Laptops For Seniors For Dummies® - Nancy C. Muir 2010-03-02
Easy-to-understand advice for seniors who want to get up and running with their laptops Laptop popularity is on the rise among computer buyers, including seniors. For anyone in the over-60 age group who is eager to get started with a laptop, this is the book for you! Laptops are ideal for seniors who travel and want to stay in contact with family and friends. You'll learn how to select the laptop that is right for you; get familiar with the hardware, operating system, and software; understand files and folders; and connect to other wireless technology. Featuring a larger font for text and larger sizes for images, this easy-to-understand book begins with the basics and progresses to step-by-step coverage of how to establish positive habits and avoid common pitfalls. With this guide, you'll feel confident about staying safe online when banking, shopping, or chatting. Seniors are becoming more adventurous when purchasing a computer, and laptops are increasing in popularity among the 60+ age group demographic Covers the basics: selecting the right laptop for your needs, using the keyboard

and mouse, finding your way around Windows 7, using the Internet, and more Assures you about staying safe online and keeping your information private when shopping, e-mailing family and friends, banking, researching, and more Features a large font and large images for easy reading This gentle introduction will get you started using your laptop today!

Windows 10 for Seniors - Studio Visual Steps 2015-09-28
"Windows 10 for Seniors is the ideal book for seniors who have worked with an earlier version of Windows on a desktop or laptop computer and want to get started right away with Windows 10. All of the most important topics are covered, such as using the Internet safely, sending and receiving email and working with files and folders. You will also learn how to organize and view photos and videos and listen to music in Windows 10. Step by step, in your own tempo, you will get acquainted with the new and renewed programs in Windows 10. You will get familiar with the new Start menu and learn how to adjust the settings to make Windows 10 easier and more comfortable to work with. The book contains additional exercises to repeat and reinforce everything you have learned. Instructional videos are also available on the website that accompanies this book. They explain how to perform specific tasks"--
