Aaron Hope plays video games, like a lot, just not professionally. When he entered the EpiX! Games! PVP World Championship on a lark, this college senior never expected to make it to the final round, nor to get drugged and shoved into the alpha test for World of Ruul. The premise for this virtual reality MMO is simple. Find all eight treasures scattered throughout the world before the maelstrom's forces devour everything in sight. The only catch? You can't log off, and if you die... well, let's just say what happens in the game doesn't stay in the game.

There's just one problem. A group of assassins will do anything to get the pen, he accidentally made a entire squad of dancers into slaves, and his best friend somehow got an all-powerful mech. Now, Lillim's half-demon ex-boyfriend is contacting her for help, she has somehow gotten herself mixed up in a kidnapping, and her long-dead rival has risen from the grave. The Hatter is Mad - J. A. Cipriano 2015-01-13

An immortal swordsman. A shattered god. A dying hero. Why did a billion year old god have to go and kidnap Lillim Callina's best friend right when she was just starting to get her life back together after Caleb "I'm-a-huge-jerk" Oznek left her without so much as a pity glance? He must have known she needed to vent her frustrations on someone's face. Armed with her trusty swords, Isis and Set, Lillim is going to track him down, even if she has to fight her way through an entire orcish horde, relive the worst moment of her life, and talk to her mother. The only problem is, to stop him, she may have to forgive Caleb too.

The Builder's Pride - J.A. Cipriano 2018-07-05

When Arthur defeated Mammon, he never expected Lucifer to awaken, and what's more, she's made Arthur an offer he can't refuse. Join her in the fight against the Darkness or face the consequences. On one hand, it's a good deal. On the other, well, it's Lucifer. Worse, she's not the only one who woke up. Wrath has broken free.

Envy is insane. And Lust? Well, Lust is just looking for a big strong man to... well, you know.

To Death. Still, if there's one thing Arthur's gotten good at, it's dealing with cranky Archangels. There's just one problem. Heaven's about to fall, and when it does, the Darkness's champion will march on Hell. Guess Arthur better fix his sword. Fast.

Mind Games - J.A. Cipriano 2019-10-17

Sometimes the voices in your head are real.

Lillim Callina is crazy, at least, that's what the doctors tell her. Still, despite their insistence that everything is normal, that monsters don't really hide under the bed and werewolves don't really howl at the moon, Lillim can't shake the feeling they're just plain wrong. So what's a girl just released from a mental hospital to do?

Pretend. And that's what Lillim does. Pretend everything is normal. Pretend her school is real. Pretend the cute boy is really walking with her down the hall. Pretend her mother isn't really dead. Because if she doesn't, they'll toss her back in crazy jail and throw away the key. If that happens, there will be no way for her to escape, assuming, of course, that she isn't actually crazy.

Marked - J.A. Cipriano 2018-07-06

I have one day left to make good on my contract before the thugs holding my sister and her son start sending me pieces of them. Pierce Ambrose. A man with a secret I didn't uncover until it was too late to turn back, too late to give up on trying to kill him. Now, if I want to see my sister and nephew again, I have to try one last time. My name is Mac Brennan, and this time, I'm playing for keeps.

Fairy Tale - J. A. Cipriano 2015-02-23

Runaway. Rebel. Demon Hunter. Lillim Callina had just returned home when the nether realms erupted into civil war, spilling supernatural warfare into the streets around her. With renegade gods whispering half-truths at every corner and devastation chasing after her, Lillim

must find a way to finally end a conflict older than time itself. There's just one tiny problem. Fairies know magic, and they aren't afraid to use it.

*The Magic Within* - J.A. Cipriano

Some people don't believe in government conspiracies or magic. They're wrong. When Abby Banks escaped from the clutches of her terrorist mother, she thought she was home free... and she would have been if the government agency tasked with keeping the supernatural world at bay hadn't decided she was worth more dead than alive. Now the only thing standing between Abby and freedom is the agency that kidnapped her as a young girl. No big deal, right?

**Super Human** - J.A. Cipriano 2018-07-05

Beat the Bad Guys. Take their powers. Save the world. When Mickey stepped into that bar, he never expected to find out he was the most powerful superhero the world had ever seen. But when footage of him beating up the strongest hero, and biggest bully, in the tristate area goes viral, suddenly the world can't get enough of him. Now villains are challenging him, the hero society is ringing his line off the hook, and the endorsements? Well, they're second only in size to his burgeoning fan club. And since none of their super powers work on him, he's never been closer to the top than ever before. There's just one problem. The world's greatest villain has returned from the dead, and he's set his sights on making Mickey his first victim. Please Note: This novel contains a harem. You have been warned.

**Soulstone: Oblivion** - J.A. Cipriano 2018-07-05

Save the girl. Beat the dungeon. Get epic loot. After a few minor setbacks, Aaron and Crash find themselves all alone in the World of Ruul with only one chance at survival, finding the legendary soulstones before the maelstrom's forces eat them and their friends. Worse, the only way to get strong enough to save their friends is to enter a dungeon no one's ever beaten before, defeat the four elemental bosses who reside inside, and shatter the massive statue trapping them inside. Sure, it might be impossible, but if it were easy, everyone would have done it, right?

*Magic for Hire* - J.A. Cipriano

Coming to grips with the fact you've inherited

magical powers isn't easy, but for Abby Banks, it's become a death sentence. Or at least it had been until she made a deal with the agency that had been hunting her. Work for them, and her father gets to live. Sounds easy, right? Well, it was until a couple masked maniacs cripple the agency and kidnap the director. Now, if she can't rescue him from Flash and Bang, the life support systems keeping her father alive will shut off for good. Which, okay, yeah, her father's a super villain and maybe the world would be better off without him, but he's still family, and when it comes to family, you have to save them, even if it means wading through a supernatural army, right?

**The Bull Demon King** - J.A. Cipriano 2019-10-17

Please note. This is a short story that was once part of the Full Metal Magic Anthology. Mac Brennan just wanted to take his girlfriend to the fair, but the Bull Demon King had other plans...

**Hellbound** - J.A. Cipriano 2018-07-06

My name is Mac Brennan and if you haven't guessed, I got myself trapped in Hell because I couldn't bring myself to kill my Ex. It was a split second decision that left me trapped in Mammon's domain with no way out. Now, if I want to get out of Hell alive, I'll have to rely on the girl who shot me and left me for dead. Twice. Not the best odds, sure, but I've had it worse. Unfortunately, the Prince of Greed still wants her dead, and let's just say that isn't an ironic title because of his selfless nature. No, what Mammon wants, Mammon gets. Usually. My name is Mac Brennan, and it's time to give 'em Hell.

*Burned* - J.A. Cipriano 2018-07-06

My name is Mac Brennan, and I'm getting pretty sick of demons. For one, they're jerks. For two, they're ugly. For three, see points one and two. I should have known making a deal with a devil would end with me getting double-crossed, but what can I say, I'm an idiot who wanted his family back. That demon may have put an army between me and my family, but if I've learned anything these last few days, it's that you can kill anything if you shoot it enough times. And I've got a whole lot of bullets.

**Star Conqueror: Recompense** - J.A. Cipriano 2018-07-05

When David Briggs became a dragon, he never realized that he'd have the power to break the

cruel chains binding the universe's most powerful, and beautiful, warriors to their vicious high priestess. Now, having freed the Left Hand of the High Priestess, he'll set his eyes on a prize so great it could turn the tide of war, and what's more, it's guarded by a woman so fierce, freeing her may be an even greater prize. For most anyone else, that would be impossible, but when you're a dragon, it just means more payback is coming. Please Note: This book contains a harem.

Prince of Blood and Thunder - J.A. Cipriano  
Hey, it's your friendly neighborhood gamer girl, Annie. So yeah, I almost kinda sorta stopped my bro from killing all of the werewolf nobles with his crazy blood ritual. Unfortunately for everyone, he missed one, and now wannabe werewolf king Alabaster is trying to avenge his people by going on the kind of killing spree you'd see in an eighties B-grade horror flick. The only way to stop him is to seat Justin Bailey on the throne. There's just one tiny problem. While he's a swell guy, I have more power in my pinkie than he does in his whole body. Still, I think I can pull it off, but only if I'm willing to throw Justin to the wolves.

Wardbreaker - J.A. Cipriano 2019-10-17  
A city full of vampires. A dark ritual. A runaway determined to stay hidden. Lillim Callina was still trying to figure out how to live like a normal girl when the vampires attacked. Now, this former demon hunter must decide if staying hidden is more important than saving her new home from the largest vampire infestation she has ever seen. The only problem is, if she stops the vampires, the people hunting her just may find her, and they aren't too fond of deserters. Wardbreaker is the first prequel in The Lillim Callina Chronicles, an urban fantasy series and takes place approximately one year before the first book, Kill it with Magic.

The Hammer - J.A. Cipriano 2018-07-05  
Armed with his trusty hammer, the King's Champion Gharrik Anzar is known for two things: Slaying his enemies and conquering women. But when a portal to another world opens in the middle of his homeland and monsters begin to pour through, he'll have a new mission. Step through the portal, kill everything that stands in his way, and stop whoever is sending the monsters through.

There's just one problem. He can't bring anything through the portal, and the technology on the other side is... well... lacking. In order to win, he'll have to build an army out those he finds on the other side, outfit them with weapons and armor they've never seen before, and then march them through a battalion of undead, orcs, and ogres. It sounds impossible, but if it didn't, they wouldn't send the hammer. Please Note: This Novel contains a Harem.

Fatal Ties - J.A. Cipriano 2019-10-17  
Lillim Callina is good at fighting monsters, but when she finds out Nidhogg, the ancient dragon confined beneath the world tree, is breaking free, well, let's just say if she can't stop him, Ragnarok is a thing. Fortunately, she'll have help. Connor, a demi-god possessed by an Ancient Evil destined to destroy the world, has agreed to help her stave off the apocalypse, which sounds all well and good if you can ignore the whole "demi-god possessed by an Ancient Evil" thing. So yeah, probably not the world's most trustworthy ally, but any port in a storm, right?

**Claimed** - J.A. Cipriano 2018-07-06  
My name is Mac Brennan, and before I woke up with a black as pitch arm covered in demonic tattoos I didn't remember getting, I fell in love with a girl who was brutally gunned down by a warlord and left to die a desert. Or so I thought. Turns out, she made a deal with a demon to save her life. Guess we weren't so different after all. Her deal is simple. If she wants to live, she must destroy everything I hold dear. Well, if it's destruction she wants, it's destruction she'll get.

**Seized** - J.A. Cipriano 2018-07-06  
My name is Mac Brennan, and in order to save my family, I made a deal with a devil. Now, that demon has come to collect his due. If I want to get back to my family, I'll have to pull off one last job. It sounds simple enough. Save a kidnapped girl from the demon who runs New York City. I'll be honest, I sort of agreed at rescue a kidnapped kid because I'll be damned if I let some poor girl get taken from her family when I have the power to save her. My name is Mac Brennan, and apparently, I'm a sucker who risks his life to save children.

**Maverick** - J.A. Cipriano  
Mallory Quinn is just your everyday witch. Badass, honorable, and able to go toe to toe with

the best whiskey drinker this side of Tennessee, but when NASA comes to recruit her for a daring space rescue, she'll find herself among a motley crew of the supernatural world. Their goal is simple, keep the evil lord Zug of space planet Maverick from acquiring the Gideon cube and using its immense power to rain down destruction on earth. Sounds easy right? Well, it would be if not for the niggling thirty-six hour timeline that started yesterday...

**The Builder's Sword** - J.A. Cipriano 2018-07-05  
Arthur never expected to wind up in Hell. At least, not because he found an ancient sword in a pawnshop. To make matters worse, Hell isn't as he thought. It's a desolate wasteland under siege by an all-consuming void known as the Darkness. Now, he's trapped with no way home, a ragtag army of women, and a sword whose only power is to modify the abilities of those around him. Not exactly winning odds. Worse, if the Darkness isn't stopped, not only will it devour Hell, but Earth will be next on the menu.

**Throne to the Wolves** - J.A. Cipriano  
Hey, I'm Annie. Mage. Nerd. Gamer Extraordinaire. And yes, I wrote that on my nametag. I was having a great day right up until Justin Bailey, werewolf prince and Grade A Pain-In-My-Ass came barreling into the shop I work at. Then he threw around words like "blood feud," "sorceress," and "murderer," so I couldn't just kick him out, especially since they all seemed connected to me. Now the only thing I can do to clear my name is use my magic to help him find the culprit before the council of wolves takes matters into their own hands. If they do, they won't just kill me, they'll put the kibosh on anyone who's ever talked to me. I guess Uncle Ben was right about that whole responsibility thing.

**Cursed** - J.A. Cipriano 2018-07-06  
My name is Mac Brennan and that's the only thing I can remember about myself. Not why I woke up in a dumpster. Not why my right arm is as black as pitch and covered in glowing red tattoos, and certainly not why a vicious death cult is after me. Actually, that last part isn't true. I know why the death cult is after me. It's because I saved that damned girl from them. I didn't know who she was at the time, but I'd have done it anyway. I just don't like it when girls get beat up, call me old fashioned. Still, I

can tell she's hiding something behind those devilish eyes, and if I want to find out what it is, I'll have to help her. My name is Mac Brennan. I have no memory, and I'm a werewolf-hunting, hellfire-flinging version of Faust himself.
