BLOODBORNE THE OLD HUNTERS COLLECTOR'S EDITION GUI - FUTURE PRESS 2016-06-27

With the release of The Old Hunters, Bloodborne becomes complete. And since the expansion is worthy of its own guide, here we go again: our Bloodborne Collector's Edition Guide is about to get the perfect companion. With the same understated look, unparalleled detail and luxurious extra content, these two books are designed -- inside and out -- to sit side-by-side. The original Bloodborne Collector's Edition Guide is one of the highest rated and best-received game books ever made, and we're giving The Old Hunters the same treatment. Whether you want to fully explore the new areas, learn everything there is to know about each new weapon and character, understand the intricate Lore or admire the work of FromSoftware's concept artists, you'll have a single, invaluable resource to delve into. A Whole New Game: an entire chapter dedicated to highlighting the ways Bloodborne has changed since its release and analyzing how The Old Hunters impacts progression through the full game. Hunting the Nightmare: using our unique hybrid area guide format, exclusive, beautifully illustrated maps take you through the new areas the way you want -- either follow along a route or focus on a single location -- you determine the pace of action. Twice the Arsenal: the Old Hunters almost doubles your available tools, so the possibilities in combat have increased exponentially. Find out not only how every new

weapon, spell and Caryll Rune works and is used most efficiently, but how they affect Bloodborne's existing arsenal as well. The Most Lethal Enemies: new nightmare creatures are introduced in The Old Hunters, and -- here's a promise -- they're the toughest and most lethal you'll have faced in Bloodborne. We've dedicated countless hours to turn killing each of them into a science you can rely upon, no matter what play style or equipment you prefer. Interconnected Lore: detailing NPC quests and character interactions is no longer just an invaluable extra -- it's our aim to provide the most complete look at Bloodborne's story and character connections available anywhere! Every important line of text or dialog that links one place or character to another is laid out in an intuitive format for clarity and reference. Extended Art: we've made it our highest priority to showcase FromSoftware's glorious original and newly created artwork on lavishly designed pages. Each piece is displayed sharp and in full size for your viewing pleasure.

Sekiro - Ludovic Castro 2020-09-02

Discover an analytic work of Sekiro, a game that spectacularly marked the 2010s. Few video game series can boast having marked the 2010s as much as Souls. FromSoftware mainly owes this amazing and unexpected success to the talents of the now-famous Hidetaka Miyazaki, whose radical vision of video games was quick to charm and win around players. In May 2014, the director was promoted to president of FromSoftware. He could have continued to create Souls forevermore, but instead chose to develop new franchises. The first true representative of this new era was Sekiro: Shadows Die Twice, a game with unprecedented richness and flawless thematic consistency. This book will discuss the work's development process, an analysis of the storyline and characters, the soundtrack, themes, and its historical, cultural and artistic influences. It will also present an analysis of the problem with Sekiro's difficulty—which saw a lot of ink spilled at its release—and take a look at the evolution of Miyazaki's games. This book will provide you with an analysis of Sekiro: Shadows Die Twice : it will discuss the game creation process, as well as the themes, the storyline, the characters, the soundtrack and its different influences. The book will also present an analysis of the problem with the game's difficulty and the evolution of Miyazaki's games. ABOUT THE AUTHOR It is by exploring the world of Super Metroid at the age of seven that Ludovic Castro finds himself for the first time captivated by a world of video games. A big fan of Japanese RPGs, he later became passionate about the background stories about his favorite games in Gameplay RPG magazine. Now a doctor of theoretical chemistry, he sometimes manages to find enough free time to write about his favorite series, Megami Tensei.
