Temeraire are exiled to Australia in the ever expanding war between Napoleon and Britain. "Temeraire and his fellow dragons are surely Novik's finest accomplishment."—BookPage  
Convicted of treason despite their heroic defense against Napoleon's invasion of England, Temeraire and Captain Will Laurence have been transported to a prison colony in distant

Australia—and into a hornet’s nest of fresh complications. The colony is in turmoil after the overthrow of military governor William Bligh—aka Captain Bligh, late of HMS Bounty. And when Bligh tries to enlist them in his bid to regain office, the dragon and his captain are caught in the middle of a political power struggle. Their only chance to escape the fray is accepting a mission to blaze a route through the forbidding Blue Mountains and into the interior of Australia. But the theft of a precious dragon egg turns their expedition into a desperate recovery operation—leading to a shocking discovery and a dangerous new complication in the global war between Britain and Napoleon. "Black Powder War"--along with an original Temeraire short story are collected in this omnibus volume.

**Empire of Ivory** - Naomi Novik 2007-09-25  
From the New York Times bestselling author of A Deadly Education comes the fourth volume of the Temeraire series, as the Napoleonic Wars bring Will Laurence and Temeraire to Africa in search of aid. "Temeraire is a dragon for the ages."—Terry Brooks Tragedy has struck His Majesty's Aerial Corps, whose magnificent fleet of fighting dragons and their human captains valiantly defends England's shores against the encroaching armies of Napoleon Bonaparte. An epidemic of unknown origin and no known cure is decimating the noble dragons' ranks—forcing the hopelessly stricken into quarantine. Now only Temeraire and a pack of newly recruited dragons remain uninfected—and stand as the only means of an airborne defense against France's ever bolder sorties. Bonaparte's dragons are already harrowing Britain's ships at

sea. Only one recourse remains: Temeraire and his captain, Will Laurence, must take wing to Africa, whose shores may hold the cure for the mysterious and deadly contagion. From the New York Times bestselling author of *A Deadly Education* comes the eighth and penultimate volume of the Temeraire series, in which Will Laurence finds himself shipwrecked in Japan with no memory of his dragon, Temeraire, or his past. "A first-class entry in a remarkable and appealing series." —Kirkus Reviews (starred review) This alternate version of the Napoleonic War—with dragons!—ramps

up as the eighth and penultimate Temeraire novel takes us to Japan, where a shattered Captain Laurence is washed up on the shores remembering nothing of his past save as the captain of the navy ship *Reliant*. He struggles to remember why he is in Japan and why he has a startling knowledge of the Chinese language. He has no memory whatever of his dragon, Temeraire—which distresses Temeraire greatly when they are finally reunited. But so great is their bond that the two once again find themselves at the forefront of the war against Napoleon . . . just when all looks most hopeless. From the New York Times bestselling author of

A Deadly Education comes the fifth volume of the Temeraire series, as Will Laurence and Temeraire struggle to reunite and face the Napoleonic army on London's doorstep. "A story about friendship that transcends not only time and class, but species."—NPR For Britain, conditions are grim: Napoleon's resurgent forces have breached the Channel and successfully invaded English soil. Napoleon's prime objective is the occupation of London. Unfortunately, the dragon Temeraire has been removed from military service—and his captain, Will Laurence, has been condemned to death for treason. Separated by their own government and threatened at every turn by Napoleon's forces, Laurence and Temeraire must struggle to find each other amid the turmoil of war. If only they can be reunited, master and dragon might rally Britain's scattered resistance forces and take the fight to the enemy as never before, for king and country—and for their own liberty. **A Deadly Education** - Naomi Novik 2020-09-29  
NEW YORK TIMES BESTSELLER • From the author of Uprooted and Spinning Silver comes the first book of the Scholomance trilogy, the story of an unwilling dark sorceress who is destined to rewrite the rules of magic. FINALIST FOR THE LODESTAR AWARD • "The dark school of magic I've been waiting

for."—Katherine Arden, author of the Winternight Trilogy I decided that Orion Lake needed to die after the second time he saved my life. Everyone loves Orion Lake. Everyone else, that is. Far as I'm concerned, he can keep his flashy combat magic to himself. I'm not joining his pack of adoring fans. I don't need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I'm probably the most dangerous thing in the place. Just give me a chance and I'll level mountains and kill untold millions, make myself the dark queen of the world. At least, that's what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that's crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does. But the Scholomance isn't getting what it wants from me. And neither is Orion Lake. I may not be anyone's idea of the shining hero, but I'm going to make it out of this place

alive, and I'm not going to slaughter thousands to do it, either. Although I'm giving serious consideration to just one. With flawless mastery, Naomi Novik creates a school bursting with magic like you've never seen before, and a heroine for the ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come. The magic of the Scholomance trilogy continues in *The Last Graduate* “The can't-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia. . . . *A Deadly Education* will cement Naomi Novik's place as one of the greatest and most versatile fantasy writers of our time.”—BookPage (starred review) “A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion's relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact diversity of the student body.”—Publishers Weekly (starred

**The Dragon Book** - Gardner Dozois 2011-08-31  
Nineteen fiery dragon stories from the world's best fantasy writers Whether portrayed as fire-breathing reptilian beasts at war with humanity or as noble creatures capable of speech and mystically bonded to the warriors who ride them, dragons have been found in nearly every culture's mythology. In modern times, they can be found far from their medieval settings in locales as mundane as suburbia or as barren as post-apocalyptic landscapes - and in **THE DRAGON BOOK**, today's greatest fantasists reignite the fire with legendary tales that will consume readers' imaginations. With stories by **NEW YORK TIMES** bestselling authors Jonathan Stroud, Gregory Maguire, Garth Nix, Diana Gabaldon, Tamora Pierce, Harry Turtledove, Sean Williams and Tad Williams as well as tales by Naomi Novik, Peter Beagle, Jane Yolen, Adam Stemple, Cecelia Holland, Kage Baker, Samuel Sykes, Diana Wynne Jones, Mary Rosenblum,

Tanith Lee, Andy Duncan and Bruce Coville.

**Black Sun** - Rebecca Roanhorse 2021-04

In the holy city of Tova, the winter solstice is usually a time for celebration and renewal, but this year it coincides with a solar eclipse, a rare celestial event proscribed by the Sun Priest as an unbalancing of the world.

In the second novel of the New York Times bestselling Temeraire series, the Napoleonic Wars take Captain Will Laurence and his dragon to China on a perilous mission. "Full of wonderful characters with real heart."—Peter Jackson When Britain intercepted a French ship and its precious cargo—an unhatched dragon's egg—Captain Will Laurence of HMS Reliant unexpectedly became master and commander of the noble dragon he named Temeraire. As new recruits in Britain's Aerial Corps, man and dragon soon proved their mettle in daring combat against Napoleon Bonaparte's invading

forces. Now China has discovered that its rare gift, intended for Napoleon, has fallen into British hands—and an angry Chinese delegation vows to reclaim the remarkable beast. A reluctant Laurence has no choice but to take Temeraire back to China—a long voyage fraught with peril, intrigue, and the untold terrors of the deep. Yet once the pair reaches the court of the Chinese emperor, even more shocking discoveries and darker dangers await. “Readers with a penchant for both Patrick O’Brian and Anne McCaffrey may have found their perfect match. *The Golden Enclaves* - Naomi Novik 2022-09-27  
#1 NATIONAL BESTSELLER • Saving the world is a test no school of magic can prepare you for in the triumphant conclusion to the New York Times bestselling trilogy that began with *A Deadly Education* and *The Last Graduate*. The one thing you never talk about while you're in the Scholomance is what you'll do when you get out. Not even the richest enclaver would tempt fate that way. But it's all we dream about: the hideously slim chance we'll survive to make it out the gates and improbably find ourselves with a life ahead of us, a life outside the Scholomance halls. And now the impossible dream has come

true. I'm out, we're all out—and I didn't even have to turn into a monstrous dark witch to make it happen. So much for my great-grandmother's prophecy of doom and destruction. I didn't kill enclavers, I saved them. Me and Orion and our allies. Our graduation plan worked to perfection: We saved everyone and made the world safe for all wizards and brought peace and harmony to all the enclaves everywhere. Ha, only joking! Actually, it's gone all wrong. Someone else has picked up the project of destroying enclaves in my stead, and probably everyone we saved is about to get killed in the brewing enclave war. And the first thing I've got to do now, having miraculously gotten out of the Scholomance, is turn straight around and find a way back in.

*His Majesty's Dragon* - Naomi Novik 2021-10-19

In the first novel of the New York Times bestselling Temeraire series, a rare bond is formed between a young man and a dragon, and together they must battle in the Napoleonic Wars. "A terrifically entertaining fantasy novel."—Stephen King Aerial combat brings a thrilling new dimension to the Napoleonic Wars as valiant warriors rise to Britain's defense by taking to the skies . . . not aboard aircraft but

atop the mighty backs of fighting dragons. When HMS Reliant captures a French frigate and seizes its precious cargo, an unhatched dragon egg, fate sweeps Capt. Will Laurence from his seafaring life into an uncertain future—and an unexpected kinship with a most extraordinary creature. Thrust into the rarified world of the Aerial Corps as master of the dragon Temeraire, he will face a crash course in the daring tactics of airborne battle. For as France's own dragon-borne forces rally to breach British soil in Bonaparte's boldest gambit, Laurence and Temeraire must soar into their own baptism of fire. "Just when you think you've seen every variation possible on the dragon story, along comes Naomi Novik. . . . *John Ronald's Dragons: The Story of J. R. R. Tolkien* - Caroline McAlister 2017-03-21

A captivating picture book biography of a boy who imagined a world full of dragons and grew up to be beloved author J. R. R. Tolkien. John Ronald loved dragons. He liked to imagine dragons when he was alone, and with his friends, and especially when life got hard or sad. After his mother died and he had to live with a cold-hearted aunt, he looked for dragons. He searched for them at his boarding school. And when he fought in a Great War, he felt as if terrible, destructive dragons were everywhere. But he never actually found one, until one day, when he was a grown man but still very much a boy at heart, when he decided to create one of his own. *John Ronald's Dragons*, a picture book biography by Caroline McAlister and illustrated by Eliza Wheeler, introduces the beloved creator of Middle Earth and author of *The Hobbit* and

*The Lord of the Rings* to a new generation of children who see magic in the world around them.

**Temeraire** - Naomi Novik 2006

Naomi Novik's stunning series of novels follow the adventures of Captain William Laurence and his fighting dragon Temeraire as they are thrown together to fight for Britain during the turbulent time of the Napoleonic Wars. History takes flight in this deliciously addictive novel, which captures the Napoleonic period perfectly and skilfully layers history with imagination by adding a Dragon Air Force to the battle for England. Temeraire is a Celestial dragon, the most highly-prized of all draconic breeds; famed for their intelligence, agility and most of all for the Divine Wind - their terrible roar capable of shattering the heavy timbers of war ships and devastating woodland. Captured by the British, Temeraire was meant to be the companion of the Emperor Napoleon and not captained by a mere officer in the British Air Corps. The Chinese have

demanded his return and the British government cannot afford to provoke the Asian super-power into allying with the French - even if it costs them the most powerful weapon in their arsenal, and forces Laurence and Temeraire apart.
