Our digital library saves in multiple countries, allowing you to get the most less latency era to download any of our books in the same way as this one. Merely said, the A Loving Family is universally compatible in the same way as any devices to read.

How's Your Family Really Doing? - Don Macmannis, Ph.d. 2013-05-30
Now in its second edition, *How's Your Family Really Doing?* draws from extensive new research to highlight ten essential keys that define successful families. Providing practical tools for families in any stage of the life cycle, it is concise, engaging, and designed for working moms and dads who are often too busy to pore through lengthier works. Winner of the Book of the Year Award: Foreword Magazine, and The Eric Hoffer Award, *How's Your Family Really Doing?* can help you to: -Learn about healthy families and ways to bring out the best in one other.-Identify family strengths and areas needing improvement. -Facilitate conversations about desired changes. -Strengthen your skills with dozens of tips and tools. ?-Identify and overcome the effects of past influences. As a society, we have been inundated with "how to books," typically focused on symptoms that one or more family members are experiencing such as anxiety, depression, school problems, out of control behaviors, addictions, etc. But parents buying books about specific symptoms or challenges are often frustrated when trying new techniques without success. That's because these books fail to include what else may be going on in the family that can create or maintain problem behaviors. In contrast, this guidebook provides the reader with a checklist of the most important, underlying "family factors" that can add to efforts at change.The book was conceptualized and written to be more than just a parenting book. It can be used as a reference—like an encyclopedia of family relationships that can be turned to at pivotal moments in the family life cycle. The tips and tools can help family members regardless of whether the kids are still growing up or have left the nest. Equally appropriate for families with toddlers, teens or grandparents, evaluation and change in families is aided by the input of as many participants and generations as possible. It can be used as a pre-marital tool, as preparation for the birth of a child, at a time when a child is symptomatic and the family wants to know why, at the blending of two new families, or at a break-up or a geographical move.

The Five Love Languages - Gary Chapman 2016-06-30

In *The 5 Love Languages*, you will discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

The Soul of Family Business - Tom Hubler 2018-09

The Soul of Family Business by Tom Hubler takes readers on a journey through the heart and soul of family business. Using case studies from his more than thirty-five-years as a family business consultant, Hubler explores what it takes to run a successful family business, illustrating how love is the foundation and family values are the secret sauce for success.

Love Makes a Family - Peggy Gillespie 1999

Profiles families headed by gay, lesbian, transsexual, and bi-sexual parents, revealing the painful and positive experiences of creating a modern definition of family.

A Loving Family - Dilly Court 2014-07-15

Stella Barry is forced into service as a kitchen maid when her father dies at sea and the family find themselves living hand-to-mouth. Leaving her mother and younger brother and sister in the slums of London's docklands, Stella goes to a big country house outside London. A year later, having not seen them in all that time, Stella walks to London with a cake for her mother for mothering Sunday. But she discovers the family has disappeared.

East Asian-German Cinema - Joanne Miyang Cho 2021-09-30

This is the first edited volume dedicated to the study of East Asian-German cinema. Its coverage ranges from 1919 to the present, a period which has witnessed an unprecedented degree of global entanglement between Germany and East Asia. In analyzing this hybrid cinema, this

volume employs a transnational approach, which highlights the nations' cinematic encounters and entanglements. It reveals both German perceptions of East Asia and East Asian perceptions of Germany, through analysis of works by both German directors and East Asian/East Asian-German directors. It is hoped that this volume will not only accelerate cross-cultural exchange, but also provide a wider perspective that helps film scholars to see the broader contexts in which these films are produced. It introduces multiple compelling topics, not just immigration, multiculturalism, and exile, but also Japonisme, children's literature, musical modernity, media hybridity, gender representation, urban space, Cold War divisions, and national identity. It addresses several genres—feature films, essay films, and documentary films. Lastly, by embracing three East Asian cinemas in one volume, this volume serves as an excellent introduction for German cinema students and scholars. It will appeal to international and interdisciplinary audiences, as its contributors represent multiple disciplines and four world regions.

The Day After He Left for Iraq - Melissa Seligman 2008-10-17

The emotional true story of a family separated by war. We feel for the men and women who are risking their lives at war, but what of the families they've left behind? In gorgeous prose, a military wife describes a year in her family's life—a year in which her husband leaves for war and returns, and prepares again to leave. Melissa Seligman's son is a newborn, and her daughter, a toddler, when her husband ships out to Iraq. Starting with that day, and focusing on the months that follow, she movingly describes the balancing act her life has become: being a loving mother to her young children, with the haunting knowledge that her husband, their father, could be killed at any time. Seligman doesn't hesitate to express her inner pain. She watches her daughter acting out in fury. Then there's her own anger. Ultimately, though, she comes to accept her life and appreciate the strength and determination of her loving children and husband. It's a book to read in one sitting, and to think about for years.Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Love and Respect in the Family - Dr. Emerson Eggerichs 2013-11-12

Children need love. Parents need respect. It is as simple and complex as that! When frustrated with an unresponsive child, a parent doesn't declare, "You don't love me." Instead the parent asserts, "You are being disrespectful right now." A parent needs to feel respected, especially during conflicts. When upset a child does not whine, "You don't respect me." Instead, a child pouts, "You don't love me." A child needs to feel loved, especially during disputes. But here's the rub: An unloved child (or teen) negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. So how is one to break out of this cycle? Best-selling author Emerson Eggerichs has studied the family dynamic for more than 30 years, having his Ph.D. in Child and Family Ecology. As a senior pastor for nearly two decades, Eggerichs builds on a foundation of strong biblical principles, walking the reader through an entirely new way to approach the family dynamic. For instance, God reveals ways to defuse the craziness with our children from preschooler to teen, plus how to motivate them to obey and how to deal with them when they don't. In the Bible, God has spoken specifically

to parents on how to parent. This book is about that revelation.

Loving You Big - Leah Moore 2021-09-28

Before becoming a mother, Leah Witman Moore would zoom through the day with her to-do list in hand, happily teaching high school students, and returning home to her loving husband, Zachary. Then their first child, Jordan, was born with an extremely rare syndrome called Cri Du Chat. And when their twin boys, Austin and Oliver, were born four years later, they found themselves surrounded by neurosurgeons and oncologists, once again testing the resolve of their sanity and their marriage. In *Loving You Big*, Leah Witman Moore recounts how she learns to balance the joys and sorrows of her life as she navigates between wig-clad dance parties and the painful loss of loved ones. This powerful and poignant memoir teaches readers to celebrate every small victory, savor every chaotic moment, and recognize the profound impact of a kind word.

The Redemption of Bobby Love - Bobby Love 2021

The inspiring, dramatic, and heartwarming true account of an escaped convict and his wife of thirty-five plus years who never knew his secret, which captured the imaginations of millions on *Humans of New York*. Bobby and Cheryl Love were living in Brooklyn, happily married for decades, when the FBI and NYPD appeared at their door and demanded to know from Bobby, in front of his shocked wife and children: "What is your name? No, what's your real name?" Bobby's thirty-eight-year secret was out. As a Black child in the Jim Crow South, Bobby found himself in legal trouble before his 14th birthday. Sparked by the desperation he felt in the face of limited options and the pull of the streets, Bobby became a master thief. He soon found himself facing a thirty-year prison sentence. But Bobby was smarter than his jailers. He escaped, fled to New York, changed his name, and started a new life as "Bobby Love." During that time, he worked multiple jobs to support his wife and their growing family, coached Little League, attended church, took his kids to Disneyland, and led an otherwise normal life. Then it all came crashing down. With the drama of a jailbreak story and the incredible tension of a life lived in hiding, *The Redemption of Bobby Love* is an unbelievable but true account of building a life from scratch, the pain of festering secrets in marriage, and the unbreakable bonds of faith and love that keep a family together.

Building a Strong and Loving Family - Richard Godsil 2009-03

Just as in building a house or fine handcrafted furniture, it takes time, effort and knowledge. In *Building a Strong and Loving Family*, you will laugh, share and find insight into becoming a healthier family. In each session, you will be involved in an active opening which will put everyone at ease. This allows for the subject to be discussed, for the participants to share and for the lesson to be applied. At the end of each session you will take the active lesson home and share it with your children. By allowing the family to participate in each lesson, they will learn to apply the principles in becoming stronger, healthier and happier. The six sessions are: Understanding the Blueprints Communication Sanding the Rough Edges Coping with Crises and Stress Gluing the Wood Commitment Nailing the Pieces Together Spending Time Together Staining the Wood Affirmation Applying the Varnish Spiritual Wellness This book can be used in small groups or in a large group setting. Each book includes a leaders section and participants work pages.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and

minds for the better.

Five Signs of a Loving Family - Gary Chapman 1998-07-01

We've all heard about dysfunctional families. Their struggles are the topic of TV shows, best-selling books, and popular magazines. Everyday something else that parents or children do is labeled 'dysfunctional.' Are the world's problems destined to become our own? How can we make sure we are part of the solution - not the problem? According to respected marriage counselor Gary Chapman, we can still make the dream of loving families come true. Just as bankers study authentic bills if they want to spot counterfeits, we can learn how to make our own families 'work' by studying successful ones. In *Five Signs of a Loving Family*, Dr. Chapman suggest that service, love, leadership, teaching and obedience are the hallmarks of lasting families. And he prescribes practical ways to help every family member nurture these traits. His words are powerful encouragement for parents and children alike. (Formerly titled *Five Signs of a Functional Family*.)

Sharing Love Abundantly in Special Needs Families - Gary Chapman 2019-08-06

"With a frank and honest observation on how disability can unravel family unity, this book inspires and equips us to live out our faith as we interact with those we love." -Joni Eareckson Tada, founder & CEO, *Joni and Friends* Between the worry, the doctor's appointments, and the thousand small challenges of everyday life, it's easy to feel overwhelmed and exhausted. The idea of showing abundant love to every member of your family can feel like a daunting task. Jolene Philo has been there. And in this wise, warm, practical guide, she and Dr. Gary Chapman show you how the 5 love languages can help strengthen your marriage and family life—whatever your needs. Sharing dozens of stories from parents of children with special needs children, they teach you how to: protect your marriage amidst the stress discover and speak the love language of your child—even if they're nonverbal accommodate the love languages for children with special needs and disabilities show love to every member of your family when you have limited time, money, and energy Having a special needs child shouldn't mean sacrificing a full family life. Learn to share love abundantly no matter your circumstances.

Check out the other coloring books available from this author!

Ancestors - Steven E. Ozment 2001

Rescuing the premodern family from the grim picture many historians have given us of life in early Europe, *Ancestors* offers a major reassessment of a crucial aspect of European history--and tells a story of age-old domesticity inextricably linked, and surprisingly similar, to our own. An elegant summa on family life in Europe past, this compact and powerful book extends and completes a project begun with Steven Ozment's *When Fathers Ruled: Family Life in Reformation Europe* (Harvard). Here Ozment, the leading historian of the family in the middle centuries, replaces the often miserable depiction of premodern family relations with a delicately nuanced portrait of a vibrant and loving social group. Mining the records of families' private lives--from diaries and letters to fiction and woodcuts--Ozment shows us a preindustrial family not very different from the later family of high industry that is generally viewed as the precursor to the sentimental nuclear family of today. In *Ancestors*, we see the familiar pattern of a domestic wife and working father in a home in which spousal and parental love were amply present: parents cherished their children, wives were helpmeets in providing for the family, and the genders were nearly equal. Contrary to the abstractions of history, parents then--as now--were sensitive to the emotional and psychological needs of their children, treated them with affection, and gave them a secure early life and caring preparation for adulthood. As it recasts familial history, *Ancestors* resonates beyond its time, revealing how much the story of the premodern family has to say to a modern society that finds itself in the throes of a family crisis.

Strong Loving - Niobia Bryant 2019-08-24

In the ninth installment of her much-loved *Strong Family* series, bestselling author Niobia Bryant delivers a new "Sexy, Funny and Oh So Real" romance novella about pulling a broken marriage from the flames and fighting for real love... Kaleb Strong and his wife, Zaria, beat the odds of a May/December relationship and their different personalities (he's serious and she's playful) to find their happily ever after with each

other. Some years have passed and some of the romance has faded. As she nears the eve of her birthday, Kaleb's coolness and distance over the last year has Zaria worried that their fifteen-year age gap has finally taken their toll—especially when a beautiful and much younger journalist seems to be vying for his attention. When Zaria moves out of their family home with their small children and begins a new life without him, Kaleb knows he has to reveal the secret behind his distance in their marriage and fight once more to prove to Zaria that his love for her is stronger than ever and age is still nothing but a number...

The Family You've Always Wanted - Gary Chapman 2008

Offers a biblical portrait of what a loving, stable family looks like, discussing five characteristics that create a healthy family environment, including parents who teach and train, and children who honor and obey their parents.

Love Makes a Family - Sophie Beer 2018-12-24

This fun, inclusive board book celebrates the one thing that makes every family a family . . . and that's LOVE. Love is baking a special cake. Love is lending a helping hand. Love is reading one more book. In this exuberant board book, many different families are shown in happy activity, from an early-morning wake-up to a kiss before bed. Whether a child has two moms, two dads, one parent, or one of each, this simple preschool read-aloud demonstrates that what's most important in each family's life is the love the family members share.

Creating a Loving Family - Bridget M. Meehan 1992

A Family Looks Like Love - Kaitlyn Wells 2022-05-31

A heartening picture book about a young pup who looks different from her siblings and ultimately learns that love, rather than how you look, is what makes a family. Sutton Button has always looked different from her family. While her siblings had short, stout legs, Sutton's legs were long like noodles. And while her siblings had scruffy, yellow fur, Sutton was a tricolor puppy with soft fur. But when others don't believe that Sutton and her siblings are actually related, Sutton starts to wonder if she really belongs in her family at all—until she realizes that her and her family are the same in all the most important ways and that love, rather than what you look like, is what makes a family. With heartwarming text and adorable illustrations, *A Family Looks Like Love* is a story about the enduring power of love and teaches readers that family comes in all shapes and sizes.

My First Family, My First Love - Amaurion Darden 2020-11-06

Family is the first group of people that most children identify themselves with. While these children know they belong to a loving family, they oftentimes have no idea of how they came to be. It is important for children to know who they are and where they come from. This story takes children through the process of being born into the arms of two loving parents and surrounded by a circle of family and friends who will nurture them for the rest of their lives

But It's Your Family . . . - Sherrie Campbell 2019-01-01

A psychologist offers a roadmap for those looking to break free of toxic family relationships and thrive in the aftermath. Toxic family abuse is always two-fold. The first layer of abuse is the original poor treatment by toxic family members, and the second is someone's denial of the ways in which abusers treat and harm them. Loving someone doesn't always mean having a relationship with them, just like forgiveness doesn't always mean reconciliation. A significant part of healing comes with accepting that there are some relationships that are so poisonous that they destroy one's ability to be healthy and function best. *But It's Your Family* is a remarkable account of what it means to cut ties to toxic family abuse and thrive in the aftermath. Inside, Dr. Sherrie Campbell clarifies:

- How parents, adult children, siblings, grandparents, and in-laws can be toxic
- The difference between flawed and toxic family members
- Explaining the cutting of ties to children and others who may not understand
- Spiritual and religious views on forgiveness
- The definition of cutting ties and what No Contact actually means

When readers are able to bring closure to those toxic relationships, they give themselves the space to love those family members from a distance, as fellow human beings, with the knowledge that it is unwise to remain connected. Readers learn how to love themselves in the process and fundamentally change their lives for the better!

A Loving Family - Jacqueline Braga 2019-05-02

A Loving Family is an enchanted, magical, and spiritual view of our life experience here on earth. From beginning to end, this book wants to show the child that life is a gift that must be fully inspired, guided, and experienced because of love for our children, husband and wives, parents and grandparents, brothers and sisters, and the love of God for us, his

children. It is a reminder to children of all ages, and even to adults, of where we came from, our Creator; the importance of love in a family; and of our mission on this beautiful planet earth as humans. Children need to feel, see, and learn about love. They need to know that we came from love and were created with love by the Creator and our parents. Therefore, we are beings of love. And love is all there is. It is the meaning of life, and it is the life force that can save our world, and that life force is God. God is love.

A Loving Scoundrel - Johanna Lindsey 2004-04-27

This "delightfully engaging" (RT Book Reviews) entry in the beloved Malory-Anderson Family series from the New York Times bestselling author of the Reid Family series follows the son of a gentleman pirate as he falls in love with the streetwise young woman he hires as his maid. When Danny, a young woman from the streets of London with no memory of her real family, helps handsome rakehell Jeremy Malory steal back the jewels his friend lost in a card game, she is kicked out of her gang. She demands Jeremy give her a legitimate job so she can become respectable. Intrigued by her beauty and spunk, Jeremy hires Danny as his upstairs maid, although he wants her as his mistress. Under the tutelage of Jeremy and his cousin Regina, Danny blossoms into a lady. Although she is drawn to Jeremy by passionate feelings she has never experienced before, she refuses to be anything more than a servant to him. But when she undergoes a Cinderella-like transformation and poses as Jeremy's new love in an attempt to help him avert a scandal, his aristocratic peers can't help but notice how familiar Danny looks. Now tongues are wagging, raising the question of her true identity, which threatens not only Danny's chances of capturing Jeremy's heart but her very life.

I Love Us: a Book about Family (with Mirror and Fill-In Family Tree) - Houghton Mifflin Harcourt 2020-03-17

Celebrates the many different ways that families show their love for one another, in a text with a mirror and fill-in family tree.

The Workhouse Girl - Dilly Court 2013-06-06

Circumstances force eight-year-old Sarah and her widowed mother to enter the notorious St Giles and St George's Workhouse. When her mother dies in childbirth, the independent-minded Sarah falls foul of the workhouse master, Trigg and his cruel wife. Sarah's ordeal seems to be over when a sugar mill owner takes her into his home. But her wealthy benefactor reports Trigg and his wife. And blaming Sarah for their misfortune, in a fit of revenge, the couple decide to take the law into their own hands.

But It's Your Family... - Sherrie Campbell 2019-04-09

A remarkable account of what it means to cut ties to toxic family abuse and thrive in the aftermath.

A Loving Family - Dilly Court 2014-03-07

She longed to be reunited with her family. The compelling new novel from the Sunday Times top ten bestselling author of *The Workhouse Girl*. Eleven-year-old Stella Barry is forced into service when her family find themselves living hand-to-mouth. Leaving her mother and younger brother and sister behind, Stella goes to a big country house outside London. When she returns home one Sunday, she discovers they have disappeared. Thrown out of their lodgings, no one knows where they have gone. Seven years later it looks likely Stella will soon become Cook. But circumstances compel her to flee with no references and only a few personal possessions to her name. She has never forgotten her loving family and is determined to find out what happened to them - once and for all.

Building Love Together in Blended Families - Gary Chapman 2020-02-04

Create a Loving and Safe Environment for Your Blended Family Blended families face unique challenges, and sadly, good intentions aren't always enough. With so many complex relationships involved, all the normal rules for family life change, even how you apply something as simple as the five love languages. That's why Gary Chapman, the bestselling author of *The 5 Love Languages®* and national expert on stepfamilies, Ron Deal, join together in this book to teach you how the five love languages can help your blended family. They'll teach you: About the unique dynamics of stepfamilies How to overcome fear and trust issues in marriage How to develop healthy parenting and step-parenting practices How the love languages should—and should not—be applied You're going to face many challenges, but with the right strategies and smart work, your family can be stronger and healthier together.

Letters from Home - Kryon (Spirit) 1999

this seventh Kryon book of the bestselling Kryon series is the last channelled one before the turn of the century. It deals with exactly that

subject: channelled good news from a very loving entity that gets us ready for the "New Jerusalem."

Raising a Loving Family - Virginia Scott 1999

The creators of the acclaimed Family Wellness program teach parents how to develop general parenting skills that increase communication and trust and lay the foundation for dealing with crucial family issues.

Leading a Special Needs Ministry - Amy Fenton Lee 2016-09

What do you need to lead a special needs ministry? Leading a Special Needs Ministry is a practical how-to guide for the family ministry team working to welcome one or 100 children with special needs.

Take Back Your Family - Rev. Run 2008-08-05

Stars of MTV's Run's House--dubbed "the new Cosby family"--celebrate family values in this inspiring guide to modern parenting. Despite being a hip-hop icon, an ordained minister, and a reality TV star, Rev Run's greatest accomplishment has been raising his six children--Angela, Vanessa, JoJo, Diggy, Russy and Miley--with his wife Justine. Their journey has been captured on Run's House, a show that celebrates--finally--a reality TV family that is functional instead of dysfunctional. In an age marked by shallow materialism and fragmented families, Rev Run and Justine have inspired millions of viewers by teaching old-fashioned family values applied with a hip-hop twist. In Take Back Your Family, Rev Run and Justine celebrate the role of parents and share their secrets to raising a respectful and loving family that can enjoy the good times while surviving the hard ones.

How to be a Happier Parent - KJ Dell'Antonia 2020-06-02

An encouraging guide to helping parents find more happiness in their day-to-day family life, from the former lead editor of the New York Times' Motherlode blog. In all the writing and reporting KJ Dell'Antonia has done on families over the years, one topic keeps coming up again and again: parents crave a greater sense of happiness in their daily lives. In this optimistic, solution-packed book, KJ asks: How can we change our family life so that it is full of the joy we'd always hoped for? Drawing from the latest research and interviews with families, KJ discovers that it's possible to do more by doing less, and make our family life a refuge and pleasure, rather than another stress point in a hectic day. She focuses on nine common problem spots that cause parents the most grief, explores why they are hard, and offers small, doable, sometimes surprising steps you can take to make them better. Whether it's getting everyone out the door on time in the morning or making sure chores and homework get done without another battle, How to Be a Happier Parent shows that having a family isn't just about raising great kids and churning them out at destination: success. It's about experiencing joy--real joy, the kind you look back on, look forward to, and live for--along the way.

A Loving Family - Tahira Arshed 2015

Fault Lines - Karl Pillemer, Ph.D. 2020-09-08

Real solutions to a hidden epidemic: family estrangement. Estrangement from a family member is one of the most painful life experiences. It is devastating not only to the individuals directly involved--collateral damage can extend upward, downward, and across generations, More than 65 million Americans suffer such rifts, yet little guidance exists on how to cope with and overcome them. In this book, Karl Pillemer combines the advice of people who have successfully reconciled with powerful insights from social science research. The result is a unique

guide to mending fractured families. Fault Lines shares for the first time findings from Dr. Pillemer's ten-year groundbreaking Cornell Reconciliation Project, based on the first national survey on estrangement; rich, in-depth interviews with hundreds of people who have experienced it; and insights from leading family researchers and therapists. He assures people who are estranged, and those who care about them, that they are not alone and that fissures can be bridged. Through the wisdom of people who have "been there," Fault Lines shows how healing is possible through clear steps that people can use right away in their own families. It addresses such questions as: How do rifts begin? What makes estrangement so painful? Why is it so often triggered by a single event? Are you ready to reconcile? How can you overcome past hurts to build a new future with a relative? Tackling a subject that is achingly familiar to almost everyone, especially in an era when powerful outside forces such as technology and mobility are lessening family cohesion, Dr. Pillemer combines dramatic stories, science-based guidance, and practical repair tools to help people find the path to reconciliation.

Ancestors - Steven Ozment 2009-07-01

This powerful book extends and completes a project begun with Steven Ozment's When Fathers Ruled (Harvard). Here Ozment, the leading historian of the family in the middle centuries, replaces the often miserable depiction of premodern family relations with a delicately nuanced portrait of a vibrant and loving social group.

I Love My Loving Family. The Purpose Of This Book Is To Teach Kids To Read - Solange Enow Njoh 2020-07-28
