Next Level Leadership Training: Volume One - Rick Johnston 2015-04-29

Every local church requires leaders. Many believers are given responsibility to lead but fail to sustain their leadership. Developing the people who lead is essential to building strong churches and demonstrating the kingdom message to those who do not know Christ. The nonpublic lifestyle of a leader is what vitally supports the public expression of his or her grace. Jesus said, "Follow me ... and I will make ... you fishers of men." Those three simple phrases are the essence of Rick Johnston's Next Level Leadership Training. Johnston provides a syllabus for training such leaders. Bible-saturated lessons are the foundation of teaching. Classroom interaction tips, external resource suggestions, and life-implementation steps, given at the end of each lesson, provide the opportunity to increase in grace. Theological foundations, relationship-building assignments, and miracle demonstrations-defined in this text-provide a wide-ranging training course for every local church. N

The Bitch Is Back - Cathi Hanauer 2016-09-27

More than a decade after the New York Times bestselling anthology *The Bitch in the House* spoke up loud and clear for a generation of young woman, nine of the original contributors are back—along with sixteen captivating new voices—sharing their ruminations from an older, stronger, and wiser perspective about love, sex, work, family, independence, body-image, health, and aging: the critical flash points of women's lives today. "Born out of anger," the essays in *The Bitch in the House* chronicled the face of womanhood at the beginning of a new millennium. Now those funny, smart, passionate contributors—today less bitter and resentful, and more confident, competent, and content—capture the spirit of postfeminism in this equally provocative, illuminating, and compelling companion anthology. Having aged into their forties, fifties, and sixties, these "bitches"—bestselling authors, renowned journalists, and critically acclaimed novelists—are back . . . and better than ever. In *The Bitch Is Back*, Cathi Hanauer, Kate Christensen, Sarah Crichton, Debora Spar, Ann Hood, Veronica Chambers, and nineteen other women offer unique views on womanhood and feminism today. Some of the "original bitches" (OBs) revisit their earlier essays to reflect on their previous selves. All reveal how their lives have changed in the intervening years—whether they stayed coupled, left marriages, or had affairs; developed cancer or other physical challenges; coped with partners who strayed, died, or remained faithful; became full-time wage earners or homemakers; opened up their marriages; remained childless or became parents; or experienced other meaningful life transitions. As a "new wave" of feminists begins to take center stage, this powerful, timely collection sheds a much-needed light on both past and present, offering understanding, compassion, and wisdom for modern women's lives, all the while pointing toward the exciting possibilities of tomorrow.

"David Sedaris's ability to transform the mortification of everyday life into wildly entertaining art," (The Christian Science Monitor) is elevated to wilder and more entertaining heights than ever in this remarkable new book. Trying to make coffee when the water is shut off, David considers using the water in a vase of flowers and his chain of associations takes him from the French countryside to a hilariously uncomfortable memory of buying drugs in a mobile home in rural North Carolina. In essay after essay, Sedaris proceeds from bizarre conundrums of daily life—having a lozenge fall from your mouth into the lap of a fellow passenger on a plane or armoring the windows with LP covers to protect the house from neurotic songbirds—to the most deeply resonant human truths. Culminating in a brilliant account of his venture to Tokyo in order to quit smoking, David Sedaris's sixth essay collection is a new masterpiece of comic writing from "a writer worth treasuring" (Seattle Times). Praise for *When You Are Engulfed in Flames*: "Older, wiser, smarter and meaner, Sedaris...defies the odds once again by delivering an intelligent take on the banalities of an absurd life." --Kirkus Reviews This latest collection proves that not only does Sedaris still have it, but he's also getting better....Sedaris's best stuff will still—after all this time—move, surprise, and entertain." --Booklist Table of Contents: It's Catching Keeping Up The Understudy This Old House Buddy, Can You Spare a Tie? Wisdom at Work - Chip Conley 2018-09-18

Experience is making a comeback. Learn how to repurpose your wisdom. At age 52, after selling the company he founded and ran as CEO for 24 years, rebel boutique hotelier Chip Conley was looking at an open horizon in midlife. Then he received a call from the young founders of Airbnb, asking him to help grow their disruptive start-up into a global hospitality giant. He had the industry experience, but Conley was lacking in the digital fluency of his 20-something colleagues. He didn't write code, or have an Uber or Lyft app on his phone, was twice the age of the average Airbnb employee, and would be reporting to a CEO young enough to be his son. Conley quickly discovered that while he'd been hired as a teacher and mentor, he was also in many ways a student and intern. What emerged is the secret to thriving as a mid-life worker: learning to marry wisdom and experience with curiosity, a beginner's mind, and a willingness to evolve, all hallmarks of the "Modern Elder." In a world that venerates the new, bright, and shiny, many of us are left feeling invisible, undervalued, and threatened by the "digital natives" nipping at our heels. But Conley argues that experience is on the brink of a comeback. Because at a time when power is shifting younger, companies are finally waking up to the value of the humility, emotional intelligence, and wisdom that come with age. And while digital skills might have only the shelf life of the latest fad or gadget, the human skills that mid-career workers possess—like good judgment, specialized knowledge, and the ability to collaborate and coach - never expire. Part manifesto and part playbook, *Wisdom@Work* ignites an urgent conversation about ageism in the workplace, calling on us to treat age as we would other type of diversity. In the process, Conley liberates the term "elder" from the stigma of "elderly," and inspires us to embrace wisdom as a path to growing whole, not old. Whether you've been forced to make a mid-career change, are choosing to work past retirement age, or are struggling to keep up with the millennials rising up the ranks,

Wisdom@Work will help you write your next chapter.

There are texts on sex, fashion, food, LGBT rights, automobiles, forgiving, women's self-image, writing, books, and more. Two of the essays provide glimpses into present-day Cuba and Tunisia. She reflects on her family; her romantic partners; and the revolutionaries, writers, artists, and activists she has known personally and admired: Roque Dalton, Meridel LeSueur, and Haydée Santamaría. Randall's writings move in unexpected directions, evoked by the "things" and ideas in her life: objects picked up around the world, her children's names, family heirlooms, artistic practices, dreams, poems, and memories. Elegantly weaving together the personal and the political, *More Than Things* is a tour de force by one of

America's most formidable and elegiac writers and political activists.

Conversations with Friends - Sally Rooney 2018-08-07

NOW A HULU ORIGINAL SERIES • From the New York Times bestselling author of *Normal People* . . . "[A] cult-hit . . . [a] sharply realistic comedy of adultery and friendship."—Entertainment Weekly
SALLY ROONEY NAMED TO THE TIME 100 NEXT LIST • WINNER OF THE SUNDAY TIMES (UK) YOUNG WRITER OF THE YEAR AWARD • ONE OF BUZZFEED'S BEST BOOKS OF THE DECADE • ONE OF THE TEN BEST BOOKS OF THE YEAR: Vogue, Slate • ONE OF THE BEST BOOKS OF THE YEAR: Elle Frances is a coolheaded and darkly observant young woman, vaguely pursuing a career in writing while studying in Dublin. Her best friend is the beautiful and endlessly self-possessed Bobbi. At a local poetry performance one night, they meet a well-known photographer, and as the girls are then gradually drawn into her world, Frances is reluctantly impressed by the older woman's sophisticated home and handsome husband, Nick. But however amusing Frances and Nick's flirtation seems at first, it begins to give way to a strange—and then painful—intimacy. Written with gemlike precision and marked by a sly sense of humor, *Conversations with Friends* is wonderfully alive to the pleasures and dangers of youth, and the messy edges of female friendship. SHORTLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD "Sharp, funny, thought-provoking . . . a really great portrait of two young women as they're figuring out how to be adults."—Celeste Ng, *Late Night with Seth Meyers* Podcast "The dialogue is superb, as are the insights about communicating in the age of electronic devices. Rooney has a magical ability to write scenes of such verisimilitude that even when little happens they're suspenseful."—Curtis Sittenfeld, *The Week* "Rooney has the gift of imbuing everyday life with a sense of high stakes . . . a novel of delicious frictions."—New York "A writer of rare confidence, with a lucid, exacting style . . . One wonderful aspect of Rooney's consistently wonderful novel is the fierce clarity with which she examines the self-delusion that so often festers alongside presumed self-knowledge. . . . But Rooney's natural power is as a psychological portraitist. She is acute and sophisticated about the workings of innocence; the protagonist of this novel about growing up has no idea just how much of it she has left to do."—Alexandra Schwartz, *The New Yorker* "This book. This book. I read it in one day. I hear I'm not alone."—Sarah Jessica Parker (Instagram)

However, I am a woman and I do know how it feels to be menopausal, so this book is written from experience and the heart and I hope it makes you laugh and feel better.' JE Older and Wiser is Jenny Eclair's hilarious, irreverent and refreshingly honest compendium of the menopause. From C for Carb-loading and G for Getting Your Shit Together to I for Invisibility and V for Vaginas, Jenny's whistle-stop tour of the menopause in all its glory will make you realise that it really isn't just you. Jenny will share the surprising lessons she has learnt along the way as well as her hard-won tips on the joy of cardigans, dealing with the empty nest (get a lodger) and keeping the lid on the pressure cooker of your temper (count to twenty, ten is never enough). As Jenny says, 'I can't say that I've emerged like a beautiful butterfly from some hideous old menopausal chrysalis and it would be a lie to say that I've found the 'old me' again. But what I have found is the 'new me' - and you know what? I'm completely cool with that.'
