The World of Homer - Andrew Lang 1910

In the perpetual running fight about the Homeric Homer, Mr. Andrew Lang has been for some years a most prominent champion. In his latest return to the fray, " The World of Homer " (Jazzybee Publishing), he lays about him in a very joyous and triumphant mood. His foemen are all those who hold, in some form or other, that " the Iliad is a mosaic produced by a long series of Ionian additions to an Achaean ' kernel.' " Against them he maintains that " the Iliad is, in the main, the work of a single poet, as is shown by the unity of thought, temper, character and ethos " ; that it is " a work of one brief period, because it bears all the notes of one age, and is absolutely free from the most marked traits of religion, rites, society, and superstition that characterise the preceding Aegean, and the later ' Dipylon,' Ionian, Archaic, and historic periods in Greek life and art" Homer is an Achaean poet, composing for Achaean auditors at a time when "the glow of Aegean (late Minoan, Mycenaean) culture still flushed the sky." In support of his contention he writes nearly three hundred pages under such captions as "The Homeric World in War," "Homer and Ionia" "Bronze and Iron," "Burial and the Future Life," and "The Great Discrepancies." It goes without saying that the argumentation is serious. Some historians have long been in accord with Mr. Lang's principal views, while differing from him about many details ; but from friend and foe alike the book deserves attention.

Heroes of the Surf - Elisa Carbone 2012-05-10

Adventure on the high seas! WHAM! The Pliny jolts as if Black Beard himself has just punched her in the belly. Pedro and I slide and smack--bang--into the bulwark. "We're grounded," cries the first mate. "We've hit a shoal!" In May of 1882, a large steamship ran aground off the coast of New Jersey. Elisa Carbone imagines what it was like for two boys on that ship: waking up in the middle of the night, waves crashing over the side, the storm too big to lower the lifeboats. And then the flashing of light from shore--the surfmen, true "heroes of the surf," come to rescue them. The award-winning author's meticulous research combined with Nancy Carpenter's spectacular illustrations make this thrilling adventure on the high seas one not to be missed!

The Early Stories of Truman Capote - Truman Capote 2016-09-06

The early fiction of one of the nation's most celebrated writers, Truman Capote, as he takes his first bold steps into the canon of American literature Recently rediscovered in the archives of the New York Public Library, these short stories provide an unparalleled look at Truman Capote writing in his teens and early twenties, before he penned such classics as *Other Voices*, *Other Rooms*, *Breakfast at Tiffany's*, and *In Cold Blood*. This collection of more than a dozen pieces showcases the young Capote developing the unique voice and sensibility that would make him one of the twentieth century's most original writers. Spare yet heartfelt, these stories summon our compassion and feeling at every turn. Capote was always drawn to outsiders—women, children, African Americans, the poor—because he felt like one himself from a very early age. Here we see Capote's powers of empathy developing as he depicts his characters struggling at the margins of their known worlds. A boy experiences the violence of adulthood when he pursues an escaped convict into the woods. Petty jealousies lead to a life-altering event for a popular girl at Miss

Burke's Academy for Young Ladies. In a time of extraordinary loss, a woman fights to save the life of a child who has her lover's eyes. In these stories we see early signs of Capote's genius for creating unforgettable characters built of complexity and yearning. Young women experience the joys and pains of new love.

Urbane sophisticates are worn down by cynicism. Children and adults alike seek understanding in a treacherous world. There are tales of crime and violence; of racism and injustice; of poverty and despair.

And there are tales of generosity and tenderness; compassion and connection; wit and wonder. Above all there is the developing voice of a writer born in the Deep South who will use and eventually break from that tradition to become a literary figure like no other. With a foreword by the celebrated New Yorker critic Hilton Als, this volume of early stories is essential for understanding how a boy from Monroeville, Alabama, became a legend in American literature. Praise for *The Early Stories of Truman Capote* "Succeeds at conveying the writer's youthful rawness . . . These stories capture a moment when Capote was hungry to capture the rural South, the big city, and the subtle emotions that so many around him were determined to keep unspoken."—USA Today "A window on the young writer's emerging voice and creativity . . . Capote's ability to conjure a time, place and mood with just a few sentences is remarkable."—Associated Press

East Lynne - Mrs. Henry Wood 1861

Marry Me by Sundown - Johanna Lindsey 2018-07-10

The #1 New York Times bestselling author of *Beautiful Tempest* and *Make Me Love You* brings her "mastery of historical romance" (Entertainment Weekly) to 1880s Montana where passions and gold fever run high as an American heiress turns to a rugged mountain man to help her locate her father's fortune. After a social whirlwind in London, Violet Mitchell is summoned back to Philadelphia only to discover her family living on the edge of financial ruin while their father seeks new wealth in Montana's gold fields. With the family's home and social standing at risk, Violet makes a drastic decision. Meanwhile, Montana rancher Morgan Callahan rode away from his family's cattle farm to make his own fortune. Now as he finishes exploiting a mother lode of silver, a young woman claiming to be his late partner's daughter turns up wanting to be taken to her father's mine. Suspecting that the pretty schemer works for the mining outfit that is trying to steal his land, he has no qualms about snatching her and holding her at his camp where she can do no harm. But he underestimated the new thorn in his side. Determined to claim what rightfully belongs to her family, Violet summons up the courage and grit to cope with the hazards and discomforts of an untamed land and the disturbingly masculine stranger who holds her fate in his hands. But an error of judgment brings down a hailstorm of danger that upends her plans and deepens her bond to a man who may turn out to be all she desires. With her signature "strong characters, humor, interesting plots—and, of course—romance" (The Cincinnati Enquirer), Johanna Lindsey crafts another irresistible and adventurous love story.

The Children's Train - Viola Ardone 2021-01-12

"The innocence of childhood collides with the stark aftermath of war in this wrenching and ultimately redemptive tale of family, seemingly impossible choices, and the winding paths to destiny, which sometimes take us to places far beyond our imaginings." - Lisa Wingate, #1 New York Times Bestselling Author of *Before We Were Yours* and *The Book of Lost Friends* "Ardone's beautifully crafted story explores the meaning of identity and belonging...recommended to fans of Elena Ferrante's Neapolitan novels." - The Library Journal "[The Children's Train] leaves you with a great sense of the importance of family and the tough decisions that must be faced as a result of that love." - Shelf Awareness Based on true events, a heartbreaking story of love, family, hope, and survival set in post-World War II Italy—written with the heart of *Orphan Train* and *Before We Were Yours*—about poor children from the south sent to live with families in the north to survive deprivation and the harsh winters. Though Mussolini and the fascists have been defeated, the war has devastated Italy, especially the south. Seven-year-old Amerigo lives with his mother

Antonietta in Naples, surviving on odd jobs and his wits like the rest of the poor in his neighborhood. But one day, Amerigo learns that a train will take him away from the rubble-strewn streets of the city to spend the winter with a family in the north, where he will be safe and have warm clothes and food to eat. Together with thousands of other southern children, Amerigo will cross the entire peninsula to a new life. Through his curious, innocent eyes, we see a nation rising from the ashes of war, reborn. As he comes to enjoy his new surroundings and the possibilities for a better future, Amerigo will make the heartbreaking choice to leave his mother and become a member of his adoptive family. Amerigo's journey is a moving story of memory, indelible bonds, artistry, and self-exploration, and a soaring examination of what family can truly mean. Ultimately Amerigo comes to understand that sometimes we must give up everything, even a mother's love, to find our destiny. Translated from the Italian by Clarissa Botsford

[Lucio Mastronardi - Diario del Novecento](#) - Luciano Simonelli 2012-01-01

Nell'arco di circa trenta anni ho avuto il piacere d'incontrare direttamente o "indirettamente" molti protagonisti del mondo culturale del Novecento, di conversare a lungo con loro, di compiere delle ricerche

fra i loro scritti inediti e di raccontare di incontri, di ricerche e di scoperte in vari articoli. Testi che oggi riaffiorano come le pagine sparse di un mio personale diario da condividere con chi non desidera perdere la memoria di personaggi inimitabili. Andai a trovare Lucio Mastronardi nella sua Vigevano un lunedì di giugno del 1975. Questo scrittore tanto estroso quanto tormentato, mi raccontò tra l'altro anche, condannandolo, di un tentativo di suicidio che aveva compiuto un anno prima. Ma la depressione era una malattia che non lo aveva lasciato, nonostante quella serenità che mostrava dopo la nascita pochi mesi prima della prima figlia, Lucia. Ancora quattro anni, poi, sempre quella subdola malattia aveva avuto di nuovo il sopravvento su di lui e questa volta era riuscito a chiudere, ad appena quarantanove anni, la propria esistenza lasciandosi sommergere dalle acque del Ticino.

[How To Cope When The Going Gets Tough](#) - Windy Dryden 2001-04

The purpose of the book is to show you how to acquire the 'psychological muscle' to cope with the vicissitudes of life in such a way that virtually nothing can floor you. No, we are not aiming at making you insensitive, or to kid you that pain doesn't exist. In all probability you will, from time to time, continue to experience disappointments and frustrations and suffer the pain of grief, sadness and sorrow as everyone else. The world is certainly no rose garden. However, with the right mental attitude you can take most of the sting out of the pain, when occasionally some personal misfortune knocks off your perch, or life give you a tough time. The book will help you develop a way of thinking about yourself and the worlds around you that, if you work at it, you will be able to cope more effectively with your life when the going gets tougher than you would have otherwise thought possible.

The Glass Children - Kristina Ohlsson 2014-10-09

Billie is forced to leave the only home she's ever known when her mother decides they should move to a new house in a small town. Musty furniture and odd belongings fill the old, dilapidated building, the ghostly remains of its previous tenants - including two small glass figures, one boy and one girl. The neighbours and local community are hiding something, Billie can tell - a secret about the house, a secret of its past. Then Billie notices that the glass figures have moved when the house was empty. Soon after, a tiny handprint appears on a dusty table - the handprint of a small child. Billie is certain that they are being haunted. But her mother thinks Billie is making it up. With the help of her new friend Aladdin, Billie desperately tries to uncover the house's dark, tragic history . . . leading her closer to the chilling truth. *I riassunti di Farfadette.
