## **Jane - Book 6 Come By Chance Mail Order Brides of 1885** - Juliet James

A wild and fun Modern Miss, a Preacher with a mighty pair of conundrums, and an Outlaw turned politician who's out of control! Don't miss the exciting conclusion to the Come-By-Chance saga! When Jane Waters comes pedaling into town, she cycles slap bang into corruption, catastrophe, and some increasingly curious conundrums — not to mention, right on into the heart of the beloved Come-By-Chance preacher, Ernest James Coy. For Jane, a modern late 19th Century woman, marriage is something she must avoid at all costs. Her heart belongs to her calling, for Jane is a writer — and no mere man can be allowed to stand in the way of that. Not even such a good man as the Come-By-Chance preacher. As for Ernest Coy himself, he sees the new woman in town as the wildest, most dangerous, and wonderful woman he's known. But these are dangerous times, and the preacher must face, not just one, but twomighty conundrums — conundrums that threaten the future of not just himself, not just Jane Waters, and not just the Come-By-Chance townfolk. No, this time, the evil Slim Jim Murdoch might well destroy the lives of everyone in Montana Territory — and perhaps, in time, even the entire country. A timeless story of the importance of love and respect — and the difficult choices good people must make, when faced with evil incarnate. The Come-By-Chance books are jam-packed with gun-totin' adventure, intrigue and true love, all set in 1880s frontier America. Come-By-Chance Brides of 1885 Book 1. ## **Unmasking Prometheus** - Diana Bold 2022-08-16

The first three books in Diana Bold's UNMASKING PROMETHEUS series. MASKED INTENTIONS Adrian Strathmore is a reclusive genius by day. However, by night, he is a masked avenger named Prometheus, rescuing unfortunate children from lives of prostitution. Horribly burned as a child, he loves the anonymity

of his mask. Vanessa Bourke, the famous actress, is fascinated by both Adrian Strathmore, who throws flowers at her feet but remains in the shadows, and Prometheus, the masked man who shows up in her flat in the middle of the night with a small boy he's saved. When she discovers they are one and the same, she begs him to unmask himself, to no avail. He is willing to lose her forever rather than trust her to love him despite his scars. Frustrated, she blackmails Adrian into marrying her, ruining his trust. Will he ever believe she's come to love the man behind the mask? MASKED PROMISES When Lucien Strathmore, the Earl of Hawkesmere, sets out to find his abducted little sister, he finds the woman he'd once loved instead. Serenity Pratt had been the gamekeeper's daughter, and they'd spent one magical summer together, but then she'd disappeared without a trace. Now, she's back in his life and he must deal with the tragedy she's been hiding. In order to solve the mystery that tore them apart, he must take up the mask of Prometheus, the masked avenger he and his brothers created to deal with their troubled childhood. But what he finds forces him to make an untenable decision. MASKED DESIRES The last of the Strathmore brothers, Morgan, who lost his wife at the hands of the Earl of Winters, retreats into his art where he once found solace. But when the masked vigilante, Prometheus, returns to prowl the darkest corners of the East End, Morgan discovers that neither of his brothers is behind the mask. Perplexed by this new Prometheus and determined to get to the bottom of this mystery, his search for the daring imposter leads him to Fiona Bohannon, who runs the orphanage where Prometheus takes the rescued children. Fiona won't reveal Prometheus's identity, but Morgan finds purpose in helping Fiona and the children. By day, Fiona is the caring headmistress of the orphanage. By night, she secretly dons the mask and cape to continue the work of Prometheus. Dodging Morgan's questions, she tells him so many lies that it soon becomes impossible to tell him the truth. As the sparks fly between them, she continues to play her dangerous game in order to rescue innocent children from a terrible fate. But when she is captured, déjà vu rears its ugly head. Will Morgan lose the new love of his life as well, or will the Strathmore brothers band together to defeat the evil Earl of Winters, once and for all?

## *Buying a Bride* - Marcia A. Zug 2016-06-07

There have always been mail-order brides in America—but we haven't always thought about them in the same ways. In *Buying a Bride*, Marcia A. Zug starts with the so-called "Tobacco Wives" of the Jamestown colony and moves all the way forward to today's modern same-sex mail-order grooms to explore the advantages and disadvantages of mail-order marriage. It's a history of deception, physical abuse, and failed unions. It's also the story of how mail-order marriage can offer women surprising and empowering opportunities. Drawing on a forgotten trove of colorful mail-order marriage court cases, Zug explores the many troubling legal issues that arise in mail-order marriage: domestic abuse and murder, breach of contract, fraud (especially relating to immigration), and human trafficking and prostitution. She tells the story of how mail-order marriage lost the benign reputation it enjoyed in the Civil War era to become more and more reviled over time, and she argues compellingly that it does not entirely deserve its current reputation. While it is a common misperception that women turn to mail-order marriage as a desperate last resort, most mail-order brides are enticed rather than coerced. Since the first mail-order brides arrived on American shores in 1619, mail-order marriage has enabled women to improve both their marital prospects and their legal, political, and social freedoms. *Buying a Bride* uncovers this history and shows us how mail-

order marriage empowers women and should be protected and even encouraged.
