBook short story, Jack Reacher must track down a spy in soldier's clothing—by matching wits with four formidable females. Three are clean—but the fourth may prove fatal. Includes a thrilling preview of Lee Child's hotly anticipated Jack Reacher novel, *A Wanted Man!* Summoned by Military Intelligence to Washington, D.C., Reacher is sent undercover. The assignment that awaits him: The army is meeting with its Capitol Hill paymasters for classified talks on a new, state-of-the-art sniper rifle for U.S. forces. But vital details about the weapon are leaking—straight from the Capitol and probably into the hands of unidentified foreign arms dealers. The prospect of any and every terrorist, mercenary, or dictator's militia getting their hands on the latest superior firepower is unthinkable. That's where Reacher comes in. His task: infiltrate the top-secret proceedings and smoke out the mole. His target: a quartet of high-powered Army political liaison officers—all of them fast-track women on their way to the top. According to his bosses, it's a zero-danger mission. No need to draw a gun . . . just chat over drinks. But Reacher knows that things are rarely what they seem. And he's learned the hard way never to underestimate an opponent. Or four. Lessons that will come in handy when he starts digging for the truth—and gets his hands a lot dirtier than he expected. "Child is a superb craftsman of suspense."—*Entertainment Weekly* "The truth about Reacher gets better and better."—Janet Maslin, *The New York Times* *With Child* - Andy Martin 2019-09-30

Andy Martin spent a year in the company of Lee Child, creator of tough-guy hero Jack Reacher. *With Child* is the diary of their adventures, tracking the publication and reception of *Make Me*, the writing of *Night School* at an apartment in Manhattan, the filming of *Never Go Back* in New Orleans, all the agony and ecstasy of the creative process and the sheer hard work of selling a bestseller. They go on the road together, from TV studios to bookstores, from Harvard to Stockholm, amid literary conferences and gunshows, rivalries and reviews ranging from adulatory

to murderous. We meet fellow writers like Stephen King and David Lagercrantz and Karin Slaughter, and dissect the latest novel from Jonathan Franzen. But Martin also reaches out to Child's legion of readers in America and around the world. He tracks down a woman in Texas whose name appears in the home invasion scene in *Make Me*; he goes up a mountain in Montana in search of the only reader who thinks Reacher is a "lightweight"; and he talks to obsessive fans from Europe to South Africa who find salvation or consolation in the colossal form of Jack Reacher. This compelling account of life on the road with Lee Child demonstrates that readers are just as important as writers in the making of modern fiction.

Nothing to Lose - Lee Child 2008-06-03

Two lonely towns in Colorado: Hope and Despair. Between them, twelve miles of empty road. Jack Reacher never turns back. It's not in his nature. All he wants is a cup of coffee. What he gets is big trouble. So in Lee Child's electrifying new novel, *Reacher*—a man with no fear, no illusions, and nothing to lose—goes to war against a town that not only wants him gone, it wants him dead. It wasn't the welcome Reacher expected. He was just passing through, minding his own business. But within minutes of his arrival a deputy is in the hospital and Reacher is back in Hope, setting up a base of operations against Despair, where a huge, seething walled-off industrial site does something nobody is supposed to see . . . where a small plane takes off every night and returns seven hours later . . . where a garrison of well-trained and well-armed military cops—the kind of soldiers Reacher once commanded—waits and watches . . . where above all two young men have disappeared and two frightened young women wait and hope for their return. Joining forces with a beautiful cop who runs Hope with a cool hand, Reacher goes up against Despair—against the deputies who try to break him and the rich man who tries to scare him—and starts to crack open the secrets, starts to expose the terrifying connection to a distant war that's killing Americans by the thousand. Now, between a town and the man who owns it, between Reacher and his conscience, something has to give. And Reacher never gives an inch.

Daddy's Briefcase - Ashley Murphy 2010-12

James Penney's New Identity - Lee Child 2019-10-14

Before Jack Reacher became the seminal, nomadic hero he is today and #1 New York Times bestselling writer Lee Child reached his current iconic literary stature, there was James Penney, who we meet in this intense Thriller Short. Originally published in THRILLER: Stories to Keep You Up All Night, edited by James Patterson, in 2006. Penney was originally envisioned as a character in Child's second Jack Reacher tale, *Die Trying*. Though an interesting character, Penney was ultimately excised during the editing process and readers didn't have the pleasure of meeting him. Now he's been resurrected in a tale that features a brief glimpse of Jack Reacher's early career. Don't miss this heart-pumping tale of suspense!

Dead Souls (Annotated) - Nikolai Gogol 2020-12-09

Dead Souls (Russian: Мёртвые души, Mjórtyvje dúshi) is a novel by Nikolai Gogol, first published in 1842, and widely regarded as an exemplar of 19th-century Russian literature. The novel chronicles the travels and adventures of Pavel Ivanovich Chichikov (Russian: Павел Иванович Чичиков) and the people whom he encounters. These people are typical of the Russian middle-class of the time. Gogol himself saw it as an "epic poem in prose", and within the book as a "novel in verse". Despite supposedly completing the trilogy's second part, Gogol destroyed it shortly before his death. Although the novel ends in mid-sentence (like Sterne's *Sentimental Journey*), it is usually regarded as complete in the extant form.

Without Fail - Lee Child 2002

Beyond the Rails II - Jack Tyler 2015-03-16

British East Africa in the 1880s. A place of mystery, intrigue, and danger. Powerful tribes, many hostile, the descendants of once-great empires, rule the plains and forests. European colonial powers jostle for advantage as they struggle to push inland from their coastal enclaves. A rail line is being driven from Mombasa toward Lake Victoria, drawing laborers and speculators from every civilized continent. The rails have reached Nairobi, a still-tiny boom town where wealthy entrepreneurs rub shoulders with cutthroats and railroad workers, but to reach out further, one must travel by foot or wagon, or by one of the ramshackle airships that connect the scattered settlements. One such ship is Kestrel, once a steam powered river lighter designed to haul cargos up the shallow streams that reach inland from the coast. Rescued from the scrapyard and slung beneath a balloon, she has been given a second chance at life as a carrier in the aerial cargo trade. Business is good in the booming colony, but in every pub and hostel, at the end of every pier, in the alley behind each tavern lurk dangerous men (and women!) of questionable motives, each with his own scheme to claim his share of the colony's

wealth, by whatever means come readily to hand. No one completely escapes brushes with these charlatans, and Captain Clinton Monroe's crew is no exception. Join them aboard the Kestrel as they sail the skies to high adventure.

Tears - Matt Shaw 2016-09-26

A Collection of Matt Shaw's heartbreaking dramas Matt Shaw does not just write horror. In fact, when asked what his favourite books are, he often names the tales collected within this set. Stories of heartbreak, loss and grief - all with an element of hope... A hope we often forget when dealing with grief. Contained within this collection Heaven's Calling BOY: Built to Love The Missing Years of Thomas Pritchard (unpublished short story) Alone Heaven's Calling Josh and Holly could face anything thrown at them all the time they had each other. Their love would conquer anything and the world was their oyster. But when a tragic accident tears Josh away from Holly she realises that, without her husband, she cannot cope and her world begins to crumble; her loss being more than she can handle. Until, that is, she receives a phone call. Her late husband. The same time every day; he doesn't appear to know what has happened to him and Holly can't bring herself to tell him. She

isn't even sure if it really is him calling or whether it's all in her tormented mind. Especially seeing as the calls only happen when she is alone. Is it all in her head, has she gone mad, or is heaven really calling?

Boy: Built to Love No parent should have to bury their own child and yet that was exactly what they had to do. Stillborn; a young boy never to open his eyes to take in the world around him. And now Lucy and Jack's marriage was on the verge of crumbling under the strain of the grief they struggled to cope with. A grief made worse when the doctors tell them they'll never be able to have a child of their own due to complications from the last pregnancy. But what if it didn't have to be that way? What if there was a way of using science and technology to create a son they could love? What if Jack was able to use Artificial Intelligence to create A Boy: Built to Love? Is the answer to their problems to be found within the world of science-fiction or are they setting themselves up for yet more grief and sadness? The Missing Years of Thomas Pritchard August 3rd. 6:03am. The tranquil summer's morning was shattered by the desperate screams of Thomas' mother echoing down the near deserted suburban street. The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled out onto the street wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. The year was 2003; the year Thomas disappeared from his home without a trace. * * * * * August 3rd. 6:03am. A young, fragile looking hand knocked confidently on the white PVC of the front door to number twenty-two. The hand belonged to a smartly dressed, skinny fourteen year old, fresh-faced boy. Whilst waiting for an answer to his knocking he slid a brown leather satchel off his shoulder down onto the floor as though the weight was too much for him to bear

any more. He went to knock again but stopped himself when he heard the sound of footsteps from the other side of the door as the freshly woken homeowner came to answer his initial knocking. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it to. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?" asked the boy. The year was 2012; the year Thomas came home.
