**The House on Vesper Sands** - Paraic O'Donnell 2021-01-12

Named a Library Reads Pick, Apple Books' Best Book, Powells' Pick, Amazon Fiction & Literature's "Best of the Month," The Millions' Top Ten Book of the Month, and one of CrimeReads' and Oprah Daily's Best Historical Novels of 2021 "Funny, eerie, tender, haunting and unsettling, smokily atmospheric, and fantastically enjoyable." ?Helen Macdonald, author of *Vesper Flights* London, 1893: high up in a house on a dark, snowy night, a lone seamstress stands by a window. So begins the swirling, serpentine world of Paraic O'Donnell's Victorian-inspired mystery, the story of a city cloaked in shadow, but burning with questions: why does the seamstress jump from the window? Why is a cryptic message stitched into her skin? And how is she connected to a rash of missing girls, all of whom seem to have disappeared under similar circumstances? On the case is Inspector Cutter, a detective as sharp and committed to his work as he is wryly hilarious. Gideon Bliss, a Cambridge dropout in love with one of the missing girls, stumbles into a role as Cutter's sidekick. And clever young journalist Octavia Hillingdon sees the case as a chance to tell a story that matters—despite her employer's preference that she stick to a women's society column. As Inspector Cutter peels back the mystery layer by layer, he leads them all, at last, to the secrets that lie hidden at the house on Vesper Sands. By turns smart, surprising, and impossible to put down, *The House on Vesper Sands* offers a glimpse into the strange undertow of late

nineteenth-century London and the secrets we all hold inside us.

**The Chalk Circle Man** - Fred Vargas 2010-01-05

Jean-Baptiste Adamsberg is not like other policemen. His methods appear unorthodox in the extreme: he doesn't search for clues; he ignores obvious suspects and arrests people with iron-clad alibis; he appears permanently distracted. *The Chalk Circle Man* is the first book featuring Jean-Baptiste Adamsberg, one of the most engaging characters in contemporary detective fiction. When strange, blue chalk circles start appearing overnight on the pavements of Paris, the press take up the story with amusement and psychiatrists trot out their theories. Adamsberg is alone in thinking this is not a game and far from amusing. He insists on being kept informed of new circles and the increasingly bizarre objects which they contain: empty beer cans, four trombones, a pigeon's foot, four cigarette lighters, a badge proclaiming "I Love Elvis," a hat, a doll's head. Adamsberg senses the cruelty that lies behind these seemingly random occurrences. Soon a circle with decidedly less banal contents is discovered: the body of a woman with her throat savagely cut. Adamsberg knows that other murders will follow.

**Radio & TV Premiums** - Jim Harmon 1997

An unforgettable novel about finding a lost piece of yourself in someone else. Khaled Hosseini, the #1 New York Times-bestselling author of *The Kite Runner* and *A Thousand Splendid Suns*, has written a new novel about how we love, how we take care of one another, and how the choices we make resonate through generations. In this tale revolving around not just parents and children but brothers and sisters, cousins and caretakers, Hosseini explores the many ways in which families nurture, wound, betray, honor, and sacrifice for one another; and how often we are surprised by the actions of those closest to us, at the times that matter most. Following its characters and the ramifications of their lives and choices and loves around the globe—from Kabul to Paris to San Francisco to the Greek island of Tinos—the story expands gradually outward, becoming more emotionally complex and powerful with each turning page.

**The Casebook of Inspector Armstrong - Volume 3** - Martin Daley  
2017-12-11

An unknown American tourist, who will one day achieve greatness, visits Carlisle to research his family history. His arrival coincides with Inspector Armstrong's investigating of a macabre series of grave-robbing incidents in the city. The detective's enquiries inadvertently lead him into investigating a case that had lain dormant for over seventy years. The second case is set against the backdrop of the Great War. With the building of the enormous munitions factory at Gretna, Cornelius is faced with the impossible task of controlling thousands of navvies who built and work at the factory, intent on coming into Carlisle on a nightly basis to drink away their disposable income. Labour unrest, Irish sectarianism, women's suffrage, and the Government's State Management Scheme are all issues, that when combined, prove every bit as explosive as *The Devil's Porridge*.

**Back in the Day** - Melvyn Bragg 2022-05-26

'The best thing he's ever written . . . I loved it' Observer Melvyn Bragg's first ever memoir - an elegiac, intimate account of growing up in post-war Cumbria, which lyrically evokes a vanished world. In this captivating

memoir, Melvyn Bragg recalls growing up in the Cumbrian market town of Wigton, from his early childhood during the war to the moment he had to decide between staying on or spreading his wings. This is the tale of a boy who lived in a pub and expected to leave school at fifteen yet won a scholarship to Oxford. Derailed by a severe breakdown when he was thirteen, he developed a passion for reading and study - though that didn't stop him playing in a skiffle band or falling in love. It is equally the tale of the people and place that formed him. Bragg indelibly portrays his

parents and local characters from pub regulars to vicars, teachers and hardmen, and vividly captures the community-spirited northern town - steeped in the old ways but on the cusp of post-war change. A poignant elegy to a vanished era as well as the glories of the Lake District, it illuminates what made him the writer, broadcaster and champion of the arts he is today.
