Underground Boxed Set: parts 1-3 - Cassandra Carr 2015-04-14

Can a man disappear forever and build himself a new life, or will his past catch up with him? Follow this 10-part serial throughout 2015 featuring Ethan, aka Slapshot, a hockey player whose life is ruined, forcing him to disappear forever. Ethan joins Underground, a black ops organization and is trained as a deadly operative. There, he meets Ciana, a woman with a dark past of her own. As Ethan and his Underground colleagues embark on dangerous missions worldwide, he finds a new purpose in life. Off the Grid, Underground 1- The seemingly impossible has happened. The unthinkable. Those I trusted most have betrayed me. I'm a hockey player, and gave control of my finances to my parents so I could concentrate on my game. Big mistake. They stole from me, bankrupted me, in fact. And then someone came looking for money I don't have and I made a terrible mistake; one that will haunt me forever. But now someone has found me and offered a new start. I would no longer be a hockey player, I wouldn't even be an actual person, totally off the grid. I'd be a shadow, fighting crime for an organization that's underground, literally. Do I want that life? If I go back, what kind of life would I have? Probably one in prison orange. The choice to join Underground is painful, but necessary. As my hockey coach always said, though, pain is weakness leaving the body. I will not be powerless ever again. Creating Slapshot, Underground 2- I've left my old life behind and officially joined Underground. It appears no one knows where I am or even if I'm still alive. I don't know how I feel about that. My friends thinking I'm dead leaves a hole in my heart, but I'll drive myself crazy if I obsess about it.

So rather than allowing myself to wallow in self-pity or anger about what's happened, I'm throwing all my energy into training. You would think that whole "elite athlete" thing would make everything easier, but all these new techniques I need to master—hand-to-hand combat, weapons training, surveillance procedures—are kicking my ass. For my whole life, I've only had one identity. Ethan, hockey player. Now that sense of self is gone forever, slowly being replaced by my new identity, Slapshot. Surreal doesn't even begin to describe this transformation. But the more I find out about the world around me, the problems I ignored for the most part as I played a game for an obscene amount of money, the more I want to make a difference. This is not a game. It's real life, and I have the chance to be a hero. It's going to take everything I have—or have left, to do it. Initiation by Fire, Underground 3- I have my first assignment--helping track down a man targeting Cuban bodegas and then using an automatic rifle to massacre all those inside after they're attacked by a Cuban gang and his wife is killed. Underground is tasked with figuring out who this dangerous man is and stopping him before he goes on another rampage. It's the first time I've seen Underground in action, and I have to admit, it's exciting. I feel that adrenaline rush I used to get right before I hit the ice. And I loved that satisfied feeling of knowing I helped find justice for all the innocent people the man has murdered.

Several weeks later, a second body is discovered in an abandoned house, and the manner of death is identical. The agents race to Gary when word of a third victim comes in. Jade wonders whether they're heading into the dark, unknown world of the occult, a place she knows nothing about—and has no desire to. The most well-known occult leader in the area is in their sights and currently their only lead. Are the agents and local law enforcement heading down the wrong path? The final blindside shakes Jade to her core and leaves the entire police force stunned.

Catalogue of Choral Music Arranged in Biblical Order - James H. Laster
1996-06-11

This second edition of Laster's Catalog combines in one volume the listings from the first catalog with the voluminous material that has appeared since 1973, more than doubling the number of citations. It is

designed as an aid for the church musician and/or pastor seeking to plan unified worship services. It will also be of use to those church musicians who follow the Liturgical Calendar and plan music appropriate to the appointed lessons, as well as a source for non-church choir directors who would like to locate choral settings based on a particular passage from Scripture. Entries are arranged from Genesis through Revelation. Each main entry citation provides the biblical reference (book, chapter, and verse), as well as a reference to additional passages from Scripture used in the anthem. The composer, arranger, or editor and the title are listed as they appear on the octavo. Information on voicing, solos, and instrumental accompaniment is noted; the name of the publisher, the most recent date of publication and the octavo number appear at the end of each citation, where information on instrumental parts, other versions of the same title, and collections where the work might appear are also listed. Composer and title indexes round off the work.
