**Under the Banner of Heaven** - Jon Krakauer 2004-06-08

NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

**Letters From The Earth** - Mark Twain 2017-04-04

The Creator sat upon the throne, thinking. Behind him stretched the illimitable continent of heaven, steeped in a glory of light and color; before him rose the black night of Space, like a wall. His mighty bulk towered rugged and mountain-like into the zenith, and His divine head blazed there like a distant sun. At His feet stood three colossal figures, diminished to extinction, almost, by contrast -- archangels -- their heads level with His ankle-bone. When the Creator had finished thinking, He said, "I have thought. Behold!" He lifted His hand, and from it burst a fountain-spray of fire, a million stupendous suns, which clove the blackness and soared, away and away and away, diminishing in magnitude and intensity as they pierced the far frontiers of Space, until at last they were but as diamond nailheads sparkling under the domed vast roof of the universe. At the end of an hour the Grand Council was dismissed. They left the Presence impressed and thoughtful, and retired to a private place, where they might talk with freedom. None of the three seemed to want to begin, though all wanted somebody to do it.

Wonderland. A magical place most people only read about in books. Except me. The stories they all read, the movies they make, they're all about me. But I'm going to tell you a secret... They got it wrong. Not only that but my story isn't over yet. Far from it. I left wonderland changed, broken, incomplete. To fix the pieces of my soul and find the memories that were stolen, I'll have to delve even deeper into Wonderland than ever before. Reaper only knows if I'll ever come out again. keywords: urban fantasy, new adult, wonderland, fairy tales, twisted fairy tales, fantasy romance, coming of age, portal, fantasy adventure, mythology, fae, seelie, unseelie, faerie, fairy, love triangle, shifters, reverse harem, why choose

*My Soul To Take* - Erin Bedford 2020-12-23

What would you do for a well paying job and a dental plan? I know what I'd do. A whole helluva lot. And that's exactly what I got. Hell. Baby sitting a cemetery was supposed to be an easy job. Stay up all night. Keep an eye out for kids partying. Maybe get some school work in. What I wasn't supposed to do was deal with three ghosts that wanted nothing more than to drive me insane. Did I mention they're three guys who are as hot as the hell I'm in? I have one thing to say to my ghostly friends. Bring it on.

**Her Personal Demons** - Ginna Moran 2020-10-16

When angels fall, Hell will rise. Lucifer isn't Hell's only devil. When a powerful angel purposely abandons Heaven, their descent creates a new level of torment in Hell's Kingdom. If only it didn't take me nearly dying by the hands of my ex-fiancé to discover this. I could've begged for a miracle or at least mercy. Now, the best I can hope for is a crappy deal with Hell's most notorious ruler and some twisted help from my new devil soul keepers. Lucifer, Kase, and Dante need me to force the rest of their traitorous brethren to fall from grace and take their rightful places to bring Hell's Kingdom to its intended glory. I'm the only one who can complete the task-whether or not I want to-because of my angel-kissed soul. I unknowingly made an angel fall in another life and am the perfect angel bait. Corrupting some angels sounds easy...right? Unfortunately, the divine brethren aren't the sweet, innocent angels I've heard about. These guys are fierce and won't think twice before smiting me. To survive the power struggle between the angels and devils and save my soul, I need to embrace my wicked side or summon a miracle. If I can't, my eternity is over. The rulers of Hell and the saviors of Heaven will rip me apart. My soul will burn. This is a dark and addictive romance with possible triggering situations, gore, violence, and M/M. If you like psycho, protective men, fast-burn goodness, and a woman who doesn't shy away from embracing her devilish side, Her Personal Demons is a must-read. Enter Hell's Kingdom and meet the devils today!
