A delightful holiday romance about a small-town single dad and an animal rescue owner as

they try to find forever homes for a dozen lovable pups before Christmas. Pine Hollow has everything Ally Gilmore could wish for in a holiday break: gently falling snow in a charming small town and time with her family. Then she learns some Grinch has pulled the funding for her family's rescue shelter, and now she has only four weeks to find new homes for a dozen dogs! But when she confronts her Scrookey councilman nemesis, Ally finds he's far more reasonable -- and handsome -- than she ever expected. As the guardian of his dog-obsessed ten-year-old niece, Ben West doesn't have time to build a cuddly reputation. But he does feel guilty about the shelter closing. So he proposes a truce with Ally, agreeing to help her adopt out the pups. As the two spend more time together, the town's gossip is spreading faster than Santa's sleigh on Christmas Eve. And soon Ben is hoping he can convince Ally that Pine Hollow is her home for the holidays. . . and the whole year through.

Sacred Holidays - Becky Kiser
2018-10-16

Do you enter every holiday wanting it to be meaningful, only to find that it feels chaotic with no direction? We set New Year's goals we can't keep, struggle to love or be loved on Valentine's Day, and find it hard to celebrate the risen Jesus when we are searching for the perfect Easter dress. Our summer and back-to-school seasons are whirlwinds, even as adults; we aren't quite sure what to do with Halloween as Christians; and we feel less than grateful at Thanksgiving because it is sometimes full of complicated people. Even Christmas becomes a challenge, as celebrating Jesus gets lost behind twinkling lights and a mountain of gifts. Holidays are meant to be more than chaos with glimpses of grace; they are meant to draw us closer to God and one another. We want all the whimsy and joy the holidays held when we were children, before life crowded it out. We want the holidays to reflect our love for Jesus and reveal the

grace that has been lavished on us, but life is so busy that setting a game plan just doesn't happen. No more. It's time to stop trying to survive the holidays or over indulge the whimsy, and instead live in the abundant life God called us to live. Sacred Holidays is part book and part resource: meant to help you avoid what has tripped you up in the past and give you insights, tips, and tools to make your holidays less chaotic and more about loving Jesus and others. Don't let your holidays be marked by regret, whirlwinds, or survival mindset. Let's celebrate every holiday together purposefully and worshipfully-loving Jesus and others well in every moment.

The editor-in-chief of Guideposts magazine shares the "heartfelt, honest, lovely" (New York Times bestselling author Dean Koontz) story of Millie, his beloved golden retriever, and how she taught him to be a more compassionate person,

deepened his faith, and inspired him on his long-term path of recovery from addiction—with a foreword by Debbie Macomber. From the moment his new golden retriever puppy jumped into his arms, Edward Grinnan and his wife, Julee, were in love with her. Edward didn't know it yet, but Millie would change his life. In this moving memoir, Edward Grinnan writes about his life with Millie—from their first joyous meeting through her struggle with cancer. Edward shares how her sensitivity, unconditional love, and innate goodness helped him discover those qualities in himself and put his complicated past in perspective. Edward also shares the lessons he has learned from other dogs he's loved—like Pete, a poodle his father bought him in the wake of his brother's death; Rudy, who introduced him to his wife; Sally Browne, a mischievous cocker spaniel who befriended the homeless in his neighborhood; and Marty, a hundred-pound Labrador

I'll Be Home for Christmas -

Karen Clarke 2019-10-14

'A wonderful Christmas love story, I absolutely loved this book... Hilarious and fun, I found myself laughing out loud several times... I could not put this book down.' Goodreads Reviewer      Nina Bailey loves Christmas. Except this year she doesn't. Because it turns out that her husband-to-be has been cheating on her - and her beautiful wedding ceremony in the snow is cancelled. She's not really in the mood to be jolly, sing carols, or go anywhere near gingerbread men - in fact, what Nina wants is to avoid the whole thing. So she's come to stay at her Aunt Dolly's cosy café to nurse her broken heart. Nina is determined to get

through Christmas with no tinsel, no fuss - and definitely no flirting. So when she arrives and meets infuriatingly handsome Ryan Sadler, with his gorgeous forest-green eyes, she is not best pleased. And when Nina overhears him making fun of her, she is furious. (There might have been an incident with a koala onesie and a spilled bottle of milk, but that really wasn't her fault!) So despite the spark between them, and the fact that he can whip up a fabulous dinner faster than she can say Michelin star, romance and Christmas are off the menu this year. Unfortunately, Aunt Dolly hasn't quite got the message, going to great lengths to provide a proper British Christmas for her beloved niece: a true home away from home. With sparkling lights adorning every wall and a tree to equal the Rockefeller Center's and, yes, mistletoe above every doorway, can Nina resist the magic of Christmas - and stick to her no-romance rule? This heart-warming romantic comedy will have you

Emotionally raw and deeply reflective, Imani Perry issues an unflinching challenge to society to see Black children as deserving of humanity. She admits fear and frustration for her African American sons in a society that is increasingly racist and at times seems irredeemable. However, as a mother, feminist, writer, and intellectual, Perry offers an unfettered expression of love—finding beauty and possibility in life—and she exhorts her children and their peers to find the courage to chart their own paths and find

She shares vulnerabilities and insight from her own life and from encounters in places as varied as the West Side of Chicago; Birmingham, Alabama; and New England prep schools. With original art for the cover by Ekuia Holmes, *Breathe* offers a broader meditation on race, gender, and the meaning of a life well lived and is also an unforgettable lesson in Black resistance and resilience.

from home to keep them safe from bombing; your husband, father and brothers off fighting goodness knows where. How in the world does one celebrate Christmas? That was the situation facing the people of Britain for six long years during the Second World War. For some of them, Christmas was an ordinary day: they couldn't afford merrymaking - and had little to be merry about. Others, particularly those with children, did what little they could. These first-hand reminiscences tell of making crackers with no crack in them and shouting 'Bang!' when they were pulled; of carol-singing in the blackout, torches carefully covered so that no passing bombers could see the light, and of the excitement of receiving a comic, a few nuts and an apple in your Christmas stocking. They recount the resourcefulness that went into makeshift dinners and hand-made presents, and the generosity of spirit that made having a happy Christmas possible in appalling

conditions. From the family whose dog ate the entire Christmas roast, leaving them to enjoy 'Spam with all the trimmings', to the exhibition of hand-made toys for children in a Singapore prison camp, the stories are by turns tragic, poignant and funny. Between them, they paint an intriguing picture of a world that was in many ways kinder, less self-centred, more stoical than ours. Even if - or perhaps because - there was a war on.

All I Want for Christmas Is a Cowboy - Jessica Clare

2021-10-05

Christmas arrives early when a fateful encounter leads two strangers to unexpected love in this holiday romance from New York Times bestselling author Jessica Clare. Christmas may be coming, but it's just another

day at the ranch as far as Eli Pickett is concerned. Someone has to take care of the herd and that means no holiday vacation for him. But that's just the way he likes it--it's not like he has a woman to spend time with anyways. Most women don't want the ranch life, or the surly, silent cowboy that comes with it. Fine with him. He'd rather have the quiet of a roaring fire and the company of his dogs. Cassandra Horn is trying to make it to her parents' winter cabin in Wyoming before the blizzard hits. She desperately needs a vacation from the chaos of Manhattan...and her boss's boyfriend, who is making her life miserable. But Cass never makes it to the cabin. A raging snowstorm causes her car to crash, where she's found unconscious by Eli. When Cass wakes, she has no memories of who she is. Eli takes one look at Cass's big blue eyes and dark curls, and like a Christmas miracle, falls head over heels in love. But while the attraction is mutual, can she give her heart to this
