Simeon Boudreaux, the New York Barons' golden-armed quarterback, is blessed with irresistible New Orleans charm and a face to melt your mama's heart. He's universally adored by fans and the media. Coming out as gay in solidarity with his teammate hasn't harmed his reputation in the least—except for some social media taunting from rival linebacker Adrián Bravo. Though they were once teammates, Adrián views Simeon as a traitor and the number-one name on the New Jersey Predators' shit list. When animosity between the two NFL players reaches a boiling point on the field, culminating in a dirty fist fight, they're both benched for six games and sentenced to joint community service teaching sullen, Brooklyn teens how to play ball. At first, they can barely stand to be in the same room, but running the camp forces them to shape up. With no choice but to work together, Simeon realizes Adrián is more than his alpha-jerk persona, and Adrián begins to question why he's always had such strong feelings for the gorgeous QB...

A Very Beary Christmas - Abbie Zanders
2017-12-19

Sam Brown was only eight years old when Chloe moved to the small mountain town he and his family called home, but his bear knew right away that she was the one for him. In a cruel twist of fate, Chloe was taken away, but he's never forgotten her - or what she is to him. When Sam's cousin comes home for the holidays and shows him a painting he'd seen of a very familiar looking bear and signed simply "Chloe", it might just be the break he's been hoping for. A winter storm is coming but nothing is going to stop Sam from finding her and bringing her home. After all, Christmas is the time for miracles...

City Stages - Michael McKinnie 2013-06-17

In every major city, there exists a complex exchange between urban space and the institution of the theatre. *City Stages* is an interdisciplinary and materialist analysis of this relationship as it has existed in Toronto since 1967. Locating theatre companies ? their sites and practices ? in Toronto's urban environment, Michael McKinnie focuses on the ways in which the theatre has adapted to changes in civic ideology, environment, and economy. Over the past four decades, theatre in Toronto has been increasingly implicated in the civic self-fashioning of the city and preoccupied with the consequences of the changing urban political economy. *City Stages* investigates a number of key questions that relate to this pattern. How

has theatre been used to justify certain forms of urban development in Toronto? How have local real estate markets influenced the ways in which theatre companies acquire and use performance space? How does the analysis of theatre as an urban phenomenon complicate Canadian theatre historiography? McKinnie uses the St. Lawrence Centre for the Arts and the Toronto Centre for the Performing Arts as case studies and considers theatrical companies such as Theatre Passe Muraille, Toronto Workshop Productions, Buddies in Bad Times, and Necessary Angel in his analysis. *City Stages* combines primary archival research with the scholarly literature emerging from both the humanities and social sciences. The result is a comprehensive and empirical examination of the relationship between the theatrical arts and the urban spaces that house them.

My life plan is to be brutally honest all the way to the bank. Don't believe me? Not everyone loves my style, but I have a long history of icing out people who can't handle me. I have no time for judgmental foolishness. Except, apparently, when it comes to Beau Starr. His channel is the polar opposite of mine, and so is he. Wholesome, inspirational, and clean-cut. Everything about him should turn me off, but when we hook up following a confrontation at a convention, my world flips upside down. Not only does Beau Starr turn me on, he uses the exact combination of dirty talk and roughness needed to turn me out. But we still hate each other. I think.

In Derailed, Stephanie Quinones escapes the heat and her complicated love life by going on a company retreat. Trouble is, it's a couples' retreat, and she lied about having a boyfriend.
