Beginners Welcome - Cindy Baldwin 2020-02-11

The acclaimed author of *Where the Watermelons Grow* is back with a story perfect for fans of Lynda Mullaly Hunt and Ali Benjamin, about finding friendship after a tragic loss. It's been eighty-three days since Annie Lee's daddy died, but she still sees reminders of him everywhere. His record player mysteriously plays his favorite songs, there's shaving cream in the sink every morning, and the TV keeps flipping to the Duke basketball games he loved. She knows Mama notices it too, but Mama's been working around the clock to make ends meet. To make matters worse, Annie Lee's friends ditched her over the summer. She feels completely alone—until she meets Mitch. Though Mitch is tough and confident on the outside, she may need a friend just as badly as Annie Lee. But after losing so much, Annie Lee is afraid to let anyone get too close. And Mitch isn't the only friend trying to break through Annie Lee's defenses. Ray, an elderly pianist who plays at a local mall, has been giving her piano lessons. His music is pure magic, and Annie Lee hopes it might be the key to healing her broken heart. But when Ray goes missing, searching for him means breaking a promise to Mitch. Faced with once again losing those who mean the most to her, Annie Lee must make a choice: retreat back into her shell, or risk admitting how much she needs Mitch and Ray—even if it means getting hurt all over again. Just like in her debut, *Where the Watermelons Grow*, Cindy Baldwin brings her signature twist of magic to this authentically heartfelt story. A Whitney Award finalist An AML Award finalist

Nothin' But a Good Time - Tom Beaujour 2021-03-16

The New York Times Bestseller The Explosive National Bestseller "A backstage pass to the wildest and loudest party in rock history—you'll feel like you were right there with us!" —Bret Michaels of Poison Nothin' But a Good Time is the definitive, no-holds-barred oral history of 1980s hard rock and hair metal, told by the musicians and industry insiders who lived it. Hard rock in the 1980s was a hedonistic and often intensely creative wellspring of escapism that perfectly encapsulated—and maybe even helped to define—a spectacularly over-the-top decade. Indeed, fist-pumping hits like Twisted Sister's "We're Not Gonna Take It," Mötley Crüe's "Girls, Girls, Girls," and Guns N' Roses' "Welcome to the Jungle" are as inextricably linked to the era as Reaganomics, PAC-MAN, and E.T. From the do-or-die early days of self-financed recordings and D.I.Y. concert productions that were as flashy as they were foolhardy, to the multi-Platinum, MTV-powered glory years of stadium-shaking anthems and chart-topping power ballads, to the ultimate crash when grunge bands like Nirvana forever altered the entire climate of the business, Tom Beaujour and Richard Bienstock's *Nothin' But a Good Time* captures the energy and excess of the hair metal years in the words of the musicians, managers, producers, engineers, label executives, publicists, stylists, costume designers, photographers, journalists, magazine publishers, video directors, club bookers, roadies, groupies, and hangers-on who lived it. Featuring an impassioned foreword by Slipknot and Stone Sour vocalist and avowed glam metal fanatic Corey Taylor, and drawn from over two hundred author interviews with members of Van Halen, Mötley Crüe, Poison, Guns N' Roses, Skid Row, Bon Jovi, Ratt, Twisted Sister, Winger, Warrant, Cinderella, Quiet Riot and others, as well as Ozzy Osbourne, Lita Ford, and many more, this is the ultimate, uncensored, and often unhinged, chronicle of a time where excess and success walked hand in hand, told by the men and women who created a sound and style that came to define a musical era—one in which the bands and their fans went looking for nothin' but a good time...and found it.

THE STRATOCASTER GUITAR BOOK: A COMPLETE HISTORY OF FENDER'S GREATEST GUITAR

Mystic Guitar - Joel Bergeron 2019-08-05

We started *Mystic Guitar* as an online shop in Old Mystic, Connecticut in December of 2013. Our intent was to seek out the unusual, the unique, the hard to find or the just plain cool! Not just guitars, but banjos, ukuleles, mandolins, dulcimers, pretty much anything with strings. We travelled all over New England, always on the lookout for sensational and sometimes bizarre instruments that many times have an incredible story to tell. In this book I have selected a few of the hundreds of instruments we have sold at *Mystic Guitar* over the years. All of them have a story to tell but unfortunately many of their stories are lost forever in the fog of the past. Read the stories and look at the pictures... I took them myself. - Joel Bergeron, *Mystic Guitar*.
