Slayer's Heart - Marcelle

Cooper 2014-02-09

Since childhood, Sufoh has lived his life according to the principle of Slayer's Heart, a technique which rids him of all emotion and renders him a ruthless, bloodthirsty killer.

Such a reputation is a badge of honor among the warrior race of Macaris from which he hails. But when Sufoh accidentally releases six legendary demons that threaten to plunge the world into chaos, he must leave his people to undo what he has done. As he ventures into a world that hates and fears him, Sufoh is forced to confront not only the evil he has unleashed, but the evil within himself and learn what it truly means to be human.

For The Crown and The Dragon - Stephen Hunt
1994-06-16

It is the final years of the 18th century, but a world which few would recognise. The people of Europe shelter in small islands of safety, havens from the enchanted wilderness - the strange boundless forests people call the Tumble. It is across this demon-haunted landscape that the low-born officer Taliesin must lead his men, caught up in the deadliest of intrigues while fighting wars

for a noble class which despises him. With vicious murderers from the worst gutters in the Realm marching behind him, and the forces of the most powerful nations of the mainland arrayed against him, the odds are stacked against Taliesin. Heavily. Yet he will fight on, battling armies, sorcerers, assassins, beastmen and cross into the face of hell itself. Not for loyalty, or grudging respect for his scheming monarch - not even for the small mountain of silver the Island Queen has promised him if he succeeds. But because fighting is all he and his pressed band of cut-throats and thieves have ever known.
