**The Grey Album** - Kevin Young 2012-03-13

\*Finalist for the 2012 National Book Critics Circle Award for Criticism\* \*A Publishers Weekly Top 10 Literary Criticism and Essays Pick for Spring 2012\* The Grey Album, the first work of prose by the brilliant poet Kevin Young,

winner of the Graywolf Press Nonfiction Prize Taking its title from Danger Mouse's pioneering mashup of Jay-Z's The Black Album and the Beatles' The White Album, Kevin Young's encyclopedic book combines essay, cultural criticism, and lyrical choruses to illustrate the African American tradition of lying—storytelling, telling tales, fibbing, improvising, "jazzing." What emerges is a persuasive argument for the many ways that African American culture is American culture, and for the centrality of art—and artfulness—to our daily life. Moving from gospel to soul, funk to freestyle, Young sifts through the shadows, the bootleg, the remix, the grey areas of our history, literature, and music.

courageous family of skillful providers and devoted protectors of their young. As Mowat comes closer to the wolf world, he comes to fear with them the onslaught of bounty hunters and government exterminators out to erase the noble wolf community from the Arctic. *Never Cry Wolf* is one of the brilliant narratives on the myth and magic of wild wolves and man's true place among the creatures of nature. the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also
