I Will Dance - Nancy Bo Flood 2020-05-26

This poetic and uplifting picture book illustrated by the #1 New York Times bestselling illustrator of *We Are the Gardeners* by Joanna Gaines follows a young girl born with cerebral palsy as she pursues her dream of becoming a dancer. Like many young girls, Eva longs to dance. But unlike many would-be dancers, Eva has cerebral palsy. She doesn't know what dance looks like for someone who uses a wheelchair. Then Eva learns of a place that has created a class for dancers of all abilities. Her first movements in the studio are tentative, but with the encouragement of her instructor and fellow students, Eva becomes more confident. Eva knows she's found a place where she belongs. At last her dream of dancing has come true.

YouTube - Jean Burgess 2018-08-28

Since launching as a website for everyday video-sharing in 2005, YouTube has become one of the world's most powerful digital media platforms. Originally published in 2009 when YouTube was only four years old, this book was the first to systematically investigate its cultural impacts and politics, highlighting the productive tensions between its

amateur community rhetoric and its commercial media logics. Since then, YouTube has grown as a platform and matured as a company. Its business model is built on coordinating the interests of and extracting value from its content creators, audiences, advertisers and media partners, in a commercial setting where YouTube now competes with other powerful social media and streaming television platforms. Meanwhile, YouTube's diverse communities of content creators, who developed the platform's most distinctive cultural forms and genres, have strong ideas and interests of their own. While preserving the original edition's forensic analysis of YouTube's early popular culture and uses, this fully revised and updated edition weaves fresh examples, updated theoretical perspectives and comparative historical insights throughout each of its six chapters. Burgess and Green show how, over its more than a decade of existence, YouTube's dual logics of commerciality and community have persisted, generating new genres of popular culture, new professional identities and business models for the media industries, and giving rise to ongoing platform governance challenges. The book is essential reading for anyone interested in the

contemporary and future implications of digital media platforms and will be particularly valuable for students and scholars in media, communication and cultural studies.

Skandar and the Unicorn Thief - A.F. Steadman 2022-05-03

Soar into a breathtaking world of heroes and unicorns as you've never seen them before in this fantastical middle grade debut perfect for fans of the Percy Jackson and Eragon series! Skandar Smith has always yearned to leave the Mainland and escape to the secretive Island, where wild unicorns roam free. He's spent years studying for his Hatchery exam, the annual test that selects a handful of Mainlander thirteen-year-olds to train to become unicorn riders. But on the day of Skandar's exam, things go horribly wrong, and his hopes are shattered...until a mysterious figure knocks on his door at midnight, bearing a message: the Island is in peril and Skandar must answer its call. Skandar is thrust into a world of epic sky battles, dangerous clashes with wild unicorns, and rumors of a shadowy villain amassing a unicorn army. And the closer Skandar grows to his newfound friends and community of riders, the harder it becomes to keep his secrets—especially when he discovers their lives may all be in graver danger than he ever imagined.

Tough Call - Matt Popovits 2016-09-07

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater

than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

Find Your Unicorn Space - Eve Rodsky 2021-12-28

From the New York Times bestselling author of Fair Play comes an inspirational guide for setting new personal goals, rediscovering your interests, cultivating creativity, and reclaiming your Unicorn Space. With her acclaimed New York Times bestseller (and Reese's Book Club pick) Fair Play, Eve Rodsky began a national conversation about greater equality on the home front. But she soon realized that even when the domestic workload becomes more balanced, people still report something missing in their lives—that is, unless they create and prioritize time for activities that not only fill their calendars but also unleash their creativity. Rodsky calls this vital time Unicorn Space—the active and open pursuit of creative self-expression in any form that makes you uniquely YOU. To help readers embrace all the unlikely, surprising, and delightful places where their own Unicorn Space may be found, she speaks with trail blazers, thought leaders, academics, and countless real people who have discovered theirs everywhere—from activism to artistic endeavors to second careers. Rodsky reveals what researchers already know: Creativity is not optional. It's essential. Though most of us do need to remind ourselves how (and where) to find it. With her trademark mix of research based, how-to advice and big-picture inspirational thinking, Rodsky shows you a clear path to reclaim your permission to have fun, manifest your own Unicorn Space in an already too-busy life, and unleash your special gifts and undiscovered talents into the world.
