Von 1730 bis 1990 - Volker Kapp 2005-01-01
Eine »Bibliographie der deutschen Übersetzungen aus dem Italienischen« ist schon lange ein Desiderat für die Fächer Germanistik, Romanistik, Komparatistik, Kultur- und andere Fachwissenschaften. Die große Divergenz zwischen der Masse veröffentlichter und der geringen Zahl der in den Kanon aufgenommenen Literatur macht es sehr schwer, sich über die Fülle der im Druck erschienenen Übersetzungen einen Überblick zu verschaffen. Die Zeit bis 1730 hat der bereits im Jahre 1992

veröffentlichte Teilband 1 der »Bibliographie« erfaßt. Hier wird nun die Fortsetzung dieser Bibliographie bis in die 90er Jahre des 20. Jahrhunderts vorgelegt. Um eine sichere Information zu gewährleisten, wurden alle über den Leihverkehr zugänglichen Veröffentlichungen durch Autopsie überprüft. Dem Abschlußband dieser »Bibliographie« wird eine CD-ROM, die beide Teilbände umfaßt, beigegeben. (Nur Einzelplatzversion für Windows - ab '95.)

The Thinking Space - Leona Rittner 2016-03-03
The cafe is not only a place to enjoy a cup of coffee, it is also a space - distinct from its urban environment - in which to reflect and take part in intellectual debate. Since the eighteenth century in Europe, intellectuals and artists have gathered in cafes to exchange ideas, inspirations and information that has driven the cultural agenda for Europe and the world. Without the café, would there have been a Karl Marx or a Jean-Paul Sartre? The café as an institutional site has been the subject of renewed interest amongst scholars in the past decade, and its role in the development of art, ideas and culture has been explored in some detail. However, few have

investigated the ways in which cafés create a cultural and intellectual space which brings together multiple influences and intellectual practices and shapes the urban settings of which they are a part. This volume presents an international group of scholars who consider cafés as sites of intellectual discourse from across Europe during the long modern period. Drawing on literary theory, history, cultural studies and urban studies, the contributors explore the ways in which cafes have functioned and evolved at crucial moments in the histories of important cities and countries - notably Paris, Vienna and Italy. Choosing these sites allows readers to understand both the local particularities of each café while also seeing the larger cultural connections between these places. By revealing how the café operated as a unique cultural context within the urban setting, this volume demonstrates how space and ideas are connected. As our global society becomes more focused on creativity and mobility the intellectual cafés of past generations can also serve as inspiration for contemporary and future knowledge workers who will expand and develop this tradition of using and thinking in space.

A History of Western Literature - J. M. Cohen 1968

This book begins in a narrow territory, strictly Western, and extends with the passage of time to include the poetry, plays, novels, and works of speculation of the great authors of the past and present from Russia to Mexico. his objective is to tell the whole story of Western writing in languages other than English from the twelfth-century Chanson de Roland to Evtushenko's poetry of the 1960s. Cohen not only presents a factual account of historical growth. The book reflects the author's own judgments and

valuations, arrived at in the course of almost forty years' reading in the main European languages. A work of original criticism, *A History of Western Literature* immediately became a standard reference when first published. In this new edition, the author has included revisions covering the most important recent writers and their work. "Especially for American or British readers who want to explore under sensible guidance the main lines of Western letters, this carefully wrought handbook is indispensable."--*Library Journal*. "Considering Mr. Cohen's vast scope, his achievement is commendable. The information he presents is accurate. His style is surprisingly readable...."--*Modern Language Journal*. J. M. Cohen (1903-1989) was a widely known critic and a translator of French and Spanish literature. He was born in London and graduated from Cambridge University. His versions of *Don Quixote*, *Gargantua and Pantagruel*, and *Rousseau's Confessions* are recognized as among the finest modern translations.
