A Clash of Kings - George R. R. Martin 2003-01-01

THE BOOK BEHIND THE SECOND SEASON OF GAME OF THRONES, AN ORIGINAL SERIES NOW ON HBO. A SONG OF ICE AND FIRE: BOOK TWO In this thrilling sequel to A Game of Thrones, George R. R. Martin has created a work of unsurpassed vision, power, and imagination. A Clash of Kings transports us to a world of revelry and revenge, wizardry and warfare unlike any we have ever experienced. A comet the color of blood and flame cuts across the sky. And from the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns. Six factions struggle for control of a divided land and the Iron Throne of the Seven Kingdoms, preparing to stake their claims through tempest, turmoil, and war. It is a tale in which brother plots against brother and the dead rise to walk in the night. Here a princess masquerades as an orphan boy; a knight of the mind prepares a poison for a treacherous sorceress; and wild men descend from the Mountains of the Moon to ravage the countryside. Against a backdrop of incest and fratricide, alchemy and murder, victory may go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when kings clash, the whole land trembles.

A Song of Ice and Fire - George R.R. Martin 2015

Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse--unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season.

Magic Rises - Ilona Andrews 2013-07-30

The #1 New York Times Bestseller! Atlanta is a city plagued by magical problems. Kate Daniels will fight to solve them—no matter the cost... Mercenary Kate Daniels and her mate, Curran, the Beast Lord, are struggling to solve a heartbreaking crisis. Unable to control their beasts, many of the Pack's shapeshifting children fail to survive to adulthood. While there is a medicine that can help, the secret to its making is closely guarded by the European packs, and there's little available in Atlanta. Kate can't bear to watch innocents suffer, but the solution she and Curran have found threatens to be even more painful. The European shapeshifters who once outmaneuvered the Beast Lord have asked him to arbitrate a dispute—and they'll pay him in medicine. With the young people's survival and the Pack's future at stake, Kate and Curran know they must accept the offer—but they have little doubt that they're heading straight into a trap...

The New Koreans - Michael Breen 2017-04-04

Just a few decades ago, the South Koreans were an impoverished, agricultural people. In one generation they moved from the fields to Silicon Valley. They accomplished this through three totally unexpected miracles: economic development, democratization, and the arrival of their culture to global attention. Who are the Koreans? What are they like? The New Koreans examines how they have been perceived by outsiders, the features that color their "national character," and how their emergence from backwardness, poverty, and brutality happened. It also looks at why they remain unhappy—with the lowest birth rates and highest suicide rates in the developed world. In *The New Koreans*, Michael Breen provides compelling insight into the history and character of this fascinating nation of South Korea, and casts an eye to future developments, as well as across the DMZ into North Korea.

[A Storm of Swords](#) - George R. R. Martin 2013-12-01

Winter approaches Westeros like an angry beast. The Seven Kingdoms are divided by revolt and blood feud. In the northern wastes, a horde of hungry, savage people steeped in the dark magic of the wilderness is poised to invade the Kingdom of the North where Robb Stark wears his new-forged crown. And Robb's defences are ranged against the South, the land of the cunning and cruel Lannisters, who have his younger sisters in their power. Throughout Westeros, the war for the Iron Throne rages more fiercely than ever, but if the Wall is breached, no king will live to claim it.

Windhaven - George R. R. Martin 2012-10-16

"Told with a true storyteller's voice: clear, singing, persuasive, and wonderfully moving . . . a truly wonderful book."—Jane Yolen From #1 New York Times bestselling author George R. R. Martin and acclaimed author Lisa Tuttle comes a timeless tale that brilliantly renders the struggle between the ironbound world of tradition and a rebellious soul seeking to prove the power of a dream. Among the

scattered islands that make up the water world of Windhaven, no one holds more prestige than the silver-winged flyers, romantic figures who cross treacherous oceans, braving shifting winds and sudden storms, to bring news, gossip, songs, and stories to a waiting populace. Maris of Amberly, a fisherman's daughter, wants nothing more than to soar on the currents high above Windhaven. So she challenges tradition, demanding that flyers be chosen by merit rather than inheritance. But even after winning that bitter battle, Maris finds that her troubles are only beginning. Now a revolution threatens to destroy the world she fought so hard to join—and force her to make the ultimate sacrifice. “Martin and Tuttle make wonderful professional music together . . . shifting easily from moments of almost unbearable tension to others of sheer poetry and exhilaration.”—Fort Worth Star-Telegram “A powerful flight of the imagination . . . an entirely enjoyable reading experience, wrought by a pair of writers noted for excellence.”—Roger Zelazny “It's romance. It's science fiction. It's beautiful.”—A. E. van Vogt “I didn't mean to stay up all night to finish Windhaven, but I had to!”—Anne McCaffrey

Gary Gianni's *Monstermen and Other Scary Stories* - Gary Gianni 2017-08-22

Hot off the success of *Hellboy: Into the Silent Sea*, Gianni's original masterpiece returns in paperback! Includes an introduction by Pulitzer Prize-winning novelist Michael Chabon! Gary Gianni created one of the strangest occult detective teams in comics history: millionaire filmmaker Lawrence St. George and his associate, Benedict, of the venerable guild of Corpus Monstrum. They navigate a peculiar and deadly world plagued by squid pirates, zombie cowboys, abominable snowmen, mustachioed skulls, and fat, flying demons. Gianni's meticulous and evocative art combined with his haunting but often hilarious writing create a horror comic unlike anything else on the stands. This book also includes classic prose stories by Robert E. Howard, Clark Ashton Smith, and more, illustrated by Gianni. “These are (along with a few issues of *Stan and Jack's Fantastic Four*) my all time favorite comic book stories.”—Mike Mignola “Gianni is a master—The *MonsterMen* leaves no doubt: the dude knows how to rock a comic book page.”—Michael Chabon

Welcome to the Party - Gabrielle Union 2020-05-05

Praised by fan favorites including Hoda Kotb, Kim & Khloe Kardashian, and Jimmy Fallon! Inspired by the eagerly awaited birth of her daughter, Kaavia James Union Wade, New York Times bestselling author and award-winning actress Gabrielle Union pens a festive and universal love letter from parents to little ones, perfect for welcoming a baby to the party of life! Reminiscent of favorites such as *The Wonderful Things You'll Be* by Emily Winfield Martin, *I've Loved You Since Forever* by Hoda Kotb, and *Take Heart, My Child* by Ainsley Earhardt, *Welcome to the Party* is an upbeat celebration of new life that you'll want to enjoy with your tiny guest of honor over and over again. A great gift for all occasions, especially Mother's Day, Father's Day, baby showers, and birthdays.

The Armageddon Rag - George R. R. Martin 2007-01-30

“The best novel concerning the American pop music culture of the sixties I've ever read.”—Stephen King From #1 New York Times bestselling author George R. R. Martin comes the ultimate novel of revolution, rock 'n' roll, and apocalyptic murder—a stunning work of fiction that portrays not just the end of an era, but the end of the world as we know it. Onetime underground journalist Sandy Blair has come a long way from his radical roots in the '60s—until something unexpectedly draws him back: the bizarre and brutal murder of a rock promoter who made millions with a band called the Nazgûl. Now, as Sandy sets out to investigate the crime, he finds himself drawn back into his own past—a magical mystery tour of the pent-up passions of his generation. For a new messiah has resurrected the Nazgûl and the mad new rhythm may be more than anyone bargained for—a requiem of demonism, mind control, and death, whose apocalyptic tune only Sandy may be able to change in time . . . before everyone follows the beat. “The wilder aspects of the '60s . . . roar back to life in this hallucinatory story by a master of chilling suspense.”—Publishers Weekly “What a story, full of nostalgia and endless excitement. . . It's taut, tense, and moves like lightning.”—Tony Hillerman

“Daring . . . a knowing, wistful appraisal of . . . a crucial American generation.”—Chicago Sun-Times

“Moving . . . comic . . . eerie . . . really and truly a walk down memory lane.”—The Washington Post

A Game of Thrones 4-Book Bundle - George R. R. Martin 2011-03-22

The perfect gift for fans of HBO's *Game of Thrones*—a boxed set featuring the first four novels! George R. R. Martin's *A Song of Ice and Fire* series has become, in many ways, the gold standard for modern epic fantasy. Martin—dubbed the “American Tolkien” by Time magazine—has created a world that is as rich and vital as any piece of historical fiction, set in an age of knights and chivalry and filled with a plethora of fascinating, multidimensional characters that you love, hate to love, or love to hate as they struggle for control of a divided kingdom. This bundle includes the following novels: *A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS*

George R. R. Martin's A Game of Thrones 5-Book Boxed Set (Song of Ice and Fire Series) - George R. R. Martin 2012-09-10

For the first time, all five novels in the epic fantasy series that inspired HBO's *Game of Thrones* are together in one eBook bundle. An immersive entertainment experience unlike any other, *A Song of Ice and Fire* has earned George R. R. Martin—dubbed “the American Tolkien” by Time magazine—international acclaim and millions of loyal readers. Now this bundle collects the entire monumental cycle in the most convenient format available: *A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS A DANCE WITH DRAGONS* “One of the best series in the history of fantasy.”—Los Angeles Times Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys. “Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—The New York Times

Two Dark Reigns - Kendare Blake 2018-09-04

#1 New York Times bestselling author Kendare Blake returns with the highly anticipated third book in the *Three Dark Crowns* series! And while Arsinoe, Mirabella, and Katharine all have their own scores to settle, there is another queen stirring things up on Fennbirn Island. Queen Katharine has waited her entire life to wear the crown. But now that she finally has it, the murmurs of dissent grow louder by the day. There's also the alarming issue of whether her sisters are actually dead—or if they're waiting in the wings to usurp the throne. Mirabella and Arsinoe are alive, but in hiding on the mainland and dealing with a nightmare of their own: being visited repeatedly by a specter they think might be the fabled Blue Queen. Though she says nothing, her rotting, bony finger pointing out to sea is clear enough: return to Fennbirn. Jules, too, is in a strange place—in disguise. And her only confidants, a war-gifted girl named Emilia and her oracle friend Mathilde, are urging her to take on a role she can't imagine filling: a legion-cursed queen who will lead a rebel army to Katharine's doorstep. This is an uprising that the mysterious Blue Queen may have more to do with than anyone could have guessed—or expected. Don't miss *Five Dark Fates*, the thrilling conclusion to the series!

Tuf Voyaging - George R. R. Martin 2013-01-29

Long before *A Game of Thrones* became an international phenomenon, #1 New York Times bestselling author George R. R. Martin had taken his loyal readers across the cosmos. Now back in print after almost

ten years, Tuf Voyaging is the story of quirky and endearing Haviland Tuf, an unlikely hero just trying to do right by the galaxy, one planet at a time. Haviland Tuf is an honest space-trader who likes cats. So how is it that, in competition with the worst villains the universe has to offer, he's become the proud owner of a seedship, the last remnant of Earth's legendary Ecological Engineering Corps? Never mind; just be thankful that the most powerful weapon in human space is in good hands—hands which now have the godlike ability to control the genetic material of thousands of outlandish creatures. Armed with this unique equipment, Tuf is set to tackle the problems that human settlers have created in colonizing far-flung worlds: hosts of hostile monsters, a population hooked on procreation, a dictator who unleashes plagues to get his own way . . . and in every case, the only thing that stands between the colonists and disaster is Tuf's ingenuity—and his reputation as a man of integrity in a universe of rogues. "A rich blend of adventure, humor, compassion and all the other things that make being human worthwhile."—Analog "A new facet of Martin's many-sided talent."—Asimov's

[Mother of Kings](#) - Poul Anderson 2007-04-01

With this new novel, science fiction and fantasy grandmaster Poul Anderson has crafted a powerful story of a mighty queen, magic, and the mastery of ancient nations. Blending characters both historical and mythological, Mother of Kings is the tale of Gunnhild, Queen of England and Norway, who loomed so large in the tenth century—at the end of the Age of the Vikings—that she became a figure of legend, even of myth.

As a child of just seven summers, Gunnhild finds herself fascinated with the powers of a witchwoman who is a concubine of her father's, a powerful Norse chieftain. She also finds another fascination in handsome and lordly Eirik, son of their king. When her mother dies, Gunnhild promises, "I will never yield," and that, "through me, our blood shall flow greatly." Gunnhild has learned from her chieftain father the way the powerful use the weak. But there are other lessons and other powers she seeks. Sent away to learn the magic of a pair of shamans, Gunnhild becomes a Spaewife—a knower of the Gods, a master in the ways of witchcraft and sorcery. Aided by her new abilities, Gunnhild marries Eirik. She is destined to become queen, and her magic is a fearsome complement to Eirik's strength. But Eirik's enemies are cunning, and Gunnhild is soon without his might. If Gunnhild can keep the promise she made as a child to never yield, her family's blood will flow greatly, and the sons she bore Eirik will each become a king. Her own struggles, though, are far from over . . .

The first volume of a four-part graphic novel adaptation of the second book in George R. R. Martin's landmark Song of Ice and Fire series, the inspiration for HBO's Game of Thrones. The four-part graphic novel adaptation of A Game of Thrones proved that George R. R. Martin's A Song of Ice and Fire has the power to enchant in any medium. Now the story continues as New York Times bestselling author Landry Q. Walker and illustrator Mel Rubi introduce a thrilling new series based on the second book in the landmark saga. Time is out of joint. The summer of peace and plenty, ten years long, is drawing to a close, and the harsh, chill winter approaches like an angry beast. Two great leaders—Lord Eddard Stark and King Robert Baratheon—who held sway over an age of enforced peace are dead, victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding walls of Winterfell, chaos reigns as pretenders to the Iron Throne of the Seven Kingdoms prepare to stake their claims through tempest, turmoil, and war. As a prophecy of doom cuts across the sky—a comet the color of blood and flame—six factions struggle for control of a divided land. Eddard's son Robb has declared himself King in the North. In the south, Joffrey, the heir apparent, rules in name only, victim of the scheming courtiers who teem over King's Landing. Robert Baratheon's two brothers each seek his own dominion, while a disfavored house turns once more to conquest. And a continent away, an exiled queen, the Mother of Dragons, risks everything to lead her precious brood across a hard, hot desert to win back the crown that is rightfully hers. Against a backdrop of incest and fratricide, alchemy and murder, the price of glory may be measured in blood. And the spoils of victory may just go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when rulers clash, all the land feels the tremors.

A Clash of Kings: The Graphic Novel: Volume Two - George R. R. Martin 2019-10-01

The second volume in a four-part graphic novel adaptation of the second book in George R. R. Martin's landmark A Song of Ice and Fire series, the inspiration for HBO's Game of Thrones. As chaos grips Westeros, a flaming red comet continues to burn a crimson path across the sky. Some see this fiery herald as a sign of their impending victory. Others see it as a mark of the blood and terror that will soon engulf this divided kingdom. But one thing is certain: None of the six contenders who seek either the Iron Throne, or the lands their ancestors once held as kings, are willing to back down. And as factions scatter or come together, there are many witnesses to the unrest that is to come. Arya Stark finds herself in the heart of enemy territory at Harrenhal, while her mother is trapped between two brothers battling each other for their dead brother's throne. In the heart of King's Landing, Tyrion is busy ferreting out traitors as the Hand of the King, while Jon is beginning to comprehend the lawlessness of life beyond the Wall. New friends arrive in Winterfell for Bran, a forgotten son finds life in the Iron Islands quite different than he remembered, and the Mother of Dragons at last arrives in the fabled city of Qarth. But even as these would-be kings draw their lines of battle, it is the people of Westeros who will most suffer for their ambitions. For when kings clash, it is the commoners who bear the greatest cost.

A Feast for Crows - George R. R. Martin 2005-11-08

THE BOOK BEHIND THE FOURTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Few books have captivated the imagination and won the devotion and praise of readers and critics everywhere as has George R. R. Martin's monumental epic cycle of high fantasy. Now, in A Feast for Crows, Martin delivers the long-awaited fourth book of his landmark series, as a kingdom torn asunder finds itself at last on the brink of peace . . . only to be launched on an even more terrifying course of destruction. A FEAST FOR CROWS It seems too good to be true. After centuries of bitter strife and fatal treachery, the seven powers dividing the land have decimated one another into an uneasy truce. Or so it appears. . . . With the death of the monstrous King Joffrey, Cersei is ruling as regent in King's Landing. Robb Stark's demise has broken the back of the Northern rebels, and his siblings are scattered throughout the kingdom like seeds on barren soil. Few legitimate claims to the once desperately sought Iron Throne still exist—or they are held in hands too weak or too distant to wield them effectively. The war, which raged out of control for so long, has burned itself out. But as in the aftermath of any climactic struggle, it is not long before the survivors, outlaws, renegades, and carrion eaters start to gather, picking over the bones of the dead and fighting for the spoils of the soon-to-be dead. Now in the Seven Kingdoms, as the human crows assemble over a banquet of ashes, daring new plots and dangerous new alliances are formed, while surprising faces—some familiar, others only just appearing—are seen emerging from an ominous twilight of past struggles and chaos to take up the challenges ahead. It is a time when the wise and the ambitious, the deceitful and the strong will acquire the skills, the power, and the magic to survive the stark and terrible times that lie before them. It is a time for nobles and commoners, soldiers and sorcerers, assassins and sages to come together and stake their fortunes . . . and their lives. For at a feast for crows, many are the guests—but only a few are the survivors.

Wild Cards III: Jokers Wild - George R. R. Martin 2014-02-11

Soon to be a show on Hulu! Rights to develop Wild Cards for TV have been acquired by Universal Cable Productions, the team that brought you The Magicians and Mr. Robot, with the co-editor of Wild Cards, Melinda Snodgrass as executive producer. Let the secret history of the world be told—of the alien virus that struck Earth after World War II, and of the handful of survivors who found they now possessed superhuman powers. Some were called Aces, endowed with powerful mental and physical prowess. The others were Jokers, tormented by bizarre mind or body disfigurements. Some served humanity. Others wreaked terror. Now, forty years later, under the streets of Manhattan an evil genius unleashes the powers of darkness—and Aces and Jokers alike must fight for their lives. Here, in the third volume of the Wild Cards series, seven of science fiction's most gifted writers take you on a journey of wonder and excitement. Includes stories by: Edward Bryant Leanne C. [Medievalism in A Song of Ice and Fire and Game of Thrones](#) - Shiloh Carroll 2018

One of the biggest attractions of George R.R. Martin's high fantasy series A Song of Ice and Fire, and by extension its HBO television adaptation, Game of Thrones, is its claim to historical realism. The author, the directors and producers of the adaptation, and indeed the fans of the books and show, all lay claim to Westeros, its setting, as representative of an authentic medieval world. But how true are these claims? Is it

possible to faithfully represent a time so far removed from our own in time and culture? And what does an authentic medieval fantasy world look like? This book explores Martin's and HBO's approaches to and beliefs about the Middle Ages and how those beliefs fall into traditional medievalist and fantastic literary patterns. Examining both books and programme from a range of critical approaches - medievalism theory, gender theory, queer theory, postcolonial theory, and race theory - Dr Carroll analyzes how the drive for historical realism affects the books' and show's treatment of men, women, people of colour, sexuality, and imperialism, as well as how the author and showrunners discuss these effects outside the texts themselves. SHILOH CARROLL teaches in the writing center at Tennessee State University.

Happy Narwhalidays (A Narwhal and Jelly Book #5) - Ben Clanton 2020-09-08

A New York Times Bestseller! Narwhal and Jelly spread some holiday cheer (and warm waffle pudding) in the festive fifth book of this blockbuster graphic novel series! Dive into three new stories about Narwhal's favorite time of the year! It's the festive season in the world wide waters, and Narwhal is looking forward to cozying up with a good book, singing and partying with pod pals and enjoying some warm waffle pudding. But most of all Narwhal is excited about the arrival of the Merry Mermicorn! According to Narwhal, she's part mermaid, part unicorn and completely mer-acularous! Jelly is of course skeptical about the existence of the "Mira-Miny-What-A Corn" . . . even when he receives a mysterious present. It must be from Narwhal. Now Jelly has to get the perfect gift, but finding a present for someone as unique as Narwhal is no easy feat, even when you have six tentacles. How will Jelly ever come up with a whaley great gift for a best pal who spreads cheer all through the year?
