Twelve Years a Slave - Solomon

Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." - an excerpt

Images of Colonialism and Decolonisation in the Italian Media - Paolo Bertella Farnetti
2017-11-06

The twentieth century saw a proliferation of media discourses on colonialism and, later, decolonisation. Newspapers, periodicals, films, radio and TV broadcasts contributed to the construction of the image of the African "Other" across the colonial world. In recent years, a growing body of literature has explored the role of these media in many colonial societies. As regards the Italian context, however, although

several works have been published about the links between colonial culture and national identity, none have addressed the specific role of the media and their impact on collective memory (or lack thereof). This book fills that gap, providing a review of images and themes that have surfaced and resurfaced over time. The volume is divided into two sections, each organised around an underlying theme: while the first deals with visual memory and images from the cinema, radio, television and new media, the second addresses the role of the printed press, graphic novels and comics, photography and trading cards.

Buongiorno, angelo - Sue Brown 2020-06-15

Quando un partner della sua agenzia sparisce in circostanze sospette, Josh Cooper, un agente di sicurezza americano, riceve un incarico speciale e viene mandato a Londra. Abituato a lavorare a capo della sua squadra d'élite, si scontra con l'affascinante, ma arrogante, Cal, il suo

collaboratore e superiore inglese. L'istinto di Josh gli dice che c'è qualcosa che non va, visto che continua a essere tenuto fuori dai giochi, e le intenzioni di Cal stanno prendendo un'altra strada. Deve anche gestire una questione personale. È coinvolto in una cyber-relazione con "Charlie", uno sconosciuto che si è connesso con lui per caso. Le loro chiacchiere hanno portato a un rispetto profondo e a un interesse sessuale, ma ora Josh si trova sempre più attratto da Cal. Tra quel conflitto e la tensione della missione, il cuore e la testa di Josh sono sovraccarichi e confusi. Le cose non potrebbero andare peggio. Poi, scopre che i nemici di cui è a caccia hanno un nuovo bersaglio: lui

[Marine Mammal Welfare](#) - Andy Butterworth 2017-06-19
Marine mammals attract human interest - sometimes this interest is benign or positive - whale watching, conservation programmes for whales, seals, otters, and efforts to clear beaches of marine debris are seen as proactive steps to support these animals. However, there are many forces operating to affect adversely the lives of whales, seals, manatees, otters and polar bears - and this book explores how the welfare of marine mammals has been affected and how they have adapted, moved, responded and sometimes suffered as a result of the changing marine and human world around them.

Marine mammal welfare addresses the welfare effects of marine debris, of human traffic in the oceans, of noise, of hunting, of whale watching and tourism, and of some of the less obvious impacts on marine mammals – on their social structures, on their behaviours and migration, and also of the effects on captivity for animals kept in zoos and aquaria. There is much to think and talk about – how marine mammals respond in a world dramatically influenced by man, how are their social structures affected and how is their welfare impacted?

Shanghai on the Metro -

Michael B. Miller 2021-01-08
Secret agents, gun runners, White Russians, and con men—they all play a part in Michael B. Miller's strikingly original study of interwar France. Based on extensive research in security files and a mass of printed sources, *Shanghai on the Métro* shows how a distinctive milieu of spies and spy literature emerged between the two world wars, reflecting the

atmosphere and concerns of these years. Miller argues that French fascination with intrigue between the wars reveals a far more assured and playful national mood than historians have hitherto discerned in the final decades of the Third Republic. But the larger history set in motion by World War I and the subsequent reading of French history into global history are the true subjects of this work. Reconstituting through his own narratives the histories of interwar travel and adventure and the willful turning of contemporary affairs into a source of romance, Miller recovers the ambience and special qualities of the age that produced its intrigues and its tales of spies. The Luck of Thirteen - Jan Gordon 1916

Excerpt: "We had endeavoured to ward off typhoid by initiating a sort of sanitary vigilance committee, having first sacked the chief of police: we had laid drains, which the chief Serbian engineer said he would pull up as soon as we had gone away. We had helped in the plans of a very necessary slaughter-house, which Mr. Berry was going to present to the town. There was an excuse for Jan's desire. The English papers had been howling about the typhus months after the disease had been chased out by English, French, and American doctors, who had disinfected the country till it reeked of formalin and sulphur; shoals of devoted Englishwomen were still pouring over, generously ready to risk their lives in a danger which no longer existed. Our own unit, which had dwindled to a comfortable-almost a family--number, with

Mr. Berry as father, had been suddenly enlarged by an addition of ten. These ten complicated things, they all naturally wanted work, and we had cornered all the jobs."

Louba il levantino - Edgar Wallace 2013-01-08

Emil Louba regna nel mondo equivoco e colorito dei locali notturni di Malta. Ma Louba ha un avversario implacabile, il capitano di polizia Hurley Brown, che ha deciso di distruggerlo, come Louba ha distrutto alcuni dei suoi migliori agenti. La lotta tra i due è serrata e senza esclusione di colpi, ma un giorno Louba viene assassinato e sarà compito di Hurley Brown scoprire come sono andate realmente le cose, nel corso di una complessa indagine fitta di colpi di scena e incredibili rivelazioni. Edgar Wallacenacque nel 1875 a Greenwich (Londra). Cominciò a lavorare giovanissimo, a diciott'anni si arruolò nell'esercito ma nel 1899 riuscì a farsi congedare. So Brave, Young, and Handsome - Leif Enger

2009-04-01

“An almost perfect novel” of yearning, adventure, and redemption in the dying days of the Old West from the bestselling author of *Peace Like a River* (St. Louis Post-Dispatch). Minnesota, 1915. With success long behind him, writer, husband, and father Monte Becket has lost his sense of purpose . . . until he befriends outlaw Glendon Hale. Plagued by guilt over abandoning his wife two decades ago, Hale is heading back West in search of absolution. And he could use some company on the journey.

As the modern age marches swiftly forward, Becket agrees to travel into Hale’s past, leaving behind his own family for an adventure that will test the depth of his loyalties and morals, and the strength of his resolve. As they flee the relentless former Pinkerton Detective who’s been hunting Hale for years, Becket falls ever further into the life of an outlaw—perhaps to the point of no return. With its smooth mix of romanticism and gritty reality, *So Brave, Young, and Handsome* examines one ordinary man’s determination to risk everything in order to understand what it’s all worth, in “an old-fashioned, swashbuckling, heroic Western . . . [An] adventure of the heart and mind (The Washington Post Book World).

Fighting Terrorism and Drugs - Jörg Friedrichs 2007-09-12

Fighting Terrorism and Drugs is an examination of European states in their fight against terrorism and drugs, from the 1960s up to the present day. Jörg Friedrichs explores what makes large European states

willing or unwilling to participate in international police cooperation against terrorism and drugs. The book examines forty-eight case studies, with particular regard to the policy preferences of the four largest and most politically important EU Member States: Britain, France, Germany, and Italy. The author argues that if a real understanding of international cooperation is to develop, it is important to understand what individual states want and why they want it. To explain state preferences, Friedrichs considers interests, institutions and ideas from domestic, national and international levels that can affect state preferences either positively or negatively. This theoretically coherent book looks at international police cooperation from a truly international perspective and will be of interest to students and scholars of international relations, terrorism, criminology, international law and European integration.

Allegro Non Troppo - Marco Bellano 2021

"A film that will let you see the music and listen to drawings; in a word, a film full of Fantasia!" Bruno Bozzetto's *Allegro non Troppo* tips its hand right away: it is an unabashed, yet full of admiration, retake on Walt Disney's 1940 'concert feature'. The obvious nod to that model fuels many tongue-in-cheek jokes in the film; however, *Allegro non Troppo* soon departs from mere parody, and becomes a showcase for the

multifaceted aesthetics of Italian animation in 1976, as well as a witty social satire and a powerful rethinking of the music-image relationship in cinema. Marco Bellano reconstructs the history of the production of *Allegro non Troppo*, on the basis of an original research developed with the contribution of Bozzetto himself; it also presents an audiovisual analysis of the work, as to reassess the international relevance of Bozzetto's achievements by giving insight into the director's"--

PROFUGOPOLI VITTIME E CARNEFICI - ANTONIO GIANGRANDE 2016-09-15
E' comodo definirsi scrittori da parte di chi non ha arte né parte. I letterati, che non siano poeti, cioè scrittori stringati, si dividono in narratori e saggisti. E' facile scrivere "C'era una volta...." e parlare di cazzate con nomi di fantasia. In questo modo il successo è assicurato e non hai rompiballe che si sentono diffamati e che ti querelano e che, spesso, sono gli stessi che ti condannano. Meno facile è essere saggisti e

scrivere "C'è adesso...." e parlare di cose reali con nomi e cognomi. Impossibile poi è essere saggisti e scrivere delle malefatte dei magistrati e del Potere in generale, che per logica ti perseguitano per farti cessare di scrivere. Devastante è farlo senza essere di sinistra. Quando si parla di veri scrittori ci si ricordi di Dante Alighieri e della fine che fece il primo saggista mondiale. Le vittime, vere o presunte, di soprusi, parlano solo di loro, inascoltati, pretendendo aiuto. Io da vittima non racconto di me e delle mie traversie. Ascoltato e seguito, parlo degli altri, vittime o carnefici, che l'aiuto cercato non lo concederanno mai. "Chi non conosce la verità è uno sciocco, ma chi, conoscendola, la chiama bugia, è un delinquente". Aforisma di Bertolt Brecht. Bene. Tante verità soggettive e tante omertà son tasselli che la mente corrompono. Io le cerco, le filtro e nei miei libri compongo il puzzle, svelando l'immagine che dimostra la verità oggettiva censurata da interessi economici ed

ideologie vetuste e criminali. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italici. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

Historical Dictionary of International Intelligence - Nigel West 2015-05-21

Intelligence is now acknowledged as the hidden dimension to international diplomacy and national security. It is the hidden piece of the jigsaw puzzle of global relations that cements relationships, undermines alliances and topples tyrants, and after many decades of being deliberately overlooked or avoided, it is now regarded as a subject of legitimate study by academics and historians. This second edition of *Historical Dictionary of International Intelligence* covers its history through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on espionage techniques, categories of agents, crucial

operations spies, defectors, moles, double and triple agents, and the tradecraft they apply. This book is an excellent access point for students, researchers, and anyone wanting to know more about the international intelligence.

Intern Nation - Ross Perlin 2012-04-04

Millions of young people—and increasingly some not-so-young people—now work as interns. They famously shuttle coffee in a thousand magazine offices, legislative backrooms, and Hollywood studios, but they also deliver aid in Afghanistan, map the human genome, and pick up garbage. *Intern Nation* is the first exposé of the exploitative world of internships. In this witty, astonishing, and serious investigative work, Ross Perlin profiles fellow interns, talks to academics and professionals about what unleashed this phenomenon, and explains why the intern boom is perverting workplace practices around the world. The hardcover publication of this book precipitated a torrent of media

coverage in the US and UK, and Perlin has added an entirely new afterword describing the growing focus on this woefully underreported story. Insightful and humorous, *Intern Nation* will transform the way we think about the culture of work.

SPQR - Shelley Lindgren
2012-10-16

A cookbook and wine guide celebrating the regional traditions and exciting innovations of modern Italian cooking, from San Francisco's *SPQR* restaurant. The Roman Empire was famous for its network of roads. By following the path of these thoroughfares, Shelley Lindgren, wine director and co-owner of the acclaimed San Francisco restaurants *A16* and *SPQR*, and executive chef of *SPQR*, Matthew Accarrino, explore Central and Northern Italy's local cuisines and artisanal wines. Throughout each of the eight featured regions, Accarrino offers not only a modern version of Italian cooking, but also his own take on these constantly evolving

regional specialties. Recipes like Fried Rabbit Livers with Pickled Vegetables and Spicy Mayonnaise and Fontina and Mushroom Tortelli with Black Truffle Fonduta are elevated and thoughtful, reflecting Accarrino's extensive knowledge of traditional Italian food, but also his focus on precision and technique. In addition to recipes, Accarrino elucidates basic kitchen skills like small animal butchery and pasta making, as well as newer techniques like *sous vide*—all of which are prodigiously illustrated with step-by-step photos. Shelley Lindgren's uniquely informed essays on the wines and winemakers of each region reveal the most interesting Italian wines, highlighting overlooked and little-known grapes and producers—and explaining how each reflects the region's unique history, cultural influences, climate, and terrain. Lindgren, one of the foremost authorities on Italian wine, shares her deep and unparalleled knowledge of Italian wine and winemakers

through producer profiles, wine recommendations, and personal observations, making this a necessary addition to any wine-lover's library. Brimming with both discovery and tradition, SPQR delivers the best of modern Italian food rooted in the regions, flavors, and history of Italy.

Images of Dutchness - Sarah

Dellmann 2019-01-16

Why do early films present the Netherlands as a country full of canals and windmills, where people wear traditional costumes and wooden shoes, while industries and modern urban life are all but absent?

Images of Dutchness investigates the roots of this visual repertoire from diverse sources, ranging from magazines to tourist brochures, from anthropological treatises to advertising trade cards, stereoscopic photographs, picture postcards, magic lantern slide sets and films of

early cinema. This richly illustrated book provides an in-depth study of the fascinating corpus of popular visual media and their written comments that are studied for the first time. Through the combined analysis of words and images, the author identifies not only what has been considered "typically Dutch" in the long nineteenth century, but also provides new insights into the logic and emergence of national clichés in the Western world.

Bleak House I - Dickens C.

Bleak House opens in the twilight of foggy London, where fog grips the city most densely in the Court of Chancery. The obscure case of Jarndyce and Jarndyce, in which an inheritance is gradually devoured by legal costs, the romance of Esther Summerson and the secrets of her origin, the sleuthing of Detective Inspector Bucket and the fate of Jo the crossing-sweeper, these are some of the lives Dickens invokes to portray London society, rich and poor, as no other novelist

Dizionario dei registi - Pino Farinotti 1993

Netflixed - Gina Keating
2012-10-11

Netflix has come a long way since 1997, when two Silicon Valley entrepreneurs, Marc Randolph and Reed Hastings, decided to start an online DVD store before most people owned a DVD player. They were surprised and elated when launch-day traffic in April 1998 crashed their server and resulted in 150 sales. Today, Netflix has more than 25 million subscribers and annual revenues above \$3 billion. Yet long-term success-or even survival-is still far from guaranteed. Journalist Gina Keating recounts the absorbing, fast-paced drama of the company's turbulent rise to the top and its attempt to invent two new kinds of business. First it engaged in a grueling war against video-store behemoth Blockbuster, transforming movie rental forever. Then it jumped into an even bigger battle for online

video streaming against Google, Hulu, Amazon, and the big cable companies. Netflix ushered in such innovations as DVD rental by mail, a patented online queue of upcoming rentals, and a recommendation algorithm called Cinematch that proved crucial in its struggle against bigger rivals. Yet for all its success, Netflix is still a polarizing company. Hastings is often heralded as a visionary-he was named Business Person of the Year in 2010 by Fortune-even as he has been called the nation's worst CEO. Netflix also faces disgruntled customers after price increases and other stumbles that could tarnish the brand forever. The quest to become the world's portal for premium video on demand will determine nothing less than the future of entertainment and the Internet. Drawing on extensive new interviews and her years covering Netflix as a financial and entertainment reporter, Keating makes this tale as absorbing as it is important.

Product-Service System Design for Sustainability - Carlo

Vezzoli 2017-09-08

This book, based on a huge European and Asian research project, is a state-of-the-art examination of the theory and practice of system innovation through Product-Service System (PSS) design for sustainability from a trans-cultural viewpoint. PSS design incorporates innovative strategies that shift businesses away from simply designing and selling physical products to developing integrated systems of products and services that satisfy human needs. The book provides background, advice and tools for designers interested in sustainable PSSs and has a wealth of case studies for practitioners to digest.

[Peace Like a River](#) - Leif Enger
2007-12-01

Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national

bestseller *Peace Like a River* captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," *Peace Like a River* is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, *The Christian Science Monitor*). In "lyrical, openhearted prose" (Michael Glitz, *The New York Post*), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, *The Seattle Times*) novel is a "perfect book for an anxious time ... of great
