Kindly say, the A Cut Above A Lesbian Medical Romance Lakeside Hospital 2 is universally compatible with any devices to read

Excellent Daughters - Katherine Zoepf 2016-01-12

For more than a decade, Katherine Zoepf has lived in or traveled throughout the Arab world, reporting on the lives of women, whose role in the region has never been more in flux. Only a generation ago, female adolescence as we know it in the West did not exist in the Middle East. There were only children and married women. Today, young Arab women outnumber men in universities, and a few are beginning to face down religious and social tradition in order to live independently, to delay marriage, and to pursue professional goals. Hundreds of thousands of devout girls and women are attending Qur'anic schools—and using the training to argue for greater rights and freedoms from an Islamic perspective. And, in 2011, young women helped to lead antigovernment protests in the Arab Spring. But their voices have not been heard. Their stories have not been told. In Syria, before its civil war, she documents a complex society in the midst of soul searching about its place in the world and about the role of women. In Lebanon, she documents a country that on the surface is freer than other Arab nations but whose women must balance extreme standards of self-presentation with Islamic codes of virtue. In Abu Dhabi, Zoepf reports on a generation of Arab women who've found

freedom in work outside the home. In Saudi Arabia she chronicles driving protests and women entering the retail industry for the first time. In the aftermath of Tahrir Square, she examines the crucial role of women in Egypt's popular uprising. Deeply informed, heartfelt, and urgent, *Excellent Daughters* brings us a new understanding of the changing Arab societies—from 9/11 to Tahrir Square to the rise of ISIS—and gives voice to the remarkable women at the forefront of this change.

The Origins of Heartbreak - Cara Malone 2017-10-15

Alex McHenry's world stood still the day her father passed. She was 19, studying to be an art teacher, and living happily like any other college student. Then abruptly, her life was reduced to funeral arrangements, depression, therapy, and the responsibility of caring for her mother, who retreated to the couch to take solace in the artificially cheerful hosts on the Home Shopping Network. After more than a year of living frozen in the moment of her father's death, Alex decides to take the first steps out of her grief. She enrolls in a paramedic program and during one of her first classes, she meets Megan Callahan, a pretty but aloof medical student who comes crashing into her life at the most unexpected moment. It's not long before Alex discovers that Megan has her own skeletons in

the proverbial closet, and when a bacterial outbreak forces them together, they must both decide whether to confront their demons together, or continue to live in limbo. Can Alex and Megan work together to mend their broken hearts? Or will they turn away in fear?

Practicing what the Doctor Preached - Susan Bales Ridgely 2017

Focusing on families -- Tuning in to focus on the family: a history of Dobson's message and who has been listening -- Father, mother, child: the foundational trinity -- Preparing children to be husbands and wives: gender, dating, and sexuality -- All your children will be taught by the Lord: how families focus on school choice -- Bringing the home to the world: families and focus's politics -- Retuning focus on the family.
Medical Review - 1892

Encyclopedia of Lesbian and Gay Histories and Cultures - Bonnie Zimmerman 2021-06-13

A rich heritage that needs to be documented Beginning in 1869, when the study of homosexuality can be said to have begun with the establishment of sexology, this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors. It covers a long history and a dynamic and ever changing present, while opening up the academic profession to new scholarship and new ways of thinking. A groundbreaking new approach While gays and lesbians have shared many aspects of life, their histories and cultures developed in profoundly different ways. To reflect this crucial fact, the encyclopedia has been prepared in two separate volumes assuring that both histories receive full, unbiased attention and that a broad range of human experience is covered. Written for and by a wide range of people Intended as a reference for students and scholars in all fields, as well as for the general public, the encyclopedia is written in user-friendly language. At the same time it maintains a high level of scholarship that incorporates both passion and objectivity. It is written by some of the most famous names in the field, as well as new scholars, whose research continues to advance gender studies into the future.

The Well of Loneliness - Radclyffe Hall

2021-05-29

The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

On My Own Country - 1880*

Ellen DeGeneres Biography: What Does it Take For a Gay to Succeed in the Entertainment Industry? - Chris Dicker

Ellen Degeneres - a true talent the world has ever known. She has been through a lot in life. Ellen's major breakthroughs came from doing stand-up comedies, acting sets, TV show hosting and writing several bestsellers. Ellen was not always like this as she came from a normal family and doing odd jobs in her 20s, but she was able to turn the roadblocks in life into stepping stones for success...

Forever - Kindle Alexander 2022-10-08

Dr. Robert Adams grew up with more advantages than most—the son of a former vice president, he had two loving fathers, a twin sister he adores and wonderfully doting grandparents. Life is good until one afternoon when his dreams flat-line. And no scalpel can repair the guilt and grief he carries with him for the first time in his life. For Tech Sergeant Landon Russo, determination isn't just a word, it's a way of life. Joining the US Air Force allows him to prove his worth, and he takes the values of integrity, service and excellence to heart in every decision he makes. Until on one fateful night, in celebration of a much-deserved promotion, a simple misstep sends his life flying into a tailspin. As both men fight to regain

control of their lives, they'll soon discover fate rules. Will they ignore the signs and risk everything or will they take a chance and trust their destiny to be together...forever?

Jericho - Ann McMan 2017-11-21

Librarian Syd Murphy flees the carnage of a failed marriage by accepting an eighteen-month position in Jericho, a small town in the Appalachian Mountains of Virginia. Her plans to hide out and heal her wounds fall by the wayside as she gets drawn into the daily lives of the quirky locals. When Syd gets a flat tire and is rescued by the town physician, Maddie Stevenson, the two women form a fast friendship—but almost immediately begin struggling with a mutual attraction. And, if that's not enough, Syd is straight and going through a divorce—and Maddie somehow forgets to mention her sexual orientation to her new best friend. Almost everyone who crosses their paths believes it's only a matter of time until they figure it out, but sometimes, it takes a while to see the obvious. Together, Syd and Maddie learn that life and love can have as many twists and turns as a winding mountain road.

Whitman and the Romance of Medicine -

Robert Leigh Davis 1997-08-28

In this compelling, accessible examination of one of America's greatest cultural and literary figures, Robert Leigh Davis details the literary and social significance of Walt Whitman's career as a nurse during the American Civil War. Davis shows how the concept of "convalescence" in nineteenth-century medicine and philosophy—along with Whitman's personal war experiences—provide a crucial point of convergence for Whitman's work as a gay and democratic writer. In his analysis of Whitman's writings during this period—Drum-Taps, Democratic Vistas, Memoranda During the War, along with journalistic works and correspondence—Davis argues against the standard interpretation that Whitman's earliest work was his best. He finds instead that Whitman's hospital writings are his most persuasive account of the democratic experience. Deeply moved by the courage and dignity of common soldiers, Whitman came to identify the Civil War hospitals with the very essence of American democratic life, and his writing during this period includes some of his

most urgent reflections on suffering, sympathy, violence, and love. Davis concludes this study with an essay on the contemporary medical writer Richard Selzer, who develops the implications of Whitman's ideas into a new theory of medical narrative.

Key To His Heart: Gay Romance - Trina Solet 2020-01-27

Phillip Morton is a disciplined and self-assured young executive, but that's only on the surface. His heart is in turmoil. He has just discovered that his late brother might have left behind a child. This child is only a rumor, a possibility, but Phillip sets out to find him. To help him with his search, he brings along Leon, his assistant. Leon is very young and new to his job. Phillip doesn't want things between them to turn too personal, but he needs Leon to keep him sane. Even as he searches for his nephew, Phillip is afraid to hope. After the heart-wrenching loss of his estranged brother, it seems too much to expect that this child could be real. It turns out that Ant, short for Anthony Morton Junior, is very real indeed. He is a sweet three-year-old living in precarious circumstances with an elderly relative. Phillip has found them just in time. As Leon lends a hand with all the new challenges in Phillip's life, the two of them are growing closer every day. If only Leon can free himself of the demons from his childhood. While Leon's past still haunts him, he and Phillip can't rush into anything. Will Phillip's love and patience win out in the end so they can all become a family?

Reconsidering the Emergence of the Gay Novel in English and German - James P.

Wilper 2016-02-15

In *Reconsidering the Emergence of the Gay Novel in English and German*, James P. Wilper examines a key moment in the development of the modern gay novel by analyzing four novels by German, British, and American writers. Wilper studies how the texts are influenced by and respond and react to four schools of thought regarding male homosexuality in the late nineteenth and early twentieth centuries. The first is legal codes criminalizing sex acts between men and the religious doctrine that informs them. The second is the ancient Greek erotic philosophy, in which a revival of interest took place in the late nineteenth century. The

third is sexual science (or "sexology"), which offered various medical and psychological explanations for same-sex desire and was employed variously to defend, as well as to attempt to cure, this "perversion." And fourth, in the wake of the scandal caused by his trials and conviction for "gross indecency," Oscar Wilde became associated with a homosexual stereotype based on "unmanly" behavior. Wilper analyzes the four novels—Thomas Mann's *Death in Venice*, E. M. Forster's *Maurice*, Edward Prime-Stevenson's *Imre: A Memorandum*, and John Henry Mackay's *The Hustler*—in relation to these schools of thought, and focuses on the exchange and cross-cultural influence between linguistic and cultural contexts on the subject of love and desire between men.

All that is Solid Melts into Air - C. Koehler
2021-02-22

Remy thinks life after high school will be easier. He'll go to California Pacific for a year while he gets a handle on his HIV, then after Michael graduates from high school, they'll blast out of there for colleges—and life—on the East Coast. Then Remy visits Boston and everything changes. He realizes he likes CalPac. Turns out, Boston doesn't have anything for him beyond one of the biggest regattas in North America. Life grows more complicated when he gets home. He can't find a way to tell Michael that he's just blown their plan for their lives out of the water. Then Remy's CalPac coaches drop a bomb on him. Those rowing officials who have been watching him? They are recruiters for the national team, and his coaches want him to try out. They'll even let Lodestone coach him. Now he has to choose, school or crew, CalPac or Michael, and he still hasn't told Michael he can't transfer. Is there even a place for Michael in his life? Somehow they have to withstand training at the highest levels and having different goals. Will love hold them together...or tear them apart?

All the Little Moments - G Benson 2015-08-12
A successful anaesthetist, Anna is focused on herself, her career, and her girlfriend. Everything changes abruptly when her brother's and sister-in-law's deaths devastate her and her family. Left responsible for her young niece and nephew, Anna finds herself dumped and alone in Melbourne, a city she doesn't even like. She tries

to navigate the shock of looking after two children battling with their grief while managing her own. Filled with self-doubt, Anna feels as if she's making a mess of the entire thing, especially when she collides with a long-legged stranger. Anna barely has time to brush her teeth in the morning, let alone to date a woman—least of all one who has no idea about the two kids under her care. Just when Anna finally starts to feel as if she's getting some control of the situation, the biggest fight begins and Anna really has to step up once and for all.

Reluctant Mate 3: Gay Werewolf Romance - Eden Cole

Alexi is asked to find the man responsible for creating a drug that makes humans into wolf shifters. Against his better judgment, he agrees. He's a jaguar shifter, and everyone knows there's no love between the two species. Alexi figures he'll get time to play with a piece he met not too long ago. He's not all that interested really, but what better way to piss off the haughty werewolves. To assist Alexi in his task, their leader calls in Jaren, a scientist. Alexi has never seen a more sexy, if repressed, man in his life, and the assignment has taken on a whole new direction. While he's searching for a werewolf that just might be stronger and more powerful than he's met before, Alexi tries to convince the nerdy Jaren that he is definitely not straight no matter how much he protests! gay romance, glbt, m/m, shifter romance, werewolf romance

A Cut Above - Cara Malone 2018-02-27

Ivy Chan has always known her destiny. She would be the best neurosurgeon in the state, or maybe the country. Better even than her father, whose shadow she's eager to escape. Ivy has always been a student above all. Friendships, hobbies and romance come second... or more often, not at all. She's in the home stretch now, the final year of medical school, and her surgical residency is within reach. All Ivy needs to do is stay the course. Which would be a hell of a lot easier if she hadn't had the misfortune of falling in love with her study partner. Chloe Barnes is the kind of girl who can command Ivy's attention even across a crowded Emergency Room. She's smart and witty, she makes friends with everyone she meets... she's the polar opposite of Ivy's reserved, cynical nature. And one

unexpected kiss in the hospital locker room changes everything. It shoves Ivy off her chosen path... Leaves her questioning everything... And wanting more. This is the second book in the Lakeside Hospital series. Each book can be enjoyed as a stand-alone novel and the series can be read in any order.

The Backup Boyfriend - River Jaymes 2013-11-29
Professionally, Dr. Alec Johnson has almost reached his goals. As this year's recipient of a humanitarian award with his ex, Dr. Tyler Hall, Alec's work with the homeless is about to be recognized. Unfortunately, his personal life sucks because now he has to attend several events alongside Tyler-with his ex's new boyfriend in tow. In an attempt to lift his mood and break out of his rut, Alec purchases a motorcycle he has no idea how to start. Dylan Booth doesn't have time for Dr. Clueless and his fickle 1964 Harley, but the cocky mechanic can't say no to the request for help. Having spent his teen years on the streets, and losing his best friend to HIV, Dylan decides teaching the do-gooder how to ride is the least he can do. But watching Alec flounder in his ex's company throws Dylan into protector mode, and the confirmed hetero introduces himself as Alec's new boyfriend. The ex suspects Dylan is lying. Alec claims Dylan's plan is insane. And Dylan's not sure he can fake being gay. But Dylan's a master bullshitter, and the phony PDA soon turns ultra-hot. Alec can't afford to get attached, and Dylan's learned everyone eventually leaves. Unfortunately, playing the backup boyfriend is starting to feel way too real...

Cut & Run - Madeleine Urban 2008-09-01
A series of murders in New York City has stymied the police and FBI alike, and they suspect the culprit is a single killer sending an indecipherable message. But when the two federal agents assigned to the investigation are taken out, the FBI takes a more personal interest in the case. Special Agent Ty Grady is pulled out of undercover work after his case blows up in his face. He's cocky, abrasive, and indisputably the best at what he does. But when he's paired with Special Agent Zane Garrett, it's hate at first sight. Garrett is the perfect image of an agent: serious, sober, and focused, which makes their partnership a classic cliché: total opposites, good cop-bad cop, the odd couple. They both

know immediately that their partnership will pose more of an obstacle than the lack of evidence left by the murderer. Practically before their special assignment starts, the murderer strikes again - this time at them. Now on the run, trying to track down a man who has focused on killing his pursuers, Grady and Garrett will have to figure out how to work together before they become two more notches in the murderer's knife."

Time After Time A Gay Paranormal Western Love Story - G.W. Mullins 2018-02-07

Irregular Heartbeat - CHRIS. ZETT 2018-10-03
When drummer Diana Petrell leaves her rock-star life to return to ER medicine, she won't let anything stop her. Dr. Emily Barnes isn't happy having to babysit an intriguing resident with a ten-year gap in her résumé. What happens to their careers when Diana's secret comes out? A lesbian romance that asks how much we'd risk for love.

After the Fire - Felice Stevens
A single bullet destroyed the dreams of Dr. Jordan Peterson. With his lover dead, Jordan descends into an endless spiral of self-destruction that nearly costs him his friends, his career and his life. When Jordan finds himself working closely with the aloof Lucas Conover, the investment banker's mysterious past and unexpected kindness shocks him back into a life and emotions he'd thought lost forever. The betrayal by the foster brother he'd worshiped, taught Lucas Conover never to trust or believe in anyone. Living a solitary life doesn't free him

of the nightmare of his youth; it reinforces his belief that he would never fall in love. When the death of one of his clients forces him to work closely with Dr. Jordan Peterson, he meets a person whose suffering exceeds his own. Though Jordan rejects his effort to help, something within Luke pushes him discover more about the first man to ever get under his skin. As Luke lets down his guard and Jordan lets go of his pain, desire takes control. Each man must come to terms with past struggles if they are to create a future together. And learning to trust in themselves and love again after tragedy and a lifetime of pain, may be the only thing that saves them in the end. This is a re-release of the original version published in 2015. It has been re-edited with over 4000 words of additional content added.

Beautiful Disaster Signed Limited Edition -

Jamie McGuire 2012-11-27

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

The Health of Lesbian, Gay, Bisexual, and Transgender People - Institute of Medicine 2011-06-24

At a time when lesbian, gay, bisexual, and transgender individuals--often referred to under the umbrella acronym LGBT--are becoming more visible in society and more socially acknowledged, clinicians and researchers are faced with incomplete information about their health status. While LGBT populations often are combined as a single entity for research and advocacy purposes, each is a distinct population group with its own specific health needs. Furthermore, the experiences of LGBT individuals are not uniform and are shaped by factors of race, ethnicity, socioeconomic status, geographical location, and age, any of which can have an effect on health-related concerns and needs. The Health of Lesbian, Gay, Bisexual, and Transgender People assesses the state of science on the health status of LGBT populations, identifies research gaps and opportunities, and outlines a research agenda for the National Institute of Health. The report examines the health status of these populations in three life stages: childhood and adolescence, early/middle

adulthood, and later adulthood. At each life stage, the committee studied mental health, physical health, risks and protective factors, health services, and contextual influences. To advance understanding of the health needs of all LGBT individuals, the report finds that researchers need more data about the demographics of these populations, improved methods for collecting and analyzing data, and an increased participation of sexual and gender minorities in research. The Health of Lesbian, Gay, Bisexual, and Transgender People is a valuable resource for policymakers, federal agencies including the National Institute of Health (NIH), LGBT advocacy groups, clinicians, and service providers.

Chance This Change (A Gay Romance) - S.E. Loveless

Change is always hard... But sometimes, you need to take a chance... Alex Prentice never thought his life would turn out like this... He started working for a bad man at just thirteen, and now, six years later, he's ready for a change. He wants something good in his life. He wants something for himself. Alex went the only place he could think of: He went to the police. He never expected the Detective to be assigned to his case to be a man like Scott Henderson, with eyes that looked into him... through him. An older man who showed him compassion and care... the first he'd experienced in a long time. A man who would be his protector until his court date. A man he never thought he'd take a chance on... A chance at love. * Scott Henderson thought it would just be another day on the job. The experienced Detective didn't realize what he was getting into when he took on Alex Prentice's case. The boy, just nineteen, was testifying. He'd need to be protected. He'd need to be guided. He'd need more than some slimy lawyer could or would provide. But when he sees the striking boy sitting alone in that interrogation room, he's taken aback. Something inside him swells, and he feels an immense sadness for the life the young man has lived. Scott thought Alex would just be another guy raised on the streets, someone to deal with, a job. He never expected that Alex would turn into so much more than that. He never expected that he would take a chance on Alex... A chance at love.

Social Skills - Sara Alva 2013-03-20

Music is the only form of communication Connor Owens controls. No matter how badly he wishes to fit in, friendly banter and casual conversations have never been his thing. College is yet another social universe he has no clue how to navigate—until he meets Jared, a football player with chestnut eyes and a cocky grin that holds the power to shatter his self-imposed prison. Jared's attention opens Connor up to a new realm of emotional and physical intimacy. But as Connor's self-confidence grows, so does his fear that everything will fall apart. Because in this socially stratified world, how long can a relationship between an introverted violinist and a closeted football player really last?

The Advocate - 2001-08-14

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Lesbian Rule - Amy Villarejo 2003-10-15

With hair slicked back and shirt collar framing her young patrician face, Katherine Hepburn's image in the 1935 film *Sylvia Scarlett* was seen by many as a lesbian representation. Yet, Amy Villarejo argues, there is no final ground upon which to explain why that image of Hepburn signifies lesbian or why such a cross-dressing Hollywood fantasy edges into collective consciousness as a lesbian narrative.

Investigating what allows viewers to perceive an image or narrative as "lesbian," Villarejo presents a theoretical exploration of lesbian visibility. Focusing on images of lesbians in film, she analyzes what these representations contain and their limits. She combines Marxist theories of value with poststructuralist insights to argue that lesbian visibility operates simultaneously as an achievement and a ruse, a possibility for building a new visual politics and away of rendering static and contained what lesbian might mean. Integrating cinema studies, queer and feminist theory, and cultural studies, Villarejo illuminates the contexts within which the lesbian is rendered visible. Toward that end, she analyzes key portrayals of lesbians in public culture, particularly in documentary film. She considers a range of films—from documentaries about Cuba and lesbian pulp fiction to *Exile Shanghai* and *The Brandon Teena Story*—and, in doing so, brings to light a nuanced economy of

value and desire.

[A Textbook of Medical Jurisprudence and Toxicology](#) - Rai Bahadur Jaising P. Modi 2013-10-22

A Textbook of Medical Jurisprudence and Toxicology, Sixth Edition discusses medico-legal points concerning the different causes of death, examination of evidence, and crimes that merit medical attention and advice. The author reviews the legal procedures in criminal courts of medical jurisprudence, including the inquest procedures, the difficulties encountered in detecting crime, medical evidence, rules for presenting evidence, and the powers of criminal courts. The post-mortem examination concerns the external and internal examination of the deceased to establish identity (if unknown), to determine time and cause of death. Under the written orders of the court, an exhumation can take place when suspicions of foul play arises after death. The author discusses death in terms of somatic (physical) or molecular (tissues and cells dying individually after vital organs have stopped functioning). The book also describes in detail the primary modes of dying, namely, syncope, asphyxia, and coma. The book explains the medico-legal aspects of injuries, pregnancy, legitimacy, rape, miscarriage, infanticide, and insanity. This book is intended for medical students, but can also benefit students in law courses, and practitioners of legal jurisprudence and of the medical sciences.

[Men Who Beat the Men Who Love Them](#) - Patrick Letellier 2013-12-02

Domestic violence in gay male relationships is the third largest health problem for gay men in America today. *Men Who Beat the Men Who Love Them* breaks the silence surrounding gay male domestic violence and exposes this hidden yet prevalent and destructive problem. The authors paint a vivid picture of gay men's domestic violence, bringing its brutality to life by including personal narratives, written by one of the authors, by clearly defining what it is and what it is not through lists of violent acts and criminal code categories, and by thoroughly examining and analyzing the criminal, mental health, medical, political, and interpersonal issues involved. The authors boldly depart from the battered women's literature by asserting that batterers have a diagnosable mental

disorder, that battering is not gender based, and that much further criminalization of domestic violence is necessary. Striving for victim advocacy, the book underscores the idea that gay men's domestic violence is totally unacceptable and is caused solely by individual abusive gay men who choose to batter. The book builds on and departs from what is known about domestic violence, with the authors challenging several fundamental premises in the literature, unabashedly identifying battering as a mental disorder. The authors explain that victims cannot stop their battering partners from battering and virtually all batterers choose to harm their partners in a premeditated fashion. The authors provide practical steps and suggestions for victims who want to leave and stay away from their violent partners and for friends who want to help battered gay men. Chapters describe the scope of the problem and refute myths and misconceptions. There are several detailed theory chapters in which the authors explain why gay men's domestic violence occurs, who the batterers are, who the victims are at different stages of victimization, and how domestic violence can be stopped. A visionary, wide-ranging governmental and private plan of action is introduced, including lists of necessary laws and policies, as well as outlines of strong education, training, and advertising problems needed in various sectors of society. As a self-help book, *Men Who Beat the Men Who Love Them* provides practical information on a never-before discussed topic. As a trainer's manual or teaching guide, it includes specific criteria for understanding the problem and for providing treatment.

The Pharos of Alpha Omega Alpha-Honor Medical Society - Alpha Omega Alpha 1979

Love This Touch: A Gay Romance Collection (M/M Romance Box Set) - S.E. Loveless
2018-07-12

Love This Touch is a M/M romance box set of 3 sexy gay love stories featuring steamy, sensual, and sweet male/male romance. From lusty and exciting first times, to new experiences and self-discoveries, to love that ends in happiness ever after, these three gay love romances by M/M romance favorite S. E. Loveless are guaranteed to stimulate you, satisfy you, and leave you

smiling at the happy endings. Contained in this 76,000 word, 340 page collection are the books *Chance This Change*, *Guard This Body*, and *Save This Life*. Also contained is the bonus book *Tacking in the Wind*. * *Chance This Change* Alex Prentice never thought his life would turn out like this... He started working for a bad man at just thirteen, and now, six years later, he's ready for a change. He wants something good in his life. He wants something for himself. Alex went the only place he could think of: He went to the police. He never expected the Detective to be assigned to his case to be a man like Scott Henderson, with eyes that looked into him... through him. An older man who showed him compassion and care... the first he'd experienced in a long time. A man who would be his protector until his court date. A man he never thought he'd take a chance on... A chance at love. * *Guard This Body* For years he was a bodyguard with a secret... His job description was to protect Michael... It didn't say anything about falling in love... Jackson thought he had his world figured out. He was a bodyguard, one of the best, and he did his job well. He never expected to fall in love with his charge, Michael Carson... He never expected to have to keep it a secret... When danger threatens Michael, he knows he has to act. But what does he do when Michael finds out his secret? What does he do when, in order to save Michael, he has to reveal his love for him? * *Save This Life* Travis couldn't know what the future would have in store for him that night... ...that night that changed his life. He found the man sitting on the street, passersby ignoring him... ...a victim of a mugging. He helped the stranger, helped to stop the bleeding, helped to call the police and an ambulance. He had done his duty as a Good Samaritan, so what else was there left to do? When he was about to leave, the man asked him to stay. And Travis felt one of his heartstrings tugged. The man was suffering from amnesia. The man needed more than just his immediate help. And Travis found himself giving more. He offered the man a place to stay. Offered the man emotional support. But what he didn't realize was that he would offer the man his heart. That night he helped somebody, possibly even saved a life. How could he ever know that the man he helped would, in his own way, save Travis' life,

too? *

Secrets So Deep - KG MacGrego 2008-04-01

Since assuming her late husband's congressional seat, Glynn Wright has led a quiet life of devoted service and motherhood, earning a reputation as a dependable soldier in her party. When her sixteen-year-old son Sebby tries to take his own life, Glynn is prepared to sacrifice everything to save him—including the revelation of her past relationships with women, a move that would likely mean the end of her political career and estrangement from her family. One by one, Sebby's secrets spill with devastating consequences for Glynn. Even Charlotte, Sebby's psychiatrist, suffers from the fallout as her faith in Glynn—and the growing attraction they can't resist—puts her at odds with her profession. Together, they search for the only thing that can save them—the truth about Glynn's husband's tragic death. Family and courage have never meant as much as in *Secrets So Deep*, this gripping romantic story from KG MacGregor (*Out of Love*, *Mulligan*), whose entertaining novels examine the complexities of the human heart, and beyond.

You Asked for Perfect - Laura Silverman
2019-03-05

"Wise romantic and painfully relatable."—BECKY ALBERTALLI, award-winning author of *Simon vs. the Homo Sapiens Agenda* For fans of Adam Silvera and Nina LaCour comes a timely novel about a teen's struggle when academic success and happiness pull him in opposite directions. Senior Ariel Stone has spent his life cultivating the perfect college résumé: first chair violinist, dedicated volunteer, active synagogue congregant, and expected valedictorian. He barely has time to think about a social life, let alone a relationship...until a failed calculus quiz puts his future on the line, forcing Ariel to enlist his classmate, Amir, as a tutor. As the two spend more time together, Ariel discovers he may not like calculus, but he does like Amir. When he's with Amir, the crushing academic pressure fades away, and a fuller and brighter world comes into focus. But college deadlines are still looming. And adding a new relationship to his long list of commitments may just push Ariel past his limit. Full of empathy, honesty, and heart, *You Asked for Perfect* is a story for anyone who has ever questioned the price of perfection. Praise for You

Asked for Perfect: "Silverman's novel hit me straight in the heart... It was powerful enough to make me want to be a better—yet still imperfect—person." —Bill Konigsberg, author of *The Music of What Happens* "A coming-of-age novel that will charm readers with its relatable and diverse characters, quirky storyline, and interweaving of faith, queerness, and the everyday lives of seniors navigating the pressures of college applications, grades, and relationships. Heartwarming and engaging."—Kirkus

My Gay Geek Love Affair Bundle - Tabatha Christi 2016-09-04

Social Perspectives in Lesbian and Gay Studies - Peter M. Nardi 2013-09-13

This comprehensive reader brings a social science perspective to an area hitherto dominated by the humanities. Through it, students will be able to follow the story of how sociology has come to engage with gay and lesbian issues from the 1950s to the present, from the earliest research on the underground worlds of gay men to the emergence of queer theory in the 1990s. Bringing together classic readings and the best work of younger scholars from all parts of the English-speaking world, this reader will be an invaluable resource for courses at undergraduate and graduate level in all areas of the sociology of sexuality and gender. Separate sections cover: * theoretical foundations * identity and community making * institutions and social change * challenges for the future. Each section begins with an introduction giving readers a brief guide to the readings in that section, contextualises them and relates them to one another and the book ends with an afterword by Ken Plummer summing up the present state of play and looking forward to the future.

New Our Right to Love - Ginny Vida 2010-05-11
The complete lesbian resource guide, *Our Right to Love* instantly became a classic when it was first published in 1978. Now fully revised and expanded for the 1990s, this new edition includes over 60 articles and interviews covering the many aspects of lesbian life: relationships, sexuality, health, activism, education and sports, religion and spirituality, the law and legal issues, multiethnic lesbian experience, and lesbian

culture. A group of essays explores the lesbian experience across cultures (African American, Latina, Asian, Native American) and age groups. Interviews with notable lesbians Martina Navratilova, Melissa Etheridge, Margarethe Cammermeyer, and Minnesota State Representative Karen Clark examine the particular experiences of highly visible out lesbians. An extensive bibliography, resource lists and index make this the complete lesbian reference.

Making the Rounds - Patricia Grayhall
2022-10-11

Defying expectations of a woman growing up in Arizona in the 1960s, Patricia Grayhall fled Phoenix at nineteen for the vibrant streets of San Francisco, determined to finally come out as a lesbian after years of trying to be a “normal” girl. Her dream of becoming a physician drew her back to college, and then on to medical school in conservative Salt Lake City. Though Patricia enjoyed a supportive friendship with a male colleague, she longed for an equal, loving relationship with a woman. But her graduate medical training in Boston, with its emotional demands, long hours, lack of sleep, and social isolation, compounded by the free-wheeling

sexual revolution of the 1970s, made finding that special relationship difficult. Often disappointed but never defeated, Patricia—armed with wit and determination—battled on against sexism in her male-dominated profession and against discrimination in a still largely homophobic nation, plunging herself into a life that was never boring and certainly never without passion. A chronicle of coming of age during second-wave feminism and striving to have both love and career as a gay medical doctor, *Making the Rounds* is a well-paced and deeply humanizing memoir of what it means to seek belonging and love—and to find them, in the most surprising ways.

Reader's Guide to Lesbian and Gay Studies - Timothy Murphy 2013-10-18

The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals (Adrienne Rich); arts and cultural studies (Dance); ethics, religion, and philosophical issues (Monastic Traditions); historical figures, periods, and ideas (Germany between the World Wars); language, literature, and communication (British Drama); law and politics (Child Custody); medicine and biological sciences (Health and Illness); and psychology, social sciences, and education (Kinsey Report).
