*Ghost in the Stone* - Jonathan Moeller  
2012-10-10

Caina Amalas is a Ghost nightfighter, an assassin and spy of the Emperor, and her cunning saved the city of Marsis from a brutal invasion. Now she must keep the war from becoming worse. The nobles of the Imperial city of Cyrioch plan to revolt, and assassins stalk the high lords of the Empire. Only Caina stand between the Empire and a ruinous civil war. But Caina faces a far more dangerous enemy than mere assassins. A enemy that whispers from the darkness of her own mind...

**Winter's Ghost** - Mary Stone 2019-08-09

Some ghosts still live and breathe... Six months ago, on the night Winter Black and her fellow agents took down The Preacher, a mall massacre occurred. Today, one of the gunmen responsible

for taking fifteen innocent lives that night is killed-with a well-placed bullet fired from nearly a mile away. Clearly a professional, either military or law enforcement, the sniper leaves zero evidence, other than a note. When more suspected rapists and murderers turn up dead, the killer's pattern becomes clear: they're acting as judge, jury, and executioner for a series of cases that were brushed off by the cops. How could a person not cheer a little? Until the spotlight is shone on one of the FBI's own. Ultimately, it's a matter of right or wrong. Winter knows just where the line is-she learned the night her parents were slaughtered and her baby brother disappeared. After all, that night made her who she is, and she'll uphold the law, even for the scumbags who deserve to die. Even while the ghosts of her past grow closer and closer. Book five of Mary Stone's breakthrough Winter Black series, *Winter's Ghost* is an ingeniously conceived psychological thriller that will keep readers enthralled while making sure their door is locked-and pick proof. **Ghosts of Georgetown** - Tim Krepp 2013-06-18

Take the Exorcist Steps to meet "the diverse array of ghosts" in DC's historic neighborhood—from the author of Capitol Hill Haunts (The Hoya). On the banks of the Potomac River, Georgetown has had three centuries to accumulate ghoulish tales and venerable apparitions to haunt its cobbled streets and mansions. In this historic Washington, DC, neighborhood, the eerie moans of three sisters herald every death on the river, and on R Street, President Lincoln is rumored to have witnessed the paranormal at a seance. Along the towpath of the C&O Canal, a phantom police officer still walks his lonely beat, and on moonlit nights, he is joined by a razor-wielding ghoul. From the spirit of a sea captain who lingers in the Old Stone House to the strange ambiance of the Exorcist Steps, author and guide Tim Krepp takes readers on a chilling journey through the ghostly lore of Georgetown. Includes photos! "A great storyteller who, with a confident grasp of the facts and judiciously inserted asides, can bring to life both the haunters and the haunted. His way of ending his chapters with—gasp!—the literary equivalent of a horror movie organ chord lends a delightfully chilling touch." —HillRag

From the rugged Appalachian Mountains, to the metropolitan center of Baltimore, to the Atlantic Coast come a variety of stories and legends, including Dorchester County's Suicide Bridge, Fort McHenry's gruesome hanging ghosts, and a sea captain's widow whose sad wailing can still be heard coming from her final resting place in the family graveyard.

*The First Ghosts* - Irving Finkel 2021-11-11  
'It's enthralling stuff, mixing the scholarly with the accessible and placing storytelling right at the heart of the human experience.' - History Revealed 'A fascinating journey' - Yorkshire Post 'Marvellous...Finkel is an expert in Mesopotamian cultures at the British Museum, and is one of the most clever, and nicest, of people it has ever been my pleasure to encounter...A fascinating journey' - The Scotsman There are few things more in common across cultures than the belief in ghosts. Ghosts inhabit something of the very essence of what it is to be human. Whether we personally 'believe' or not, we are all aware of ghosts and the rich mythologies and rituals surrounding them. They have inspired, fascinated and frightened us for centuries - yet most of us are only familiar with the vengeful apparitions of Shakespeare, or the ghastly spectres haunting the pages of 19th century gothic literature. But their origins are much, much older... *The First Ghosts: Most Ancient of Legacies* takes us back to the very beginning. A world-renowned authority on cuneiform, the form of writing on clay tablets which dates back to 3400BC, Irving Finkel has embarked upon an ancient ghost hunt, scouring these tablets to unlock the secrets of the Sumerians, Babylonians and Assyrians to breathe new life into the first ghost stories ever written. In *The First Ghosts*, he uncovers an extraordinarily rich seam of ancient spirit wisdom which has remained hidden for nearly 4000 years, covering practical details of how to live with ghosts, how to get rid of them and bring them back, and how to avoid becoming one, as well as exploring more philosophical

questions: what are ghosts, why does the idea of them remain so powerful despite the lack of concrete evidence, and what do they tell us about being human?

*The Red Ghost* - Marion Dane Bauer 2009-07-28  
Have you ever had the feeling a doll was watching you? Jenna finds the perfect gift for her sister at a neighbor's garage sale—a beautiful old doll dressed all in red velvet. Jenna can't believe her luck. Not only does Mrs. Tate seem happy to be rid of the doll, she even gives it to Jenna for free! But when Jenna takes the doll home, trouble begins. First her best friend gets a creepy feeling whenever she's around it. Then the family cat hisses at the doll, and at night, Jenna thinks she can hear it moving around in her closet. Finally, when Jenna gives the doll to her sister, she won't take it. Could the red velvet doll be haunted? And if it is, what can Jenna do? In this companion book to *The Blue Ghost*, Newbery Honor winner Marion Dane Bauer masterfully tells a doll story full of suspense and shivers.

*Ghosts of the Berkshires* - Robert Oakes 2020  
"Before it became a haven for arts and culture, the Berkshires was a rugged, sparsely populated frontier. From the early days of Revolutionary fervor and industrial enterprise to today's tourism, many chilling stories remain. A lost girl haunts a cemetery in Washington, and mysterious spirits still perform at Tanglewood. From the ghostly halls of the Houghton Mansion to the eerie events at the Hoosac Tunnel, residents and visitors alike have felt fear and awe in these hills, telling tales of shadow figures, disembodied voices and spectral trains. Author Robert Oakes, who has given ghost tours at The Mount in Lenox for more than a decade, leads this spirited journey through history."--

Ghosts in the Schoolyard - Eve L. Ewing  
2020-02-05

"Failing schools. Underprivileged schools. Just plain bad schools." That's how Eve L. Ewing opens *Ghosts in the Schoolyard*: describing Chicago Public Schools from the outside. The way politicians and pundits and parents of kids who attend other schools talk about them, with a mix of pity and contempt. But Ewing knows Chicago Public Schools from the inside: as a student, then a teacher, and now a scholar who studies them. And that perspective has shown her that public schools are not buildings full of failures—they're an integral part of their neighborhoods, at the heart of their communities, storehouses of history and memory that bring people together. Never was that role more apparent than in 2013 when Mayor Rahm Emanuel announced an unprecedented wave of school closings. Pitched simultaneously as a solution to a budget problem, a response to declining enrollments, and a chance to purge bad schools that were dragging down the whole system, the plan was met with a roar of protest from parents, students, and teachers. But if these schools were so bad, why did people care so much about keeping them open, to the point that some would even go on a hunger strike? Ewing's answer begins with a story of systemic racism, inequality, bad faith, and distrust that stretches deep into Chicago history. Rooting her exploration in the historic African American neighborhood of Bronzeville, Ewing reveals that this issue is about much more than just schools. Black communities see the closing of their schools—schools that are certainly less than perfect but that are theirs—as one more in a long line of racist policies. The fight to keep them open is yet another front in the ongoing struggle of black people in America to build successful lives and achieve true self-determination.
